Non-discriminatory Policy as to Students

Freed–Hardeman University admits qualified students of any race, age, sex, religion, disability, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Freed–Hardeman does not discriminate on the basis of age, sex, religion, disability, race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Based upon this commitment, FHU follows the principle of non-discrimination and operates within applicable federal and state laws. As a recipient of federal financial assistance, FHU is required by Title IX of the Educational Amendments of 1972, as amended, not to discriminate on the basis of sex in its admission policies, treatment of students, employment practice or educational programs, except as required by religious tenets of the churches of Christ.

Mr. David Shannon President

MESSAGE FROM THE PRESIDENT

Welcome to the Freed–Hardeman University family. We are so glad you have chosen to continue your education here. We are embarking upon a new chapter in FHUs history. Last year, we celebrated our 150th year history of higher education in Henderson. This year, following an abrupt ending to our school year because of the COVID19 pandemic, we begin again.

We begin with hope for a complete school year with no unplanned interruptions. We begin with plans for a safer, healthier college community. We begin with trust in God to guide our ways.

We continue to offer you an education that emphasizes spiritual growth along with intellectual progress and social maturity. I encourage you to take advantage of these occasions to "grow in wisdom and stature and in favor with God and man." Seizing such opportunities for growth will mold you into a complete person ready to meet today's challenges and prepare you for an eternal tomorrow. I pray you will always use your gifts for His glory.

A Word About This Catalog

The catalog has been designed to provide you with clear, current, and useful information about FHU. In it, you will learn about the University's history and traditions, its distinctive commitments, and its programs and services.

You will learn from the catalog what you may expect of the University and what the University expects of you as a student. It tells how you may earn a degree and with what kind of regulations you must comply to remain in good standing. It is an authoritative reference for students, faculty, and administration, and no one may waive its requirements or regulations without a written request approved in writing by the appropriate administrative officer. Errors may, of course, be corrected. Oral advice or assurances that differ from the catalog should not be accepted or relied upon.

Provisions of this catalog are subject to change without notice and do not constitute an irrevocable contract between any student and the University. Regulations, courses, and programs of study may be added, modified, or discontinued to meet changing student and faculty interests, requirements of accreditation or certification agencies, or for other appropriate reasons. Announcements of changes will be made on campus or in University publications. More detail on student life and activities will be found in the student handbook. Faculty have access to school policies that they may use in answering questions about attendance policies, independent studies, field studies, or other areas. Further interpretation or information may be sought from a college dean or from the vice president for academics.

Accreditation and Affiliations

Freed–Hardeman University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award an associate, bachelor's, master's, education specialist's, and doctorate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at: 1866 Southern Lane, Decatur, Georgia 30033–4097, or call (404) 679-4500 for questions about the accreditation of FHU.

Freed–Hardeman University also maintains program specific accreditations. The University was approved as a teacher training institution at the two-year level by the Tennessee State Board of Education in 1925. This approval was reaffirmed in 1952. Institutional and program approval to provide teacher certification in elementary education and in selected secondary education subject areas beginning with the 1976 graduating class was granted by the state in February of 1976. This approval was reaffirmed in 2013. National accreditation of the undergraduate elementary and secondary teacher education programs was granted by the National Council for the Accreditation of Teacher Education (NCATE) in 1982, retroactive to September 1981. This was reaffirmed and extended to the graduate program in 1992. The Education Specialist degree program was accredited in Fall 2003. The Accreditation of Teacher Education most recently reaffirmed and eccreditation of the undergraduate and the graduate education programs in 2020.

The Council on Social Work Education (CSWE) first accredited the University's bachelor's degree in the social work program in 1981. This accreditation was most recently reaffirmed in 2020.

The Accreditation Council for Business Schools and Programs (ACBSP) first accredited the University's undergraduate business programs in 1994. The accreditation was reaffirmed in 2004 and 2014. The ACBSP accredits the Bachelor of Business Administration (B.B.A.) degrees in accounting, finance, management, and marketing; and the Master of Business Administration (M.B.A.) degree.

The Graduate School of Theology is accredited by the Commission on Accrediting of the Association of Theological Schools, 10 Summit Park Drive, Pittsburgh, PA 15275–1110; (412) 788-6505, ext. 226. The following degree programs are approved by the Commission on Accrediting: The Master of Arts in Ministry, Master of Arts in New Testament, and the Master of Divinity.

The Tennessee Board of Nursing extended full approval to FHU's baccalaureate program in nursing in August 2013. The baccalaureate degree program in nursing at Freed–Hardeman University is accredited by the Commission on Collegiate Nursing Education (CCNE)

(http://www.ccneaccreditation.org). The baccalaureate degree program in nursing was first accredited by CCNE in November 2014.

The Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA), has granted accreditation to the following programs in the Department of Behavioral Sciences at Freed–Hardeman University: Clinical Mental Health Counseling (M.S.).

Freed–Hardeman University is authorized to provide educational opportunities for veterans and certain dependents or survivors. All programs except for field study and the individualized major are eligible for Veterans Education Assistance.

State Authorizations (Distant Education Programs)

Freed–Hardeman University is committed to complying with all states' and federal regulations for its distant learning programs. Freed–Hardeman University has been approved by Tennessee to participate in the National Council for State Authorization Reciprocity Agreements (NC–SARA), which is a voluntary, regional approach to state oversight of postsecondary distance education. For specific information regarding state authorization, approval, licensure or exemption, please contact the associate vice president for instruction.

Please note that Freed-Hardeman University's programs that may lead to a professional licensure or certification (e.g., Accounting, Counseling, Psychology, Social Work, Teacher Education, etc.) are designed to meet the licensure requirements for the state of Tennessee. The University does not explicitly or implicitly attest that licensure programs meet the licensure requirements for any state other than Tennessee. Please reference the Accreditations and State Authorizations webpage on FHU's website prior to enrolling in a licensure program to obtain further information, including contact information for the applicable licensing board in your respective state of residence. Contact the Office of Graduate Admissions for more information if it is applicable to a graduate program.

Nature of the Institution

Freed–Hardeman University is a private, not-for-profit, institution that is associated with the churches of Christ. The University offers baccalaureate, master's, education specialist's, and doctorate degrees in art, business, divinity, education, fine arts, ministry, nursing, science, and social work. The University serves undergraduate and graduate student populations who, on average, originate from 35 states and 20 countries. Freed–Hardeman University serves a large number of traditional, full-time, undergraduate, residential students at its location in Henderson, Tennessee. The University also serves a growing number of commuter, part-time, and adult undergraduate and graduate students at Henderson, at its off-campus instructional sites in Memphis and in Dickson, and through its distant-learning programs.

The mission of the University is advanced by a qualified Christian faculty who teach and inspire students to learn through instruction and activities that recognize and honor biblical truth and principles. The University is governed by a self-perpetuating board of trustees who are members of churches of Christ and who hold the institution in trust for its founders, alumni, and supporters. Freed–Hardeman University, its faculty, and its students receive support from alumni, churches, and other friends, and provides a variety of services to businesses, churches, nonprofit organizations, and to the general public.

Freed–Hardeman University provides a liberal arts education for undergraduate students through its liberal arts core and degree programs. Courses are offered by ten academic departments organized into five colleges—Arts and Sciences, Biblical Studies, Business, Education and Behavioral Sciences, and the Honors College.

Identity Statement

Freed–Hardeman University is an academic community, associated with churches of Christ, which is dedicated to providing excellent undergraduate, graduate, and professional programs.

Mission Statement

The mission of Freed–Hardeman University is to help students develop their God-given talents for His glory by empowering them with an education that integrates Christian faith, scholarship, and service.

Vision Statement

Freed–Hardeman University will inspire growth in faith, knowledge, and service to thrive in a challenging world.

Aims

In accomplishing its mission, the University pursues the following three aims:

- 1. Freed-Hardeman University provides higher education with a Christian perspective:
 - by recognizing the Bible as the inspired and authoritative Word of God,
 - by presenting Jesus, the Christ, as the model for personal behavior,
 - by viewing each person as a special creation of God, possessing an everlasting soul, with ultimate accountability to God,
 - by promoting racial harmony, religious unity, and respect for individual differences through Christian love and biblical teaching, and

- by offering programs, activities, and worship opportunities that strengthen the university community.
- 2. Freed–Hardeman University provides educational opportunities through excellent undergraduate, graduate, and professional programs:
 - by employing qualified, caring Christian faculty,
 - by teaching students to be critical thinkers who communicate effectively,
 - by offering a balanced education in the liberal arts and sciences as well as specialization in a chosen discipline,
 - by offering engaging academic opportunities to strengthen individual students,
 - by equipping students for advanced study and career challenges,
 - by instilling in students a lasting desire for learning, and
 - by engaging in the scholarship of discovery, integration, application, and/or teaching in ways that are appropriate to its various disciplines of study, degrees awarded, and professional programs.
- 3. Freed–Hardeman University provides service to the individual, home, church, community, and world:
 - by facilitating spiritual, intellectual, social, and physical growth,
 - by recognizing the home as the basic unit of society and helping students develop skills for healthy Christian families,
 - by encouraging students to love the church and preparing them for active service in a local congregation,
 - by offering programs to strengthen and encourage growth of the church, and
 - by teaching students to become effective citizens of the local and world communities.

History of Freed-Hardeman University

Freed-Hardeman University traces its origin to the 1869 charter of a private high school and college located in Henderson. The first recorded school in Henderson was taught in the latter half of the 1860s in a frame house located on the property where Hall-Roland Hall and the Old Main Administration Building now stand. It was last headed by A. S. Sayle. The Tennessee legislature, on November 30, 1869, incorporated the Henderson Male and Female Institute in an act that authorized the institute to offer high school and college courses of study and to confer degrees. In 1870, the school opened in a two-story frame building on what is known as the Milan-Sitka property, where it operated for 15 years. In March of 1877, the legislature changed the name to the Henderson Masonic Male and Female Institute, the nominal term Masonic having come into use earlier. Beginning in 1871, Prof. George M. Savage managed the school, and John Bunyan Inman taught and served as principal for ten years. H. G. Savage was chairman of the faculty while his son, George M. Savage, was away during part of this era.

In August 1885, the charter of the institute was amended to change the name to West Tennessee Christian College and to change somewhat the membership of the board of trustees. On the first Monday in October, the college opened with J. B. Inman as its president. President Inman died in 1889, and G. A. Lewellen was elected president. Lewellen resigned in 1893, and C. H. Duncan was elected to succeed him. In 1895, Arvy Glenn Freed, an alumnus of Valparaiso University in Indiana who had become, in 1889, the first president of Southern Tennessee Normal College at Essary Springs, Tennessee, became president of West Tennessee Christian College. The name of the college was changed to Georgie Robertson Christian College in 1897. In 1902, Ernest C. McDougle became co-president with Freed, and when Freed resigned in 1905, McDougle continued as president until the college closed at the end of the spring term in 1907.

On May 21, 1907, the National Teachers' Normal and Business College was incorporated. Construction of the Administration Building began that fall, and the college opened in the fall of 1908 with A. G. Freed as president and N. B. Hardeman, who had studied and taught at Georgie Robertson Christian College, as vice president. The college was renamed for them in 1919. In February 1990, it became Freed–Hardeman University.

W. Claude Hall served as president and C. P. Roland as dean from 1923 to 1925. In 1925, N. B. Hardeman and Hall C. Calhoun were elected associate presidents. Calhoun resigned at the close of the session, and Hardeman served as president until 1950. He was succeeded by H. A. Dixon, who served until his death in 1969.

E. Claude Gardner became president in December 1969. He became chancellor in June 1990 and president emeritus in 1992. Milton R. Sewell, an alumnus who had formerly served as vice president for institutional advancement, succeeded Gardner as president in June 1990 and became chancellor in April 2008. Joe Wiley became president in April 2008 and served until June 2017 when David R. Shannon succeeded him as the 16th president for Freed–Hardeman University.

At various times, FHU and its predecessors have offered an associate, bachelor's, and advanced degrees. Secondary work was offered until the early 1930s and elementary into the 1940s. From 1925 through 1974, the institution operated as a standard junior college awarding diplomas and, beginning in 1956, associate degrees. Some students continued their studies in Bible for a third year, and junior–level courses in Bible were offered beginning in 1953. In 1974–1975, the junior year was added in all departments, and senior–level courses were added in 1975–1976. Graduate degree programs in education and in ministry were added during the summer of 1989, graduate programs in counseling and in New Testament were added in 1994, and the graduate program in business was added in 2005. The University's first doctoral program was offered in Fall 2014.

In 1999, FHU expanded course offerings to Memphis, Tennessee. Initially, the University offered graduate education programs at a site shared with the Harding Graduate School of Religion. In June 2011, the University opened the Bucy Center in Memphis, a 12,000 square foot facility located at 5565 Shelby Oaks Drive. Programming at the facility was also expanded at that time to include courses for the M.S. in Clinical Mental Health Counseling. The facility was named in honor of G. C. and Pam Bucy; both were Freed–Hardeman alumni and long-time educators.

In November 2013, FHU received a gift of property known as the Renaissance Center located in Dickson, Tennessee from the Jackson Foundation, Inc. This facility was an 110,000 square foot learning facility that included classroom space, conference rooms, theatre and performance areas, art studios, film and audio production studios, and office spaces. Beginning in Fall 2014, the University offered undergraduate and graduate programs in business, education, nursing, and clinical mental health counseling at the Renaissance Center. Programming was expanded to include criminal justice, psychology, and social work in Fall 2015, and nursing was added in Fall 2016.

Freed–Hardeman University has been accredited through the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) since 1956 with the most recent reaffirmation occurring in 2011. In 1976, FHU obtained accreditation to award baccalaureate degrees. In June 1990, SACSCOC accreditation was expanded to allow the University to offer master's degrees, and in December 2013, SACSCOC accreditation was further expanded to allow the offering of doctorate degrees.

Institutional Governance

The governing body of Freed–Hardeman University is the board of trustees. Through their adoption of fundamental statements of mission and policy, the board seeks to ensure the accomplishment of the mission of the institution. The president is appointed by the board of trustees as the executive officer of the University and is responsible for the operation and development of the University as a whole and for each of its parts.

Students will find administrators willing to discuss any University policy or regulation. Students, teachers, and administrators serve on standing University Committees. Through these committees and through the Student Government Association (SGA), policy recommendations are made to the president.

Locations

Henderson Campus

The University's main campus is located in a quiet, West Tennessee, county-seat town of approximately 6,500 citizens. Henderson is fortunate to have more than adequate educational, medical, protective, and business services and facilities. The county high school is regionally accredited. Physicians, licensed nurse practitioners, dentists, optometrists, and pharmacies are located within walking distance of the campus. The University is adjacent to the city and county courthouses, office buildings, and the central business district. Light industry is located away from the campus. The campus consists of about 120 acres with 26 buildings.

Town and University relationships are good. University facilities are frequently made available to local civic clubs, senior citizens, and scout groups, and faculty and staff members are active participants in community organizations such as the Chester County Red Cross and other civic groups. Campus groups cooperate with community blood drives and provide volunteer services for children with disabilities classes, the county nursing home, and other entities.

Supplementing the cultural, entertainment, medical, and shopping facilities of Henderson are those of the regional center of Jackson, located 17 miles north.

Chickasaw State Park, Pinson Mounds State Archaeological Park, and Shiloh National Military Park are nearby and are the sites of University outings. The 77-acre Mid–South Youth Camp owned by the University is located just north of Henderson and is available for picnics and other activities. Classes and clubs frequently make field trips to Memphis or Nashville.

FHU/Memphis

The University operates an off-campus instructional site at the Bucy Center located at 5565 Shelby Oaks Drive in Memphis, Tennessee. This 12,000 square foot facility was opened in June 2011 and includes classrooms, offices, and a multi-purpose room. Graduate courses in education and in clinical mental health counseling are offered at the site. The facility was named in honor of G. C. and Pam Bucy; both were Freed–Hardeman alumni and long-time educators.

FHU/Dickson

The University also operates an off-campus instructional site at the Renaissance Center located at 855 Highway 46 South in Dickson, Tennessee. Freed–Hardeman University received the Renaissance Center as a gift of property from the Jackson Foundation, Inc. in November 2013. This facility is a 110,000 square foot learning facility that includes classroom space, conference rooms, theatre and performance areas, art studios, film and audio production studios, and office spaces. In Fall 2014, the University first offered undergraduate and graduate programs at the Renaissance Center.

Enrollment Management Mr. Joe Askew Associate Vice President

UNDERGRADUATE ADMISSIONS

Freed–Hardeman University seeks applicants who are highly qualified academically and who possess good moral character. Your eligibility for admission to FHU depends upon your previous education, your character, and your sincere interest in a Christian education. Qualified applicants are accepted regardless of race, religion, sex, physical disability, or national origin. Freed–Hardeman University reserves the right to deny admission or readmission to any applicant whose academic preparation or personal conduct is deemed inconsistent with the mission of the University.

Admission, when granted, will be valid only if the applicant enrolls during the term indicated on his/her application. All application materials become the property of FHU and will not be returned to the applicant. All admission categories require an application.

Admissions Procedures (Undergraduate)

Applying for admission to FHU includes the following steps:

- Submit a completed application form in one of three simple ways:
 - Complete the online application at: www.fhu.edu/application
 - o Call (800) 348-3481 or (731) 989-6651 for an application packet
 - Email your request to: admissions@fhu.edu
- Submit an official, regular education (special education diplomas are not valid for admission) transcript (or equivalent) from all previously attended institutions. If you have received dual enrollment college credit in high school, an official transcript must be submitted from the institution issuing the college credit. Dual enrollment credit may not be issued from the high school transcript.
 - High school students may apply for admission as high school seniors. "Conditional admission" may be granted on the basis of credit completed through the junior year.
 - If admission is granted, students are also required to submit a final high school transcript by the end of the FHU drop/add period.
 - Transfer students with fewer than thirty (30) hours must also submit an official high school transcript.
 - $\circ~$ Transfer students who have completed at least 30 transferable college credit hours are not required to submit a high school transcript.

- Arrange for an official report of ACT or SAT scores to be sent to FHU. Freed-Hardeman University's code for ACT is 3962 and for SAT is 1230.
- Present an acceptable form of identification in person, by mail, or email prior to registration. Acceptable forms of identification include a state-issued driver's license, other state- or government-issued identification card, government-issued passport, or school-issued photo ID.
- Complete a housing application, available online at: www.fhu.edu/housingform. All exceptions must be approved by the vice president for student services.
- Have a physician complete and sign the FHU Health Form, available online at: www.fhu.edu/healthform. The completed form must be submitted to the Office of Admissions electronically via email at: admissions@fhu.edu; mailed to: Freed-Hardeman University Office of Admissions, 158 East Main Street, Henderson, TN 38340; or faxed to (731) 989-6047. DD214 is accepted documentation for immunization records.
 - An applicant has until the end of the drop/add period to submit a completed health form and immunization records.
 - Any applicant failing to meet this deadline will not be allowed to continue enrollment.

Students who have been admitted are strongly encouraged to complete the Free Application for Federal Student Aid (FAFSA). The FAFSA may be completed beginning in October of the applicant's senior year of high school. The FAFSA may be returned to the Freed–Hardeman University Office of Student Financial Services or, for faster results, completed online at: www.fafsa.gov. The FHU school code for FAFSA is 003492. Contact the Office of Admissions to schedule a campus visit and to learn how to register for courses online or in person.

Enrollment Pledge

An enrollment pledge of \$250 is required for all full-time students (first-time freshmen, transfer students, and students applying for readmission). Students will not be allowed to register for classes without first paying the enrollment pledge. Except in the case of non-admittance, the enrollment pledge is non-refundable.

Admission Requirements for Freshman Students

High school graduates, qualifying for "unconditional admission" to Freed–Hardeman University, are required to meet the following admission requirements:

- Applicants must have graduated from a high school, completed a comparable homeschool curriculum, or completed the General Educational Development (GED) curriculum or the HiSET high school equivalency test.
 - Applicants must have a minimum grade point average (GPA) of 2.25 on a 4-point scale.
 - Applicants must have a minimum ACT composite score of 19 or New SAT score of 980 (ERW+M).
- Applicants accepted with a math ACT score below 17 may be required to take MAT 100E Fundamental Concepts of Math (Enhanced) and/or MAT 101E College Algebra (Enhanced). Placement in these courses will be based on the ACT, SAT, and/or CLT Math subscore and GPA in any relevant high school or transfer coursework.
- Applicants admitted with an English ACT score below 17 may be required to take ENG 100 Introduction to College Writing. Placement in this course will be based on the ACT, SAT, and/or CLT English subscore and GPA in any relevant high school or transfer coursework.
- Applicants whose native language is not English must provide proof of current English proficiency. (See "admission of international students.") ACT, SAT, CLT, and/or TOEFL scores will determine placement in English courses for students from countries where the native language is not English.

Applicants who do not meet the above admission requirements will be considered by the Academic Review Committee, which may request additional evidence indicating the probability of the applicant's success. If accepted by committee action, the applicant will be admitted on restriction. Students admitted on restriction will be required to take a course of study as prescribed; to participate in tutoring and study as identified; to limit participation in campus activities; and to take no more than fifteen (15) credit hours without approval. These students have a full academic year to establish satisfactory academic progress.

Admission to Programs

Admission to the University does not guarantee admission to a particular program of study. Some programs, such as business, honors, nursing, social work, and teacher education, have specific admission requirements. Consult the respective program of study in the catalog or the director of the academic program for more information about specific program admission requirements.

Early Admission

Outstanding high school sophomores, juniors, and seniors are eligible to apply for acceptance into one of the following programs: **Early Admission Sophomore Program** or **Dual Enrollment Program**.

The Early Admission Sophomore Program is open to a selective cohort of exceptional high school sophomores. Those desiring to enroll in FHU's online Associate of Art's program must apply through the Office of Admissions and meet the following criteria:

- Two (2) academic letters of recommendation; AND
- A proctored student essay (500 word minimum); AND
- Cumulative high school grade point average of 3.25 or above on a 4-point scale, and ACT composite score of 21 or above, or SAT equivalent; OR
- Cumulative high school grade point average of 3.75 or above on a 4-point scale.

Students meeting the above criteria are not automatically included in the program. A cohort of students will be selected by an Academic Committee.

Students participating in the Early Admission Sophomore Program may not participate in intercollegiate sports, intramural sports, travel as representatives of the University, participate in Makin' Music, become a member of a social club, or participate in UPC, CDT, SAA, and SGA.

Some courses may have additional prerequisite requirements.

The Dual Enrollment Program is open to outstanding high school juniors and seniors from partnering institutions. Those desiring to enroll in FHU's Dual Enrollment Program must apply through the Office of Admissions and meet the following criteria:

- Cumulative high school grade point average of 3.00 or above on a 4-point scale, and ACT composite score of 21 or higher, or SAT equivalent; OR
- Cumulative high school grade point average of 3.50 or higher on a 4-point scale.

Students participating in the Dual Enrollment Program may not participate in intercollegiate sports, intramural sports, travel as representatives of the University, participate in Makin' Music, become a member of a social club, or participate in UPC, CDT, SAA, or SGA.

Dual enrollment courses that take place at a local high school will follow that school's respective schedule for fall and spring breaks. Dual enrollment courses that take place on FHU's campus will follow the schedule as set by the FHU calendar.

Some courses may have additional prerequisite requirements.

Dual Admission

FHU/Dickson students have the ability to be dual admitted to both FHU and Nashville State Community College (NSCC). "Dual admission" offers a structured, guaranteed pathway to assist in a seamless progression from an associate program directly to a bachelor's program. "Dual admission" offers enhanced advisement and transition support services to help students as they pursue their degree(s).

Concurrent Enrollment

Freed–Hardeman University and Nashville State Community College (NSCC) have established an agreement allowing for concurrent enrollment between the universities. Students who are concurrently enrolled have access to the following facilities and programs offered jointly by the two institutions:

- Advising for proper program and course selection
- Class registration at each institution
- Access to computer laboratories and internet accounts
- Library access
- Student identification cards
- Access to sporting events
- Access to online transcripts with degree-plan analysis

Home-Schooled Students

Freed–Hardeman University seeks to admit and enroll applicants who have completed a homeschool curriculum that includes the following requirements:

Math – 4 courses, including Algebra I, II, Geometry, and a fourth higher–level math course such as Pre-Calculus, Calculus, or Trigonometry

English – 4 courses

Science - 3 courses

Social Studies – 3 courses

Home-schooled applicants who have completed this course of study may obtain "unconditional admission" provided they meet minimum ACT or SAT scores and GPA requirements. (See "admission requirements for Freshman students".) Students who do not meet the curriculum requirements will have admission materials submitted to the Academic Review Committee for review.

Transfer Students (Undergraduate)

Freed–Hardeman University welcomes applications from transfer students from regionally accredited institutions recognized by the U.S. Department of Education. Transfer students need to submit to FHU an official transcript from each previously attended institution.

The registrar and program coordinators will evaluate transfer students' previously completed courses that will either fulfill liberal arts core requirements; count toward major requirements; be registered as elective credit; or be awarded no credit because the courses are remedial, developmental, occupational, or technical in nature, or because the transfer courses do not align with the University's Identity and Mission. A student may petition the Office of Academics through the student petition process if there is a dispute as to the credits assigned to the FHU transcript.

A course equivalency table is included on the Freed–Hardeman website to help students determine how their completed classes will equate to FHU coursework. If a course is not listed on the course equivalency table, it has not been evaluated for an equivalency yet. Absent listings do not imply that the course will not transfer. To be admitted to FHU, students must be eligible to return to their previous institutions and attain a minimum GPA based on the cumulative semester hours they have attempted. Students who do not meet these admissions requirements may have their applications reviewed by the Academic Review Committee for possible admission on restriction for first-time freshmen or probation for those students with more than fifteen (15) hours. For students with fewer than twenty-five (25) hours of transfer credit, a high school transcript is required for admittance and financial aid purposes.

| Credit Hours | College GPA | H.S. Transcript | ACT or SAT |

Students transferring to FHU with an associate (A.A. or A.S.) or baccalaureate degree from a regionally accredited institution will have satisfied FHU's liberal arts core requirements except for the following required courses that must be completed: BIB 121 The Life of Christ, BIB 122 Acts of Apostles, BIB 346 Foundations of Faith or BIB 446 Christian Evidences, and BIB/HUM 495 Values in Human Thought and Action.

No more than thirty-two (32) credit hours may transfer from a school of preaching. No more than sixty-six (66) credit hours transferred from a two-year regionally accredited institution may apply toward a bachelor's degree from FHU. Credits from an accredited two-year institution will transfer as lower-division hours but may satisfy upper-division course requirements.

Education majors must correct such deficiencies as may be demanded by licensure requirements. Candidates for the B.S.W. must take at FHU such courses as may be required by the program approved by the Council on Social Work Education (CSWE). Candidates for the B.B.A. must complete the business core and one of the concentrations offered by the College of Business.

Transfer students who have not yet completed their work at the previous college or university, or who cannot get their official transcript prior to the start of classes may be considered for conditional admittance. To be granted conditional admittance, a transfer student must submit by postal mail or email an unofficial transcript. The unofficial transcript must include the following information printed on the transcript by the institution:

- The student's first and last name
- The institution's name
- Course numbers in which the student is enrolled

Once the transcript is submitted and conditional admittance is granted, a file will be created by the Office of Admissions and submitted to the Office of the Registrar.

The Office of the Registrar will:

- Look up courses from the institution on the matrix
- List course equivalencies
- Send course equivalencies to appropriate departments

The Office of the Registrar will not:

- Post any course on the FHU record until the official transcript is submitted and regular admission is granted
- Evaluate work from another school listed on the unofficial transcript

After conditional admittance is granted and the transcript has been evaluated, the student will be advised by the Office of Academic Success and Records.

International Students

International students must meet all admissions requirements for either first-time freshmen or for transfer students. In addition, international students must submit the following items:

- Completed academic credentials (certificates, diplomas, matriculation, examination results, degrees, etc.) carrying the seal or stamp of the issuing educational institution.
- Official transcripts, including English translation.
- Official Test of English as a Foreign Language (TOEFL) scores (if English is a second language). To be eligible for admission, applicants whose primary language is not English must prove proficiency in English by submitting one of the following:
 - Internet-based TOEFL score of 70
 - TOEFL computer-based exam score of 173
 - TOEFL written exam score of 500
 - International English Language Testing System (IELTS) score of 6
 - ACT English score of 17
 - New SAT Reading Test score of 23
 - Transfer students who have completed at least thirty (30) hours from a regionally accredited institution recognized by the U.S. Department of Education and who have a cumulative GPA of 3.00 or higher and have earned a grade of "C" or higher in all English composition or writing classes
- Personal reference forms, available online at: www.fhu.edu/admissions/international.
- Financial certificate that verifies adequate financial resources for enrolling, available online at: www.fhu.edu/admissions/international.
- International Health Form, available online at: www.fhu.edu/admissions/international.

Once these requirements are met, applicants are sent a letter of acceptance. A \$9,000 tuition deposit is required before the I–20 Form (Certificate of Eligibility) is issued. The I–20 Form, a valid passport, and financial certificate must be presented at the nearest U.S. Embassy or Consulate in the prospective student's country of citizenship or permanent residence to obtain the F–1 student visa necessary for study in the United States.

Students admitted to the United States on an F–1 student visa must attend the University on a fulltime basis (undergraduate minimum of 12 hours; graduate minimum of 9 hours) to maintain status. International students may not engage in unauthorized employment. All international students must purchase and maintain health insurance valid in the United States. If the health insurance is purchased in another country, an English translation of the insurance must be provided showing proof of validity. While enrolled, international students should direct all questions regarding immigration to the international student advisor.

Former Students/Readmitted Students (Undergraduate)

Undergraduate students admitted to FHU who have not attended for one (1) or more semesters and who have not attended any other institution in the interim must apply for readmission. Undergraduate students who have been suspended from FHU for academic or disciplinary reasons must apply for readmission following the suspension period. (See "academic suspension".) These students must submit an appeal letter to the associate vice president for instruction. The letter must be received no less than two weeks prior to the beginning of the semester in which the student is seeking enrollment.

Non-Degree Seeking Students

Students should be aware that degree programs may not transfer. The transfer of course/degree credit is determined by the receiving institution. Applicants who are not pursuing a degree or certificate from FHU or who desire to take courses on a non-credit (audit) basis may apply for admission as a special student. Acceptance as non-degree seeking students is subject to approval by the Office of Admissions, and these students are subject to the same admissions requirements and policies as degree-seeking students. Non-degree seeking students are not eligible to receive University scholarships or honors.

Credit for Non-Collegiate Courses

Evaluation of credit earned in non-collegiate courses generally follows the recommendation of the program on Non-Collegiate Sponsored Instruction of the American Council on Education's Office on Educational Credit as recommended by the Tennessee Higher Education Commission. These recommendations can be found at www.acenet.edu/nationalguide in the *National Guide to College Credit for Workforce Training.* Academic, professional, and other college-parallel studies will be considered for credit. The appropriate department chair or dean, along with the registrar, will determine whether such credit will substitute for requirements, count as elective credit, or be rejected for duplication of collegiate credit earned or to be earned.

Educational Experiences in the Armed Forces

Evaluation of credit earned in the armed services generally follows the recommendations of the *Guide to the Evaluation of Educational Experiences in the Armed Forces* published by the American Council of Education. Academic and other college-parallel studies will be considered for credit. Two (2) semester hours of physical education activity credit may be awarded to a student for prior military service of at least one (1) year. Veterans should apply to the registrar for physical education credit. The grade of "P" (pass) is assigned.

Provisional Status (Undergraduate)

"Provisional status" is available for enrolled students who have not submitted all their official transcripts, ACT/SAT scores, and immunization records. All credit hours completed while in this status will not be transferred as regular matriculated credit hours until the status has officially been changed. This "provisional status" is removed only when students have completed all admissions requirements.

Students granted admission on "provisional status" will be required to sign a contract defining "provisional status" and accepting the terms of the status. A student is allowed to remain on "provisional status" only for one (1) semester.

By mid-term the Office of Admissions will provide the associate vice president for instruction a list of students who have not completed all the admissions requirements. Students who have not submitted all documents to complete the admissions procedure by mid-term will not be allowed to register for classes the next semester. Students who have not submitted all documents by the end of the semester will not be eligible to return for the next semester.

Graduate Admissions Mrs. Sara Wood *Director*

GRADUATE ADMISSIONS

Freed-Hardeman University seeks applicants who are highly qualified academically and who possess good moral character. Eligibility for admission to FHU depends upon previous education, character, and sincere interest in a Christian education. Qualified applicants are accepted regardless of race, religion, sex, disability, or national origin. Freed-Hardeman University reserves the right to deny admission or readmission to any applicant whose academic preparation or personal conduct is deemed inconsistent with the mission of the University.

Admission, when granted, will be valid only if the applicant enrolls during the term indicated on his/her application. All application materials become the property of FHU and will not be returned to the applicant. All admission categories require an application. An application to a graduate program is valid for two (2) years. If the applicant does not enroll within that two-(2) year period, he/she must submit a new application and updated application materials in order to enroll.

If a current student wishes to change from one graduate program area to another (for example, from M.B.A. to M.Ed.) or apply to another degree level (for example, from master's to specialist's), the student must submit a new application for the new program. Changing degree programs at the same degree level within a content area (for example, M.Ed. in Curriculum and Instruction to M.Ed. in Instructional Leadership) does not require a new application.

Admissions Procedures (Graduate)

For regular admission to **any** graduate program at FHU, all applicants must:

- Submit an application (<u>www.fhu.edu/apply</u>).
- Have an appropriate baccalaureate degree from a regionally accredited institution or an institution accredited by an agency recognized by the Council for Higher Education Accreditation (CHEA) and approved by the appropriate graduate program director or coordinator.
- An applicant to a graduate program who is still finishing a previous degree may be admitted as an "early admission." Such students are evaluated for admission based on transcripts up through the last semester completed. Students are required to provide final transcripts upon completion of their previous degree. All final transcripts must be submitted by the end of the student's first term. Students who fail to turn in missing transcripts will not be eligible to register for the following semester.

- Have a minimum cumulative GPA of 3.00 for master's programs or a 3.50 for Ed.S. or Ed.D. programs. The GPAs are calculated based on the following criteria:
 - For those applicants who have only completed an undergraduate degree, the cumulative GPA for admission will be based on all work completed at the undergraduate level.
 - For those applicants who have completed an undergraduate degree and some graduate coursework, the cumulative GPA for admission will be based on all work completed at the undergraduate level and all completed graduate work.
 - For those applicants who have completed a graduate degree, the cumulative GPA for admission will be based on all work completed at the graduate level.
- Submit official undergraduate and graduate transcripts from all institutions previously attended to:

Freed-Hardeman University Graduate Admissions 158 East Main Street Henderson, TN 38340

- Submit a signed payment/credit agreement.
- Submit a copy of a government-issued photo ID, such as a driver's license or passport.
- For students for whom English is a secondary language, official scores for the **Test of English as a Foreign Language (TOEFL)**. Minimum scores:
 - 500 on the paper-based exam
 - 173 on the computer-based exam
 - o 61 on the internet-based exam
- Provide the additional materials and meet the minimum criteria specific to each program.
- Students must be accepted in a program before taking a course.

Former Students (Graduate)

Graduate students who have been suspended from FHU for academic or disciplinary reasons must submit an appeal letter to the associate vice president for instruction if seeking readmission. The letter must be received two weeks prior to the beginning of the semester in which the student is seeking enrollment. (See "academic suspension.")

A graduate student already accepted into a degree program who does not enroll for one (1) or more semesters (a "stop-out" student) and who has not been suspended need not reapply in order to re-enroll in classes in the same graduate program so long as they are still within the maximum time allowed for program completion. Graduate students can also file an academic petition to extend the time allowed to complete their program. (See "time limit.")

Program Specific Requirements

Graduate Studies in Business

- 1. Prerequisites: Undergraduate coursework must provide equivalents to the Common Professional Component (CPC) requirements recognized by the Accreditation Council for Business Schools and Programs (ACBSP).
 - Applicants with an undergraduate degree in business satisfy this requirement.
 - For other applicants, the Director of the M.B.A. program will evaluate transcripts to determine if all CPC requirements have been met. Individuals with CPC deficiencies will be enrolled in BUS 501 Business Foundations I, BUS 502 Business Foundations II, or BUS 503 Business Foundations III each eight-week term until all areas are satisfied.

Graduate Studies in Behavioral Science

Master of Science in Clinical Mental Health Counseling

- 1. Prerequisites: The Master of Science in Clinical Mental Health Counseling student will be required to have the equivalent of twelve (12) semester hours in behavioral science (psychology, sociology, social work, family sciences) with a GPA of 3.00 or better at the undergraduate level.
- 2. Official test scores from one of the following:
 - Graduate Record Exam (GRE): minimum combined score of 290.
 - Miller's Analogy Test (MAT): minimum score of 380. (Standardized test scores are waived as an entrance requirement for applicants who already hold a master's degree from a regionally accredited university.)
 - (Applicants with lower test scores, see "conditional admission".)
- 3. Personal essay specifying your goals and how the FHU program will help you meet those goals (300-500 words).
- 4. Freedom from Conviction of Crimes Form.
- 5. Interview with the Counseling Admissions Committee.

Doctor of Behavioral Health Program

Consistent with other graduate programs offered at FHU, applicants for admission into the Doctor of Behavioral Health (D.B.H.) program must submit and comply with the following for consideration and acceptance:

- 1. Minimum cumulative GPA of 3.50. (Applicants with lower GPA, see "conditional admission".)
- 2. Provide a copy of current unencumbered license in the state in which the practice will occur.
- 3. Submit three completed electronic recommendation forms: one from an employer or supervisor, one from a church leader or leader in another service organization, and one from a professional colleague or former professor.
- 4. Write and present an essay (500 word minimum) providing a professional statement of past clinical and/or work experiences, scholarly activities, and community service and goals in obtaining this professional doctorate.
- 5. Present a current resume or curriculum vitae.
- 6. Interview in person or via phone with the current Doctoral Admissions Committee. After the initial review of the application, applicants may be contacted for a formal interview. If the interview results in a positive evaluation, the applicant will continue to be considered for acceptance.
- 7. Demonstrate good spiritual, mental, and emotional health/stability consistent with the demands of the D.B.H. program and FHU's heritage of Christian values.

NOTE: Applicants are required to be computer literate and have a computer, printer, and Internet service provider with high-speed broadband Internet access. If accepted, each D.B.H. student will be required to comply with FHU's Academic Computing Standards for Students.

Graduate Studies in Education

Master's Programs (M.Ed. and M.A.T.):

- 1. Official test scores from one of the following (waived for applicants of the M.Ed. in Literacy program):
 - Graduate Record Exam (GRE): minimum combined score of 290.
 - Miller's Analogy Test (MAT): minimum score of 380.

- Tennessee's minimum qualifying score(s) on the required major *Praxis II* tests for the student's license (Master of Arts in Teaching [M.A.T.] program only; required for those seeking a job–embedded practitioner license).
 - (Graduate Record Exam and Miller Analogies Test scores are waived as an entrance requirement for applicants who already hold a master's degree from a regionally accredited institution or an institution accredited by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator.)
 - (Applicants with lower test scores, see "conditional admission.")
- 2. Background check or verification of Employment and Background Check Form.
- 3. Interview with the program director.
- 4. Applicants for the M.Ed. in Instructional Leadership: Administration and Supervision are required to provide evidence of three (3) years of successful teaching experience, such as documentation from the State Department of Education or a letter from a principal.
- 5. Applicants for the M.Ed. in Literacy are required to submit a copy of their teaching license.

Specialist's Program (Ed.S.) and Doctoral Program (Ed.D.):

- 1. M.Ed. or equivalent from a regionally accredited institution or an institution accredited by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator.
- 2. Minimum cumulative GPA of 3.50. (Applicants with a lower GPA, see "conditional admission.")
- 3. Evidence of three (3) years of successful teaching experience, such as documentation from the State Department of Education or a letter from a principal.
- 4. Background check or verification of Employment and Background Check Form.
- 5. Interview with a member of the Instructional Leadership faculty.

Graduate School of Theology

- 1. Essay specifying goals and how the FHU program will help meet those goals (300-500 words).
- 2. Submit three completed electronic recommendation forms: one from an employer or supervisor, one from a church leader or leader in another service organization, and one from a professional colleague or former professor.
- 3. Scholarship application (optional).

Conditional Admission (Graduate)

Applicants whose academic qualifications do not meet the regular minimums required for the selected program will be considered by the Admissions Committee of the respective graduate program, which may request additional evidence indicating the probability of the applicant's success. If accepted by committee action, the applicant will be admitted "conditionally," with the stipulations indicated in this catalog for that admission's status. Bachelor's degree graduates of foreign, nationally accredited, or pre-accredited (candidates for regional accreditation) institutions may also be granted "conditional admission."

A student granted "conditional admission" in any graduate program may register for a maximum of thirteen (13) graduate semester hours. After a student has accumulated thirteen (13) attempted hours used in determining satisfactory progress, the student must have a cumulative, graduate GPA of at least 3.00. (Please see the "grades" section of this catalog for the list of grades used in calculating satisfactory progress.) If after accumulating thirteen (13) attempted hours toward satisfactory progress the student has not achieved a minimum 3.00 graduate GPA, the student will

be dismissed from the program. Dismissed students may petition the Graduate Council for permission to retake up to six (6) hours of graduate work to raise his/her GPA for reconsideration of "regular admission." Students who choose to petition must demonstrate and provide documentation for either an extenuating circumstance or University error.

To be considered for "conditional admission" to any graduate program at FHU, **all applicants must provide all the materials required for "regular admission**" **as noted above.**

Graduate Clinical Mental Health Counseling

- 1. Minimum GPA: 2.50
- 2. All other criteria remain unchanged

Graduate School of Theology

- 1. Minimum GPA: 2.50
- 2. Not eligible for Graduate Theology Scholarships
- 3. All other criteria remain unchanged

Provisional Admission (Graduate)

Applicants with missing documents or who have not met all of the requirements for "regular admission" or "conditional admission" may apply for "provisional admission." Under "provisional admission" a student may register for a maximum of seven (7) graduate semester hours. In order to take additional coursework beyond seven (7) semester hours or beyond the semester of initial enrollment, the student's status must be changed to "regular admission" or "conditional admission."

For "provisional admission" to any graduate program at FHU, all applicants must meet all the requirements for "conditional admission" with the following exceptions:

- Unofficial transcripts will be accepted in lieu of official transcripts, but official transcripts must be submitted before the student can enroll for another semester.
- Minimum test scores on the GRE, MAT, or Praxis II are temporarily waived.
- Recommendations are temporarily waived.

Admission to Candidacy (Graduate)

Most graduate programs require students to be admitted to candidacy in order to complete a program of study. The candidacy process is used to review a student's progress, to review the student's compliance with academic policies, and to assess the student's readiness to successfully complete the program of study. Programs requiring "admission to candidacy" may establish guidelines for the process. Students should review the academic catalog and contact program coordinators and directors for program specific information.

- **Doctor of Behavioral Health.** Students are expected to apply for candidacy at the end of their core coursework and prior to beginning capstone courses and the capstone project. By admitting the student to candidacy, the D.B.H. program and faculty states in its judgment that the student has the knowledge, ability, and motivation to complete the capstone project as well as the oral examination within the applicable time limits. Students may not begin the capstone project until the application for candidacy has been approved. Students are required to maintain active candidacy through conferral of the doctoral degree.
- **Doctor of Education.** Prior to beginning any 700–level coursework, students are expected to apply for candidacy after the successful completion of their (a) comprehensive examinations and (b) research prospectus paper.

- M.A. in Ministry, New Testament, Old Testament, and Pastoral Care and Counseling. Students must apply for "admission to candidacy" upon completion of twentyfour (24) hours. Students may not take more than thirty (30) hours until candidacy is approved (except by special permission as approved by the Director of the Graduate School of Theology). Students who have been granted "advanced standing" must apply for "admission to candidacy" upon completion of eighteen (18) hours and may not take more than twenty-four (24) hours without candidacy status.
- **M.A.T. in Special Education or Teaching Licensure.** Students must apply for "admission to candidacy" upon completion of twelve (12) hours. Students may not take more than eighteen (18) hours until candidacy is approved.
- **M.S. in Clinical Mental Health Counseling.** Students may apply for "admission to candidacy" during the semester in which they will complete ten core courses (third semester for full-time students, sixth semester for part-time students; see course rotation). Students must have earned a grade of "C" or higher in all ten core courses and have a cumulative GPA of 3.00 or higher. Students may not enroll in practicum or internship courses until candidacy is approved.
- **M.Ed. in Curriculum and Instruction, Instructional Leadership, or School Counseling.** Students must apply for "admission to candidacy" upon completion of twelve (12) hours. Students may not take more than eighteen (18) hours until candidacy is approved.
- **Master of Divinity.** Students must apply for "admission to candidacy" upon completion of forty-two (42) hours or upon having transferred eighteen (18) hours with a cumulative GPA of 3.00 or higher. Students may not take more than forty-eight (48) hours until candidacy is approved.

Foreign Transcript Information

Freed–Hardeman University welcomes international students to study in our academic programs. Individuals who have completed college or university coursework in a non-U.S. institution may be required to obtain a complete evaluation of all their transcripts prior to admission for graduate level coursework. Evaluation services provide an advisory opinion about what an individual's foreign education background represents in U.S. terms for purposes such as employment, professional licensure, and further education. Freed–Hardeman University will make the final determination about the transferability of specific courses.

Students who have completed college– or university–level courses outside of the U.S. and are requesting admission and/or credit at FHU must submit the following documents to the director of the graduate program in which they wish admission.

- Official transcripts, including English translation.
- **Detailed course description** for those courses proposed for transfer or college catalog in English.
- **Official Transcript Evaluation**. The official transcript evaluation must be completed by an approved Credential Evaluation Service. Reports must include course-by-course reports with semester unit equivalencies, letter grades, and indication of whether courses are lower- or upper-division.

NOTE: The official transcript evaluation must be completed only by agencies recognized by the National Association of Credential Evaluation Services (NACES). The NACES is a membership organization for Credential Evaluation Services. Please refer to the NACES website (http://www.naces.org) for a list of Member Evaluation Services.

Submitted documents may also be reviewed by the program's Graduate Admissions Committee, the Graduate Council Committee, the registrar, and/or the associate vice president for instruction for an advisory opinion for admission to graduate study at FHU.

Transient Admission

An applicant who wishes to take a number of courses for renewal of certification or licensure **may apply for "transient admission."** The applicant must have completed an appropriate baccalaureate degree from a regionally accredited institution or by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator. Applicants must submit official undergraduate and graduate transcripts of credit earned from all institutions of higher education previously attended. **A minimum cumulative grade point average (GPA) of 2.50 is required.** Acceptance will be on a case-by-case basis.

Special Permission

"Special permission" may be available for undergraduate senior students with a **minimum cumulative grade point average (GPA) of 3.00** who are within nine (9) semester hours of meeting the requirements for an appropriate baccalaureate degree from a regionally accredited institution or an institution accredited by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator. Applicants must submit official undergraduate transcripts of credit earned from all institutions of higher education previously attended. The student is not considered a graduate student and may take no more than nine (9) graduate semester hours. Graduate courses taken by qualified undergraduates cannot be used for bachelor's degree requirements. Any financial aid awarded for this "special permission" category will be awarded on the basis of an undergraduate credit hour.

Graduate Certificate Admission

Applicants interested in a certificate program must have completed an undergraduate baccalaureate degree from a regionally accredited institution or by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator. He/she must be enrolled in one of FHU's graduate programs or have completed a graduate degree from a regionally accredited university or a university accredited by an agency recognized by the Council for Higher Education Accreditation and approved by the appropriate graduate program coordinator. Applicants must submit official undergraduate and graduate transcripts of credit earned from all institutions of higher education previously attended. The applicant must complete the graduate application process.

Transfer Credits

A student who has earned graduate credit from a regionally accredited institution generally may transfer a maximum of **six (6)** semester hours into an approved degree program or **three (3)** hours for the certificate program. These must be approved by the appropriate director of graduate studies. Some summer workshops, short courses, video courses, online/distance learning courses, etc. **may not** be accepted as transfer credit.

Students pursuing the **licensure only program in education** may transfer an unlimited amount of graduate hours toward their program of study. Coursework counted toward the licensure only program may have been taken more than six (6) years prior to program completion. These must be approved by the appropriate director of graduate studies.

The **Master of Divinity** student may transfer in (from any accredited institution) as many as fortytwo (42) hours of A's and B's, which will count toward degree requirements as long as, in the director's judgment, those courses are reasonable substitutes for core or elective courses.

The **Master of Business Administration** student may transfer in (from any accredited institution) a maximum of twelve (12) hours to count toward degree requirements as long as, in the director's judgment, those courses are reasonable substitutes.

The University is not obligated to accept any courses for transfer of credit. Transfer courses must reflect and be similar to courses within the program of study the student is entering. Only grades of "A" or "B" will be accepted. The coursework must not have been used to satisfy a requirement for any degree previously granted (exception in **Graduate Theology**). Graduate credit from foreign universities is not accepted because of academic and procedural differences between U.S.

regionally accredited and foreign institutions. Official transcripts are required before courses can be evaluated, approved, and accepted.

The **Doctorate of Education** student may transfer a maximum of twenty-one (21) hours of prior coursework from a regionally accredited institution into the Ed.D program. Students who have completed an **Education Specialist Degree** at FHU may transfer up to thirty-nine (39) hours of their coursework from FHU, which they have completed beyond their master's degree. Coursework counted toward the Ed.D. may not have been taken more than six (6) years prior to graduation from the program.

Time Limit

All work for the **Doctorate of Education, Education Specialist, Master of Arts in Teaching, Master of Education,** and **Master of Science in Clinical Mental Health Counseling** degrees must be completed within a period of six (6) calendar years. The limit for the **Doctorate of Behavioral Health** is a minimum of three (3) calendar years and a maximum of seven (7) calendar years. All work for the **Master of Business Administration** degree must be completed within a period of eight (8) calendar years. All work for the **Master of Arts in Ministry**, the **Master of Arts in New Testament**, the **Master of Arts in Old Testament**, and the **Master of Arts in Pastoral Care and Counseling** degrees must be completed within a period of eight (8) calendar years unless the student has relevant hours from a previous graduate degree that are older than eight (8) years and which, in the director's judgment, should be counted. The limit for the **Master of Divinity** is ten (10) calendar years from the time of entry into the program unless the student has relevant hours from a previous graduate degree that are older than ten (10) years and which, in the director's judgment, should be counted.

Financial Services Mr. Jeff Loyd Vice President for Financial Services and Chief Financial Officer

FINANCIAL INFORMATION

Freed–Hardeman University is a not-for-profit, private institution. This section of the catalog will define the cost of Christian education at FHU, explain the University policy for meeting financial obligations, and explore areas of assistance available to the student.

Most students and parents will use university catalogs to compare prices. Those making cost comparisons between universities are encouraged to look closely at all potential charges to ensure that accurate costs are compared. Comprehensive charge, room, and board are areas where comparisons should be made. Freed–Hardeman University has elected not to hide fees or charge additional class fees so that you can know exactly what your costs will include.

When comparing tuition costs, it is important to search the catalog of potential institutions to see how many credit hours are required to complete a degree (At FHU, 126 credit hours are required for graduation.) By dividing that number by the assumed eight (8) semester college career, the average number of credit hours needed per semester can be calculated. The average at most institutions is 16 to 16.5 credit hours per semester; at FHU, it is 15.75 hours.

Costs for room, board, and fees of other institutions should also be considered. The number of meals taken in the University cafeteria per week determines the cost of board. The type residence hall and the choice of a private or shared room determine the cost of housing. Activity fees, general fees, and class or laboratory fees of other institutions must also be considered. These vary greatly between institutions. Freed–Hardeman University does not charge any of these types of fees.

Freed–Hardeman University will make every effort to provide a high quality education at the lowest possible price.

| Plan U (unlimited access + 40 Dining Dollars) | \$ 1,970 |

Single students not living with parents or other relatives live in University housing and have a choice of four meal plans. The cost and details of each plan are described above. The University operates the campus food facilities. One of these four meal plans must be chosen by resident students unless they are living in the apartments. The last day to decrease the meal plan for Fall 2020 is August 27, 2020. The last day to decrease the meal plan for Spring 2021 is January 28,

2021. You can increase your meal plan at any time during the semester on a pro-rated basis of weeks remaining that semester. Meal plans may be changed in the Office of Student Financial Services.

Dining Dollars are pre-paid funds determined by the meal plan selection that you made, that are added to your student ID card, and can be used in the Lion's Pride, KC's Coffee House, or Wallace– Gano Dining Hall. Unused Dining Dollars that are associated with your meal plan will roll over from the fall semester to the spring semester; however, at the end of the spring semester, any unused funds will be forfeited.

Resident students, those students living in apartments, or commuters may purchase Dining Dollars at any time during the year. Voluntary Dining Dollars are purchased with a dollar-for-dollar exchange rate. (\$100 equals \$100 in Dining Dollars). These funds are added to your ID card and accessed at the register system used by Dining Services. Any funds added to your account that are not part of a specific meal plan will roll over from semester to semester and year-to-year. To purchase these Lion Bucks, please go to the dining service office in the Wallace–Gano Dining Hall. Cash, check, and all major credit cards are accepted. Funds can also be added online through the Dining Service website.

All summer two-week session meals are served from Monday morning of each week to Friday noon of each week.

The wife of a full-time ministerial student may enroll as a special (part-time, non-credit) student in Bible courses without charge.

Student Financial Services Mrs. Summer Judd Director of Student Financial Services

FINANCIAL AID

The Office of Student Financial Services is available to help students make arrangements to cover the cost of their education. One-on-one counseling aids students in finding the best financial paths to their educational goals. The University offers several scholarship, grant, and loan programs. The initial step in receiving financial aid is completing the Free Application for Federal Student Aid (FAFSA).

Applying for Federal Financial Aid

All federal grants, loans, and Federal Work-Study program funds are awarded based on the information provided on the FAFSA. The FAFSA needs to be completed as soon as possible after October 1 of each year. To complete the FAFSA go to: fafsa.gov.

Make sure to list Freed-Hardeman University in Step Six: Student's School Information on the FAFSA. Freed-Hardeman University's school code is 003492. **In order to receive federal financial aid, you must complete the FAFSA and submit it for processing.** Students must apply for financial aid every year. If you have questions about the FAFSA, please contact the Office of Student Financial Services at (800) FHU-FHU1, ext. 6662 or (731) 989-6662.

To complete the FAFSA online, you will need to apply for a U.S. Department of Education FSA (Federal Student Aid) ID and password. If a parent's information is required on the FAFSA, your parent must also apply for a FSA ID in his/her name. Your FSA ID will allow you to sign your FAFSA application electronically. The website to request your FSA ID is: fsaid.ed.gov.

Once the FAFSA application is processed, you will receive a Student Aid Report (SAR) in approximately three to five days (if an email address is provided). If SAR is marked for verification by the Department of Education, you will be asked to submit additional documents to the Freed-Hardeman University Office of Student Financial Services. You will receive notification from the Office of Student Financial Services detailing the additional required documents.

Financial Aid Specific to Freed-Hardeman University

Information regarding financial aid in this catalog supersedes any other correspondence, with the exception of the official award letter. The recipients and amounts of other University-awarded scholarships may change from year-to-year. The Director of Student Financial Services has the final authority in awarding and administering institutional and federal aid.

The following federal and state programs are based on need as determined by the FAFSA. These programs include: Federal Pell Grants, Tennessee Student Assistance Awards (TN residents only), Federal Supplemental Education Opportunity Grants, Federal Work-Study, and Federal Direct Subsidized Stafford Loans. You will be notified of your eligibility for federal- and state-aid programs

based on need. Aid applications need to be completed as soon as possible after October 1 to meet all deadlines.

Aid packages (combinations of federal, state, and university grants, loans, work-study, and scholarships) are assembled and awarded to applicants as soon as federal program allocations are announced or are made conditionally based on expected allocations. Later applications are accepted and some late and mid-year awards will be made as funds are available. An early application is necessary to ensure consideration along with other applicants.

The following discounts are also available for undergraduate students:

Christian School Discounts

Eligible students may only receive one of the following discounts. These discounts may be combined with other institutional awards (excluding discounts) up to \$15,000 annually. These discounts are subject to the discount application deadline of April 15 for first-time freshmen and June 15 for transfers. Awarding is subject to availability of funds and cannot be combined with athletic scholarships.

- Students whose parents are full-time employees at a K-12 school with membership in the National Christian School Association (NCSA) may receive a discount of up to \$5,000 per year. They must complete the Christian School Discount Form each year to verify employment. The form is located on the FHU website at: www.fhu.edu/finaid/scholarships. Scholarships and discounts are subject to availability of funds.
- Students whose parents are full-time employees at the following universities may receive a discount of up to \$10,000 per year: Abilene Christian University, Faulkner University, Harding University, Lipscomb University, Lubbock Christian University, Ohio Valley University, Oklahoma Christian University, and Pepperdine University. They must complete the Christian School Discount Form each year to verify employment. The form is located on the FHU website at: www.fhu.edu/finaid/scholarships. Scholarships and discounts are subject to availability of funds.
- All graduates of any K–12 school with membership in the NCSA may receive a discount of up to \$5,000 per year. Chester County high school graduates may also receive a discount of up to \$5,000 per year. Scholarships and discounts are subject to availability of funds.

Christian Minister's Discount

An annual award of up to \$5,000 is available to dependents of full-time pulpit and youth ministers. Full-time employment is defined as a 40 hour per week paid position. Ministers must have been employed at least five (5) years prior to receiving the discount. The Christian Minister's Discount Form must be completed for the student to receive the discount for the parent's employment. The form is located on the FHU website at: www.fhu.edu/finaid/scholarships. Scholarships and discounts are subject to availability of funds. The form must be submitted to the Office of Student Financial Services by April 15. These discounts may be combined with other institutional awards (excluding discounts) up to \$15,000 annually. Awarding is subject to availability of funds and cannot be stacked with athletic scholarships. The student must be full-time and live on campus, meaning they live in University housing and participate in a meal plan. Graduate students are not eligible.

UNDERGRADUATE SCHOLARSHIPS

Freed–Hardeman University offers institutional scholarships to qualified students. Students must complete the Free Application for Federal Student Aid (FAFSA) to be eligible for all institutional funds awarded through the Office of Student Financial Services. The financial aid award letter will list any institutional funds that you receive.

Scholarships for undergraduates are awarded only to full-time students. Institutional scholarships and discounts are limited to eight (8) semesters. Scholarships will be limited to \$7,500 per year for non-boarding students and \$15,000 per year for boarding undergraduate students. The University reserves the right to limit the number of scholarships awarded and reserves the right to correct any clerical errors.

You will be notified of your eligibility for a merit scholarship after the necessary information is available. While most University scholarships are not based on need, any aid received through the University or through another agency will be considered in developing a financial aid package. Please notify the Office of Student Financial Services if you are receiving any company, service club, state, or other scholarships or grants not awarded from the University.

Merit Scholarships. Merit scholarships for first-time freshmen are awarded on the basis of GPA from high school and the ACT or SAT test scores. (Only national ACT or SAT scores can be used to determine eligibility for Merit Scholarships.) Scholarships will be limited to \$7,500 per year for non-boarding students and \$15,000 per year for boarding students. Students must have full-time status to receive the merit scholarship. (In order to receive an offer of a merit scholarship, FHU must have the following forms in the Office of Admissions: a completed application for admission, at least a three-year transcript from high school, and an ACT or SAT score.) Merit scholarships begin at the 3.00 GPA level and a 19 on the ACT, which is equivalent to a 990 on the SAT. Early merit awarding will begin after the student's junior year of high school. First-time freshmen and students who transfer fewer than thirty (30) hours [excluding dual enrollment hours, College–Level Examination Program (CLEP) or AP hours] must maintain at least a 2.75 cumulative GPA each semester during the first academic year to maintain merit scholarship money.

Upperclassmen and students who transfer thirty (30) hours or more [excluding dual enrollment hours, College-Level Examination Program (CLEP), or AP hours] must maintain a 3.00 cumulative GPA each semester to maintain merit scholarship money. GPAs will be checked at the end of each fall, spring, and summer semester. A GPA that falls below 2.75 for freshmen and below 3.00 for the upperclassmen will result in that student being put on merit-scholarship probation. A student who raises his/her GPA to the appropriate level by the end of the probationary semester will not lose his/her merit scholarship money. If a student does not raise his/her GPA during the probationary semester, he/she will lose his/her merit scholarship for the following semester and all subsequent semesters unless he/she obtains merit-scholarship has been lost. To receive reinstatement, a student must submit the required form to the Office of Student Financial Services, and it will be reviewed and reinstated if the GPA requirement is met. In the event that a student does not maintain the required GPA, FHU will notify the student of the absence of the Merit Scholarship on the student's award letter, the billing statements, and/or by email.

Trustees' Scholar. The Trustees' Scholar Award, FHU's largest merit award, is equal to \$15,000 per year (limited to 8 full-time semesters) and is awarded to those who have earned a cumulative high school GPA of at least a 3.00 and at least an ACT score of 30 or an SAT score of at least 1360. (Only national ACT or SAT scores can be used to establish eligibility for the Trustees' Scholarship.) All Trustees' Scholars must maintain a 3.40 cumulative GPA each semester enrolled at FHU [excluding dual enrollment hours, College–Level Examination Program (CLEP), or AP hours] to maintain distinction as a Trustees' Scholar. Students who fall below a 3.40 cumulative GPA during any semester will have one (1) semester of probation. A student will not lose the Trustees' Scholar Award during the probationary semester. At the end of the probationary semester, if a Trustees' Scholar Award for the next semester and all subsequent semesters unless he/she qualifies for the Trustees' Scholars' Scholar Award reinstatement. The Office of Student Financial Services will award Trustees' Scholars

a lesser scholarship award should a Trustees' Scholar lose the Trustees' Scholar Award but still maintain a 3.00 GPA for that semester (and all subsequent semesters, providing the student maintains a 3.00 GPA). A student qualifies for Trustees' Scholar Award reinstatement by bringing his/her GPA up to a 3.40 and submitting the required form to the Office of Student Financial Services. Recipients of this award must live in University housing or a lesser award will be given.

National Merit Finalists. Students achieving this honor will receive a \$15,000 per year award. To receive this scholarship, please send the official score report to the Office of Admissions. A photocopy will not be accepted. Students awarded this scholarship must maintain a 3.40 college cumulative GPA, which is evaluated after every semester. Recipients of this award must live in University housing or a lesser award will be given.

Transfer and Continuing Student Scholarships

Scholarships for students transferring thirty (30) or more hours of college work and for continuing students who are not eligible initially will be computed on the basis of their cumulative college GPA. The student's college cumulative GPA is evaluated at the end of every semester. Students who receive the Transfer Scholarship must maintain a 3.00 college cumulative GPA.

Transfer students may also qualify for the same scholarships as first-time freshmen ranging from \$1,000 to \$15,000 per year based on his/her high school GPA and ACT/SAT scores.

Church Scholarship Match Program. Available for students whose home congregations provide scholarships. Freed–Hardeman University will match a congregational scholarship up to \$2,500 annually. The award is applicable only to the comprehensive charge. This matching award is renewable for up to four (4) years and is subject to review and adjustment by the Office of Student Financial Services each year. The student must continue to receive a church scholarship equal to or greater than the matching award, take at least twelve (12) hours each semester, and maintain at least a 2.75 cumulative GPA during the first academic year and at least a 3.00 cumulative GPA each year thereafter. Scholarships and discounts can be stacked together up to \$15,000 per year (or \$22,950 with Honors Scholarship Competition or Church Scholarship Match Program).

FHU Promise. Guarantees over \$19,500 annually in scholarships, grants, and discounts to new, and transfer, full-time, residential students who are receiving Pell Grants, have a minimum ACT of 21 (1060 SAT) and a 3.00 high school GPA. The maximum amount FHU Promise students must borrow or spend out-of-pocket to cover the remaining direct cost of attendance is \$4,750 per semester for the student's freshman year. This amount will be adjusted based on Stafford Loan eligibility in subsequent years. This is less than \$1,000 above the cost of room and board each semester. Eligible students must be admitted before April 15 to be automatically considered for this scholarship. FHU Promise cannot be combined with an athletic scholarship or employee remission. Awarding is subject to the availability of funds.

Scholarships and discounts can be stacked together up to \$15,000 per year (or \$22,950 with Honors Scholarship Competition or Church Scholarship Match Program).

FHU/DICKSON STUDENT SCHOLARSHIPS

Scholarships for a full-time, FHU/Dickson undergraduate student is computed on the basis of his/her cumulative college GPA. The student's cumulative college GPA is evaluated at the end of every semester. Students who receive scholarships must maintain a 3.00 college cumulative GPA.

| Cumulative GPA | Scholarship per Credit Hour | Tuition per Credit Hour with Scholarship |
|----------------|--------------------------------|--|
| 3.50-4.00 | \$150 | \$300 |
| 3.00-3.49 | \$100 | \$350 |
| 2.50-2.99 | \$50 | \$400 |
| 2.00-2.49 | \$25 | \$425 |
| <2.00 | None | \$450 |

GRADUATE SCHOLARSHIPS

Assistantships. Assistantships may be applied for through the directors of the programs. Those who apply early will have a higher probability of obtaining assistance. Applications are encouraged to be submitted up to six months before one plans to enroll in classes. Each program determines the specific requirements for the assistantships.

The following factors will be considered in granting assistantships:

- The student's GPA in previous work,
- The evidence of professional promise seen in the student, and
- The student's need for financial aid.

Criteria for assistantships will include evidence of the ability to serve the University in some useful capacity. A ministerial student must meet qualifications given by grantors of certain scholarships. Those qualifications may include stipulations regarding religion, sex, reputation, and potential.

Federal Financial Aid: Satisfactory Progress Requirement

The Higher Education Act of 1965, as amended, mandates institutions of higher education to establish minimum standards of "satisfactory academic progress" for students receiving federal financial assistance. Progress is evaluated at the end of fall, spring, and summer semesters to ensure that the student is on track to obtain a degree.

These standards apply to all federal and state grants and loans. These financial aid standards of academic progress are separate from, and in addition to, academic standards required by the University for continued enrollment.

The criteria used to define academic progress for purposes of determining eligibility for Federal Financial Aid are cumulative grade point average, pace of completion, and maximum eligibility period.

Cumulative Grade Point Average (GPA)

Students must meet FHU's minimum GPA requirement for good academic standing in order to demonstrate satisfactory academic progress. The following grade point averages must be met in order to maintain good academic standing and to be eligible for federal financial assistance.

Undergraduates

- Undergraduate students who have completed 24 credit hours or less must have a minimum cumulative GPA of 1.75.
- Undergraduate students who have completed 25-47 credit hours must have a minimum cumulative GPA of 1.90.
- Undergraduate students who have completed 48 or more credit hours must have a minimum cumulative GPA of 2.00.

Graduates

• The student must maintain a cumulative GPA of 3.00 to remain in good academic standing. No grade below "C" will be counted toward degree requirements. Grades below "C" may result in academic suspension or termination at the discretion of the Graduate Council.

Federal Financial Aid Warning. If a student fails to meet these minimum GPA criteria for good academic standing and is placed on academic probation, he/she will be placed on federal financial aid warning for one (1) semester and will have a conditional period of one (1) regular semester during which he/she may continue to receive aid.

Federal Financial Aid Suspension. If at the end of the probation semester, the student has not raised his/her GPA to return to good academic standing, he/she will be placed on federal financial aid suspension and will not be eligible to receive Federal Financial Aid the following semester. If at the end of the probation semester, the student has brought his/her GPA up to a level that allows the student to return to good academic standing, he/she will be removed from federal financial aid warning and will be eligible to receive Federal Financial Aid. If at the end of the probation semester, the student has GPA to return to good academic standing but has met the semester GPA requirement necessary to continue on academic probation, he/she will continue to be placed on federal financial aid warning and will be eligible to receive Federal Financial Services. See the "financial Aid. Suspensions may be appealed through the Office of Student Financial Services. See the "financial aid suspension appeals" section for additional information.

Pace of Completion

Undergraduate and graduate students must successfully complete a minimum of 67 percent of credit hours attempted. To "successfully complete" means to receive a final grade of "A", "B", "C", "D", "H", "P", or "M."

Pace of completion is calculated by dividing the cumulative number of hours completed by the cumulative number of hours attempted.

Transfer credits accepted by FHU count as both hours attempted and hours completed. Courses dropped after the last day to drop without academic record for the enrollment period count as hours attempted. Audited classes are not counted.

Students whose completion rate is less than 67 percent will be placed on federal financial aid warning for one (1) semester and will have a conditional period of one (1) regular semester during which they may continue to receive aid.

Students previously placed on warning whose completion rate does not improve to at least 67 percent by the next review, will be suspended from eligibility for federal grants, loans, and workstudy employment and placed on suspension. Suspensions may be appealed through the Office of Student Financial Services. See the "financial aid suspension appeals" section for additional information.

Federal Financial Aid Maximum Eligibility Period

Undergraduate Students. The maximum eligibility period for federal financial aid is 150 percent of the published length of the educational program for a full-time student. Therefore, a full-time student may receive Federal Financial Aid at Freed–Hardeman University until he/she graduates or for a maximum of six (6) academic years (12 semesters) or 189 hours attempted, whichever comes first. This time limitation does not include remedial or developmental courses for which the maximum federal limitation is 30 hours. The 189 hours includes all transfer hours, all attempted hours, and hours attempted while not receiving financial aid.

Graduate Students. The maximum eligibility period for graduate students will be 150 percent of the standards established by the graduate studies office. Hours accepted for transfer credit will reduce this time frame.

Incomplete Grades

A grade of "I" (incomplete) will be factored into calculating satisfactory academic progress. This may result in failure to achieve satisfactory progress and denial of aid until a final grade is earned. A student should contact the Office of Student Financial Services when an incomplete grade is changed to a final grade for recalculation of satisfactory progress.

Repeated Courses

Repeated courses affect academic progress as follows:

- GPA—Only the most recent grade counts in the student's GPA.
- Pace of completion and maximum eligibility period—Each time a course is repeated it will be counted as attempted hours.
- A student may **not** repeat a graduate course with a grade of "A." A student may repeat a graduate course with a grade of "B" only once to increase his/her GPA.

Withdrawal from Classes

Once a student has begun attendance in a semester, if he/she then withdraws from a class or classes after the last day to drop, those credit hours will be counted as credit hours attempted in calculating pace of completion, maximum eligibility period, and, in some cases, grade point average.

A student who withdraws from a semester and returns the following semester must meet the academic progress requirements in order to be eligible for federal aid.

Transfer Students

Transfer hours accepted by FHU are counted as hours attempted and hours completed for calculating pace of completion. Transfer hours and semesters accepted by FHU are included in the student's cumulative GPA and overall maximum eligibility period.

New transfer students will be eligible for federal aid their first semester at FHU unless they have already exceeded their maximum eligibility period.

Transfer students who previously were enrolled at FHU will have their eligibility determined by evaluating past credits/grades earned at FHU combined with transfer credits accepted.

Readmitted Students

A student who is readmitted to FHU whose prior academic record does not meet the standards for satisfactory progress is considered to be on financial aid suspension and will not be eligible to receive financial aid. The student may follow the appeal process and if successful will be put on financial aid probation and be eligible to receive aid for at least one (1) semester.

Notification

Students who fail to make satisfactory progress at the end of a semester will be notified by the Office of Student Financial Services within ten business days following the deadline for grades to be posted.

Financial Aid Suspension Appeal Process

Students who have lost eligibility for aid due to GPA or pace of completion may appeal based on serious illness or injury to the student, death of a relative, or other special circumstances that were unexpected and beyond the student's control.

Appeal is made by submitting a letter to the Director of Student Financial Services explaining:

- why the student failed to make satisfactory progress, and
- what has changed in the student's situation that will allow him/her to make satisfactory progress at the next evaluation.

The Director of Student Financial Services and the Financial Aid Committee will review all appeals. The student whose appeal is approved will be placed on financial aid probation and will be eligible to receive aid for at least one (1) semester if:

- it is determined that he/she should be able to meet the standards after the subsequent semester **OR**
- the student is placed on an academic plan that when followed will ensure the student will meet the standards by a specific time.

The student who fails to meet the satisfactory progress requirements at the end of a semester of financial aid probation, or is not adhering to the requirements of an academic plan, will be put on financial aid suspension and will not be eligible to receive federal aid until eligibility has been reinstated. If there are extenuating circumstances, a student may be given an opportunity for a subsequent appeal.

Students who have lost eligibility for aid due to exceeding the 150 percent maximum eligibility period may appeal if they have changed their major since beginning attendance at FHU. An appeal should be made in writing to the Director of Student Financial Services and accompanied by documentation from his/her academic advisor showing the student's new major and the credit hours that will apply toward the new major. The student will be allowed to appeal once on the basis of a change in major.

Students seeking a second undergraduate degree who have exceeded the maximum eligibility period may appeal to extend their time frame. The student must submit to the Director of Student Financial Services a degree plan from his/her academic advisor listing all courses needed to complete the second undergraduate degree. A new time frame will be calculated based on the number of hours needed.

Students will be informed by campus email of the results of their appeal.

Students who lose eligibility and do not appeal, or whose appeal is not approved, will be placed on financial aid suspension and will not receive federal aid until eligibility has been reinstated.

Reinstatement of Eligibility

After at least one (1) semester of financial aid suspension, a student may reestablish eligibility for aid as follows:

- In the case of insufficient GPA, bringing his/her cumulative GPA back up to the standard.
- In the case of insufficient pace of completion, making up the deficit hours as to bring up the percentage to at least 67 percent.

• In the case of both insufficient GPA and insufficient pace of completion, a student must be making satisfactory progress in both before eligibility can be reinstated.

When a student believes that he/she has regained eligibility, he/she should complete the Academic Scholarship Reinstatement Form. The form is located on the FHU website at: www.fhu.edu/finaid/forms. The student will be notified by campus email the results of this request.

FEDERAL FINANCIAL AID PROGRAMS

All funds can be applied for by submitting a Free Application for Federal Student Aid (FAFSA) each year. Students who need assistance in financing their education may apply for a federally guaranteed Stafford Loan. Loan programs and regulations are subject to change by legislation or by the University.

Undergraduate Federal Financial Aid Programs

Federal Direct Stafford Loans. Under the Direct Stafford Loan Program, you may borrow from the federal government. The University certifies your application, and the federal government guarantees repayment. Under current regulations, you may borrow up to \$5,500 for the freshman year, \$6,500 for the sophomore year, and \$7,500 for a junior or senior year, up to a cumulative total of \$31,000. There is a 1.059 percent origination fee deducted from the amount of the loan when the loan is processed.

There are two kinds of Stafford Loan Programs. One is subsidized, meaning the federal government pays the interest on the loan while the student is in school. The other is unsubsidized, meaning that the student is responsible for quarterly interest payments while the student is in school. However, the federal government will accumulate the interest while the student is in school and will add the interest to the loan principal at the beginning of repayment.

Repayment of a Federal Direct Stafford Loan begins six months after graduation or when the student ceases to be enrolled half-time (6 hours). The interest rate is a fixed rate of 4.53 percent for subsidized and unsubsidized loans for undergraduates.

Additional Federal Direct Unsubsidized Stafford Loans. An additional Direct Unsubsidized Federal Stafford Loan is available for independent students for up to \$4,000 for freshmen and sophomores and up to \$5,000 per year for juniors and seniors. Also, in some cases, a dependent student may obtain an additional Unsubsidized Federal Direct Stafford Loan. The maximum that can be borrowed under the additional Federal Direct Unsubsidized Federal Stafford Loan Program is \$26,500 for undergraduate work.

Federal Direct PLUS Loans. Federal Direct Parent Loan for Undergraduate Students (PLUS) Loans are available through the federal government. The amount of the Federal Direct PLUS Loan is determined by the cost of attendance less any other financial aid the student receives, such as grants, loans, scholarships (institutional or external), or work-study. Interest is a fixed interest rate of 7.08 percent. A 4.236 percent origination fee is deducted from the amount of the loan when the loan is processed.

Graduate Federal Financial Aid Programs

Federal Direct Loans. A graduate student enrolled at least half-time (5 hours) may borrow under the Direct Unsubsidized Stafford Loan Program up to \$20,500 per academic year or up to the cost of attendance. The aggregate lifetime limit for Stafford loans is \$138,500. This loan is not based upon need but must be held within the total cost of education minus any other financial assistance. The interest rate is fixed at 6.08 percent. There is a 1.059 percent origination fee deducted from the amount of the loan when the loan is processed. The interest accrues from the beginning of the loan but can be deferred and capitalized if desired. Repayment of a Direct Federal Stafford loan begins six months after graduation or when the student ceases to be enrolled half-time (5 hours). Federal Direct Graduate PLUS Loans are available through the Department of Education. The Graduate PLUS Loan is a federal loan that is credit based. It has no grace period, and it goes into repayment as soon as the funds are disbursed. It has the same deferment and forbearance options as the Stafford Loan Program. Interest is a fixed interest rate of 7.08 percent. A 4.236 percent origination fee is deducted from the amount of the loan when the loan is processed. As such, graduate students can postpone repayment using in-school deferment while enrolled at least half-time in a degree program of study.

Grants

Students are eligible to receive Federal Pell Grants and Federal Supplemental Educational Opportunity Grants only until they meet the requirements for the first degree. The state grant is limited to eight (8) semesters or meeting degree requirements, whichever comes first.

Federal Pell Grants from \$639 to \$6,395 per academic year may be used for regular academic–year expenses at FHU.

Federal Supplemental Educational Opportunity Grant amounts ranging from \$250 to \$1,000 per academic year may be awarded by the University as a part of the financial aid package.

The Federal TEACH Grant was established to benefit current and prospective teachers. Students must be currently completing or plan on completing coursework necessary to begin a career in teaching. The academic requirements are that the student has to have at least a 3.25 cumulative GPA for each payment period (each semester) or have a score above the 75th percentile on the ACT. The award amount is up to \$4,000 per academic year. Aggregate amounts are \$16,000 for undergraduates. The student must teach full-time for at least four (4) years within eight (8) years of completing a program as a highly qualified teacher, at a Title I school, and in a specified subject area. If service is not met, the grant must be repaid as an Unsubsidized Direct Student Loan with interest from the date(s) of original disbursement.

Veterans and dependents may be eligible for benefits. Veterans with more than six months of active duty in the United States Armed Forces may be entitled to monthly payment plus allowances for dependents for full-time or part-time study. Financial assistance may also be available to children of deceased or disabled veterans. Need is not a criterion for these benefits. For further information, see your veteran's service officer or write the Freed–Hardeman University registrar.

Vocational rehabilitation assistance and service may be available to disabled students, provided the student's rehabilitation counselor approves of his/her career objective and the University plans. Contact the Vocational Rehabilitation Director of the Department of Education in your state for further information.

State of Tennessee Grants and Scholarships

Tennessee Student Assistance Awards are to provide non-repayable financial assistance to financially needy undergraduate students who are residents of Tennessee and are enrolled, or accepted for enrollment, at a public or an eligible non-public postsecondary educational institution in Tennessee. Students must be enrolled at least half-time and have an Expected Family Contribution (EFC) of 2100 or below. Based on funding, first priority is given to U.S. citizens. The amount per year is \$4,000. No student will receive an award greater than the amount of tuition and mandatory fees assessed by the institution attended. A student's eligibility is determined in the same manner as is eligibility for a Federal Pell Grant. Students must have their Free Application for Federal Student Aid (FAFSA) received by the federal processor as soon as possible after October 1 for the upcoming school year. However, these funds are limited, so it is highly recommended that a student apply early in order to have an application processed in time to receive money from the Tennessee Student Assistance Award Program.

Tennessee Education Lottery Scholarship (HOPE) is defined as a grant for study at an eligible postsecondary institution that is funded from net proceeds of the state lottery and awarded to students who are enrolled in college courses at eligible postsecondary institutions. It is designed to provide financial assistance to qualified college students in pursuit of postsecondary study at an eligible Tennessee public or private institution. The award amounts for the HOPE Scholarship are \$3,500 per year for freshmen and sophomores and \$4,500 per year for juniors and seniors attending four-year institutions. Requirements for the scholarship are:

- Must complete the Free Application for Federal Student Aid (FAFSA). Applications must be received by September 1 for the fall semester and February 1 for the spring and summer semesters. Early application is recommended.
- Must have been a Tennessee resident for one (1) year as of September 1 of the academic year of enrollment.
- Student must graduate from a Tennessee high school or from a category 1, 2, 3, or 4 private school. Categories 1–3 can meet the HOPE requirements based on ACT or GPA. Category 4 schools can meet the HOPE requirements by ACT only.
- Dependent children of U.S. military, Tennessee National Guard on active duty, and Department of Defense employees, who maintain Tennessee residency while stationed out-of-state are eligible.
- Must be enrolled full-time in one of the Tennessee public or private institutions, unless approved by the Office of Student Financial Services. Contact the Office of Student Financial Services for more details.
- Must enroll within 16 months of high school graduation or completion of a homeschool or GED program.
- Homeschool students must have been enrolled in an accredited homeschool program for a minimum of two (2) years prior to graduating. Homeschool criteria is based on the category of the homeschool. Check at College Pays or www.tn.gov/collegepays for more information.
- An entering freshman (High school class of 2005 and thereafter) must have a minimum of a 21 ACT (1060 SAT) or an overall unweighted minimum 3.00 GPA.
- GED applicants must have a minimum 525 and 21 ACT (1060 SAT).

Renewal eligibility for the HOPE Scholarship will be reviewed by the institution at the end of the semesters in which the student has attempted a total of 24, 48, 72, 96, and 120 semester hours. The students must meet the following criteria to receive the HOPE each year:

- Must have a minimum cumulative GPA of 2.75 after 24 and 48 attempted semester hours; AND
- Must have a minimum cumulative GPA of 3.00 after 72, 96, and any subsequent multiples of 24 attempted semester hours thereafter; **OR**
- Must have between a 2.75 and a 2.99 cumulative GPA after 72, 96, and any subsequent multiples of 24 attempted semester hours thereafter and have a semester GPA of at least a 3.00 in the semester in which the student attempted 72, 96, and any subsequent multiples of 24 attempted semester hours thereafter. The student will be reviewed on a semester-by-semester basis and must maintain full-time enrollment. HOPE Scholarship eligibility is capped at 120 semester hours.
- If a student ceases to be academically eligible for the HOPE Scholarship, the student may regain the award one time only. The award may be re-established once the student meets any of the above criteria and continues to meet non-academic requirements.
- Must be continuously enrolled at an eligible postsecondary institution in the fall and spring semesters and maintain satisfactory academic progress.

NOTE: A "WA" or "WF" grade is counted as an "F." The HOPE Scholarship calculates GPA based on attempted hours instead of earned hours.

The Aspire Award is a supplement to the Tennessee HOPE Scholarship. It is for \$1,500 per year. To receive the *Aspire Award*, the student must meet the Tennessee HOPE Scholarship requirements and must have a parents' or independent student's and spouse's adjusted gross income (AGI) of \$36,000 or less on the IRS Tax Form.

The Tennessee HOPE Access Grant is non-renewable. It is \$2,750 per year for four-year institutions. The requirements for the Access Grant is that entering freshmen must have a minimum unweighted 2.75 GPA and 18–20 ACT (860–970 SAT) and the AGI must be \$36,000 or less on the IRS Tax Form for the parents or independent students and spouses. After the first year, the student receiving this grant will be eligible for the Tennessee HOPE Scholarship by meeting HOPE Scholarship renewal criteria.

The General Assembly Merit Scholarship is a supplement to the Tennessee HOPE Scholarship. It is \$1,000 per year. An entering freshman must have a minimum 3.75 weighted GPA and 29 ACT (1330 SAT). Homeschool students must complete twelve (12) college credit hours (at least four courses) with a minimum 3.00 GPA at a Tennessee college or university while they are enrolled in the homeschool program.

Other Tennessee Award Programs are the Foster Care Tuition Grant, Helping Heroes Grant, and the HOPE Non–Traditional Scholarship Program. You can find information about these on Tennessee Student Assistance Corporation's (TSAC) website at College Pays or www.tn.gov/collegepays.

Minority Teaching Fellows Program was established in 1989 to attract talented minority Tennesseans to enter the teaching field. The award is for \$5,000 per year to pursue teacher certification. Those who receive the award incur an obligation to teach at some K–12 level in a Tennessee public school one (1) year for each year the award is received. To be eligible to apply, the applicant must be a minority Tennessee resident, a citizen of the United States, and a high school senior or a continuing college student. To be considered, high school seniors must have achieved at least a 2.75 high school cumulative GPA and either have scored a minimum composite score of 18 on the ACT (or its SAT equivalent) or have been in the top 25 percent of his/her high school graduation class. Continuing college students must have achieved at least a 2.50 college cumulative GPA. Applications are available online at College Pays or www.tn.gov/collegepays. TSAC must receive the completed application by April 15.

Tennessee Teaching Scholars Program is designed to encourage exemplary students who are Tennessee residents and U.S. citizens to enter the teaching field. Participation is limited to college juniors, seniors, and post-baccalaureate candidates admitted to a state-approved teacher education program at an eligible Tennessee college or university. Participants in this program incur an obligation to teach one (1) year in a Tennessee K–12 level public school for each year an award is received. To be considered, applicants must have at least a 2.75 cumulative GPA and be admitted to the Department of Education at their postsecondary institution. Students must be Tennessee residents and U.S. citizens. Applicants cannot be a licensed teacher or receive the scholarship while employed in a teaching position. Applications are available at financial aid offices and TSAC. Awards are very competitive and are based on funding. Applicants seeking initial licensure are considered. The Tennessee Student Assistance Corporation must receive the completed application by April 15.

Army Senior Reserve Officers Training Corps (SROTC) Scholarships Program is a crosscampus agreement between Freed–Hardeman University and the SROTC Program hosted at the University of Tennessee at Martin (UTM). Please review UTM's website (http://www.utm.edu/departments/milsci/) about the program.

Athletic Scholarships

Information may be obtained by contacting the athletic director or one of the following coaches: basketball, baseball, softball, tennis, volleyball, soccer, cross-country, track, golf, or cheerleading. All scholarship awarding is handled by the coach.

Work Study

Many students are able to finance part of the cost of their education through part-time work while in school and full-time employment during the summer or other off-campus employment during the semester. Students desiring campus employment must complete the Free Application for Federal Student Aid (FAFSA). Students may not have more than one campus job.

The Federal Work-Study Program is available to undergraduate students with established financial need as determined by the FAFSA. Students can work up to 6 hours per week. Campus jobs are available most often in the cafeteria, the library, faculty offices, the Brewer Sports Center, and facilities. Specific assignments and schedules are finalized after registration by the student employment office. Contact the Office of Financial Services for more information (731) 989-6025 or (731) 989-6014.

Endowed Academic Scholarships

Two thirds of FHU's endowment is composed of scholarships. All scholarship funds are combined and invested by the Investment Committee of FHU. Freed–Hardeman University's Investment Committee of the Board of Trustees has established a 5 percent spending policy on endowed funds. Therefore, awards from endowed funds will not exceed an amount above 5 percent of the total invested amount of the fund. These scholarships have the same recipient requirements as the academic scholarships and are awarded by the Director of Student Financial Services.

Title IV Refund Policy

The Higher Education Amendments of 1998 changed the formula for calculating the amount of aid a student and school can retain when the student totally withdraws from all classes. Students who withdraw from all classes prior to completing more than 60 percent of an enrollment term will have their eligibility for aid recalculated based on the percent of the term completed. For example, a student who withdraws completing only 30 percent of the term will have "earned" only 30 percent of any Title IV aid received. The remaining 70 percent must be returned by the school and/or the student. The student account office encourages you to read this policy carefully. If you are thinking about withdrawing from all classes **prior** to completing 60 percent of the semester, you should contact the Office of Student Financial services to see how your withdrawal will affect your financial aid.

- This policy shall apply to all students who withdraw, drop out, or are expelled from FHU and receive financial aid from Title IV funds:
 - The term "Title IV Funds" refers to the Federal Financial Aid Programs authorized under the Higher Education Act of 1965 (as amended) and includes the following programs: unsubsidized loans, subsidized loans, Federal Direct PLUS loans, Federal Pell Grants, and Federal SEOG.
 - A student's withdrawal date is:
 - The date the student began the institution's withdrawal process or officially notified the institution of intent to withdraw; or
 - the mid-point of the period for a student who leaves without notifying the institution; or
 - the student's last date of attendance at a documented academically-related activity.
- Title IV aid is earned in a prorated manner on a per diem basis up to and including the 60 percent point in the semester. Title IV aid and all other aid is viewed as 100 percent earned after that point in time.
 - \circ $\;$ The percent of Title IV aid earned shall be calculated as follows:
 - Number of days completed by student divided by total numbers of days in term * = percent of term completed.

 \circ $\,$ The percent of term completed shall be the percentage of Title IV aid earned by the student.

*The total number of calendar days in a term of enrollment shall exclude any scheduled breaks of more than five days.

- The percent of Title IV aid unearned (i.e., to be returned to the appropriate program) shall be 100 percent minus the percent earned.
- Unearned aid shall be returned first by FHU from the student's account calculated as follows:

(Total institutional charges X % of unearned aid) = amount returned to program(s)

- Unearned Title IV aid shall be returned to the following programs in the following order:
 - 1. Unsubsidized Stafford Loan
 - 2. Subsidized Stafford Loan
 - 3. Parent Loans to Undergraduate Students (PLUS Loan)
 - 4. Federal Pell Grant
 - 5. Federal SEOG
 - 6. Other Title IV Grant Programs

Exception: No program can receive a refund if the student did not receive aid from that program.

- Refunds and adjusted bills will be sent to the student's home address on file in the Office of the Registrar following withdrawal. Students are responsible for any portion of his/her institutional charges that are left outstanding after Title IV funds are returned.
- Institutional and student responsibilities in regard to the return of Title IV funds.
 - Freed-Hardeman University's responsibilities in regard to the return of Title IV funds include:
 - Providing each student with the information given in this policy
 - Identifying students who are affected by this policy and completing the Return of Title IV Funds Calculation for those students
 - Returning any Title IV Funds that are due the Title IV Programs
 - The student's responsibilities in regard to the return of Title IV funds include:
 - Becoming familiar with the Return of Title IV Policy and how complete withdrawal affects eligibility for Title IV aid
 - Returning to the Title IV Programs any funds that were disbursed directly to the student and for which the student was determined to be ineligible for via the Return of Title IV Funds Calculation
- The fees, procedures, and policies listed above supersede those published previously and are subject to change at any time.
- Any notification of a withdrawal or cancellation of classes should be in writing and addressed to the Office of the Registrar. Such notification may be made by facsimile.

If you would like examples of the refund policy, contact the Office of Student Financial Services.

Institutional-Refund Policy

Upon withdrawal from the University prior to the end of the drop/add period, the comprehensive charge and room will be refunded at 100 percent. After the drop/add period, there is no refund of the comprehensive charge or room. This policy applies to regular terms, summer terms, eightweek terms, and two-week courses. Meal plan charges are prorated and refunded based on the week of withdrawal.

PAYING YOUR ACCOUNT

Please refer to the financial information detailed in this catalog under "Financial Information: Student Charges and Expenses" to determine the approximate charges for each semester. In addition to room, board, and the comprehensive charge, remember to estimate a reasonable amount for textbooks and class supplies. The total of these charges represents the comprehensive charge, room, and board charges for the semester. From this total, deduct scholarships, grants, or loans that have been awarded or offered as part of the financial aid package. (Aid awards are usually based on the academic year and will be credited to your account proportionately, i.e., half of the award or offer for each semester you are enrolled as a full-time student or as indicated in the award announcement.) For information concerning financial aid adjustments, contact the Office of Student Financial Services or review the information provided with your offer of financial aid.

Students who have registered and selected classes must have their financial arrangements made by August 5, 2020, for the fall semester, and by January 6, 2021, for the spring semester. Students who register for fall classes after August 5, 2020, or for spring classes after January 6, 2021, must pay their bill in full the day they register. The student's account may be viewed on my.fhu.edu. The student is responsible for confirming that all financial arrangements are made and processed.

After determining the amount of financial aid a student will receive, and if financial aid does not cover all of the charges for the semester, the balance may be paid by one of the following three options:

- Paying by eCheck or credit card at: www.afford.com/fhu and select "Make a One Time Payment;" or
- Paying by cash or check at the Cashier Window located in the Gardner Center Lobby; or
- Mailing a check to: Freed-Hardeman University, Student Accounts, 158 East Main Street, Henderson, TN 38340; or
- Paying with a monthly payment plan through Tuition Management Systems by going to: www.afford.com/fhu

Any combination of the options mentioned above is acceptable to pay the account in full.

Bookstore charges and other miscellaneous charges the student incurs will be due upon receiving the monthly statements or viewing the statement online. Any unpaid amount remaining after the semester's balance due date will be subject to a 1 percent per month (12 percent per year) service charge. If there are any questions about the student's account, you may contact the Office of Student Financial Services at (731) 989-6662 or by email at: finaid@fhu.edu.

Transcripts are not released by the University until all outstanding accounts are paid. If, after a student leaves FHU, an obligation is due that requires an outside collection agency, the responsible party agrees to pay collection agency fees, court costs, and attorney fees for collecting the outstanding balance.

GENERAL EXPECTATIONS AND REGULATIONS

Students at Freed–Hardeman University are expected to help realize the ideal of a Christian university by contributing to the friendliness, courtesy, and wholesomeness for which the school is known. The academic and spiritual commitments of students and teachers are manifested in mutual respect, cooperativeness, and the assumption of appropriate responsibilities.

By enrolling in FHU, students pledge to abide by the policies and regulations set forth in the academic catalog and in the student handbook in effect during their enrollment. Responsible channels for seeking change or for requesting exceptions are provided. The person who is not supportive of the purposes and ideals of the institution will not, however, want to enroll or to continue as a student.

Disciplinary matters are handled by the dean of students. Serious or persistent violation of University rules may result in probation, suspension, or dismissal. If charges that may lead to dismissal are brought against a student, he/she will be informed of the charges and will have an opportunity to present a defense. The University reserves the right to deny readmission to a student at the beginning of any semester or to remove the student at any time if it is thought the student's influence is injurious.

Conduct

Students will be expected to respect the property of others and of the University and to avoid any form of cheating, false reporting, plagiarism, or willful destruction or misappropriation of records or property. Computer accounts of others are not to be entered without written authorization.

In keeping with the ideals of a Christian University, profanity, reading obscene or pornographic literature, illicit sex, dancing, gambling, and such like are forbidden. The unauthorized possession, sale, or use of drugs, including alcohol, is prohibited. The use of tobacco is not permitted. Firearms, hunting knives, and ammunition are prohibited by state law. Fireworks are illegal. Students are expected to obey local, state, and federal laws.

All students will be expected to abide by a dress and grooming code that emphasizes Christian modesty and good taste. Dress should be appropriate to the occasion—church, class, or recreation. The health, comfort, and well-being of each student and of his/her classmates require that standards of personal cleanliness be maintained and that residence hall rooms or apartments be kept clean and orderly. The University reserves the right to inspect University-owned quarters under proper supervision and safeguards.

Commuting students are expected to observe University regulations while on campus and when participating in University activities and to avoid conduct both on- and off-campus that will indicate a lack of alignment with University ideals.

Boarding Students

All single students (both full- and part-time) not living at home with their parents or parental-type relatives and who are under the age of 23 must live in University housing. Any single student requesting other arrangements should file an off-campus housing application with the Office of Student Services. Residence hall students must participate in one of the meal plans that offers many different options in both Wallace–Gano Dining Hall and the Lion's Pride snack bar.

Undergraduate students who are at least 23-years of age, or who take most of their classes at FHU/Dickson, and graduate students may live off-campus; and they may also live on campus with approval from the student services coordinator. Students aged 25-years or older are not permitted to live on campus (without permission from the student services coordinator). Married students are not permitted to live in the residence halls.

Students who live on campus will be responsible for keeping their rooms locked and for any damage. Repainting, repairs, and replacements will be charged to the one doing the damage or, if this cannot be ascertained, to the occupants of the room. Residence hall hours are included in the student handbook. The University is not responsible for damage to or loss of students' personal property due to theft, mischief, fire, water, etc.

Security

The Office of Campus Safety seeks to provide a safe environment for the University community. The security personnel are committed to developing a good relationship with students, faculty, staff, and administration by providing professional security services.

Security Officers can be reached 24 hours a day, 7 days a week by calling 6911 (on campus) and (731) 989–6911 (off–campus).

Automobiles

Keeping an automobile on campus is a privilege. The University reserves the right to revoke this privilege in the event of a serious and/or persistent violation. Students must register their vehicles online at http://cartags.fhu.edu. A hangtag permit must be hung from the rearview mirror with the front facing the windshield and be unobstructed by any other object. Failure to register a vehicle or display the hangtag may result in a \$100 fine. Hangtags may be obtained from the Office of Campus Security.

Students who have a vehicle on campus are expected to abide by the parking regulations found on the FHU website. A campus parking map can also be found on the website. Violations of parking regulations can result in citations.

Emergency Notification System

To provide a mode of mass communication, FHU has partnered with RAVE Mobile Safety, a communication company that specializes in campus communications. On our campus, this network is known as LionAlert. Through the LionAlert system, we have the ability to communicate with our student body, faculty, and staff quickly concerning severe weather or any other emergency situation.

All faculty, staff, and students automatically have a LionAlert account created for them and are able to log into their RAVE account to manage their notification preferences and settings. In an emergency situation, alerts outlining the situation and recommended precautionary measures are sent to all subscribers via text and email notifications.

To access LionAlert, campus users can go to: http://www.fhu.edu/LionAlert.

Student Activities and Organizations

Students may desire to participate in one of the many campus clubs and activities. Through these activities, social, intellectual, physical, and spiritual growth are cultivated, and opportunities for leadership and service are provided.

Each club must have a constitution or by-laws approved by the associate vice president of student services to insure purposes and a democratic organization consistent with University aims. Each club is sponsored and supervised by a faculty/staff member or another person approved by the associate vice president of student services. Through these extracurricular and co-curricular activities, closer student-faculty/staff relationships are cultivated. For more information see the student handbook.

Chapel Assembly

Students, teachers, and administrators have the opportunity to attend chapel each morning, Monday through Friday. After a devotional led by faculty/staff, students, or guests, the programs may be informative, inspirational, or entertaining. Chapel affords an opportunity to share in the joy and sorrow of other members of the University family and is vital to the communication and sense of community that are so important.

STUDENT SERVICES AND FACILITIES

Students of FHU have access to a number of services and facilities designed to make their enrollment comfortable, enjoyable, and successful. Use these wisely and well.

Housing

Living on campus is a valuable college experience and enables students to take maximum advantage of the activities and services offered. Single students may choose from the residence halls listed below.

Residence Halls for Women

Bradfield Hall. This dormitory for women opened in 1973. It accommodates 144 students in double rooms. Bradfield Hall is named for the noted evangelist and long-time teacher and Director of Public Relations, who died in 1972.

Dixon Hall. This dormitory was dedicated at Homecoming, November 27, 1958, and was built that year and named in honor of H. A. Dixon, then president of the College. The four-story residence hall accommodates 132 women in two-bedroom suites.

Hall–Roland Hall. The oldest residence hall, with a capacity of 70 women, is a favorite of many women students. Formerly called Oakland Hall, this three-story residence hall was renamed Hall–Roland Hall at Homecoming, November 27, 1958, in appreciation of the long tenure and service of the late W. Claude Hall and C. P. Roland. It was renovated in 1984. The ground floor houses the Veterans' Resource Center.

Porter–Terry Hall. This dormitory opened in January 1977. This three-story residence provides housing for 154 women in suites, each of which accommodates six students with three double-bed rooms, living room, and bath. It was named in honor of the late Lucy Porter and Dovie Terry of Henderson.

Scott Hall. This four-story women's hall is designed for 148 students. It was opened in Fall 1971 and named for the late Mr. Thomas E. Scott, who had served as chair of the Department of Social Sciences and as a Bible teacher, as well as the late Mrs. LaVonne B. Scott, who served as an English and languages teacher.

Tyler Residence Hall. This dormitory, opened in 2004 and accommodates 48 students, was named in honor of Katherine Tyler. Students must have completed ninety (90) hours, have a good discipline record, and make application through the Office of Student Services. Each apartment has four bedrooms, a kitchen, a living room, and a washer and dryer. Students living in privileged housing are not required to purchase a University meal plan.

Residence Halls for Men

Benson Hall. This three-story men's hall opened in 1970 and is designed for 144 students (four students to each two-bedroom suite). It is named in honor of the late Dr. George S. Benson, noted missionary, Christian educator, and speaker.

Farrow Hall. This dormitory opened in 1973 and accommodates 144 men in double rooms. On August 31, 1978, it was named in memory of Edward Gatewood Farrow and his wife, Jane Oliver Farrow, of Jacks Creek.

Sewell Hall. This dormitory, which opened in 2007, is named for Freed–Hardeman University's former President and First Lady, Milton and Laurel Sewell. It has 100 residence hall rooms and accommodates 200 male students. Among the amenities is a large activities room on the second floor, pool table, lounge furniture, and fully equipped kitchen.

Woods–East Residence Hall. This dormitory, opened in 2004 and accommodates 48 students, was named in honor of Kenneth and Rebecca Woods and Bob and Regina East. Students must have completed ninety (90) hours, have a good discipline record, and make application through the Office of Student Services. Each apartment has four bedrooms, a kitchen, a living room, and a washer and dryer. Students living in privileged housing are not required to purchase a University meal plan.

Applying for Housing

When students apply for admission, they should also apply for housing available in one of our ten residence halls. They may do this by completing an online form located on the FHU website at https://www.fhu.edu/forms/admissions/housing.aspx, or they may request a Housing Form from an admissions counselor. Housing placement begins on the date of the received application.

The order for residence hall placement for the upcoming semester is:

- 1. Returning students who made their request during the preceding semester.
- 2. All incoming students, who have a processed housing application and have paid the housing pledge, are accepted in order as received.

The Housing Forms should be sent to the Office of Admissions. When applying for housing, students may request a particular residence hall and roommate. Private rooms may also be requested. Every effort will be made to accommodate the request; however, because space is limited, no guarantees can be made. Requests for a particular roommate will be honored if feasible and mutually agreeable, but the University reserves the right to make changes as deemed necessary.

Reporting to and Vacating the Residence Hall

The University calendar, preceding the index of this catalog, provides the opening date of residence halls. Students should not arrive on campus before the time specified unless special permission is granted by the student services coordinator. During official school breaks, residence halls must be vacated by the time specified in the calendar.

Food and Miscellaneous Services

The Student Services Building was opened in November 1966. The **Burks Student Center** is located on the first floor. In it are the Lion's Pride, the post office, and Office of Student Services.

The **Wallace–Gano Dining Hall**, on the second level, was named in recognition of G. K. Wallace and Cecil and Alice Gano. The food service is operated by Tony and Tamie Torres. Special meals are also provided for University outings, banquets, and other occasions.

Health Services

Other services. The County Health Department office provides food-handlers' certificates and the tuberculin skin test. Private health professionals within walking distance of the campus include dentists, physicians, nurse-practitioners, and optometrists. In nearby Jackson are medical specialists and two hospitals that are fully accredited by the Joint Commission on the Accreditation of Hospitals. An approved ambulance service is on-call at all times. Each student is responsible for payment of his/her medical fees and hospital or ambulance charges.

Illness or injury. In case of serious sickness or injury, the University will notify a student's family. While coaches and others seek to promote safety, participation in athletics, or any other activity on– or off–campus, whether personal or University-sponsored, is at the student's own risk. The University cannot accept liability for illnesses, accidents, or other injuries.

Insurance. Students are urged to carry some type of reputable and adequate hospitalization insurance. All students participating in intramural sports must carry insurance and sign a waiver relieving the University of liability.

Wellness Program. A Wellness Program is coordinated by the Wellness Committee to provide information that will promote a healthier lifestyle for all of the Freed–Hardeman University family.

Students with Disabilities

Disability Services Policy and Procedure

Mission. It is the mission of Freed–Hardeman University to provide qualified students with reasonable accommodations to ensure equitable access to educational opportunities, programs, and activities in the most appropriate integrated setting.

Policy. It is the policy of Freed–Hardeman University to comply with section 504 of the Rehabilitation Act of 1973 (PL 93–112), as amended (PL 93–516), and with Title II of the American with Disabilities Act of 1990 (ADA).

Procedure for registering with the Office of Disabilities.

- a. Contact the Office of Disability Services Coordinator to obtain registration paperwork. These are available in the Office of Disability Services, which is located in the Burks Student Center.
- b. The student will meet with the Office of Disability Services staff for an initial intake interview, discussion, and required paperwork.
- c. Documentation may be sent to the Office of Disability Services, Freed-Hardeman University, 158 East Main Street, Henderson, TN 38340. The phone number is (731) 989-6029 or email: mellis@fhu.edu. The fax number is (731) 989-6976.
- d. It is the responsibility of the student to follow up with healthcare professionals to ensure that the proper documentation has been sent.
- e. After completion of the registration form and after documentation is received, the student will be contacted by the Office of Disability Services to arrange a time to meet to discuss individualizing a plan.

Accommodations: What they are and what they are not.

- a. Accommodations are provided for the purpose of ensuring equal access to an education. They are not a guarantee of a certain grade or of success in a particular class; rather, they are intended to "level the playing field" for students with disabilities. Students with disabilities are expected to fulfill all academic and course requirements and evaluation standards as is expected of all students.
- b. Accommodations are provided on a case-by-case basis. They are assigned depending on the documentation that each student submits, the impact of each student's disability, and our conversations with each student regarding his/her strengths, weaknesses, and needs.

- c. Accommodations are also provided on a class-by-class basis. An accommodation which is reasonable in one class may not be reasonable in another. No accommodation will be provided if it compromises or alters essential elements or evaluation standards of a course.
- d. Accommodations are considered to be classroom supplements. They are not intended to replace regular classroom attendance or participation.
- e. Accommodations are not provided retroactively. The Office of Disability Services is unable to provide accommodations for academic work completed before the student is verified as eligible for accommodations or before the student requests accommodations. Therefore, it is imperative that students request accommodations each semester as early as possible.

Requesting and Maintaining Accommodations.

a. The Office of Disability Services is responsible for providing reasonable accommodations in a timely manner. Non-compliance on the part of the student with the procedures involved in the accommodation process may result in delays or denial of the provision of accommodations. Students will be notified of the policies at registration.

University Counseling Center (UCC)

College is a unique time in a person's life. New lessons and experiences can sometimes cause overwhelming stress, academic difficulties, and even psychological problems that impede a student's performance.

Freed–Hardeman University strives to provide confidential, Christian counseling in a manner that incorporates our values and morals as a Christian University, along with educating and developing awareness that will aid the student for a lifetime.

Free counseling services are provided for FHU students with the focus on short-term counseling. The University Counseling Center (UCC) also offers referral services to local and surrounding area professionals to meet individual needs. The UCC has both a full-time male and female counselor. Crisis intervention is available 24 hours a day, 7 days a week and may be contacted through the counselor on-call by phone (731) 608-2590 or through a residence hall supervisor, a residential assistant, or campus security. For appointments contact Jonathan Harrison by phone at (731) 989-6763 or by email at jharrison@fhu.edu.

Career Services Center (CSC)

The mission of the Career Services Center (CSC) is to provide career services in a supportive and proactive manner for FHU students and alumni; including informing, educating, and counseling on career choices, graduate and professional schools, co-op and internships, and part-time and permanent-employment opportunities. The Career Services Center's main focus is on engaging undergraduate and graduate students in the career development process to help them achieve their professional goals. The CSC also provides effective and efficient services to employers through recruitment programs and activities. You may learn more about the CSC by emailing Dr. Wayne Scott, vice president for student services, at wscott@fhu.edu or by phone at (731) 989-6790. The Career Services Center is located in the Burks Student Center.

Academics Dr. Charles Vires, Jr. *Provost and Vice President for Academics*

GENERAL ACADEMIC INFORMATION

Mission of Academics

The Division of Academics exists to help students develop their God-given gifts for His glory. To achieve this mission, we seek to foster the growth and continuous improvement of a dynamic community of Christian scholars where students are actively engaged in meaningful learning experiences that equip them with the knowledge, skills, and Christian understanding necessary to impact the world, locally and globally.

Unit of Credit

The semester hour is the unit of credit used at FHU. The following section codifies the practices guiding the awarding of academic credit at FHU for various types of courses and course modalities. In determining the amount of credit awarded, FHU applies the following definition from Section 600.2 of the Education Opportunity Act:

Except as provided in 34 CFR 668.8(k) and (l), a credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than—

- a. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
- b. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

Traditional Lecture Delivery

For traditional, face-to-face courses, one (1) semester hour of credit represents approximately fifteen (15) hours of direct faculty instruction (e.g., lecture, discussion, examination, or other learning activities).

Online/Hybrid/Web-Conference Delivery

Courses delivered in an online, hybrid, or web-conference format must require an amount of work equivalent to that expected in traditional courses. All online, hybrid, or web-conference courses must comply with Freed–Hardeman University Policy 2.9 Digital Learning Environments. Policy 2.9 specifies that distance education courses must meet the same expectations as courses taught in a traditional setting. Specifically, the DLE review process, as outlined in Policy 2.9, requires that:

- a. For courses that are offered in both traditional and non-traditional formats, the learning outcomes, course content, and assessments in the non-traditional format must be equivalent to those in the traditional format; or
- b. For courses that are offered only in the non-traditional format, the learning outcomes, course, content, and assessments must be sufficient to facilitate mastery of course outcomes and appropriate for the number of credit hours awarded.

The University recognizes the need to validate the identity of the learner and ensure the integrity of the assessment process in digital learning environments. Student identity and assessment integrity may be facilitated through various means such as authentic assessments, presentations, portfolios, timed exams, intense writing assignments, and proctored exams.

The instructor of a distance learning course may elect to require proctored exam(s) as a means of assessment. Should the use of proctored exams be deemed appropriate for a specific course, the instructor may require up to one (1) proctored exam per semester credit hour. For example, a two (2) credit hour course may elect to offer up to two (2) proctored exams, while a five (5) credit hour course would be permitted to offer up to five (5) proctored exams. The instructor may request additional proctored exams be administered by making justification to the Digital Learning Environment Course Review Team.

Proctored exams will be administered through the University's approved online testing service at no additional cost to the student. The student will, however, be responsible for supplying a detachable web camera to be used during the testing process. In the event of the University's approved testing service is not applicable to meet the learner's needs, the instructor may appoint/approve an in-person proctor in which the student will incur any associated costs. In-person proctors must be approved by the instructor and attest that there is no relation to the student by family, marriage, close friendship, or subordinate relationship. Services at the Freed–Hardeman University Testing Center or an official testing center at another regionally accredited college or university may also be used.

Special Studies

Credit for special studies is based on an estimate of work, learning, or proficiency approximately equivalent to that gained from regular college–level instruction.

Laboratory Work. The credit earned for a laboratory course is determined by the total amount of direct instruction and individual student work. One (1) hour of credit requires approximately forty-five (45) hours of work. The amount of direct laboratory instruction is specified in the course description. The remainder of the work is individual student work completed outside of the laboratory.

Independent Studies. A faculty member works with the student to outline a topic of study, a study design, and the resources to be used. The quality and quantity of total work must approximate the amount of work that would be required in a traditional class for the same number of credits.

Individualized Instruction. Individualized instruction are courses that currently exist in the University's curriculum which the student cannot take when scheduled based on certain criteria. The learning outcomes, course content, and assessments in the non-traditional format must be approximately equivalent to those in the traditional format.

Field Work. A student may earn one (1) credit hour for each 120 clock hours of performance, assuming all other course objectives are met. Up to four (4) hours of credit may be earned in any one work setting.

Field Laboratory, Practicum or Internship. An undergraduate student may earn one (1) credit hour for each 40 of field activity hours of performance, assuming all other course objectives are met. Up to nine (9) hours of credit may be earned through field laboratories. Specific graduate programs may require additional hours.

Student Load (Undergraduate)

Hours limitations apply to courses taken at FHU and/or other academic institutions during a given semester.

Full-time. An undergraduate student must register for and carry twelve (12) or more credit hours to be classified as a full-time student in summer, fall, or spring.

Part-time. Undergraduate students carrying fewer than twelve (12) credit hours in any semester are considered part-time and are ineligible for institutional honors during that semester and may not remove academic probation or suspension except by raising their cumulative GPA to the required level.

Summer. In the ten weeks of the summer semester, the maximum load for an undergraduate student is fifteen (15) credit hours. The maximum load in a four-week term is seven (7) hours. Summer-term undergraduate students who enroll for as many as twelve (12) credit hours must include a Bible course in their schedules.

Two-week courses. An undergraduate student may enroll in no more than one two-week course concurrently. Hours taken during a two-week course offered in January, May, or August will not count towards the maximum hours allowed for the spring, summer, or fall semesters. However, hours taken during a two-week course will count toward full-time status.

Four–week courses. An undergraduate student may enroll in no more than seven (7) hours in one four-week term.

Hours limitation. Depending on his/her status, an undergraduate student may register for the following number of hours in the fall and spring semesters. Two-week courses taken in August, January, and May do not count toward the total allowable hours in the fall, spring, and summer semesters, respectively.

- Academic probation up to 15 hours
- First-time freshman up to 17 hours
- Cumulative GPA below 3.00 up to 17 hours
- Cumulative GPA above 3.00 up to 19 hours

An Academic Petition Form must be submitted if registered hours exceed these limits. The petition must be approved by the academic advisor and dean of the college in which the student's major is based. Petitions for excessive hours (excluding two-week courses), regardless of the status, must be approved by the dean of the college in which the student's major is based.

Courses will be dropped by the end of drop/add week at the discretion of the Office of Academics for any petitions not properly filed and approved.

Student Load (Graduate)

Hours limitations apply to courses taken at FHU and/or other academic institutions during a given semester.

Full-time. A graduate student must be enrolled in at least nine (9) hours to be considered full-time in summer, fall, or spring.

Hours limitation. No graduate student may register for more than thirteen (13) hours during a semester without the written permission of the appropriate graduate program director or coordinator.

Academic Success Center

The Academic Success Center provides academic support for prospective and enrolled students. Entering freshmen are advised by an advisor from the Academic Success Center. After a student has completed the paperwork to declare a major, the student's file is transferred to the department or college in which the major is housed, and the student is assigned to an advisor for that major. (See "choosing a major".) The Academic Success Center also provides tutoring, retention, and testing services. For details regarding testing and tutoring, students should check the Academic Success Center's website at https://www.fhu.edu/academics/services or call (731) 989-6061.

Advising

Each student is assigned a faculty advisor for assistance in planning, in registering, and in reviewing his/her program of study. The advisor reviews and approves each semester's schedule of classes before the student may register. **The student is personally responsible for meeting catalog requirements or seeking written approval from the appropriate administrator for any exceptions.**

Personnel in the Academic Success Center coordinate the initial advising of freshmen and advising of students who have not declared a major. After a student has declared a major, a member of the student's major department provides advising.

Learning Assistance

Free tutoring is available for certain courses in math, science, and writing. Call (731) 989-6225 for additional information.

For those students needing specialized tutoring, peer tutoring is available by application to the Learning Center (Hope Barber Shull Academic Resource Center, third floor, room 314). Call (731) 989-6225 for additional information.

Supplemental Instruction, a program using peer instructional leaders to promote independent learning, is available for some courses. Call the Learning Center at (731) 989-6439 for information regarding courses implementing this program.

Course Prefix and Number

Each course is identified by a three–letter prefix and a three–digit number. The prefix indicates the course discipline. The first digit indicates the course level:

000-099 developmental (institutional credit only)

100–199 Freshman

200-299 Sophomore

300-399 Junior

400-499 Senior

500-794 Graduate

NOTE: Junior- and senior-level courses are considered upper-division.

An undergraduate student may not enroll in a course whose level is more than one (1) year above the classification of the student unless special permission is granted through an Academic Petition Form for exception approved by the dean in the college in which the course is housed. For example, a sophomore may enroll in courses at or below junior-level but may not enroll in seniorlevel courses. In addition, some courses may have prerequisites or corequisites that must be met in order for a student to be eligible to enroll.

Writing Courses (W)

In order to further develop writing skills, especially in major fields of study, each undergraduate student must take three (3) writing courses as part of his/her major. These courses include a significant writing component. The writing itself will be graded and will be a significant part of the course grade. Writing courses of this type are identified by **(W)** in the list of courses for each major, and in the course description by **(W)** after the title, and in a sentence at the end of the course description.

Semesters in which Courses are Offered

After each course title, in the course descriptions of each college/department, is an indication of the semester or semesters in which the course is expected to be offered. This is for the convenience of students in planning schedules. It is, however, subject to change, and current class schedules should be consulted. Faculty unavailability or low student enrollment may cause a course to be cancelled, rescheduled, or not scheduled when anticipated. In some instances, the course may be available by individual instruction. Su., F., and Sp. indicate summer, fall, and spring semesters. Odd and Even refer to odd- or even-numbered calendar years. Indication that a course is "offered on sufficient demand" is not a guarantee of course availability.

January two-week courses are counted in the spring semester, May two-week courses are counted in the summer semester, and August two-week courses are counted in the fall semester.

Departmental Courses of Study

Departmental courses of study may include required and recommended courses. While student schedules must be approved by a faculty advisor and departments must recommend candidates for graduation, no department may require majors to take more than the approved requirements. A student may elect additional courses in his/her major, but the bachelor's degree requires sixty-three (63) semester hours (half of the 126 required for a degree) outside of a student's major.

Student Assessment

Freed–Hardeman University's commitment to excellence obligates the University to seek ways to accurately assess the development of students. Students who enroll as freshmen are expected to have taken either the ACT, SAT, or CLT tests. Those who have not done this will be required to take this test on campus before registration will be permitted. Additional examinations or other assessment may be required by the University.

Academic Classification

Early Admission Freshmen—students enrolled prior to their completion of high school (see "early admission")

Freshmen-students who have earned 0-29 semester hours of credit

Sophomores-students who have earned 30-59 semester hours of credit

Juniors-students who have earned 60-89 semester hours of credit

Seniors-students who have earned 90 or more semester hours of credit

Special—students not working toward a certificate or degree at FHU, including transient students, adult and continuing education students, and non-credit students

Graduates-students who have an earned bachelor's degree

GRADES

Achievement and the quality of work of the student in each course are indicated as follows:

| Grade | Significance | Quality Points per Semester Hour |
|-------|----------------------------|-------------------------------------|
| Н | Honors | 4 |
| А | Excellent | 4 |
| В | Good | 3 |
| С | Satisfactory | 2 |
| D | Low passing | 1 |
| WA | Withdrawn administratively | 0 |
| WF | Withdrew failing | 0 |
| F | Failing | 0 |

The following grades are not used in determining satisfactory progress:

| Ι | Incomplete |
|----|-------------------------------|
| IP | In progress |
| Х | Absent from final examination |
| W | Withdrew |
| Ν | Non-credit |
| Р | Passing |
| Μ | Mastery |
| S | Satisfactory |
| U | Unsatisfactory |

 ${\bf S}$ and ${\bf U}$ are the grades assigned at mid-semester only when it is not feasible to evaluate achievement more precisely.

P is the grade assigned for satisfactory performance on a departmental proficiency examination, in field work, or in an independent study when conventional grades are not awarded.

 ${\bf M}$ is the grade assigned when credit is earned by College–Level Examination Program (CLEP) or other standardized tests.

A failing grade (**WA**, **WF**, or **F**) earned at Freed–Hardeman University cannot be removed by individual instruction.

N is the grade assigned for a course audited or otherwise taken without credit. If an auditor/ student stops attending, a grade of **W** is assigned. **W** grades do not affect grade point average (GPA).

W is the grade assigned when a student officially withdraws from a course before the end of the ninth week of classes (second week for 4–week term; fourth week for 8–week term; and first week for 2–week courses). Failing grades assigned for academic dishonesty cannot be changed by withdrawal from the course.

WA is the grade assigned when a student is withdrawn administratively from the University or from a class, including withdrawn for excessive absences.

WF is the grade assigned when a student officially withdraws from a course after the ninth week of classes. A student who officially withdraws from the University before the end of the ninth week of classes (second week for 4-week term; fourth week for 8-week term; and first week for 2-week courses) will receive a **W** grade for each course. After the ninth week of classes, any student who officially withdraws from the University will receive **WF** grades, except in a case of extenuating circumstances as determined by the associate vice president for instruction.

I is the grade assigned only when, in the judgment of the instructor, circumstances prevent a student from completing a course. **I** grades are not assigned simply for the convenience of students who wish more time than their classmates. The **I** grade is calculated as a failing grade unless removed. A student who has an **I** must complete the work by mid-term of the following semester (for dates, refer to the calendar at the back of this book). An unresolved **I** grade will convert to an **F** grade.

IP is the grade assigned for courses in which the required work stretches across multiple semesters. After the end of the semester of initial enrollment, an **IP** grade will be assigned. An **IP** grade will not be carried beyond the end of the second semester following the semester of initial enrollment. At that time, **IP** grades will be converted to **F** grades or the instructor will complete a Change of Grade Form. For example, an **IP** grade issued for a course taken in the fall semester would be converted to an **F** grade if it remains an **IP** grade at the end of the following summer semester.

X grades are assigned only when, in the judgment of the instructor, circumstances prevent a student from completing the final exam. **X** grades are not assigned simply for the convenience of students who wish more time than their classmates. The **X** grade is calculated as a failing grade unless removed. A student who has an **X** grade must present an appropriate excuse to the instructor and take the final examination as soon as possible, but no later than mid-term of the following semester. An unresolved **X** grade will convert to an **F** grade. A fee may be charged for a make-up examination.

Credit may not be given twice for the same course or one that duplicates the content of the first. The last grade earned will be the one used to determine if requirements have been met and in calculating averages unless the student withdraws passing.

After a final grade has been submitted, it cannot be changed except with irrefutable evidence that an error has been made. A student will not be given additional time to raise a grade. Any grievance concerning grades should first be discussed informally with the faculty member. If the grievance is not resolved in this fashion or if the student does not feel comfortable discussing the grievance informally, a formal grievance must be filed within ten (10) school days of final grades being posted for the semester. Please consult the Student Academic Grievance Procedure for additional information.

Grade Point Average (GPA)

The GPA is the standard measure of student academic achievement. It is calculated by dividing the total quality points earned by the GPA credits. Semester and cumulative averages are recorded on the permanent academic record and on semester grade reports. Averages are used to determine honors, academic probation and suspension, renewal of academic scholarships, and eligibility for certificates and degrees.

Grading Policy/Syllabus

A syllabus will be provided to students enrolled in each course by the second class meeting. The syllabus will explain both the grading policy and the grading scale.

Students Admitted on Restriction/Probation (Undergraduate)

Students entering with less than a 2.25 high school GPA, Enhanced ACT composite score of less than 19, or a combined New SAT score of 980 (ERW+M) must be approved by the Academic Review Committee for admission on either restriction or probation.

Students admitted on restriction have a full academic year to establish satisfactory academic progress and will be required:

- To take a course of study as prescribed,
- To participate in tutoring and study hall as recommended,
- To limit participation in campus activities, and

• To take no more than fifteen (15) hours without approval.

Students admitted on probation have only one (1) semester to establish satisfactory academic progress and will be required:

- To further limit participation in campus activities,
- To take no more than fifteen (15) hours without approval, and
- To participate in ACA 070 Academic Recovery.

Good Academic Standing

Undergraduate. To be considered in good academic standing, a student must maintain a certain minimum cumulative GPA. The minimum GPA required depends on the number of cumulative semester hours attempted as outlined in the following table.

| Cumulative Semester Hours Attempted | Minimum Cumulative GPA Required to be in Good Academic Standing |
|-------------------------------------|--|
| 24 or less | 1.75 |
| 25-47 | 1.90 |
| 48 or more | 2.00 |

Graduate. The student must maintain a cumulative GPA of 3.00 to remain in good academic standing. No grade below "C" will be counted toward degree requirements. Grades below "C" may result in academic suspension or termination at the discretion of the Graduate Council.

No more than six (6) semester hours of grades of "C" may be applied toward graduation requirements. A course in which a student has earned a grade of "C" or below may be repeated. The last grade earned will be the grade for the course. A student may not repeat a graduate course with a grade of "A." A student may repeat a graduate course with a grade of "B" only once to increase his/her GPA.

ACADEMIC PROBATION

Undergraduate. An undergraduate student who fails to maintain good academic standing will be placed on academic probation. Academic probation is removed by attaining a cumulative GPA high enough to be in good academic standing. If a student on probation achieves a semester GPA of 2.00 or higher, but he/she does not attain a cumulative GPA high enough to be in good academic standing, the student continues on academic probation. A freshman on academic probation must take ACA 070 Academic Recovery.

An undergraduate student on academic probation during the spring or fall semesters may not register for more than a total of fifteen (15) hours. A student on academic probation during the summer term may not enroll for more than a total of nine (9) hours. (See "students admitted on restriction/probation.")

An undergraduate student on academic probation is not permitted to participate in intercollegiate sports, to travel as a representative of the University, to participate in Makin' Music, or to be a member of any social club, UPC, CDT, SAA, or SGA. The dean of student services will be responsible for enforcing this policy.

Graduate. A graduate student who fails to maintain a cumulative GPA of 3.00 or better for all graduate studies will be placed on academic probation. Academic probation is removed by attaining a cumulative GPA of 3.00 or higher for all graduate studies completed at FHU or transferred into the student's program of study. If a student on probation achieves a semester GPA of 3.00 or higher, but he/she does not attain a cumulative GPA of 3.00 or higher for all graduate studies. The student continues on academic probation.

A graduate student on academic probation will not be allowed to enroll for more than nine (9) hours during any term the probation applies.

ACADEMIC SUSPENSION

Undergraduate or Graduate. A student on probation who fails to meet the conditions required to continue probation or remove probation will be suspended. The period for a first academic suspension is one (1) semester (*not including summer: undergraduate; including summer: graduate*). The period for a second academic suspension is two (2) semesters (*not including summer: undergraduate; including summer: graduate*). Subsequent academic suspensions are for an indefinite period but not less than three (3) semesters (*not including summer: undergraduate; including summer: graduate*). A student suspended at the end of the fall semester may not enroll in the two-week course period in January. A student suspended at the end of the spring semester may not enroll in the two-week course period in May. A student suspended at the end of the interval at the end of the summer term may not enroll in the two-week course period in August. Readmission after an academic suspension is not automatic but requires an appeal to the associate vice president for instruction and possible discretionary action by the Academic Review Committee.

A suspended student may appeal to the associate vice president for instruction who will consider the appeal for a waiver of suspension. If granted, the student will be allowed to return to school, but the student is still considered to have received the academic suspension. Academic Petition Forms must be received no later than two weeks after the student was suspended.

Any credits completed at another school by a student during a period of disciplinary or academic suspension will not be accepted by FHU.

A student suspended for the first time after the spring semester may appeal to the associate vice president for instruction for permission to take classes during the summer term in order to earn a waiver of academic suspension. A student can earn a waiver by attaining at least a semester GPA of 2.00 (undergraduate) or 3.00 (graduate) on at least eight (8) hours, as approved by the associate vice president for instruction. If a waiver is earned, the student will be allowed to return to school, but the student is still considered to have received the academic suspension. Academic Petition Forms must be received no later than one week after grades are posted for the spring semester.

Academic Renewal

Students may petition the registrar to have up to one academic year of previous work completed at FHU or other regionally accredited institutions of higher education disregarded for institutional purposes. If approved, all of the work (not selected courses) in one or more semesters may be disregarded in calculating grade point averages, except in the case of academic honors. The credit hours are lost, but courses passed need not be repeated. Three calendar years must have elapsed since the semester(s) under consideration, **AND undergraduate** students must have subsequently completed a minimum of fifteen (15) semester hours with at least a 3.00 GPA, thirty (30) semester hours with at least a 2.50 GPA, or forty-five (45) semester hours with at least a 2.00 GPA; **OR graduate** students must have subsequently completed a minimum of twelve (12) semester hours with at least a 3.00 GPA. For details, students should check with the registrar's office.

Academic Dishonesty

Academic dishonesty violates the Christian principles and standards of Freed–Hardeman University. The following are examples of intentional academic dishonesty:

- Cheating—using or attempting to use unauthorized materials, information, or study aids in an academic exercise. The term "academic exercise" includes all forms of work submitted for credit.
- Fabrication—falsifying or inventing any material in an academic exercise.
- Facilitating academic dishonesty—helping or attempting to help another to violate academic integrity.
- Plagiarism—adopting or reproducing another person's words or ideas without acknowledgement.

The minimum penalty for an obvious violation of academic integrity is a failing grade on the assignment. In addition, at the discretion of the instructor, the student may receive a failing grade for the course and be dropped from the class.

Academic dishonesty at the **undergraduate level** should be reported to the associate vice president for instruction. Academic dishonesty at the **graduate level** should be reported to the appropriate director or dean of the respective college. No student may avoid receiving a failing grade for academic dishonesty by subsequently withdrawing from the course.

Egregious violations will be reviewed by the vice president for academics, who may prescribe additional penalties, including academic suspension or expulsion. Egregious violations may include, but are not limited to the following examples:

- Any act that compromises the integrity of a quiz, exam, or other class assignment(s), and thereby causes other students' grades to be in question or may cause a faculty member to alter grading plans or repeat a quiz or exam.
- Theft of a copy of an exam before it is given that requires the faculty member to postpone or redo the exam.
- Theft of one or more copies of a completed exam or assignment. Dissemination of information about the contents of an exam to other students.
- Selling, sharing, or otherwise providing copies of a quiz or exam, or wholly or partially completed written assignments to other students.
- Giving false or misleading testimony or performing an action that places blame for an act of academic dishonesty on an innocent student.
- Any act of intimidation intended to cause another to violate expectations of academic integrity. Plagiarism is a violation of academic integrity; however, plagiarism of another student's work without that student's permission potentially damages another's reputation and is egregious.
- Electronically or physically obtaining access to or altering faculty or University confidential records, such as a grade book or grade records, violates another students' expectations of confidentiality and provides a potential opportunity for modifying students' grades.
- Electronically manipulating transcripts, University correspondence, or other University documents in an attempt to mislead others.

Multiple violations may also be reviewed by the vice president for academics, who may prescribe additional penalties including academic suspension or expulsion. In instances of egregious or multiple violations, the vice president for academics may determine the length of suspension, but at a minimum shall be for the remainder of the current semester plus one (1) additional semester. If a student is suspended or expelled due to academic dishonesty, the student may appeal to the Freed–Hardeman University Academic Affairs Committee (undergraduate students) or Graduate Council Committee (graduate students).

The role of the Academic Affairs Committee or the Graduate Council Committee in reviewing appeals is to:

- Determine if the facts of the situation would cause a person to conclude academic dishonesty occurred, and
- Determine if the disciplinary action issued falls within stated policy

The ruling of the FHU Academic Affairs Committee or Graduate Council Committee is final.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. An education record is covered by FERPA once a student enrolls and is in attendance at an institution of higher education. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

The Family Educational Rights and Privacy Act gives parents certain rights with respect to their children's education records. These rights transfer to the student when he/she reaches the age of 18 or attends a school beyond the high school level, and these rights take effect once a student is enrolled and in attendance at FHU. Students to whom the rights have transferred are "eligible students." These rights include:

- Right to inspect and review your education record within a reasonable time after the University receives a request for access. If you would like to review your student record, contact the University office that maintains the record to make the appropriate arrangements.
- Right to request an amendment of your education record if the individual believes the record is inaccurate or misleading. If you believe there is an error in the record, you should submit a statement to the university official responsible for the record, clearly identifying the part of the record you want changed and why you believe it is inaccurate or misleading. The appropriate office will notify you of the decision and advise you regarding the appropriate steps if you do not agree with the decision.
- Right to consent to disclosure of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with "legitimate educational interests." A school official has a legitimate educational interest if the official has a "need to know" information from your education record in order to fulfill his/her official responsibilities. Examples of people who may have access, depending on their duties, and only within the context of their duties, include: University faculty and staff, agents of the institution, students employed by the institution who serve on official institutional committees, and representatives of agencies under contract with the University.
- Right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.

The University may also release information that is deemed "directory information." Freed– Hardeman University defines directory information as including: student's name, address, telephone number, email address, date of birth, major of study, grade level, enrollment status, award and honors, and dates of attendance. Directory information cannot include: race, gender, social security number, grades, GPA, country of citizenship, or religion. Every student must have the opportunity to suppress their directory information from public release. As this does have various implications for the student, any student interested in keeping their information from release must come by the registrar's office for a consultation before finalizing their decision.

Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202–4605

Disclosure of Education Records. In order to disclose academic records, a school must:

- Have student's consent prior to the disclosure of education records.
- Ensure that the consent is signed and dated and states the purpose of the disclosure.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - o School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

STUDENT RIGHTS AND RESPONSIBILITIES

Students have the right to:

- Receive a quality education from a dedicated faculty, aided by a supportive staff and a strong administration.
- Learn in an environment that fosters spiritual, intellectual, physical, emotional, and social development.
- Participate in on- and off-campus events that encourage such growth.
- Engage in all activities of the University free from any form of discrimination, including, but not limited to, harassment on the basis of race, color, creed, national or ethnic origin, religion, sex, disability, age, or veteran status.
- Enjoy personal privacy, except as described in the policies or procedures of the University and as prescribed by law.
- Have access to the academic catalog, student handbook, University calendar, and other relevant program handbooks via the University website (www.fhu.edu).
- Voice their opinions and concerns regarding the mission, vision, and aims of the University.
- Express their opinions and concerns about any phase of their college experience to appropriate personnel.
- Have appeals processes in place relating to all aspects of life at the University.
- Be notified regarding changes in University policies or procedures in a timely manner.
- Have access to the University Crime Report, prepared annually by the Director of Campus Safety.

Students have the responsibility to:

- Be familiar with and accountable to the policies and procedures in the current academic catalog, student handbook, and other relevant program handbooks.
- Take advantage of the opportunities provided by FHU to develop spiritually, intellectually, physically, emotionally, and socially.
- Respect the property of FHU and acknowledge that violators are responsible for any damage or destruction to the property.

- Respect the rights and property of others, including other students, faculty, staff, and administration.
- Respect the personal privacy of others.
- Recognize that parental permission does not supersede any policies and procedures in the current academic catalog, student handbook, or other relevant program handbooks.
- Cooperate with faculty and staff members in providing information concerning violations of University policies and procedures.
- Read and review all University mail, including, but not limited to, email, campus mail, and mail disseminated through the residence hall supervisors.
- Recognize that student actions reflect not only on the individuals involved, but also on the entire University community.
- Develop Christian character traits, such as trustworthiness, respect, responsibility, and compassion, and encourage such traits in others.

TRANSCRIPTS

Freed–Hardeman University has authorized Parchment and the National Student Clearinghouse to provide transcript ordering via the web. Transcripts can be ordered by using any major credit card. The card will only be charged after the order has been completed. To order an official transcript, login to the site of your choice. Each site has instructions for placing an order, including delivery options and fees.

The National Student Clearinghouse has options for mailed delivery, faxed delivery, or in-office pick-up. You can place your order online at getmytranscript.com.

Before placing an order for a faxed copy of the transcript, it is the responsibility of the student to ensure that the faxed record will be considered official by the receiving party. Any change in delivery method or change in the full address where transcript will be sent will require a new order to be completed along with payment for the new order.

Students may also obtain a copy of transcripts by requesting a copy in writing from the Office of the Registrar. The first transcript is free, and all others are \$7.50 each. Order updates will be emailed. Order status or order history can be checked online. For help or questions, please contact the Office of the Registrar at (731) 989-6456.

Please note that the Office of the Registrar only produces official copies of FHU transcripts. We cannot produce or send unofficial copies of records. Current students can produce an unofficial copy of their transcript through my.fhu.edu. After graduation or termination of enrollment, students will only have the option of ordering official copies of their transcript from the Office of the Registrar. The registrar's office cannot produce official copies of transcripts from previous institutions.

The Office of the Registrar should be informed of all changes in the student's legal name, place of residence, mailing address, billing address, and telephone number. Freed–Hardeman University is not responsible for a student not receiving official information if the student failed to notify the University of any of the changes stated above. Change of name requires documentation, e.g., marriage license, divorce decree, passport, driver's license, or social security card.

STUDENT ACADEMIC GRIEVANCE PROCEDURE

The purpose of this policy is to provide an opportunity for students at Freed–Hardeman University to have grievances addressed in a fair and professional manner. All parties involved in the grievance process are expected to conduct themselves in a manner consistent with the Christian standards of the University.

Freed–Hardeman University strives to provide educational opportunities, experiences, and services that are of the highest quality. Occasionally, there may be those who have complaints that they wish to share with the University. The University views such complaints as potential opportunities for improvements.

All complaints should first be routed through the appropriate complaint, appeal, or grievance procedures. Depending on the nature of complaint, the matter should be brought to the attention of the office directly responsible for that area of the University for informal resolution.

Any grievance concerning grades, competencies, course syllabi, class absences, or other academic matters should be discussed informally with the faculty member as appropriate. If the grievance is not resolved in this fashion or if the student does not feel comfortable discussing the grievance informally, the following procedure must be followed:

- The student will register the complaint in writing using the Academic Grievance Form, available on the FHU website (www.fhu.edu/academics/complaintguidelines), in the dean's office, or in the graduate program director's office. The completed form should be submitted to the associate vice president for instruction within ten (10) school days of the alleged incident. The associate vice president for instruction will route the form to the appropriate faculty member. The faculty member must respond in writing, using the Academic Grievance Form, within five (5) school days of receipt of the academic grievance. The Academic Grievance Form should be returned to the associate vice president for instruction.
- 2. If the faculty member's response does not resolve the complaint, then the student may request to the associate vice president for instruction that the written grievance be submitted to the appropriate department chair (undergraduate students) or graduate director (graduate students). (Skip to Step 3 if there is no department chair.) This request must be made within five (5) school days of the faculty member's written response. The department chair or graduate director must respond in writing within five (5) school days of receipt of the academic grievance. The Academic Grievance Form should be returned to the associate vice president for instruction.
- 3. If the response of the department chair or graduate director does not resolve the complaint, then the student may request to the associate vice president for instruction that the written grievance be submitted to the appropriate dean. This request must be made within five (5) school days from the time of the written response of the department chair or graduate director. The dean must respond in writing within five (5) school days of receipt of the academic grievance. The Academic Grievance Form should be returned to the associate vice president for instruction.
- 4. If the dean's response does not resolve the complaint, then the student may request that the written grievance be submitted to the vice president for academics. This request must be made through the associate vice president for instruction within five (5) school days of the dean's written response. The vice president for academics must respond in writing within five (5) school days of receipt of the academic grievance. The Academic Grievance Form should be returned to the associate vice president for instruction. The vice president for academics' ruling is final.

Records of written student complaints and responses will be kept in the Office of Academics. In the interest of all involved, if an Academic Grievance Form is submitted just prior to the end of a term, deadlines (for the submission of paperwork, etc.) are subject to modification as determined by the associate vice president for instruction at the point a written grievance is received.

Formal complaints, petitions, and grievances should be well documented and move through the appropriate campus process prior to appealing to any off-campus authority. Complaints to off-campus authorities may be routed as noted below:

• Complaints related to quality of education or accreditation requirements shall be referred to the Southern Association of Colleges and Secondary Schools Commission on Colleges (SACSCOC) (http://www.sacscoc.org/pdf/081705/complaintpolicy.pdf).

- Complaints related to the application of state laws or rules related to approval to operate or licensure of a particular professional program within a postsecondary institution shall be referred to the appropriate State Board (i.e., State Board of Health, State Board of Education, and so on) within the Tennessee State Government and shall be reviewed and handled by that licensing board (http://www.tn.gov) and then search for the appropriate division.
- Complaints related to state consumer protection laws (e.g., laws related to fraud or false advertising) shall be referred to the Tennessee Division of Consumer Affairs and shall be reviewed and handled by that unit (http://www.tn.gov/consumer).
- Complaints related to consumer protection laws that involve distance learning education offered under the terms and conditions of State Authorization Reciprocity Agreement (SARA), the student must first file a complaint with the institution to seek resolution. Complaints not satisfied with the outcome of the University's internal process may be appealed, within two (2) years of the incident about which the complaint is made, to the Tennessee Higher Education Commission (https://www.tn.gov/thec/bureaus/student-aid-and-compliance/postsecondary-state-authorization/request-for-complaint-review.html). For purposes of this process, a complaint shall be defined as a formal assertion in writing that the terms of this agreement, or of laws, standards or regulations incorporated by the SARA Policies and Standards (http://www.nc-sara.org/content/sara-manual) have been violated by the institution operating under the terms of SARA. For a list of SARA member states, please visit the NC-SARA website (http://nc-sara.org/sara-states-institutions). Students residing in non-SARA states should consult their respective state of residence for further instruction for filing a complaint.

Bullying and Disruptive Classroom Behavior

The University seeks to promote a teaching and learning environment of mutual respect. Faculty members have the authority and responsibility to effectively manage their classroom environments and their interaction with students outside the classroom. Bullying behavior by the student is prohibited. Bullying is defined as disruptive behavior that interferes with or obstructs the teaching or learning process. Bullying also includes conduct that distracts or intimidates others, attempts to humiliate, fails to adhere to the faculty's rules that are outlined in the course syllabus, and interferes with the appropriate faculty/student conduct outside the classroom. Bullying abuse can be emotional, verbal, or physical and may take place in a variety of settings and means including but not limited to the classroom, email, text messaging, phone calls, social media, or other electronic means. Also, bullying includes face-to-face conversations outside the classroom.

Students who engage in bullying or other disruptive behavior in the classroom may be directed by the faculty member to leave the class for the remainder of the class period. If the student refuses to leave, the faculty member may summon the University Safety and Security Department to effectuate the removal of the student from the classroom.

After an incident of bullying, the faculty member should communicate with the student as soon as possible in writing and identify the behavior, review classroom rules, and give the expected behavior in future class meetings. The faculty member should send in writing notification to his/her department chair and/or dean.

If there is a repeated incident of bullying, the faculty member may administratively withdraw the student from the course. The faculty member should provide written notification to his/her department chair, and/or dean, and the vice president for academics.

Based on the severity or frequency of the bullying or disruptive behavior, the vice president for academics may immediately suspend the student from the University. The length of the suspension period will be for the remainder of the current semester plus one (1) additional semester.

If a student is administratively withdrawn from a course or is suspended for bullying or disruptive classroom behavior, the student may appeal the action by submitting a petition to the associate vice president for instruction. The Freed–Hardeman University Judicial Board will hear the petition. The FHU Judicial Board will consist of five members: three faculty members appointed by the

president, the Student Government Association (SGA) vice president, and one staff member appointed by the president.

The role of the FHU Judicial Board in reviewing petitions is to:

- 1) determine if the facts of the situation would cause a person to conclude a bullying violation or disruptive classroom behavior occurred, and
- 2) determine if the disciplinary action issued falls within stated policy.

The ruling of the FHU Judicial Board is final.

In addition, an instructor may ask a student to leave class if the student's attire is not in keeping with the policies and standards of Freed–Hardeman University.

CHANGE OF SCHEDULE

Before Drop/Add Deadline. After consulting their advisors, students may change their schedules up to the end of the drop/add period by adding or dropping a course or courses at my.fhu.edu. For graduate students, schedule changes after classes begin require the permission of the program director as well as the course instructors.

After Drop/Add Deadline. To withdraw from a course after the end of the drop/add period, a student should contact the program advisor.

WITHDRAWAL FROM THE UNIVERSITY

To withdraw from the University, an undergraduate student should contact the Academic Retention Coordinator at (731) 989-6176 who is located in the Gardner Center (GC), first floor. A graduate student who wishes to withdraw from the University should contact the appropriate graduate program office.

Students receiving financial aid, loans, or veterans benefits, who withdraw from the University, are required to have an exit interview with the director of student financial services.

Medical Withdrawal. After the last day to withdraw from a given semester or session, a student may petition the associate vice president for instruction to be considered for a medical withdrawal when extraordinary circumstances, such as a serious illness or injury, prevent the student from continuing classes. The medical withdrawal covers both physical and psychological health difficulties. The student requesting a medical withdrawal must submit with the Academic Petition Form official documentation from a healthcare provider showing the following information:

- Date of onset of illness
- Dates the student was under professional care
- General nature of the student's medical condition
- Why or how it is preventing or prevented the student from completing the semester
- Last date the student was able to attend classes

For additional information about a medical withdrawal, please contact the associate vice president for instruction by phone at (731) 989-6438.

CLASS ATTENDANCE

Learning that occurs within the classroom is at the heart of the FHU experience. Student interactions with faculty and with other students, and the relationships that grow from those interactions, are instrumental toward achieving the University's student learning and spiritual formation outcomes. In cases of poor class attendance, accomplishment of these outcomes, as well as the capacity of the University to achieve its overall mission, is in jeopardy. The University has established there is a strong correlation between class attendance and academic success as measured by semester grade point averages. Therefore, students are expected to attend class daily.

Undergraduate. Students must attend at least 75 percent of all scheduled class meetings in order to receive academic credit for completing a class. Students who do not complete 75 percent of all scheduled class meetings will be dropped from that class and receive a grade of "WA." Every absence, whether excused or unexcused, will count when determining whether students have missed more than 25 percent of all scheduled class meetings. Absences due to late registration or change of class prior to the drop/add period will be included in the above percentage.

In extreme situations, students may appeal their grade of "WA" with an Academic Petition Form to the associate vice president for instruction. This must be done within five school days following the dismissal from class. The student should continue to attend the class until the appeal has been decided.

Faculty within a college may establish additional attendance requirements. Attendance requirements adopted by a college must at least require 75 percent attendance as outlined in this policy; however, college attendance requirements may be greater. College attendance requirements, if adopted, must treat excused and unexcused absences consistent with the definitions found in this policy. If adopted, attendance requirements by a college shall be consistently implemented by all faculty teaching courses within the college. Attendance requirements adopted by a college are subject to approval by the vice president for academics.

A faculty member may also establish attendance requirements for a specific class taught by him/her. Class attendance requirements established by a faculty member must at least require 75 percent attendance as outlined in this policy and must at least require attendance consistent with any college requirements. Class attendance requirements adopted by faculty must treat excused and unexcused absences consistent with the definitions found in this policy. Class attendance requirements adopted by faculty are subject to approval by the department chair, the graduate director, the dean, and/or the vice president for academics.

The University's attendance policy, as well as any additional attendance requirements adopted by the college or a faculty member, shall be stated in the syllabus distributed to all students enrolled by the second meeting of that class.

NOTE: Practicums, honor contracts, online courses, or individualized instructions are governed by separately published policies.

Graduate. Class attendance is required. The class attendance policy shall be in the written syllabus distributed to all class members by the second meeting of that class. Excessive absences, regardless of the reason, may result in grade reductions or failure in the class.

Excused Absences

Absences for officially approved school business, sponsored trips, athletic contests, illness, required military training or service (less than 30 days), or a death in the student's immediate family are excusable and will not be penalized, provided they are explained within one week of the student's return to class. These absences, and all excused or unexcused absences, will count toward the 75 percent class attendance explained in the section above regarding undergraduate class attendance. Sponsors should provide a written notice to each student for presentation to the instructor, and one copy should be sent by the sponsor to the Office of Academics.

A faculty member may assign reasonable and relevant makeup work for "excused absences". In case a student misses an examination and has an excused absence, the faculty member may give a makeup examination or average the other grades without considering the examination missed. Final exams must be taken. A student may not be penalized for missing an examination when the student has a clearly demonstrated excused absence. In the case of military service, a copy of military orders should be presented to the instructor as soon as they are available and preferably before the leave takes place.

Unexcused Absences

Penalties for absences that do not meet the excused absence criteria, as stated above, and for tardiness shall be left to the discretion of the faculty member but must adhere to individual college parameters.

Faculty members may assign reasonable and relevant makeup work, extend a deadline, or give a makeup examination for any or all missed assignments for an unexcused absence but are not under obligation to do so.

Exempt-Excused Absences

Periodically, the provost may determine that absences for officially approved school business, sponsored trips, Covid-19 diagnosis, or athletic contests are exempt from counting toward the 75 percent class attendance requirement as it pertains to undergraduate class attendance. These absences maybe athletic, co-curricular, or academic in nature. Exempt status may be assigned when the provost has determined the University and/or a group has no or very limited control over the required activity.

The provost will notify faculty in writing via email of such exemptions, and names of the students receiving the exemption shall be included.

In addition, exempt absences will also be considered excused absences. As outline in the "excused absences" section, a faculty member may assign reasonable and relevant makeup work for excused absences. In case a student misses an examination and has an exempt-excused absence, the faculty member may give a makeup examination or average the other grades without considering the examination missed. A student may not be penalized for missing an examination when the student has clearly demonstrated an exempt-excused absence. Final exams must be taken.

Digital Learning Environment (DLE) Course Attendance

The student attendance policy for DLE-based courses is the same as traditional courses. The timing of assignments and activities will be scheduled in a manner that is equivalent to traditional courses. Attendance will be monitored through the timely completion of these assignments and activities. Failure to complete assignments or participate in class activities within the corresponding time period will result in an absence. The instructor will follow the same policy for reporting absences in DLE-based courses as they do in traditional courses.

Absences Tied to Long-Term Military Leave

In the case of longer activation or deployment (two or more weeks), the student should consult with his/her advisor to determine the best course of action based on the length of absence and percentage of the term completed. The resolutions may include adjusting course requirements to meet student needs, withdrawal from semester courses, or incomplete/in progress grades given.

- To adjust course requirements, students should contact the course instructor. The instructor will determine if course requirements could be met and completed in an absentee format (i.e, papers submitted through email, courses completed online through Canvas, etc.). Many courses may not have the capability to adjust in this manner.
- To withdraw from courses, students should contact the registrar's office. Students may withdraw from the semester without receiving academic penalty. After the last day to drop a class, financial refunds are not issued; however, students on long-term military leave will have the option of receiving "W" grades for coursework, which does not impact the student's cumulative GPA.

• To receive in progress ("IP") grades, students should contact the course instructor. The instructor will determine if course requirements can be met and completed in the noted time frame. If the instructor approves, students will have until mid-term of two (2) semesters after the semester of initial enrollment to complete coursework.

Students who leave the University due to long-term military leave should contact the Veteran Liaison upon their return to assist in registering for classes, selecting housing, contacting Student Financial Services, and handling all other administrative obligations.

Bible Class Attendance (Undergraduate)

Freed–Hardeman University firmly believes that the regular study of the Bible available through Bible courses is a vital aspect of a Christian education at FHU and is a vital aspect of a student's spiritual formation during his/her time at FHU. Therefore, all full-time undergraduate students inresidence, taking twelve (12) or more credit hours in a given semester, are required to register for credit (not audit) and to attend at least one Bible course. Those involved in student teaching or in a full-time social work practicum, however, are not considered in-residence. Summer-term students enrolled for as many as twelve (12) credit hours, including a two-week course, online course, independent study, individualized instruction, and/or field work, must include a Bible course in their schedules. In addition, students who have previously earned a bachelor's degree at FHU and are completing a second bachelor's degree are not considered in-residence.

Undergraduate students registered for twelve (12) or more hours at the end of the drop/add period may not withdraw from their only Bible class. Students also may not repeat a Bible class in which they have earned a grade of "C" or higher except with an approved Academic Petition Form through the Office of Academics.

Bible Class Attendance Probation (Undergraduate)

If a full-time, undergraduate student has excessive absences in his/her only Bible course for the first time, the student will be withdrawn from the class, will receive the grade of an "WA," and will be placed on Bible class attendance probation.

A student placed on Bible class attendance probation **must** sign a Bible Class Attendance Contract in the Office of Academics prior to completing the current semester and before registering for the next semester. Bible class attendance probation will continue through graduation.

A full-time, undergraduate student who is on Bible class attendance probation and who has excessive absences in his/her only Bible course in a subsequent semester will be withdrawn from the Bible class and will be suspended from the University at the end of the semester.

Bible Requirement for Dual Degree Undergraduate/Graduate Students

Any FHU student who has been accepted into a dual degree undergraduate/graduate program (e.g., B.B.A./M.B.A.) will not be required to take a Bible course as he/she continues in the graduate program if:

- The student has completed one hundred twenty-six (126) hours of undergraduate study.
- The student has met the Bible requirements for a degree or graduation at the undergraduate level.

SPECIAL ACADEMIC PROGRAMS

Pre-Professional Programs. In keeping with its education mission and commitment to its students and their futures, FHU offers a variety of programs that allows students to pursue a liberal arts education at a Christian university while, at the same time, preparing for a career in a professional field. Relevant sections in the catalog explain what the colleges of FHU have to offer students preparing for careers that will demand training or education beyond this campus. Those interested in opportunities related to pre-professional training are encouraged to consult administrators and advisors associated with the various programs of colleges throughout the University. The student is, however, personally responsible for meeting requirements for

graduation from this institution and/or admission to schools or programs after work is completed at FHU. Graduate and professional school admission is competitive.

Basically, the Pre–Professional Programs are of three types: preparation for graduate or professional school, dual degree, or transfer. Dual Degree Programs allow a student to plan a program of study that will allow a degree to be earned from FHU while completing requirements for an additional degree at another institution. Transfer programs allow a student to complete part of the requirements for a degree at another institution while enrolled at FHU and then to transfer and complete the degree.

Preparation for Graduate or Professional School. Each college in the University anticipates that students may want to pursue advanced degrees after completing a course of undergraduate study. Some career choices may require post-baccalaureate study before a student is ready to enter professional life. Programs to assist FHU students as they prepare for admission to such post-baccalaureate study are maintained in several colleges of the University and listed in the following section. Examples of such careers include: law, medicine, pharmacy, dentistry, and veterinary medicine.

Dual Degree Programs. Dual Degree Programs allow a student to earn a degree from FHU when they complete requirements for a degree from another institution. For example, the dual degree program in pre–engineering is a 3–2 program, including three (3) years at FHU and two (2) years at an ABET accredited school of engineering. Upon completion of this three-year program of study, and reception of a baccalaureate degree from an ABET accredited school of engineering, the student can request to be awarded the Bachelor of Science degree in physical science from FHU.

Transfer Programs. Accreditation with regional and national associations makes acceptance for graduate or professional study or transfer for other undergraduate programs possible for FHU students. Further details about such matters may be found in the section on accreditation and affiliations in the "general information" section of this catalog.

For any program of study that may require transfer or admission at another institution for further training, students need early consultation with FHU advisors. In addition, they should review the catalog of the school or schools considered for transfer or post–baccalaureate admission and plan for timely contact with admissions representatives and advisors from such schools. While degree planning and schedule approval is pursued with an academic advisor in the student's major department at FHU, other advising services are also available on campus. See the sections on advising and counseling, student assessment, faculty advising, Honors Program, and Law School preparation elsewhere in this catalog.

Pre-Professional Programs Administered Within Specific Colleges:

College of Arts and Sciences

- Teaching Licensure (see "College of Education and Behavioral Sciences")
- Pre-Professional Health Arts (such as pre-medicine, pre-pharmacy, pre-optometry, or pre-veterinary) (see "Department of Biological, Physical, and Human Sciences")
- Pre-Engineering (see "Department of Biological, Physical, and Human Sciences")

College of Education and Behavioral Sciences

- Teaching Licensure and Certification
- Elementary Education
- Middle Grades
- Secondary Education
- Special Education

Law School Preparation

Law schools have no specific requirements for any pre-law courses and do not recommend any particular undergraduate major or minor. Instead, law schools prefer a liberal arts education that will prepare the student for the wide variety of ways a law career may intersect life and culture. According to the Official Guide to U.S. Law Schools, the range of majors is wide; the quality of education received is most important. How a student rises to the academic challenge is central whether the undergraduate major is in the sciences, liberal arts, business, or elsewhere. An undergraduate career that is narrow, unchallenging, or vocationally oriented is not the best preparation for law school. For these reasons, there is no single pre-law major at FHU.

Generally, law school admission requires an undergraduate college degree and acceptable scores on the Law School Admissions Test (LSAT). Law school admission committees place great emphasis on the development of the student's ability to read and comprehend accurately, thoroughly, and rapidly; to speak and write clearly and correctly; to think precisely; and to analyze complex situations and weigh and appraise their several elements. Critical thinking ability and good study habits are important. Though many factors are considered by law school admissions committees, two factors usually outweigh the rest: prior academic performance and the LSAT.

At FHU the law school admission counselor is Dr. Nathan Warf, Assistant Professor of Political Studies. (See also the "Pre-Law Society" under the catalog entry for "professional and special interest organizations.")

FHU Abroad

Freed–Hardeman University is committed to enriching the educational experience of our students through travel and study abroad. Students come to a better understanding of their own culture through studying and experiencing other cultures as they travel and live in them.

To participate in any FHU Abroad Program, a student must be enrolled at FHU and have achieved sophomore classification with a minimum cumulative GPA of 2.50 by the end of the semester preceding departure. Formal acceptance for participation in the semester-long program occurs at the beginning of the last full semester before the semester of participation.

Students who are on any kind of probation are not eligible to participate. Any student who has applied or who has been accepted for any FHU Abroad Program will become ineligible to participate if placed on any type of probation up through the time of departure. Such persons will be placed on a waiting list and may participate in the program during the following year if the probation is removed and if there are openings.

Most FHU Abroad Programs require participation in a pre-departure orientation program. Students who fail to complete the required pre-departure orientation program are not eligible to study abroad.

Interested persons should contact Josh Barber, Associate Director of International Education, Freed-Hardeman University, Henderson, TN 38340. For more information and an online application, consult the University website at: http://www.fhu.edu/abroad; or email at: fhuabroad@fhu.edu.

Belgium. Freed–Hardeman University offers a semester-long program based in Verviers, Belgium during fall and spring semesters. A short course is sometimes offered for three weeks during the summer. Students who intend to participate in the FHU Abroad Program in Belgium should plan ahead and reserve the courses offered there for the semester of participation. If a student needs a particular course that may be taken by independent study or by individual instruction, the student should consult the program director and his/her faculty advisor. The following courses are required during participation in the Belgium Program: BIB 299B/399B Reformation History (3 hours), HUM 120 Conversational French (3 hours), and HUM 399A Our Western Heritage (3 hours). Additional courses may be offered in Belgium based on faculty who participate. Students must maintain a course load of at least twelve (12) credit hours.

The Bible Lands. Freed–Hardeman University offers a short-term visit to various biblically significant locations in the Eastern Mediterranean region. The Bible Lands Program is open to learners of all ages, both students and non-students. The program is typically offered in January and/or May, prior to or after the spring semester. Locations may include: Israel, Palestine, Jordan, Greece, Turkey, and Egypt. Student participants may enroll in BIB 299A/399A The Biblical World (3 hours), a spring semester course associated with the program.

Peru. Freed–Hardeman University offers a short-term, service-learning experience in Peru. This faculty-led experience supplements a medical missions course in the Nursing program (NSG 299B/399B Nursing Medical Missions: Peru, 3 hours). Through this experience, students will learn about the language, history, culture, and health conditions of Peru. When offered, the trip to Peru will occur in January or May, prior to or after the spring term. While in Peru, the program works with CerviCusco, which maintains a clinic in Cusco and provides dormitory-style living quarters, showers, and internet access.

Spain. The University's Spanish department and a third-party provider, Modern Language Studies Abroad (MLSA), offer a summer Spanish Immersion Program in Madrid, Spain during July of even years. This one-month immersion experience involves intensive coursework at the Universidad Complutense de Madrid, as well as cultural activities and excursions to destinations elsewhere in Spain. The program is a graduation requirement for Spanish majors. Credit is available.

Costa Rica. Freed–Hardeman University offers a short-term, faculty-led Study Abroad Program in Costa Rica. The country's diverse landscapes and rich biodiversity provide excellent opportunities for photography and wildlife observation, and the international experience in Costa Rica supplements courses in biology and photography offered during the spring semester prior to the program. The program is based at the Laguna del Lagarto Lodge near Boca Tapada, Costa Rica, surrounded by 1,250 acres of tropical rainforest with more than ten kilometers of forest trails and three lagoons. The program is typically offered in May of odd years. Participants will earn credit for either BIO 299G/399G Field Research (3 hours) or ART 299C/399C Special Topics in Photography (3 hours).

South Korea. Freed–Hardeman University offers a short-term, faculty-led Study Abroad Program in Seoul, South Korea. Students will develop their knowledge of business ethics by learning to apply ethical principles in a different culture and business environment. The 3 hours of credit offered as part of the program will satisfy BUS 455 Business Ethics, a common professional component for all B.B.A. majors, or will count as an elective in International Business.

Enhanced Studies

The Enhanced Studies Program is made up of courses designed to strengthen critical areas identified as needing support in entering freshmen. Placement and continuation in enhanced classes is based on ACT scores and predictive information, high school performance, and additional placement tests given at the beginning of the initial semester. The primary objective of this program is to enhance the chances of academic and personal success in the University experience.

Any freshman entering with less than a 2.25 high school average or an ACT composite score of less than 19 will be admitted on restriction and will be required to take a course of study prescribed by freshmen advisors, to participate in tutoring and study as recommended, and to limit participation in campus activities. A freshman on academic probation must participate in ACA 070 Academic Recovery.

Academic Credit by Examination (Undergraduate)

A student may not take a proficiency examination for any course in which he/she has been enrolled. When acceptable tests are available for courses offered at FHU, then credit by examination may be earned through proficiency examination, the International Baccalaureate (IB), Cambridge International Examination (CIE), Advanced Placement (AP), College-Level Examination Program (CLEP), and DSST Subject Examination. Students will need to be prepared to pay the cost of the proficiency examination, the CLEP examination, the DSST Subject Examination, and Tennessee Statewide Dual Credit. No more than one fourth of the credit applied to any degree may be earned by extension, correspondence, proficiency exam, International Baccalaureate, Cambridge International Examination, Advanced Placement, CLEP examination, and/or DSST Subject Examination. (See the following paragraphs that describe each examination.)

- Academic Credit by Proficiency Examination. A student may earn college credit for a course by proficiency examination for a nominal charge as set by FHU. The grade of a "P" (pass) will be assigned if the student demonstrates proficiency equivalent to the grade of a "C" or higher for a given course. There will be no recorded grade if a student fails to establish proficiency. A student may only take one proficiency exam for a given course. A student may contact the dean of the appropriate college to schedule a proficiency exam.
- **The International Baccalaureate.** Freed-Hardeman University accepts the International Baccalaureate (IB) in lieu of a high school diploma. Credit for relevant courses will be awarded for scores of 5, 6, or 7 on the IB 7-point scale. For students with an IB diploma, a score of 4 will be accepted for credit.
- **Cambridge International Examinations (CIE).** Freed-Hardeman University accepts the Cambridge Advanced International Certificate of Education (AICE) diploma in lieu of a high school diploma. Credit for relevant CIE will be awarded for grades of "A*", "A", "B", "C", on the Cambridge grading scale. For students with a complete AICE diploma, a score of "A*", "A", "B", "C", or "D" will be accepted for credit. An "A*" grade is the highest grade possible for CIE.
- **Advanced Placement.** Credit will be awarded for college–level courses completed in high school under the Advanced Placement (AP) Program of the College Entrance Examination Board, provided a score of 3, 4, or 5 is earned on the official AP examination administered in high school at the end of the course. Advanced Placement credit will be automatically posted on a student's transcript after submission of the official AP scores.
- **CLEP Examinations.** Standardized examinations are offered in the College-Level Examination Program (CLEP) in 33 subjects. A student must register and pay for these exams online at: https://clep.collegeboard.org/register and then contact the Testing Center at (731) 989-6061 to schedule an appointment to take the test. Appointments should be made at least a week in advance. Freed-Hardeman University charges a nominal fee to administer the test. The scores are available to candidates upon completion of the exam. Candidates should check with the registrar or at: www.fhu.edu to determine the specific CLEP policy, as each institution determines which exams are accepted and what constitutes a passing score.
- To receive a credit for English Composition I, FHU students must:
 - Demonstrate proficiency in English by earning a score of 28 or higher on the English section of the ACT, or a score of 630 or higher on the Critical Reasoning section of the SAT, or a score of 50 or higher on the CLEP; AND
 - \circ Write a successful research essay on a topic provided by the FHU English faculty.
- To receive credit for English Composition II, students must:
 - Demonstrate proficiency in English by earning a score of 28 or higher on the English section of the ACT, or a score of 630 or higher on the Critical Reasoning section of the SAT, or a score of 50 or higher on the CLEP examination; AND
 - Write a successful research essay on a topic provided by the FHU English faculty.
- **DSST Examinations.** The DSST (formerly known as DANTES) is a credit-by-examination testing program to measure knowledge in a particular subject area. There are 37 test titles in a wide range of college level academic, technical, and business subjects. Each test is administered on the computer, and a candidate's score is available upon completion of the exam. Each institution may determine its passing score requirements for the DSST. Contact the Academic Success Center, (731) 989-6061, for additional information about individual tests, cost, and testing appointments.

- **Course Placement Examinations.** Students may achieve advanced placement in Intermediate Spanish courses by taking the CLEP examination and earning scores sufficient to receive credit for prerequisite courses. Passing the CLEP for elementary Spanish qualifies the student for the corresponding intermediate course. Students may also be placed in intermediate Spanish based on dual enrollment credit or AP credit that meets prerequisite requirements of the course. Students who have lived in Spanish-speaking countries may also be placed in intermediate language courses.
- **ACT.** Freed-Hardeman University is an approved residual ACT testing center. Tests are given to prospective students to gain admission to the University and to enrolled students who need to gain entrance into the teacher education program. A student must have applied for admission before taking the residual ACT. A student is allowed to take the residual ACT twice (between November 15 and October 15) for the purpose of admission to the University. **Students must wait 60 days before retaking the residual ACT**. Scores from a residual testing center may be used only at the institution where the test is given Residual ACT testing may not be used for athletic eligibility, academic scholarships, or the HOPE Scholarship Program.

The fee for an ACT examination, disclosed when making the appointment, is payable at the time of testing. An unofficial score is mailed to the student as soon as possible following testing. Tests may be scheduled for individual appointments by calling (731) 989-6061.

Tennessee Statewide Dual Credit. Earned credit will be awarded for Tennessee Statewide Dual Credit courses in College Algebra and Sociology, provided the student submits the certification that the course was successfully completed and the challenge exam passed. Upon submission of the state-issued certificate to the registrar's office, the credit will automatically be posted on the student's transcript. These courses will be posted with an "M" grade. The equivalencies will be as follows:

- Criminal Justice CJU 210
- Introduction to Probability and Statistics MAT 235
- Pre-Calculus MAT 120
- Psychology PSY 210
- Speech and Communications COM 140
- Introduction to Plant Science BIO 1000
- Introduction to Sociology SOC 241
- American History II HIS 222
- World History HIS 112

Special Studies

The following special studies may be taken by special permission of the student's teacher, advisor, department chair, and/or dean, and by completing the proper paperwork. Individualized instruction also requires approval by the associate vice president for instruction.

• **Independent Studies.** Undergraduate students that have completed a minimum off thirty (30) semester hours and who have a cumulative GPA of 2.50 or above, and graduate students who are in good academic standing, may request permission to investigate a subject of special interest under the guidance of an instructor for a course not listed in the catalog. The study must not duplicate a regular course. Approval from the dean of the college in which the course is to be taken must be obtained. The student must propose the topic, the design of the study, and describe the resources to be used. If a teacher consents to assist a student, the teacher will recommend approval to the department chair and the dean. Grading will be "pass/fail" or conventional at the instructor's option.

- Individualized Instruction. If a student needs a catalog course offered at a different time than the published, scheduled period, one of the following criteria must be met in order for it to be approved by the associate vice president for instruction: (1) a scheduling error, within the student's specific college, with senior-level courses; (2) the student is a transfer student and not part of the Tennessee Transfer Pathways; (3) the student changed majors and courses are not offered every semester or once a year; (4) the student has experienced health issues and has medical documentation from health providers or the Office of Student Disabilities; (5) the student's major program has changed and courses do not need to be replaced by a substitute due to course content; or (6) the student is a participant in the Belgium Program and other solutions cannot be implemented; no more than two courses can be individualized for the Belgium student. **Students who have failed a regular offering of a course cannot replace the grade by taking the course through individual instruction.** The instructor who agrees to provide individual instruction will meet with the student at least once a week. Grading will be conventional.
- **Field Work.** Students may explore a career field, develop career skills, or add to liberal arts education through approved field work. Part-time field work may be begun concurrently with your second semester, and full-time field work is possible after the freshman year. The chairman of the appropriate department and the dean of the college must approve the request before the field experience is begun.
- **Cross-Campus Studies.** An arrangement has been made with Union University in Jackson, Tennessee for cross-campus registration. Students who need a major course that cannot be scheduled at FHU may apply for cross-campus registration through the Office of Academics. The credits for which a student is enrolled by cross-campus registration will be counted as a part of the credit load at FHU. An additional fee may be assessed to a student's account for cross-campus registration. Students must provide their own transportation to and from Union University and must make arrangements for lodging and meals when the school calendars are not the same. **Students may not drop or withdraw from cross-campus courses except for unavoidable and extenuating circumstances.**

Courses Available in All Departments

With the prior approval of the department chair and the dean of the college, a student may register for the following courses in any department.

(Disc.) 190, 290, 390, 490. Field Work. 1–4 hours maximum credit in any one work setting.

Field work is planned and supervised field activity related to the student's liberal arts education, major or career goals, designed to provide the student with a general work experience without specific courses as prerequisites. The prerequisites are twenty-five (25) credit hours earned and a minimum 2.00 GPA. Under general field supervision, the student may be awarded one (1) credit hour for each 120 clock hours of performance. The award of credit will be based on supervisor's reports and a written evaluation of the learning experience by the student. Grading is "pass/fail." The faculty supervisor assigns the grade.

(Disc.) 296, 396, 496. Field Laboratory. 1–9 hours credit each. Total maximum 9 hours.

Field laboratory is a carefully planned activity based on college level prerequisites or corequisites. Specific objectives, activities, and evaluative criteria are designed and effected jointly by a faculty member and the field supervisor. A field laboratory includes either private or classroom instruction by a faculty member, who also determines the final grade. A minimum of forty (40) hours of field activity is required for one (1) credit hour. Grading is conventional as assigned by the faculty supervisor.

(Disc.) 397, 497. Practicum or Internship. 1-9 hours credit.

Senior practicum or internship is a professional field experience under the supervision of an experienced professional carefully selected and approved by the University. Prerequisites for the senior practicum are senior status and courses determined by the department. Close contact is maintained between the field supervisor and the faculty supervisor. A minimum of 40 clock hours of field activity is required for one (1) credit hour. Grading is conventional as assigned by the faculty supervisor. The Internship/Practicum Form must be completed by the student and approved by the dean of the college in which the course is housed prior to the start date of the internship or practicum. Internships or practicums started in the summer are classified and billed as summer courses. Internships or practicums started in the summer and completed the subsequent fall semester are classified and billed as fall courses, and the cost is included in the fall comprehensive charge.

(Disc.) 298, 398, 498, 598, 698, 798. Independent Study. 1-4 hours credit each.

An independent study is a reading-research course or special project planned in consultation with and guided and evaluated by an instructor. Open to students with a cumulative GPA of 2.50 or above. Grading will be "pass/fail" or conventional at the discretion of the instructor. It may not duplicate a course listed in the catalog.

(Disc.) 199, 299, 399, 499, 599, 699, 799. Topical Seminar. 1-4 hours credit each.

A topical seminar course is devoted to a significant topic of current interest to students and an instructor. The permanent academic record will show the exact topic of the seminar and a descriptive title for independent study, field work, field laboratory, and senior practicum. Topical seminars are offered on sufficient demand and may not be scheduled each year. Grading is conventional as assigned by the faculty supervisor.

Lifelong Learning

Extension courses may be offered in selected areas where qualified instructors and sufficient demand exist. Extension courses are equivalent in requirements to on-campus courses and may be taken for credit or by audit.

Summer Semester

The summer semester includes a ten-week semester consisting of two-, four-, eight-, and tenweek courses. Courses meet for time approximately equivalent to that of regular academic-year courses. No undergraduate student may register for more than fifteen (15) semester hours, and no graduate student may register for more than thirteen (13) semester hours during the summer semester. A student may enroll in no more than one two-week course concurrently. However, a student may enroll concurrently in a two-week course and a four-week course, eight-week course, or ten-week course during the summer semester. Undergraduate students must register for a Bible course if they enroll in twelve (12) or more credit hours.

Two-week Course Sessions

Regular catalog courses and topical seminars are offered during January, May, and August as twoweek courses. These courses are full-time studies that meet for time approximately equivalent to that of regular academic-year courses. Additional work beyond the two-week period may be required. Work must be completed prior to grades being posted approximately two weeks following the last class period. Two-week course grades are included in the grade point average in the semester following the course. Bible courses taken during the January, May, and August two-week sessions will meet the required Bible class for all full-time residential undergraduate students during the respective semester following the two-week session.

Earning Credit at Other Institutions (Undergraduate)

Freed–Hardeman University undergraduate students who complete coursework from regionally accredited institutions will have their work posted on their transcripts as earned credit. An FHU undergraduate student who plans to earn credit at another institution and use it to meet FHU requirements should meet with his/her advisor and obtain written approval in order to ensure the course equivalency of the work the student plans to complete. Without written approval from the dean, a student is not guaranteed that transfer courses will meet major or liberal arts core requirements.

Reverse Transfer

FHU participates in Tennessee Reverse Transfer Pathways. Tennessee Reverse Transfer is a process allowing students who have transferred from a Tennessee community college campus to FHU to combine credits from both institutions and apply them toward an associate degree. This means transfer students can complete the associate degree they previously started while continuing to work toward a bachelor's degree.

Eligible transfer students will be contacted by email and informed of how to take advantage of this opportunity. For more information, visit: www.tnreversetransfer.org or talk with your four-year academic advisor.

Nashville State Community College Reverse Transfer

Students who are concurrently enrolled in FHU and Nashville State Community College (NSCC) will be encouraged to complete their associate degree. Reverse transfer allows students to transfer coursework from FHU back to NSCC to meet requirements for completing their associate degree. To participate in reverse transfer, students must have completed a total of fifteen (15) earned credit hours toward an associate degree at NSCC. Additionally, students may need to complete any required exit exams at NSCC in order to receive his/her degree.

Minimum Computing Requirements

The FHU network, helpdesk, and classroom experiences for undergraduate courses taken at the Henderson campus have generally been developed for a Mac–only environment. Undergraduate students at the Henderson campus will have the best academic experience when using a Macbook.

The following represent minimum computing requirements for FHU. In addition, FHU's learning systems require high speed Internet access (1.5 Mb or higher).

| | Minimum | Recommendation |
|----------------------------|------------------------------------|---|
| Operating System | Mac OS X 10.12 Windows 10 (64-bit) | Mac OS X 10.13 Windows 10 (64-bit) |

| Wireless Network Access | 802.11 n | 802.11 n/ac |
| Other Hardware | Web Camera and Microphone | Web Camera and Microphone |
| Application Software | Microsoft Office | Microsoft Office |

Additional Software and/or Hardware Requirements

Some courses may require additional hardware and/or software to successfully complete the course. Specific hardware and/or software required for each course will be noted in the course syllabus.

Technology Assistance

Students may contact the FHU HelpDesk at: http://helpdesk.fhu.edu or by phone at (731) 989-6111 for additional technology-related assistance.

Online Courses

Students register for online courses through my.fhu.edu the same way they would for an oncampus class. No one will be allowed to audit an online course. In order to withdraw from an online course, students must notify the Office of the Registrar before the drop/add deadline. Students can contact the registrar by telephone at (731) 989-6649 or by email at skimpel@fhu.edu.

Undergraduate Majors, Concentrations, Minors, and Emphases

A major consists of thirty (30) or more semester hours as specified by the department in which the student is majoring. At least half of the required courses must be upper-division courses. The maximum number of credits allowed for a major is sixty-three (63) hours.

A concentration within a major consists of twenty-four (24) or more hours as specified by the department in which the concentration is earned. At least nine (9) hours of the required courses must be upper-division courses.

A minor consists of eighteen (18) or more semester hours as specified by the department in which the minor is earned. At least six (6) of the required hours must be upper-division. A minor may be completed within a major department only if requirements do not overlap or if additional courses are taken to offset any overlap.

An emphasis within a major consists of at least eighteen (18) hours as specified by the department. An emphasis is not recorded as part of the permanent academic record. A minimum of six (6) hours of the required courses must be upper-division courses.

Choosing (Declaring) A Major (Specific Area of Study) (Undergraduate)

All students entering the University must complete certain liberal arts core requirements during the course of their University career. These courses are the basis of the liberal arts education that is received at FHU. As progress is made, students will need to declare a major. They will need to choose a specific area of study that will prepare them for a career or for graduate school after they earn a baccalaureate degree from FHU. Freed–Hardeman University offers 36 majors for its undergraduate students. In addition, students may choose a concentration, emphasis, or a minor in an area of study requiring fewer credit hours that can be added to the major. Although a major, and in some cases, a concentration or an emphasis **must** be selected, in most cases, it is optional to add a minor. Students should check with their advisor for exceptions.

Freshmen in good academic standing may declare a major during their initial advising and enrollment session at FHU. During this session, the student will work with the advisor to complete a **Declaration of Major Form**. Following the drop/add period of the student's initial semester, the student's file is transferred to the college/department in which the major is housed, and the student is assigned to an advisor for that major. The registrar is notified of the choice of major, and the student's academic record is updated to indicate the chosen major. The student's file remains with that advisor until the student either graduates with a bachelor's degree or decides to change the major.

Transfer students may declare a major during their initial advising and enrollment session as well.

Changing A Major/Adding A Secondary Major/Adding A Minor/Adding A Concentration (Undergraduate)

Students desiring to make any change from the original major declaration must contact the department of their current major and complete a Change of Major Form.

The college/department administrative assistant transfers the student's academic file from the old major advisor to the new major advisor. The registrar is notified of the new choice of major/concentration/minor, and the registrar updates the student's academic record to reflect the desired changes. From this point, the new advisor will advise the student. His/her file will remain with that advisor until the student either graduates with a bachelor's degree or decides again to change the major.

There is a period in each semester when students cannot declare or change majors. This dead period lasts about two weeks and begins five days prior to the date for seniors to begin registering for the following semester and continues through the Monday following freshmen registration. Students will not be able to change or declare a major during this period.

B.A. or B.S. in the Individualized Major

An individualized major may be requested when a student does not find a current catalog major fitting his/her personal or career goals.

In order to request an individualized major, a student must:

- 1. Complete the Application for individualized major obtained from the coordinator of the individualized majors program,
- 2. Research requirements for the proposed individualized major from at least three non-FHU school catalogs of accredited universities that currently offer the major,
- Compare these requirements with courses available at FHU and prepare a proposed curriculum that draws from courses in at least two departments. The individualized major must consist of 30–44 hours of coursework with a minimum of fifteen (15) hours of upperdivision courses. At least three courses must be writing emphasis courses, designated with a (W) in the catalog, and

4. Submit the proposed individualized major curriculum, along with copies of the requirements from the three other school catalogs, to the coordinator of the individualized majors program.

A Faculty Committee must recommend the proposed curriculum. Therefore, after receiving the necessary documents, the coordinator will recommend an appropriate advisor from the college supplying the largest component to the major requirements for the proposed program. The coordinator will contact the dean of the college of the proposed advisor, and in cooperation with the dean, will appoint the advisor for the proposed individualized major. An advisory committee appointed by the coordinator will include: 1) the dean of the college supplying the largest component of the proposed curriculum for the major, 2) the advisor, 3) one faculty member from another department in the University, and 4) the coordinator. The committee may accept the curriculum as submitted, accept it with modifications, or reject it.

The student will be expected to complete the liberal arts core requirements applicable to all degree candidates, the approved individualized major curriculum, and sufficient electives to total a minimum of one hundred twenty-six (126) semester hours. Following the completion of the semester in which an individualized major is approved by the individualized major advisory committee, the student must earn a minimum of thirty-two (32) semester hours credit before a bachelor's degree will be conferred based on the approved individualized major.

Individualized programs are developed based on University resources, faculty load, and the aptitude of the student. An individualized major offered to one student does not guarantee that a similar program will be subsequently offered to others. Anyone interested in an individualized major should contact Dr. Kippy L. Myers, Coordinator of the Individualized Major program.

Multiple Majors/Minors (Undergraduate)

A student may earn multiple majors. At least eighteen (18) unduplicated hours must be included in each major. If major course requirements overlap, other courses must be substituted in order for each major to have at least eighteen (18) unduplicated hours.

A student may earn multiple minors. At least fifteen (15) unduplicated hours must be included in each minor. If minor course requirements overlap, other courses must be substituted in order for each minor to have at least fifteen (15) unduplicated hours.

A Second Bachelor's Degree

A student who is completing two majors simultaneously must meet the liberal arts core requirements for only one degree if both majors are in the arts and sciences (B.A., B.S.). If a student is seeking an additional major that normally leads to a professional degree (B.S.W., B.B.A., or B.S.N.), he/she must complete the additional liberal arts core requirements appropriate to that degree that may be different from the arts and sciences. At least twenty-four (24) unduplicated hours must be included in each of the majors. A minimum of one hundred fifty (150) hours is required. If departmental course requirements overlap, other courses must be substituted.

NOTE: Although a student may have multiple majors within the same degree area (B.A., B.S., B.B.A.), the student may not earn two of the same degrees, such as two B.A.s or two B.S.s. The student may earn one degree containing two majors, or, two different degrees may be earned, B.A., B.S., B.B.A., B.S.W., or B.S.N.

A student who has earned a baccalaureate degree from another accredited institution may complete a different or additional bachelor's degree from FHU by meeting the liberal arts core requirements for the degree and the requirements for at least one major. A minimum of thirty-two (32) semester hours must be taken at FHU.

A student who has earned a baccalaureate degree from FHU and returns to earn a different bachelor's degree will have satisfied the liberal arts core requirements for the degree. A minimum of thirty-two (32) semester hours must be taken at FHU in order to obtain an additional bachelor's degree.

A Second Graduate Degree

A student may earn multiple graduate degrees. At least 50 percent of the hours earned in each degree for the same degree level (i.e., master's, specialist's, or doctorate) must be unduplicated. If a student earns two degrees at the master's level, at least 50 percent of the hours earned in each degree must be unduplicated. If degree course requirements overlap, other courses must be substituted in order for each degree to have at least 50 percent unduplicated hours.

Accelerated and Extended Degree Programs

Depending upon academic preparation, ability, interests, needs, and progress, students may take more or less than four (4) years to earn the bachelor's degree.

Extended Programs. Students who need assistance in compensating for deficiencies in their preparation for college studies or who encounter difficulties with particular courses may take advantage of the program of special services. Advising, tutoring, counseling, helping with adjusting, reading and study skills, and communicating skills are available in a program offered through the Academic Success Center.

While students need not extend their degree program in order to use one or more of the special services, many students will want to reduce their regular academic-year load by utilizing the summer semester. Those with heavy work schedules may also wish to distribute their studies through summer, fall, and spring semesters.

Accelerated Programs. Pre–professional health arts students who will need to take advanced biology or chemistry courses in the fall and spring semesters should take the prerequisite courses the first summer.

Through credit by examination and year-round study, it is possible to complete the bachelor's degree in as little as three (3) years. Accelerated Programs differ depending upon proficiencies and educational needs. All course and hour requirements for the degree must be met.

See the chair of the Department of Mathematics and Computer Science for the course of study leading to a B.S. in Math or the chair of the Department of Biological, Physical, and Human Sciences for the course of study leading to a B.S. in Physical Science that will prepare the student for admission to engineering school.

ESSENTIAL LEARNING OUTCOMES

Freed–Hardeman University has adopted essential learning outcomes for its undergraduate curriculum. These essential learning outcomes are a comprehensive set of goals that are fostered and developed across a student's entire academic experience. As student's progress through the University's liberal arts core and into their major fields of study, the University's essential learning outcomes help ensure that students grow in their understanding of human culture and the physical and natural world within a biblical context. The essential learning outcomes establish those Christian values, knowledge, skills, and habits of mind that Freed–Hardeman University desires for all students and include the following areas:

A. Intellectual and Practical Skills, including:

- 1. Inquiry and analysis
- 2. Critical thinking
- 3. Creative thinking
- 4. Reading
- 5. Written communication
- 6. Oral communication
- 7. Quantitative literacy

- 8. Information literacy
- 9. Problem-solving

B. Personal and Social Responsibility, including:

- 1. Intercultural knowledge and competence
- 2. Ethical reasoning and action based in a biblical context

LIBERAL ARTS CORE

The University's general education requirements are embodied in its liberal arts core. The liberal arts core introduces students to FHU's essential learning outcomes and prepares students for growth in these areas throughout the duration of their studies while at Freed–Hardeman University. Courses included in the liberal arts core are included in the following display.

NOTE: A single course may not be used to satisfy more than one liberal arts core requirement, but, in some instances, it may meet both liberal arts core requirement and a major or minor requirement.

Further, undergraduate students should consult the college/department display of liberal arts core requirements for specific courses required for each major or minor. Substitutions, exceptions, or waivers must be approved by the dean of the college in which the student's major is based.

Degree Completion and Changes in Degree Requirements

A student may complete any degree and major offered under any of the catalogs in effect from the date of the student's initial enrollment at FHU until, and including, the catalog in effect at the time of the student's graduation, provided the student's initial enrollment is not more than eight (8) years prior to the graduation date and the major or minor has not been deleted. All requirements for a student's primary major, liberal arts core, and graduation must come from the same catalog. Minor(s) or additional major(s) may come from different catalogs.

GRADUATION REQUIREMENTS

Undergraduate – Associate. Candidates qualifying for an associate's degree must complete the following requirements to graduate (some programs may have additional requirements or higher standards):

- Complete a minimum of sixty (60) hours.
- Earn a minimum cumulative GPA of 2.00 on a 4-point scale on all courses in the major and pass all courses (in the concentration when applicable).
- Satisfy the liberal art core requirements for the associate's program.
- Complete a minimum of thirty-two (32) semester hours from FHU.
- Complete twenty-four (24) of the last thirty-three (33) semester hours in-residence, unless approved by the Office of Academics.
- Complete a minimum of thirty (30) hours at a senior-level institution.
- Complete BIB 121 The Life of Christ and BIB 122 Acts of Apostles.
- Earn no more than one fourth of the credit hours applied to any degree through examination or special studies. (See the "academic credit by examination" and "special studies" sections.)
- Complete an approved program of study in a major.
- Submit a completed counseling guide to the Office of the Registrar.
- Submit all transfer credit to the registrar's office by mid-term of the semester of graduation.
- Complete any credit planned by examination and submit that credit to the registrar's office by mid-term week of the semester of graduation.
- Meet all financial obligations.
- Complete all assessment requirements, such as student opinion surveys.
- Receive degree(s) in graduation exercises unless excused by the Office of Academics.

Undergraduate – Bachelor. Candidates qualifying for a bachelor's degree must complete the following requirements to graduate (some programs may have additional requirements or higher standards):

- Complete a minimum of one hundred twenty-six (126) hours, excluding courses designated as Institutional Credit only.
- Earn a minimum cumulative GPA of 2.00 on all courses and on all courses in the major and minor (if applicable).
- Satisfy the liberal art core requirements.
- Complete a minimum of forty-two (42) hours of upper-division courses.
- Complete a minimum of sixty-three (63) hours outside the major.
- Complete a minimum of thirty-two (32) semester hours from FHU.

- Complete twenty-four (24) of the last thirty-three (33) semester hours in-residence, unless approved by the Office of Academics.
- Complete a minimum of sixty (60) hours at a senior-level institution.
- Complete a minimum of seven (7) hours of Bible courses including: BIB 121 The Life of Christ, BIB 122 Acts of Apostles, BIB 346 Foundations of Faith or BIB 446 Christian Evidences. (All full-time students are required to take a Bible course every semester.)
- Complete BIB/HUM 495 Values in Human Thought and Action.
- Earn no more than one fourth of the credit hours applied to any degree through examination or special studies. (See the "academic credit by examination" and "special studies" sections.)
- Complete an approved program of study in a major, including licensure requirement, where applicable.
- Submit a completed counseling guide to the Office of the Registrar.
- Submit all transfer credit to the registrar's office by mid-term of the semester of graduation.
- Complete all credit by examination and submit that credit to the registrar's office by midterm week of the semester of graduation.
- Meet all financial obligations.
- Complete all assessment requirements, such as standardized senior exams, portfolios, and student opinion surveys.
- Receive degree(s) in graduation exercises unless excused by the Office of Academics.

Graduate. Candidates qualifying for a graduate degree must complete the following requirements to graduate (some programs may have additional requirements or higher standards):

- Earn a cumulative GPA of 3.00 on all graduate credits with no grade lower than a "C," except for the Education Specialist, the Doctorate of Education, and the Doctor of Behavioral Health degrees, which requires a 3.50 GPA for graduation.
- No more than six (6) semester hours of "C" grades (or lower) may be applied toward graduation requirements.
- Complete all credit by examination, comprehensive exams, thesis defense, and dissertation defense by mid-term of the semester of graduation. Any student that has not completed his/her degree requirements by mid-term may not receive his/her diploma at commencement.
- Participation in commencement ceremonies is encouraged. A graduate student may not participate in commencement prior to completion of all course and degree requirements in the degree program.
- A graduate student completing course and degree requirements in the summer may participate in the following December commencement.
- Students completing a dual undergraduate/graduate degree (e.g., B.B.A./M.B.A.) and anticipating completion of graduation requirements during the summer term may petition before the May commencement. Approval will depend on students complying with the following conditions:
 - Must be within twelve (12) hours of completing all credit hours required for graduation.
 - Must submit a completed counseling guide to the Office of the Registrar, showing a plan for completing all requirements during the summer term. (This must be completed with the advice and signature of their advisor.)

Minimum Degree Hours. The following table identifies the minimum number of hours that must be earned in order to receive a degree at that identified level.

Comprehensive Examinations (Graduate)

- A written, comprehensive examination will be required for most graduate degrees. The comprehensive examination will be prepared by a nationally recognized testing organization or at least three members of the graduate faculty who have taught the student. The examination will normally be administered during the student's last semester (except in the case of **Master of Science in Clinical Mental Health Counseling** students who take the comprehensive examination before obtaining candidacy), and candidates will be notified of the time and place of the examination at least one month prior to the examination. An oral examination, or interview, and/or public presentation of their capstone project may be required in addition to the written examination.
- Comprehensive examinations for **Graduate Theology** students will be based on three courses the student has taken, and those three courses will be selected by the program director.
- In lieu of comprehensive examinations, students seeking a Master of Education degree will demonstrate their mastery of program content in the following ways. Students seeking licensure in the M.A.T. or M.A.T. in Special Education programs will earn a passing grade in EDU 550 Professional Reflection and Planning. The exception to this is students seeking licensure in Speech Communication, which does not currently require an edTPA portfolio. Students seeking a license in Speech Communication will earn a passing score on Principles of Learning and Teaching Praxis test required for their licensure area. Students seeking licensure in the M.Ed. in the School Counseling program will earn a passing score on the School Counseling Praxis, and students seeking licensure in the M.Ed. in Administration and Supervision program will complete the School Leaders Praxis. Advisors for each program will notify students of the specified edTPA or Praxis assessment needed for their specific program of study. Students will be allowed an unlimited amount of attempts on their respective assessment. In order for a Praxis assessment to satisfy the comprehensive exam requirement, confirmation of passing scores must be received by the University by mid-term of the semester the student wishes to graduate, and the student must graduate within six (6) years of starting his/her program. If a student seeking a M.A.T. or a M.A.T. in Special Education has difficulty earning a passing score on the required edTPA portfolio for his/her licensure area, he/she may opt to earn a passing score on the Principles of Learning and Teaching Praxis that is specific to their licensure area. While a passing score on the

Principles of Learning and Teaching Praxis will satisfy the comprehensive exam requirement for graduation, it will not replace the edTPA licensure requirement.

- Students in the **Master of Science in Clinical Mental Health Counseling** program will need to be prepared to pay the cost of the National Counselor Preparation Comprehensive Exam (CPCE), a required exit exam for graduation.
- Students will be notified by the director of the program if they passed or failed the comprehensive examination immediately (**Theology**); within ten workdays (**Education**); or within three workdays (**Counseling**) after the examination has been completed and officially scored by the Center for Credentialing and Education. (This process takes four to six weeks.)
- **Doctorate of Education** students must complete two exams: (1) a Leadership Examination and (2) a Statistics Examination. For students in the Administration and Supervision program, the Praxis ILL–B 6011 (fee to be paid by the student) will serve as the Leadership Exam. For students in the Teacher Leadership program, an FHU-designed Leadership Exam will be utilized. *(*The Praxis ILL–B 6011 can also serve as the Teacher Leadership Exam for students in the Teacher Leadership program, but is not required.*) The Statistics Exam will be designed by the professor of EDU 671A Quantitative Statistics Applied to Social Science Research I.
- Students who fail the examination will be given an opportunity to take it again the following semester. Students may take the comprehensive examination two times (three times for **Clinical Mental Health Counseling** students). Students with extenuating circumstances that interfered with their performance must petition the Graduate Council to request permission to take the exam again. The decision of the Graduate Council shall be final.

Commencement Ceremonies (Undergraduate)

May Commencement Ceremony. Undergraduate students who have completed all of the requirements for graduation prior to the commencement ceremony are required to participate in the ceremony. Any exception must be approved by the registrar. Undergraduate students anticipating completion of graduation requirements during the summer term may petition the Office of the Registrar for approval to participate in the May commencement. Approval will depend on students complying with the following conditions:

- Must be within twelve (12) hours of completing all credit hours required for graduation, and
- Must submit a completed counseling guide to the Office of the Registrar, showing a plan for completing all requirements during the summer term. (This must be completed with the advice and signature of their advisor.)

December Commencement Ceremony. Only students who have completed all of the requirements for graduation will be permitted to participate in the December commencement. There will be no exceptions.

Diplomas. All students will receive an empty diploma cover during each commencement ceremony. Diplomas will be mailed following commencement once students have satisfied all requirements for graduation.

Honors Stoles, Cords, and Medallions. Academic honors stoles, cords, and medallions may be worn during commencement ceremonies. The wearing of stoles, cords, and medallions shall be consistent with the following policy:

- Maroon and Gold stoles shall represent undergraduates that have distinguished themselves as Honors College Scholars with University Honors or as Honors College Scholars.
- Gold cords shall represent undergraduates who have achieved Summa Cum Laude, Magna Cum Laude, or Cum Laude honors. Cords may be worn by graduate students that have earned cords in their undergraduate careers.

- Medallions with red ribbon shall represent undergraduates who have been inducted into the Tennessee Iota Chapter of the Alpha Chi National Honor Society.
- Additional cord colors shall represent University recognized honor societies.

Commencement Ceremonies (Graduate)

Participation in commencement ceremonies is encouraged. A graduate student may not participate in commencement prior to completion of all course and degree requirements. There will be **no exceptions**.

Honors Stoles, Cords, and Medallions. Academic honors stoles, cords, and medallions earned as undergraduates may be worn during commencement ceremonies.

Academic Honors (Undergraduate)

President's and Dean's Lists. Full-time students earning a 4.00 GPA in any semester will be placed on the President's List. Full-time students earning a 3.40 to 3.99 in any semester will be placed on the Dean's List. A student who has a grade below "C" (not counting "W," "P," "N," or "R") or is on probation is disqualified.

Alpha Chi. Chapter 167 of the Alpha Chi National Honor Scholarship Society was chartered as the Tennessee Iota chapter on April 22, 1977. Invitations to membership may be extended to juniors and seniors of good reputation who are in the upper 10 percent of their class and who have cumulative GPAs of 3.75 or above on eighty (80) or more hours.

Graduation Honors. Honor graduates are determined based on the cumulative grade point average of the semester prior to the semester in which the student graduates. For example, honors for a student graduating in May will be based upon the student's cumulative GPA at the end of the fall semester. Honors distinctions include the following:

Summa Cum Laude3.85 cumulative GPAMagna Cum Laude3.60 cumulative GPACum Laude3.40 cumulative GPA

Honors graduates who graduate during the summer and participate in May commencement will be preliminarily identified based on the student's cumulative GPA at the end of the fall semester. However, final honors distinctions will be determined based on the student's cumulative GPA at the end of the spring semester.

Graduation with University Honors. Requirements for graduation as an Honors Scholar or as an Honors Scholar with University Honors are described in the academic catalog. (See "graduation through the Honors College" section.)

Faculty Scholarship–Leadership Medal. In 1938, the faculty began awarding on each spring commencement day a medal to the student in the graduating class who possesses to the highest degree the following attributes: ability, quality of work, accuracy, love of knowledge, and leadership. The Alpha Chi Honor Society presents an accompanying cash award.

COLLEGE OF ARTS AND SCIENCES

Dr. LeAnn Davis Dean; Associate Vice President for Instruction; and Associate Professor

Mission

The College of Arts and Sciences promotes discovery and learning by students and faculty in sciences, humanities, and the arts. The college faculty are committed to offering courses and programs within a Christian framework that prepare students for a lifetime of service and achievement.

The College of Arts and Sciences is the largest of the academic colleges. The college is comprised of seven departments or units:

- Arts and Humanities
- Biological, Physical, and Human Sciences
- Communication and Literature
- Fine Arts
- History, Philosophy, and Political Studies
- Mathematics and Computer Science
- Nursing

A strong background in any of the majors within the college provides the student a solid foundation for many varied professions whereby one can seek to serve the church and community.

Mission

The Department of Biological, Physical, and Human Sciences seeks to further the aims and purposes of Freed–Hardeman University by: 1) making the student more conscious of God and design in natural phenomena; 2) furthering the student's liberal arts education by contributing to his or her cultural background and helping him or her to enjoy the aesthetic qualities of the natural world; 3) imparting some understanding of the methods of scientific investigation, thus building a foundation for further research and advanced study in sciences and various related fields; 4) preparing students in the health-related pre–professional fields and offering a sound background for those preparing themselves to teach; and 5) preparing students for positions in industry, civil service, and other areas.

The Department of Biological, Physical, and Human Sciences offers baccalaureate minors in biology, conservation and wildlife biology, chemistry, health, and kinesiology. Bachelor's degrees in biology, chemistry, kinesiology, and physical science are offered within the department. The department offers two options in pre-engineering: the standard two-year pre-engineering curriculum or a dual degree program in which the student may receive a bachelor's degree with a major in physical science from FHU and a degree in engineering from an ABET-accredited school of engineering after the successful completion of the prescribed curricula at both schools. The dual degree is a 3–2 program, including three (3) years at FHU and two (2) years at an ABET-accredited school of engineering.

Requirements for teacher Licensure in Tennessee and most states may be met in biology and general science. A four-year professional program is offered to develop competent teachers and leaders in the fields of kinesiology, exercise science, and fitness. Teacher Licensure is available through the additional courses and requirements of the College of Education and Behavioral Sciences.

Pre-Pharmacy Program

The Department of Biological, Physical, and Human Sciences offers a three-year program in prepharmacy. Each pharmacy school has unique requirements for the pre-professional phase. Therefore, no one Pre-Pharmacy Program could provide the required courses in the timeliest fashion for all pharmacy programs. Many pharmacy programs require sixty-eight (68) hours or less of coursework for entry into their program. Therefore, the student should identify his/her pharmacy schools of interest within the first academic year to ensure that all courses required for application to the schools of choice have been completed in a two-(2) year period.

The coursework outlined in this program is designed to specifically meet the requirements for the Pharmacy Program at the University of Tennessee at Memphis (90 hours required for admission), while allowing the student to graduate with a B.S. in Chemistry with an option to receive a concentration in biochemistry within a four-(4) year period if he/she desires.

Registration in the Department of Biological, Physical, and Human Sciences does not guarantee admission to the professional phase of a school of pharmacy. Enrollment in the professional phase is limited, and the student will be accepted in accord with his/her scholastic standing and aptitude for a career in pharmacy. Final selection of students is made by an admission committee from the school of pharmacy.

Four-Hour Courses with Lab

Most 4-hour biology and chemistry courses meet for three (3) hours of lecture and three (3) hours of laboratory work each week during a regular semester.

Requirements for Teaching Licensure in Biology and General Science:

- 1. Completion of the B.S. major in biology as outlined above.
- 2. Required professional education courses. (See "Department of Education" entry.)

Pre-Professional Curricula

Pre-professional work is provided in several fields: medicine, dentistry, nursing, veterinary medicine, optometry, physical therapy, cytotechnology, dental hygiene, etc. The student's advisor will offer special assistance to the student in planning an acceptable program of study. A student should examine the catalog of the institution to which he/she will transfer while planning a program of study at FHU. Plans to include credit by examination in a pre-professional program should be discussed in advance with the department chair. Professional school admission is competitive.

Pre-medical students may major in chemistry or in other disciplines if they meet admission requirements at the institution to which they will transfer.

**Three (3) hours must be upper-division.

The program in kinesiology emphasizes knowledge and awareness of human movement and performance related to the major sub-disciplines and their interactions. Courses will present the historical and philosophical foundations of kinesiology and its development over the years as an academic discipline. The fundamentals of human anatomy, physiology, and biomechanics will be examined to provide a framework from which to begin an in-depth study of human movement. The physiological responses and adaptations that the body makes to exercise and movement will be considered. The effect of selected psychological variables on human performance, the acquisition and development of motor skills, and the control of human movement will be probed. Research related to the study of human movement and related areas will be explored in an attempt to apply the information to future movements, regardless of whether the movement is in everyday activities or performed in a sport or athletic event.

Requirements for Teaching Licensure in Physical Education (Kinesiology):

- 1. Completion of the B.S. major in kinesiology as outlined above.
- 2. Required professional education courses. (See "Department of Education" entry.)

B.S. Major in Physical Science (Pre-Engineering) Program Coordinator: Dr. Charles Tucker

The advisor for the Pre-Engineering program will prescribe the course of study for each student based upon the branch of engineering selected and the school of engineering chosen for completion of the program. A typical course of study is outlined below.

A pre-engineering student may be awarded a B.S. degree in Physical Science from FHU provided he/she has completed a three-year, 99 semester-hour program of study outlined by the program coordinator, plus a completed degree in engineering from an ABET-accredited school of engineering.

It is the responsibility of the student to notify the program coordinator of his/her intentions to graduate from FHU and to contact the registrar to complete the application and other procedures for graduation. Application must be made at least one semester prior to the intended graduation date.

Mission

In accordance with the University's mission to help students develop their God-given talents for His glory, the Department of Communication and Literature seeks to assist students in fostering language and literary skills in a way that integrates Christian faith, scholarship, and service. Majors and minors in the department's programs 1) develop oral and written communication skills that will enhance their personal and professional effectiveness; 2) prepare for careers that involve the exercise of communication proficiencies; 3) learn to read and respond to literature with appreciation and discrimination; 4) become responsible world citizens by attaining proficiency in foreign language; and 5) develop the intellectual tools necessary for advanced study.

The department offers a general B.A. in Communications with two emphases: public relations and speech communication. B.A. majors in English and Spanish are also offered. Each of these majors is appropriate as a Pre–Law program; however, students completing these programs pursue a wide range of careers and graduate degrees.

The department offers minors in communication, English, journalism, and Spanish.

Student Organizations

The department also hosts organizations that foster students' scholarly and professional growth. The Communication Majors and Minors Association (COMMA) exists to acquaint students with experts in the areas of public relations, journalism, broadcasting, and related areas. At each meeting, students hear from speakers who work in various areas of the field, and they network with them. English majors who meet qualifications may become members of Sigma Tau Delta, an International English Honors Society, offering students opportunities for travel, leadership, and scholarly research and presentation.

Travel Opportunities

Participation in the FHU Study Abroad Program in Belgium serves as an appropriate complement to the English, Communication, or Spanish degree, and many of our majors participate in that program. English majors also take advantage of a number of other travel opportunities including the Romantic England Tour aligned with ENG 335 Romantic Poetry and Prose. Literature students have also traveled to literary sites and landscapes in Staunton, Viriginia (American Shakespeare Center); Ontario, Canada (Shaw and Stratford Theater Festivals); Jackson, Mississippi (Eudora Welty home and Margaret Walker Library); Chicago, Illinois; Holly Springs, Mississippi; and Taos, New Mexico. Spanish majors complete a summer immersion program in Madrid as part of their degree.

Electronic Media

Freed–Hardeman University provides co-curricular learning opportunities for communication students. WFHU "FM91" began broadcasting in 1967 and provides student-produced music, news, and sports programming.

All English majors must register for and take either the Literature Subject Area Test of the Graduate Record Examination (GRE) or the Major Field Test: Literature in English Test (ETS) during the semester in which the student is enrolled in ENG 495 Senior Project. This test score must be on file for the student to graduate, or the student must present verification that the test has been taken.

III. Electives (including additional Bible):

*These upper-division credit hours must be earned during the Spanish Immersion Program/Study Abroad.

**Students seeking a Secondary Education major must take two 400-level courses. These can be substituted for SPA 365 or SPA 366. (SPA 490 is a mandatory course.)

***This course may count as a student's Bible course for one semester. However, the student cannot receive credit for this course if he/she has already received credit for the same study in English. Prerequisites: SPA 232 Intermediate Spanish or permission from the instructor. SPA 336 Spanish Conversation is offered in the spring for minors; however, Spanish majors may take it for elective credit.

NOTE: SPA 131/132 (Elementary Spanish I and II) are prerequisites that can be satisfied by taking the courses at FHU, transferring the courses from an accredited institution, receiving AP or dual enrollment credit for both levels, or CLEP examination.

Requirements for Teaching Licensure in Spanish:

- 1. Completion of the B.A. major in Spanish as outlined above.
- 2. Required professional education courses. (See "Department of Education" entry.)

Foreign Language Placement

College-Level Examination Program (CLEP) scores may earn credit for SPA 131/132 (Elementary Spanish I and II), or both SPA 131/132 and SPA 231/232 (Intermediate Spanish I and II). Students will be placed in the next level above the level satisfied by the CLEP score. Students that earn CLEP credit for all Elementary and Intermediate Spanish levels will be placed in SPA 271 Introduction to Latin American and Peninsular Literature. Candidates may consult with the registrar's office or the registrar's webpage on CLEP Exam Information to learn what constitutes a passing score.

Mr. Brian Bundren, Assistant Professor Mr. Jud Davis, Associate Professor Dr. Barbara England, Professor Dr. Richard England, Jr., Professor Mr. Brandyn Graves, Assistant Professor Dr. Alan Kinningham, Associate Professor Dr. Gary McKnight, Associate Professor Dr. Cliff Thompson, Professor

Assisting:

Dr. Mark Crawford Ms. Kayla Stanz Ms. Laquita Thomson

Mission

The Department of Fine Arts offers a B.A. major in art with an emphasis in studio or graphic design, a B.A. major in interactive digital design (designer emphasis), a B.A. major in music, a B.A. major in photography, a B.A. major in theatre with an emphasis in performance or design/production, and minors in art, fine arts, music, digital music, photography, and theatre. A B.F.A. major is available in art with an emphasis in studio art. Teacher licensure is also available in art, music, and theatre.

The visual and performing arts serve as the venue for the uniquely human ability to express the sciences, literature, mathematics, and historical perspectives through creative processes. The Department of Fine Arts offers a curriculum that provides students opportunities to develop critical thinking skills within the context of aesthetic principles. The department seeks to provide students opportunities to develop specific skills to work with tools and materials within a chosen area of fine arts.

Mission

The goal of the Department of History, Philosophy, and Political Studies is twofold. First, the department provides academic courses and experiences to prepare the graduate with the skills and knowledge for either employment or graduate and professional studies. The content of the majors and minors gives an overview of the progress of civilization by the study of history, cultures, ideas, and politics from a Christian context. Second, courses in the department are designed to meet the liberal arts core requirements of all students by cultivating an understanding of our political, intellectual, and cultural heritage.

The department offers B.A. majors in history; in history with Teaching Licensure, 7–12; in history with interdisciplinary emphasis; and in law and politics. The department also offers minors in history, legal studies, philosophy, and political studies.

The study of history develops an understanding of the past as it relates to the modern world. The knowledge of the conflicts and achievements of the past promotes thoughtful and responsible citizenship. In addition, the study of history encourages an appreciation and understanding of the diversity in the world community. The study of history develops skills in perceptive reading, critical thinking, good writing, and the ability to communicate intelligently and clearly.

The study of philosophy provides opportunities to apply critical thinking skills to ordinary and extraordinary aspects of life. It explores areas of the philosophy of mind, science, religion, logic, ethics, and knowledge from a Christian perspective. The study of philosophy encourages a search for truth and meaning in life. It is also a way of thinking that encourages a rational and critical approach to the human experience.

The study of law and politics focuses on the study of American national and state government, constitutional foundations, law, policy development and implementation, political behavior, and civil liberties. In addition, studies in comparative government and international relations offer opportunities to understand the political complexity of the modern global community and the conduct of the business of nations.

Only the teaching majors in history and law and politics lead directly to a professional career. However, a major in the department prepares graduates for advanced study in law and other fields. Employers in government and business search for the skills and broadened perspectives learned in the department.

Mission

The mission of the Department of Mathematics and Computer Science is to serve the University by providing training in the development of computing skills among students and faculty and to support other curricula by providing foundational mathematics for students preparing for professional skills and graduate school. The department also seeks to prepare students in mathematics and computer science by sustaining an environment that stimulates and nourishes critical-thinking skills.

The department offers baccalaureate minors in computer science, cybersecurity, and in mathematics; B.S. majors in computer science, cybersecurity, interactive digital design, and mathematics; a Teacher Licensure in mathematics; and a certificate in cybersecurity.

Department of Nursing Dr. Chris White Chair and Associate Professor

Mrs. Rebecca Bush, *Assistant Professor* Mrs. Suzanne Gillson, *Assistant Professor* Mrs. Linda Hodges, *Instructor* Dr. Sarah Pierce, *Associate Professor* Dr. Robert Spencer, *Associate Professor* Dr. Raven Wentworth, *Associate Professor* Dr. Beth Youngblood, *Associate Professor*

Mission

The mission of Freed–Hardeman University's Department of Nursing is to provide graduates with a foundation of Christian values on which nursing knowledge, skills, and attitudes are learned for the purpose of providing holistic care to individuals, groups, and communities in need and for succeeding in the dynamic and challenging discipline of professional nursing.

The Department of Nursing offers a Bachelor of Science in Nursing (B.S.N.). The baccalaureate degree in the nursing program is accredited by the Commission on Collegiate Nursing Education (http://www.ccneaccreditation.org). The Bachelor of Science in Nursing curriculum is divided into two sections. The first section consists of liberal arts core content derived from the natural sciences, behavioral sciences, liberal arts, humanities, and Bible. The second section consists of nursing courses with content from the major nursing areas: fundamental concepts of nursing; skills for healthcare professionals; and care of adults, children, maternity patients, and the mentally, as well as the physically ill. Nursing care of all age groups, promotion and maintenance of health, prevention and detection of illness, and restoration of health are included. Clinical, simulation, and skills lab are included. **Any student interested in nursing should focus on the pre-nursing admission** requirements, students are admitted to the Nursing program and begin nursing courses in the Fall semester on the Henderson campus and in the Fall and Spring semesters on the Dickson campus.

Nursing courses must be taken in sequence. Nursing courses involve lecture, independent learning experiences, and clinical experiences within the community. Students must earn a grade of "C" or better in all nursing courses taken in order to progress to the next semester of the nursing program.

Upon successful completion of the B.S.N., the graduates will then be required to obtain their license to practice as a Registered Nurse. Graduates can apply for licensure in the state of their choosing.

To ensure public protection, State Boards of Nursing and the National Council of State Boards of Nursing (NCSBN) requires a candidate for licensure to pass an examination that measures the competencies needed to perform safely and effectively as a newly licensed, entry-level nurse. This examination is the National Council Licensure Examination for Registered Nurses (NCLEX-RN). The

FHU Department of Nursing will assist the student through the application process during the nursing capstone course in their senior year.

Mission

The College of Biblical Studies seeks to teach the Bible to all students, to provide a unifying core of truth and Christian ideals for the University, and to help educate capable preachers of the gospel. Since the study of the eternal truths of the Bible contributes to the strength, dignity, wisdom, and ethical standards considered essential to those in any career, Bible study is integrated into each student's program. Courses emphasize global awareness and critical thinking skills.

The college offers a B.A. and a B.S. degree both with emphasis in: Bible Text, Christian Apologetics, Ministry, Missions, Preaching, and Youth and Family Ministry. There are core classes that all Bible majors take. The college offers six minors in Bible.

Undergraduate Bible Requirements for Transfer Students Majoring in Bible

Any transfer student majoring in Bible must complete at least twelve (12) semester hours in Bible at FHU to receive his/her degree.

Transfer Policy Relating to Schools of Preaching

The College of Biblical Studies at FHU will accept graduates from schools of preaching (two-year, full-time programs) as transfer students. A student so admitted will usually receive up to thirty-two (32) hours of transfer credit after evaluation of an official transcript. All credit is accepted as lower-division credit regardless of the course designation at the school of preaching.

Students who have attended but have not graduated from schools of preaching may also have some transfer hours accepted.

Bible majors who would like to have consideration given to acceptance of additional hours must petition the Dean of the College of Biblical Studies in writing during their first semester as a Bible major. The student must demonstrate that the mastery of subject matter is comparable to that of students enrolling in these courses at FHU.

Credit between sixteen (16) and thirty-two (32) hours may be accepted as determined by a committee of two members of the FHU Bible faculty. A decision regarding the specific number of credits will be made on the basis of the following:

- The student's official transcript and a letter of recommendation from the school of preaching,
- Catalog descriptions of courses under consideration,
- Review of syllabi, tests, and requirements for some courses may be required, and
- Review of faculty credentials.

Each transfer student will be considered individually within the guidelines of this policy. Students are therefore encouraged to make the request early in their first semester of enrollment at FHU.

Credit for Bible languages will not be accepted for transfer. Students may request a proficiency examination to show competency for enrollment in advanced language courses.

A minimum of fifteen (15) upper-division hours in Bible at FHU must be earned to complete a major in Bible. No more than twelve (12) hours from a school of preaching may be applied to a minor within the College of Biblical Studies.

Transfer students from schools of preaching must meet all FHU graduation requirements.

GRADUATE SCHOOL OF THEOLOGY

Dr. Justin Rogers Director and Associate Professor

Mission

The mission of the Freed–Hardeman University Graduate School of Theology is to prepare men and women for service to the church by providing advanced Christ-centered training in biblical studies, theology, and ministry.

Generations of ministers, missionaries, church leaders, and others have regarded Freed–Hardeman University as a premier institution for ministerial training. This is a heritage that is dear to FHU, and it is a heritage that has been a driving force in the design and continuous development of the University's graduate Bible courses, degree programs, evangelistic opportunities, and student and faculty scholarship.

In recent years, FHU has worked to broaden the scope of her influence by offering online courses and programs to those who are geographically distant from campus. This has allowed us to serve those who desire the FHU experience but cannot come to the physical classrooms.

The Graduate School of Theology offers five degrees: the Master of Arts in Ministry, the Master of Arts in New Testament, the Master of Arts in Old Testament, the Master of Arts in Pastoral Care and Counseling, and the Master of Divinity.

Accreditation

The Graduate School of Theology is accredited by the Commission on Accrediting of the Association of Theological Schools, 10 Summit Park Drive, Pittsburgh, PA 15275–1110; (412) 788-6505, ext. 226. The following degree programs are approved by the Commission on Accrediting: The Master of Arts in Ministry, the Master of Arts in New Testament, and the Master of Divinity.

Capstone Projects

- Thesis
- Internship

Thesis

Students who write a thesis in partial fulfillment of the requirements for the **Master of Arts in Old Testament** or **Master of Arts in New Testament** degrees must hold "regular admission" status, have a GPA of 3.00 or above on at least twenty-four (24) hours, submit a written thesis proposal to the appropriate director, receive the director's approval, present a thesis which reflects original investigation, and then defend it orally. The thesis proposal is required to be submitted after the completion of twenty-four (24) hours of coursework.

Thesis written for the M.A. in New Testament and M.A. in Old Testament and as an elective for the M.Div. degree is usually 100-125 pages in length. A faculty mentor will be assigned to guide the process. A thesis handbook describes the project and timeline.

Internship

The **Master of Arts in Ministry** or **Master of Arts in Pastoral Care and Counseling** student is expected to complete a six (6) hour internship. The student must hold "regular admission" status and have a GPA of 3.00 or above on at least twenty-four (24) credit hours. The internship is linked to a course the student has previously completed. For more information, please contact the Director of the Graduate School of Theology.

The **Master of Divinity** student is also required to do an internship but may also write a thesis as an elective. If a student chooses to do a thesis, the student must hold "regular admission" status, have a GPA of 3.00 or above on at least twenty-four (24) hours, submit a proposal, receive the director's approval, present a thesis which reflects original investigation, and then defend it orally. Students who anticipate graduate studies beyond the master's level are encouraged to write a thesis. Detailed instructions regarding thesis writing may be obtained in the director's office.

Master of Arts in Ministry

The Master of Arts in Ministry is designed for students who wish to have advanced study in the practical aspects of ministry. Those who would benefit would be preachers, Bible school teachers, youth ministers, writers of Bible school literature, counselors, and people in the helping fields. The student who earns the Master of Arts in Ministry degree will complete forty-two (42) hours of coursework and six (6) hours of internship for a total of forty-eight (48) semester hours. Graduate Certificate in Counseling for Church Leaders

The Graduate School of Theology and the Department of Behavioral Sciences and Master of Science in Clinical Mental Health Counseling program offers a Graduate Certificate in Counseling for Church Leaders. Ministers, associate ministers, youth ministers, family-life ministers, and/or elders who have interest or duties in counseling are encouraged to enroll in this certificate program. The interdisciplinary design of the certificate is reflected in a combination of graduate theology and counseling courses. Students will gain an understanding of basic counseling skills, using scripture in counseling and specific areas of counseling that church leaders are often called upon to perform. The certificate program will give students an opportunity to strengthen and refine their skills whether for members inside the congregation or as an outreach for those in need. Students who successfully complete the Graduate Certificate in Counseling for Church Leaders will be better prepared to meet individual and family needs of those seeking help and support within a church context. This certificate (for credit) will be presented an official certificate when the program of study is completed. If you are interested in obtaining this certificate, contact the Office of Graduate Counseling at (731) 989-6638.

Mission

The mission of the College of Business is to glorify God by providing a student-centered education that prepares graduates to serve as Christian business professionals.

The College of Business is nationally accredited by the Accreditation Council for Business Schools and Programs (ACBSP) and provides students with the knowledge and skills necessary to prepare for excellent employment opportunities in the business world or for advanced study in business administration. Professional business training is provided by exceptional faculty who are both academically and professionally qualified. Business faculty members are committed to helping students cultivate faith, strengthen service attitudes, and develop balance in church, family, community, and career. Courses taught on the Henderson campus are taught in the Brown–Kopel Business Center (BK), which provides an outstanding learning environment for developing the tools demanded in today's competitive business environment.

The following degree programs are offered: Bachelor of Business Administration (B.B.A.) degree in accounting, business analytics, finance, management, marketing, and sport administration *(pending SACSCOC approval)*; Master of Business Administration (M.B.A.); and the Master of Business Administration (M.B.A.) degree in healthcare management. The College of Business also offers a dual B.B.A./M.B.A. degree in accounting, business analytics, finance, healthcare management, management, management, marketing, and sport administration *(pending SACSCOC approval)*.

Business Advisory Council

The Business Advisory Council is comprised of business professionals who voluntarily share their time, expertise, and experience to assist the college in accomplishing its educational mission. Business Advisory Council members assist in assessment, curriculum development, placement, planning, promotion, and establishment of linkages between the College of Business and area businesses and industry.

Tibbals Center for Business Research and Education

The Tibbals Center for Business Research and Education (TCBRE) seeks to improve linkages between the College of Business and area businesses and communities, promote individual and cooperative faculty research, public service, professional development, and provide increased opportunities for student learning and service.

Professional and Honor Organizations

Professional and honor organizations for majors in the College of Business consist of Delta Mu Delta, Society for Future Accountants, Society for Future Marketers, and the Clayton Investment Team.

Certifications

Students interested in obtaining certification should discuss plans with their advisor.

Certified Public Accountant

To become a Certified Public Accountant (CPA) in Tennessee, candidates must obtain a baccalaureate degree including one hundred fifty (150) semester hours from an accredited college or university. This must include: thirty (30) semester hours in accounting (24 of which are upperdivision) and twenty-four (24) semester hours in business courses (12 of which are upperdivision). The candidate must then pass the Uniform CPA Examination, an Ethics Examination, and complete one (1) year of experience in accounting acceptable to the Tennessee State Board of Accountancy. All states now require one hundred fifty (150) semester hours, but some states require specific accounting courses, such as accounting theory or governmental and non-profit accounting. Please reference the Accreditations and State Authorizations webpage on FHU's website prior to enrolling in a licensure program to obtain further information, including contact information for the applicable licensing board in your respective state of residence.

Chartered Financial Analyst

The B.B.A. in Finance degree program has been accepted into the Chartered Financial Analyst (CFA) Institute University Recognition Program. This status is granted to institutions whose degree program(s) incorporate at least 70 percent of the CFA Program Candidate Body of Knowledge (CBOK), which provides students with a solid grounding in the CBOK and positions them well to sit for the CFA Examinations. Those interested in taking the CFA-Level 1 Exam should speak to their advisor regarding recommended courses, exam scholarships, and test preparation materials available through the Finance program.

Admission Requirements for B.B.A. Degree Programs

Students seeking a B.B.A. degree must complete the following courses with a combined GPA of at least 2.50 to remain in the program. A student majoring in business may not take more than twenty-four (24) hours of business courses before completing this requirement.

- ACC 231 Principles of Accounting I
- ECO 271 Macroeconomics OR

- ECO 272 Microeconomics
- MAT 235 Introductory Statistics
- MGT 241 Principles of Management
- MKT 261 Principles of Marketing

Admission Requirements for B.B.A./M.B.A. Degree Programs

Students seeking a B.B.A./M.B.A. degree must meet the following criteria:

- Completion of sixty (60) plus earned credit hours with a cumulative GPA of 3.00 or higher
- A minimum score of either a 450 on the Graduate Management Admissions Test (GMAT) or a combined score of 290 on the Graduate Record Examination (GRE)

NOTE: The GMAT or GRE is waived for students with a GPA of 3.40 or higher.

Transfer of Credit

- Transfer credit with a grade lower than "C" may not satisfy a course requirement for a B.B.A. degree.
- Business courses completed at the lower-division level at another institution that are offered at the upper-division level at FHU must be validated by taking another course at FHU in the same discipline.
- In order to receive a B.B.A. degree, a student must complete at least eighteen (18) hours from the College of Business at FHU that includes at least nine (9) hours in the discipline of the major that has been chosen.

Post-Baccalaureate Accounting Certificate (PBAC)

This program is designed for individuals who have earned a baccalaureate degree in a discipline other than accounting and who are seeking functional competency in the accounting field. In combination with a previously earned baccalaureate degree in business, this program meets the academic eligibility criteria for admission to take the Uniform Certified Public Accountant (CPA) examination in Tennessee.

Admission Requirements

Candidates must apply to the University and gain "regular admission" status and be accepted as a candidate for the certificate program by the College of Business.

Program Requirements

Post-baccalaureate accounting certificate candidates must fulfill the following specific requirements:

- 1. A minimum of twenty-four (24) semester hours of accounting completed at the upperdivision level. Previously earned accounting courses may be applied upon approval; however, at least eighteen (18) credit hours must be completed at FHU.
- 2. Certificate students must maintain a minimum of a 3.00 GPA in FHU coursework needed for the certificate; a course grade below "C" is not applicable toward meeting certification requirements.
- 3. Under the direction of an assigned program advisor, candidates will complete an individually approved curriculum based on the following outline:

| Post-Baccalaureate Accounting Certificate (PBAC) | | | 24 HOURS |
|--|------------|--|----------|
| Required | d Courses: | | |
| ACC | 330 | Intermediate Accounting I | 3 |
| ACC | 331 | Intermediate Accounting II | 3 |

| ACC | 435 | Advanced Accounting | 3 |
| ACC | 436 | Principles of Auditing I | 3 |
| | | Internship (no more than 3 hours) AND/OR | (3) |
| | | Elective ACC courses | (3-6) |

NOTE: Candidates with a degree in a non-business field would also be required to have twentyfour (24) credit hours of general business courses in order to qualify for the Certified Public Accountant (CPA) examination in Tennessee. All necessary course prerequisites must be met.

GRADUATE STUDIES IN BUSINESS ADMINISTRATION

Dr. Bryan Black Director and Associate Professor

The Master of Business Administration (M.B.A.) is designed for students wishing to expand their knowledge and credentials in the field of business. The degree requires thirty (30) hours of coursework. Electives are offered for students pursuing CPA Licensure or those pursuing a general business degree. Most courses are offered in an online format and are scheduled to enable the student to complete the degree in one (1) year. A Master of Business Administration in healthcare management is also offered.

The College of Business also offers dual Bachelor Business Administration (B.B.A.) and Master of Business Administration (M.B.A.) degrees in accounting, business analytics, finance, management, and marketing; as well as dual B.B.A./M.B.A. degrees in healthcare management. The dual degree programs are available to all FHU students seeking their B.B.A.

Students are encouraged to access the following website for the most current information about the M.B.A. program at www.fhu.edu/mba.

COLLEGE OF EDUCATION AND BEHAVIORAL SCIENCES

Dr. Sharen L. Cypress **Dean and Associate Professor**

Mission

In the College of Education and Behavioral Sciences, our commitment is to provide quality preparation programs for pre-service and advanced level professionals who become leaders in their fields. In keeping with the mission of Freed-Hardeman University, we are dedicated to Christian faith and practice and the pursuit of academic excellence in a supportive environment.

Two departments constitute the College of Education and Behavioral Sciences: the Department of Education and the Department of Behavioral Sciences. Over 5 majors, 6 minors, and 19 teacher licensure areas are provided for students at the undergraduate level, while ten degrees are offered at the graduate level. Students in this College are trained to serve the needs of a rapidly changing society within diverse global communities. Upon graduation, our students are able to successfully demonstrate rigorous learning outcomes as they become agents of transformation for those they will reach in their respective professions.

Accreditations and State Approvals

In the College of Education and Behavioral Sciences, the success of our programs is documented by national and state accrediting agencies: the Council on Social Work Education (CSWE), the National Council on Family Relations (NCFR), the National Council on Family Relations (NCFR), the Council for the Accreditation of Educator Preparation (CAEP), and the Tennessee Department of Education (TDOE).

Mission

The Department of Behavioral Sciences seeks to assist students in understanding human behavior, child development, family relations, social deviance, and societal and cultural changes. In addition, the department seeks to prepare students with intellectual and vocational skills to function in a variety of professional service occupations.

The department offers baccalaureate majors in family sciences, criminal justice, psychology, and social work. The family sciences major is designed according to the National Council on Family Relations' standards for certification as a Family Life Educator. Students wishing to seek certification must apply with the Certification Committee of the National Council on Family Relations. The department offers baccalaureate minors in behavioral sciences, criminal justice, family and child sciences, family science/family life education, psychology, and social work.

The department also offers a Master of Science in Clinical Mental Health Counseling. This program provides a clinically based graduate program of counseling courses which will instill in students the basic, advanced, and specialized counseling theoretical knowledge and clinical skills needed for students to perform effectively as culturally sensitive licensed and/or nationally certified mental health counselors.

The Department of Behavioral Sciences offers a Doctor of Behavioral Health (D.B.H.) degree. The degree is designed for licensed mental health and healthcare practitioners who desire a practice degree as opposed to a more traditional research degree. The D.B.H. integrates elements of core behavioral healthcare with principles of Christian faith to intersect with the changing healthcare marketplace. Two tracks are available: Clinical Executive Leadership and Clinical Counseling Licensure.

The Social Work program is accredited at the B.S.W. level by the Council on Social Work Education and prepares competent and effective entry–level generalist social workers who are committed to the enhancement of human well-being by affirming as values both the inviolability of individual life and respect for cultural diversity. With a liberal arts foundation and within a Christian environment (that emphasizes caring for the poor and the marginalized, and working toward a community that is just and non-judgmental), the social work student will be able to integrate the knowledge, values, skills, and cognitive affective processes of the profession into a broad range of social work practice.

Admission to the Social Work Program

Students who wish to enter the Social Work program must apply to the Director of the Social Work program after they have completed SWK 150 Introduction to Social Work and three (3) additional hours in social work.

Criteria for admission are:

- A cumulative grade point average of 2.00,
- Recommendations completed by three individuals other than students, family, or social work instructors,
- Completion of the application form for program admission, and
- Meeting University suitability standards.

The Social Work program faculty evaluates all students on the basis of these factors. When the committee has completed its evaluation of the applicant, a report is sent to each student for his/her information.

Admission to Social Work Practicum

Students in the Social Work program who plan to complete a practicum must meet the criteria stated in the above section, with the exception that a 2.50 GPA is required to register for SWK 497 Senior Social Work Practicum. While taking SWK 454 Seminar in Social Work Practice, students will have a scheduled conference with the program faculty. At this time, the student's strengths and weaknesses relating to understanding of needed skills, knowledge, and values will be discussed as well as the student's interest in the social work practicum. Should the student lack proficiency in any of these areas, he/she may be advised to complete further coursework or to participate in personal counseling before the practicum.

Child Welfare Certification

A certification in child welfare is available to social work majors who meet the eligibility requirements and are accepted to the Tennessee Child Welfare Certification Program. Additional details about eligibility for the program are available from the Director of the Social Work program.

Professional and Honor Organizations

Professional organizations in the Department of Behavioral Sciences consist of the Social Work Students in Action (SWSA) and the Criminal Justice Association (CJA).

Professional honor organizations in the Department of Behavioral Sciences consist of Psi Chi for psychology majors and graduate counseling students, and Omicron Psi chapter of Phi Alpha Honor Society for social work majors.

GRADUATE STUDIES IN COUNSELING

Clinical Mental Health Counseling (M.S.) Dr. James H. Dalton *Director and Associate Professor*

Mission

The Master of Science in Clinical Mental Health Counseling is designed to meet the needs of college graduates who desire training in counseling-psychotherapy and wish to provide such services to individuals, couples, groups, and families. Freed–Hardeman University's M.S. in Clinical Mental Health Counseling program integrates elements of the core mental health professions with principles of the Christian faith to produce graduates ready for the clinical practice of professional counseling.

The Master of Science in Clinical Mental Health Counseling requires that students satisfactorily complete sixty-one (61) semester hours of coursework and pass a comprehensive examination. Included in the sixty-one (61) hours are a practicum and an internship in which students complete counseling and counseling-related activities. These experiences take place in a clinical mental health counseling setting under the supervision of well-trained counselor supervisors.

Career Opportunities. A master's degree in clinical mental health counseling (with additional graduate work and licensure where required) may lead to employment in a variety of settings, such as community agencies, children and family services agencies, churches, counseling clinics, business-employee assistance programs, and private practice. Further study at the doctoral level may prepare students for faculty positions at various schools, colleges, and universities.

NOTE: Students **will be required** to carry **liability insurance** once accepted into the program. Coverage is offered through a number of insurance agencies; however, joining the American Counseling Association (ACA) as a student member will give access to the ACA student insurance. Students are also required to join at least one counseling association as a student member. Students must uphold the *ACA Code of Ethics* (2014) and professional dispositions as students.

The Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body recognized by the Council for Higher Education Accreditation (CHEA), has granted accreditation to the Clinical Mental Health Counseling (M.S.) program.

National Certification and State Licensure

Freed–Hardeman University has designed the Master of Science in Clinical Mental Health Counseling (CMHC) to comply with CACREP accreditation standards for CMHC specialization programs. The CMHC program is also designed with National Certification and State of Tennessee Licensing Requirements as its model. The specific requirements of the National Certified Counselor Credential can be accessed online at the website of the National Board for Certified Counselors (http://www.nbcc.org/Certification). The specific requirements for the Licensed Professional Counselor, Mental Health Service Provider license in Tennessee can be accessed online at the website for the Tennessee Board of Licensed Professional Counselors, Licensed Marital and Family Therapists and Licensed Pastoral Therapists (https://www.tn.gov/health/health-programareas/health-professional-boards/pcmft-board.html).

GRADUATE STUDIES IN COUNSELING

School Counseling (M.S.) Dr. James H. Dalton Director and Associate Professor

Licensure Program

Freed-Hardeman University offers a Master of Science (M.S.) in School Counseling also leading to Tennessee Licensure as a school counselor for K-12 schools. This program consists of a unique blend of graduate classes in education, special education, and counseling leading to the knowledge and skills necessary to work with students, parents, teachers, administrators, and outside agencies. The plan consists of sixty-one (61) hours of coursework, including three (3) hours of practicum and six (6) hours of internship in which the students gain experience providing counseling in a school setting. Those without teaching licensure and/or classroom experience are required to complete a practicum in a K-12 public classroom setting as leveling coursework. In addition to the competencies required for program approval by the state of Tennessee, those proposed by the American School Counselor Association, specialized accreditation bodies, and related educational programs were used in the development of this program.

Students must have a minimum 3.00 graduate GPA and pass the required Praxis examination before a recommendation will be made for a license in school counseling.

NOTE: Freed–Hardeman University reserves the right to deny admission to any applicant due to matters of conduct, background, and/or perceived potential as a counselor or educator. Students **will be required** to carry **liability insurance** once accepted into the program. Coverage is offered through a number of insurance agencies; however, joining the American Counseling Association (ACA) as a student member will give access to the ACA student insurance. Students are also required to join at least one counseling association as a student member. Students must uphold the ACA Code of Ethics (2014) and professional dispositions as students.

Internships. The internships are the culminating experience in which the student practices the knowledge and skills learned in program coursework and in which he/she is expected to demonstrate mastery. These are cooperative ventures involving the student, a school district, and the University in which there is provided an environment to experience the responsibilities of a school counselor with the support and guidance of a mentor counselor. This experience will consist of the equivalent of full-time work for one semester (600 hours).

Licensure. After both internships are completed, the clinical portfolio finished, and Professional School Counseling Praxis® Test has been passed, then the student is ready for an exit interview with the Director of School Counseling. If all requirements are completed, the student will then be qualified to apply for licensure through FHU's licensure officer, Mrs. Jill Jackson, at (731) 989-6082.

Teaching Experience. This program will have as an emphasis in the preparation of licensed teachers to add to their credentials the licensure as school counselors. Those who do not have a teaching licensure and/or experience as a classroom teacher will be considered for admission on an individual basis after a formal interview with the program director. If approved, a program will be planned which will include an additional pre-practicum in a K-12 classroom.

Those currently holding a master's degree in counseling or education have the option of pursuing a licensure–only track. These will be evaluated on an individualized basis.

GRADUATE STUDIES IN COUNSELING

Graduate Certificates in Counseling Dr. James H. Dalton *Director and Associate Professor*

The Department of Behavioral Sciences offers several graduate certificates in counseling, such as the graduate certificate in counseling for church leaders, the post-master's graduate certificate in professional counseling, and the post-master's graduate certificate in advanced counseling.

These graduate certificates are designed to meet specific purposes. The graduate certificate in counseling for church leaders is designed to assist ministers, elders, and others interested in counseling to prepare for integrating counseling in a ministry (non-professional and non-licensure) role. The graduate certificate in advanced counseling is designed to assist master's level clinicians in seeking additional training and education in specialized counseling areas, which were not involved in their master's degree program. The graduate certificate in professional counseling is designed to assist those who have a master's degree in counseling or in a related field but who do not meet all of the state licensure requirements with completing the specific missing requirements. Further explanation of the purposes of each certificate can be found below.

NOTE: Students enrolled in a counseling certificate program at FHU are required to uphold the *ACA Code of Ethics* (2014) and professional dispositions as students. None of the certificate programs is sufficient to pursue a state licensure as a professional counselor; instead, a master's degree in counseling would be required.

Graduate Certificate in Counseling for Church Leaders

The College of Biblical Studies, the Department of Behavioral Sciences, and Master of Science in Clinical Mental Health Counseling program offer a Graduate Certificate in Counseling for Church Leaders. Ministers, associate ministers, youth ministers, family life ministers and/or elders who have interest or duties in counseling are encouraged to enroll in this certificate program. The interdisciplinary design of the certificate is reflected in a combination of graduate Bible and counseling, and specific areas of counseling that church leaders are often called upon to perform. The certificate program will give students an opportunity to strengthen and refine their skills whether for members inside the congregation or as an outreach for those in need. Students who successfully complete the Graduate Certificate in Counseling for Church Leaders will be better prepared to meet individual and family needs of those seeking help and support within a church context. This certificate (for credit) will be presented an official certificate when the program of study is completed.

NOTE: Students enrolled in a practicum or internship course **will be required** to carry **liability insurance**.

Admission Requirements:

- 1. Compliance with graduate admissions procedures as listed previously within the catalog in the "graduate admissions" section.
- 2. Prerequisites: The applicant must have completed a master's degree in counseling or a related field with a minimum 3.00 GPA or be enrolled in a master's degree program at FHU.
- 3. Personal essay specifying goals and how the FHU program will help meet those goals (300-500 words).
- 4. Freedom from Conviction of Crimes Form.
- 5. Interview with the Counseling Admissions Committee.

Program Requirements:

Certificate students must maintain a minimum of 3.00 GPA in FHU coursework needed for the certificate. A course grade below "C" is not applicable toward meeting certificate requirements. Courses must be completed within a six-(6) year period.

Graduate Certificate in Advanced Counseling

The Graduate Certificate in Advanced Counseling is offered by the Department of Behavioral Sciences. Individuals who have a master's degree in counseling (or a related field) can pursue this certificate to further strengthen and enhance their counseling skills. Master's level counselors frequently desire to take coursework to meet continuing education requirements, to gain training in specific areas, and/or to meet professional credentialing requirements. The Graduate Certificate in Advanced Counseling enables them to also receive a recognized graduate certificate while pursuing these other areas of interest.

Admission Requirements

- 1. Compliance with graduate admission procedures as listed previously within the catalog in the "grade admissions" section.
- 2. Prerequisites: The applicant must have completed a master's degree in counseling or a related field with a minimum of 3.00 GPA.

Graduate Certificate in Professional Counseling

The Graduate Certificate in Professional Counseling is offered by the Department of Behavioral Sciences. Individuals who have a master's degree in counseling (or a related field), but who lack coursework necessary to become licensed as a professional counselor, can pursue this certificate to assist them in meeting the requirements for licensure within their respective state. The certificate program gives students the opportunity to strengthen and refine their skills and to obtain foundational knowledge within core counseling areas as required for state licensure.

Admission Requirements

- 1. Compliance with graduate admission procedures as listed previously within the catalog in the "graduate admissions" section.

GRADUATE STUDIES IN COUNSELING

Doctor of Behavioral Health Dr. Michael Cravens Director and Professor

Mission

The Doctor of Behavioral Health (D.B.H.) is a post-master's professional degree designed for licensed healthcare professionals or those working on license; including clinical mental health counselors, certified/licensed alcohol and drug counselors, clinical social workers, marriage and family therapists, clinical pastoral therapists, psychiatric nurses, school psychologists, physicians assistants, senior psychological examiners, rehabilitation counselors, nurse practitioners, or speech pathologists. Freed–Hardeman University's Interdisciplinary Doctor of Behavioral Health program integrates elements of core behavioral healthcare with principles of Christian faith to produce graduates ready for service and competent executive leadership in today's behavioral healthcare.

The Doctor of Behavioral Health program, offered through the College of Education and Behavioral Sciences, prepares current and future healthcare providers for the newly transformed medical care marketplace, one that demands evidence-based, and cost effective behavioral interventions. This program ensures students develop the advanced clinical skills, executive leadership, and business insights necessary to meet the leadership demands of this evolving marketplace that emphasizes integrated care. The D.B.H. 60–hour doctoral degree is offered through web-conferencing. The curriculum focuses on:

- An integrated behavioral health program designed to meet the "triple aim" of improved patient experience of care, better clinical outcomes, and reduced over-utilization and cost of care;
- Advanced clinical skills to meet the needs of the new Accountable Care Organization Model and improve the efficiency of healthcare delivery; and
- The executive leadership and clinical counseling tracks enable students to maximize earning potential by identifying and filling organizational and/or market demands.

The Doctor of Behavioral Health requires that students satisfactorily complete sixty (60) semester hours of coursework which includes an applied doctoral capstone project. The D.B.H. is designed for full- or part-time study and is developed to be ideal for the working professional.

Career Opportunities. A doctoral degree in behavioral health may lead to employment in a variety of settings, such as non-profit community agencies, children and family services agencies, community mental health centers, churches, counseling clinics, business-employee assistance programs, private practice, medical practice offices, and hospitals.

NOTE: Students **will be required** to carry **liability insurance** (provided by his/her employer or by the student) once accepted into the program.

Path to Admission

Consistent with other graduate programs offered at FHU, applicants for admission into the Doctor of Behavioral Health (D.B.H.) program must submit and comply with the following for consideration and acceptance:

- 1. Minimum cumulative GPA of 3.50. (Applicants with lower GPA, see "conditional admission".)
- 2. Complete the online application.
- 3. Submit official transcripts from **all post-secondary institutions**.
- 4. Provide a copy of a current unencumbered license in the state in which the practice will occur.
- 5. Submit three completed electronic Recommendation Forms: one from an employer or supervisor, one from a church leader or leader in another service organization, and one from a professional colleague or former professor.
- 6. Write and present an essay (500 word minimum) providing a professional statement of past clinical and/or work experiences, scholarly activities, and community service and goals in obtaining this professional doctorate.
- 7. Present a current resume or curriculum vitae.
- 8. Interview, in person or via phone, with the current Doctoral Admissions Committee. After the initial review of the application, applicants will be contacted for a formal interview. If the interview results in a positive evaluation, the applicant will continue to be considered for acceptance.
- 9. Demonstrate good spiritual, mental, and emotional health/stability consistent with the demands of the D.B.H. program and FHU's heritage of Christian values.

NOTE: Applicants are required to be computer literate and have a computer, printer, and Internet service provider with high-speed broadband Internet access. If accepted, each D.B.H. student will be required to comply with FHU's **Academic Computing Standards for Students**.

Additional Requirements for Clinical Executive – Leadership Track

- 1. An earned master's degree (a minimum of 48 semester hours) from a regionally accredited college/university, in a health-related field of study (clinical mental health counselors, certified alcohol and drug counselors, clinical social workers, marriage and family therapists, clinical pastoral therapists, psychiatric nurses, school psychologists, physicians assistants, senior psychological examiners, rehabilitation counselors, nurse practitioners, speech pathologists, or art/music/play therapists) from a regionally accredited college/university.
- 2. Current state licensure or working on licensure as a practitioner in a mental-health discipline or health-related discipline.
- 3. Two (2) years of post-licensure or post-masters clinical experience.

Additional Requirements for Clinical Counseling – Licensure Track

- 1. An earned master's degree from a regionally accredited college/university.
- 2. Have completed twelve (12) undergraduate or graduate courses in behavioral sciences or closely related, such as organizational behavior, pastoral counseling, etc.
- 3. Two (2) years of post-masters work experience.

Program Advisor

A program advisor will be assigned once a student is admitted into the program. The program advisor will assist the D.B.H. student from admissions to graduation and will provide support throughout the vital points of the program.

D.B.H. Qualifying Examination

The purpose of the Qualifying Exam is to certify a reasonable standard of a student's accumulated knowledge within the student's academic coursework, ability to integrate core behavioral health concepts, and evaluate the potential to complete the remaining coursework and move towards the final Capstone Courses. The student and the student's advisor should review details for the Qualifying Exam before submitting the application and setting an examination date.

The Doctor of Behavioral Health (D.B.H.) program requires doctoral students to be assessed before admission to Candidacy in the D.B.H. program. Students must submit an application to take the Qualifying Exam after completing forty-five (45) semester hours of coursework. Application forms can be picked up in the Behavioral Sciences Department, located at Freed–Hardeman University's Henderson, Tennessee campus or on the program's FHU website. Additional information on the Qualifying Exam includes:

- The Qualifying Exam is a written exam.
- No examination fee is required.
- The student must be currently enrolled to take the Qualifying Exam.
- The exam is only administered when Freed–Hardeman University is officially in session.

The Qualifying Exam will be administered as a take-home Qualifying Exam. After release of the Qualifying Exam, students will have one week to complete the examination and submit their responses. Students will receive five (5) written questions on a designated Monday by 5 pm and must return their answers by 5 pm the following Monday (one week). The student and the major advisor will agree upon the dates of the written examination. Answers to exam questions must be typewritten. Students may use their own computers or ones on campus. Each question should be answered in no less than 10 and no more than 20 complete pages. Answers should be typed, double-spaced, and in accordance with APA style.

Because this is a take-home exam, answers will reflect depth of scholarship, grammatical proficiency, and clinical application. Students cannot discuss the questions or answers with anyone, at any time, nor by any means during or after the testing period. Each question should require four to eight hours. Although the student may exercise some flexibility, it is not expedient to spend days on one question at the expense of the others. Students who do not make a serious attempt to answer all questions run the risk of not being given the opportunity to rewrite the question(s) in the neglected domain. This decision will be made by the program director based on the circumstances. Students are expected to act ethically and abide by all relevant University principles during the examination period. Ethical guidelines to consider are:

- Breach of confidentiality or plagiarism will be treated as a serious infraction of academic honesty, with consequences up to and including dismissal from the program.
- Students are on their honor to work alone in constructing answers to the exam questions; however, books, articles, class notes, and other resources may be used if they are properly cited and referenced according to the APA style and formatting.
- Documentation of a student's performance is recorded on an individualized grading sheet developed by the program director.
- Exams will be blinded with regards to student names. Following APA style requires the header of the document to be consistent and should include the student's ID number, page number, and the title "Qualifying Examination."

Most importantly, understand the **importance** of the Qualifying Exam. The D.B.H. Qualifying Exam is one of the most important written examinations given by the University. Answers should be well written and represent a complete response reflecting deep understanding, scholarly insight, and clinical application. Further directions are as follows:

- Plan your calendar accordingly. Understand you have one week to answer the Qualifying Exam. Extensions will not be approved.
- **Reminder:** this is to be a scholarly document.

- Submitted answers will be based on five courses; three courses selected by the student and placed on the Qualifying Exam application and two research questions (from DBH 700 & 720) selected by the faculty.
- After one week, the exam answers are to be sent to Dr. Mike Cravens, Director of the D.B.H. program (mcravens@fhu.edu).

Prerequisites

Rather than post new dates each semester, the exam period will be available each fall, spring, and summer beginning no earlier than the third week of standard classes (the short-course period does not apply) and must be completed and submitted no later than three weeks prior to final exam week (see current academic calendar). Students are eligible for the Qualifying Exam when they have met the following prerequisites:

- 1. Completion of DBH 700 Orientation to Doctoral Study with a minimum grade of "B"
- 2. Completion of DBH 720 Advanced Research Methods with a minimum grade of "B"
- 3. Completion of forty-five (45) semester hours within the D.B.H. program with an overall GPA of 3.00
- 4. Completion of the Qualifying Exam Application

Grading

A grading rubric will be used to ensure consistent evaluation of exams for all students. The rubric will be made available to students upon their application to take the Qualifying Exam. The rubric provides a framework for assessing each essay. Faculty will have one week, beginning the first working day after exam submission, to review and evaluate a student's completed exam. Each reviewing faculty member will submit a written score of Pass, Revise and Resubmit, or Fail. They will deliver their written responses to the Director of the D.B.H. program. Further discussion of any student deficiencies will be conducted if warranted. Students may be asked to rewrite a question before a final decision is reached. The scoring timeline and other conditions are as follows:

- The program director will notify students of their final score at the conclusion of the oneweek grading period.
- If the student fails the Qualifying Exam, the director of the program will notify the student of the conditions under which a second exam attempt may be taken.
- If the student fails to meet the conditions imposed by the reviewing faculty and director or, if the student fails the second exam attempt, the D.B.H. director and D.B.H. faculty may dismiss the student from the program.
- Appeals for such dismissal must be filed in writing according to the policy and procedures outlined in the current University catalog.

Admission to Candidacy

Admission to the D.B.H. degree program is preliminary to, and distinct from, "admission to candidacy." "Admission to candidacy" marks the advancement of a doctoral student's initial period of study. The program's assessment process helps the faculty determine a student's readiness to continue enrollment into the D.B.H. capstone courses.

A student can apply for candidacy after meeting the following requirements:

- 1. Completion of DBH 700 Residential: Orientation to Doctoral Study with a minimum grade of $``B^{\prime\prime}$
- 2. Completion of DBH 720 Advanced Research Methods with a minimum grade of ``B''
- 3. Completion of forty-five (45) semester hours within the D.B.H. program of study with a program GPA of 3.00

- 4. Submission of the student's approved proposal
- 5. Passing the D.B.H. qualifying examination
- 6. A submitted Candidacy Form within the published University Calendar
- 7. Approval by the Director of the D.B.H. program, faculty within the D.B.H. program, and the student's doctoral committee

By admitting the student to candidacy, the D.B.H. program faculty acknowledges that the student has the knowledge, ability, and motivation to complete the capstone project as well as the oral presentation within the applicable time limits.

Students are required to maintain active candidacy through conferral of the doctoral degree. All requirements for the degree must be completed before candidacy expires. Failure to make minimum progress to complete University and program requirements in a timely or satisfactory manner may lead to dismissal.

Candidacy is valid for three (3) calendar years (through the end of the semester in which candidacy expires, i.e., if a candidacy is granted during the Fall 2021 semester, it will be valid through the end of the Fall 2024 semester). Candidacy can be terminated when a student does not make satisfactory progress or is dismissed from the program for appropriate reasons. Candidacy can, at times, be extended due to medical reasons or other extenuating circumstances.

Students seeking an extension must complete the Candidacy Extension Form before the program's seven-year time limit and before the initial candidacy period expires. Approval is not guaranteed. The Candidacy Extension Form must be submitted to the Director of the D.B.H. program. A student may only request once to extend the candidacy period.

Students are **required** to meet with their **advisor** before applying for candidacy. The Director of the D.B.H. program will notify students whether their application for candidacy is approved or denied.

Doctoral Capstone Project

Professional doctoral degrees are distinguished by the completion of a capstone project that demonstrates synthesis of the student's work and lays the groundwork for future scholarship. The D.B.H. capstone project is an applied scholarly experience that implements the principles of evidence-based practice and transitional science under the guidance of an advisory committee, a faculty mentor/chair, and the Director of the D.B.H. program. Unlike a dissertation, the capstone project may take a number of forms. The theme that links varied capstone project forms is the use of evidence to improve clinical outcomes or to resolve gaps between evidence and implementation in clinical practice.

The capstone project is conceptualized early in the program. The capstone project produces a tangible and deliverable academic product that is derived from the initial residency component and processed throughout the program. Through the capstone project, students demonstrate extensive knowledge of a practice area in combination with advanced clinical skills, program assessment/evaluation, executive leadership, and needed changes within practice, agency, or organization. The capstone project is a significant, evidence-based contribution to behavioral health and existing behavioral health knowledge. It is expected that the project will be of sufficient scholarly and clinical rigor to lead to a publishable product. It is also expected that the project will be of substantial use to the organization, agency, clinic, practice, or setting where the student conducts the project.

Capstone Project Committee. The role of the Capstone Project Committee is to mentor the student in the development and implementation of the capstone project proposal, capstone project, and scholarly manuscript. This will be accomplished by a series of meetings designed to develop, critique, and focus student work. The Capstone Project Committee is expected to provide guidance through the doctoral process and to assist the student to prepare for the capstone project presentation/defense and final draft of the scholarly manuscript. Committee members are expected to regularly communicate with each other and attend (in person) the presentation of the capstone project.

The **committee** consists of three to five advisors:

- 1. Director of the D.B.H. program of study.
- 2. Chair One D.B.H. faculty member (assigned by the director).
- 3. Additional doctoral members (with an academic and/or professional doctorate) with expertise and/or interest in the student's project is outlined in FHU's Doctoral Capstone Manual. Students must submit their additional doctoral committee members for approval by the Director of the D.B.H. program of study.

Students must use and submit a **Capstone Project Committee Agreement Form** for proper processing and approval of their requested committee members.

NOTE: Student and committee member's responsibilities, capstone rules and regulations, and writing format are listed in the **FHU's Doctoral Capstone Manual.**

Continuous Enrollment for All But Capstone (ABC) Students

If students have not graduated after completing all D.B.H. coursework, which includes DBH 790A, DBH 790B, and DBH 790C, students will be considered "all but capstone" (ABC) status. "All but capstone" students **must maintain continuous enrollment until graduation** and must enroll in DBH 790D (Extension of Doctoral Capstone Project) to maintain continuous enrollment each **fall**, **spring**, **and summer** until graduation. Approval must be obtained from the director and/or dean. Students are still required to complete all **program requirements** within seven (7) calendar years.

Program Rules and Regulations

The academic catalog and D.B.H. Manual contains the basic academic rules and regulations of the University and provides course descriptions for the D.B.H. The program website (https://www.fhu.edu/academics/graduate/counseling/dbh) contains the D.B.H. Manual along with various documents and forms pertaining to the D.B.H. program.

Transfer Courses

Students may petition to have prior doctoral/professional coursework accepted for a course listed within the D.B.H. program of study if the prior coursework is **similar in title, content, and rigor** of the D.B.H. course. A maximum of six (6) semester hours will be accepted for transfer hours.

Mission

The Department of Education is the unit that provides the necessary professional education courses for Teacher Licensure. Its role and services in the management of teacher education support the institution's commitment to teacher preparation. In June 1982, the National Council for Accreditation of Teacher Education (NCATE) accredited all major professional education programs offered by Freed–Hardeman University. In Spring 2020, reaccreditation was granted by the Council for the Accreditation of Educator Preparation (CAEP), formerly NCATE.

The Department of Education seeks to prepare its students beyond initial licensure by providing a common core of liberal arts education, an integration of congruent professional courses, guided field experiences, integration of technology into content-specific courses, and a moral commitment to the teaching profession with appropriate continuing assessment in a global democracy built on Christian values.

Organization for Teacher Education

The Dean of the College of Education and Behavioral Sciences oversees the Department of Education. The chair is responsible for the administration of the teacher education programs for the University. The Teacher Education Committee is an institution-wide committee that is responsible for the governance of teacher education programs. It makes policies and monitors all aspects of teacher education. Its membership includes education and other faculty, students, and P–12 practitioners.

Conceptual Framework

The conceptual framework, the foundation of the teacher education program, is rooted in FHU's history beginning in 1869. For the past 150 years, the assumed measure of quality teacher preparation has been determined by the teaching performance of the program's graduates.

Teachers produced by the Department of Education are products of the entire institution, not just of the Teacher Education program. As a result, teacher education must: a) consider the elements that compose the American education system (i.e., children, schools, culture, diversity, values); b) proceed through a broad liberal arts core, strong disciplinary and professional preparation, provide systematic inquiry; and c) emphasize the experience component.

Reflective Educators Seeking to Serve

- 1. **Reflective Educators Seeking to Serve** demonstrate proficiency that enables the application of liberal arts, discipline related, and pedagogical subject matter in planning and implementing instruction.
- 2. **Reflective Educators Seeking to Serve** participate in service activities that improve the welfare of others as taught and modeled by Jesus Christ.
- 3. **Reflective Educators Seeking to Serve** apply content and pedagogical knowledge to the teaching and learning process.
- 4. **Reflective Educators Seeking to Serve** create instructional opportunities especially adapted to the learning styles for diverse learners.
- 5. **Reflective Educators Seeking to Serve** continually reflect on and evaluate choices and actions to improve instruction through critical self-reflection and inquiry.
- 6. **Reflective Educators Seeking to Serve** create a supportive learning community in which students assume responsibility for themselves and for one another.
- 7. **Reflective Educators Seeking to Serve** use effective verbal and nonverbal communications in working with students and media communications that will enhance instruction.
- 8. **Reflective Educators Seeking to Serve** use technology effectively to enhance student learning and for managing the teaching and learning process.
- 9. **Reflective Educators Seeking to Serve** know and demonstrate codes of professional ethics and legal responsibilities of P–12 classroom teachers and other school professionals.

Based on the desired performances of Teacher Education students, these assumptions are made:

- A bachelor's degree is the minimum degree required.
- Teacher education graduates must be eligible for teacher licensure in Tennessee and other states in the United States.
- Elementary teachers will receive preparation in professional and broad, liberal arts education areas with attention to specialized content.

- Secondary teachers will receive preparation in professional and subject matter specialty areas.
- All teacher education students will have a broad base of studies in liberal arts education.
- Applicants approved for any Teacher Education program will be capable of accomplishing its aims.

Students planning to enter the field of teaching will satisfy the requirements for either the Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degree in the discipline of licensure. Persons intending to teach at the PreK–3 or elementary level will satisfy a course of study leading to the Bachelor of Science degree in interdisciplinary studies, which is offered through the College of Education and Behavioral Sciences.

Teacher Licensure in Tennessee and most states is available in early childhood education: PreK-3; elementary education: grades K-5; middle grades 6-8 with concentrations in English, mathematics, social studies, or science; special education: K-8 interventionist, 6-12 interventionist, K-12 comprehensive; and in secondary education: art K-12, biology 6-12, business education 6-12, chemistry 6-12, English 6-12, history 6-12, mathematics 6-12, music K-12, physical education (kinesiology) K-12, psychology 9-12, Spanish PreK-12, speech communication 6-12, and theatre K-12.

REQUIREMENTS FOR MAJORS

Admission to Teacher Education

Any student seeking licensure to teach must:

- 1. Successfully complete EDU 130 Introduction to Education (with a grade of "C" or better).
- 2. Earn at least twenty-eight (28) semester hours with an overall GPA of 2.75 (or better).
- 3. Take the Core Academic Skills for Educators: reading, writing, and math (or be exempt by scoring a minimum of 22 on the Enhanced ACT)*. A minimum passing score in each of the areas of mathematics, reading, and writing is necessary. Remediation for the test is available upon request by the student.
- 4. Have an up-to-date electronic portfolio approved by the director of field experience.
- 5. Submit a formal application for admission to Teacher Education.
- 6. Complete a criminal background check through the Tennessee Bureau of Investigation.
- 7. Have Recommendation Forms by three FHU faculty members.
- 8. Have the Dispositions Assessment by a Department of Education faculty member.
- 9. Have a Dispositions Self-Assessment.
- 10. Have an interview with the Teacher Education Committee.

*Students wishing to be admitted to the Teacher Education program at FHU must take and pass the Enhanced ACT with a minimum score of 22. If a student cannot pass the Enhanced ACT (accounting for superscores across all attempts), he/she must attempt the Core Academic Skills for Educators: reading, writing, and mathematics at least once. If he/she cannot pass the Core Academic Skills for Educators, then he/she may appeal to the Teacher Education Committee for the opportunity to move forward in being considered a viable applicant in the Teacher Education program. "Conditional admission" may be applicable to a student's full acceptance into the Teacher Education program at FHU and may include remediation, tutoring, and/or mentoring.

In determining admission, all facets of the applicant will be considered. Students may **not** enroll in professional core courses unless they have been admitted to the Teacher Education program or have the approval of the Dean of the College of Education and Behavioral Science.

Admission to Student Teaching

Students must submit an online application for "admission to student teaching" and have an up-todate electronic portfolio approved by the director of field experience. Applications are available on the Department of Education website and should be submitted online no later than **February 1** for the fall semester and **September 1** for the spring semester. The application must be approved by the director of field experiences before the student may engage in student teaching. Student teachers must have evidence of professional liability insurance coverage and an approved background check administered through the Tennessee Bureau of Investigation (TBI) on file. Procedures for obtaining the background check are outlined on the Department of Education website.

Before a student may be admitted to student teaching, all courses within the program with an EDU, FAM, PSY, RDG or SPE prefix must be completed with a minimum grade of "C." Also, the student must have an overall GPA of at least 2.75 in all coursework and teaching subject-matter endorsements.

Student Teaching Activities Policy

Student teaching is such a demanding responsibility that students may not take additional coursework or participate in extracurricular activities during the student-teaching semester. Coupled with student teaching, students are required to submit and pass their edTPA portfolios during the same semester in order to obtain their teaching licenses. Due to the preparation, planning time, edTPA requirements, and demanding responsibilities during the student teaching semester, students may not (a) take additional coursework, (b) participate in extracurricular activities, including (but not limited to) musical groups, intramural sports, Makin'Music, overseas and other University-related trips, and any other University activities that interfere with the students' focus, or (c) have a job requiring them to work excessive hours. Any student teacher desiring to hold a job during the student teaching semester must present a petition requesting to do so to the director of field experiences.

Students wishing to participate in any of the other aforementioned activities along with student teaching may seek special permission to participate in such by submitting a petition to the director of field experience. If denied, students may appeal the director of field experience's decision to the Teacher Education Committee. Permission must be obtained before students begin to participate in extracurricular activities.

A student seeking special permission should also provide the following or evidence of the following:

- 1. a letter specifically stating the requested exception(s) to the policy, which must include the student's signature and must specify an:
 - a. understanding of the time requirements for student teaching, and
 - b. agreement **not** to hold the University responsible as it relates to the student's success in student teaching while participating in the excepted extracurricular activities.
- 2. A cumulative GPA of 3.50 or higher,
- 3. three or more recommendations from previous professors, and
- 4. proof of three "mentor" sessions with former FHU student teacher(s). These sessions must focus on preparing the student teacher and allow them to reflect on the expectations of being a student teacher. The former FHU student teacher(s) selected for the "mentor" sessions must be pre-approved by the director of field experiences.

By providing this evidence, students are not guaranteed permission to participate in both student teaching and extracurricular activities.

Students desiring to participate in intercollegiate sports and other University-related activities tied to student scholarships must also petition to the director of field experience. If denied, students may appeal the director of field experiences' decision to the Teacher Education Committee.

During student teaching, students are placed in the best environments that are conducive to their professional growth. Therefore, the student teacher will not be placed in a school setting where there is a conflict of interest or dual relationship (i.e. parent is an administrator, cooperating teacher is a relative, etc.).

edTPA Policies and Procedures for Student Teachers

"edTPA is a performance-based, subject-specific assessment and support system used by teacher preparation programs throughout the United States to emphasize, measure and support the skills and knowledge that all teachers need. The assessment features a common architecture focused on three tasks: planning, instruction, and assessment. Aspiring teachers must prepare a portfolio of materials during their student teaching clinical experience." (Retrieved from http://www.edtpa.com/PageView.aspx?f=GEN_AboutEdTPA.html on 9/1/2017.)

Completing edTPA Portfolios

All student teachers must complete an edTPA portfolio during their student teaching semester. Student teachers must use the state-approved edTPA handbooks for their specific content areas to complete their edTPA portfolios and submit them through Watermark-Taskstream© and Pearson. Student teachers must pay the current fee, through the campus bookstore, to complete the initial edTPA submission during the student teaching semester. Student teachers must meet or exceed the Tennessee edTPA score requirement (in addition to the required passing Praxis II scores) in order to apply for an initial teaching certificate issued by the state of Tennessee.

Non-Passing edTPA Portfolio Scores

If student teachers do not pass one or more of the three edTPA tasks within their portfolios, their portfolios will undergo review by the edTPA Advisory Committee at FHU. Student teachers whose edTPA submissions do not satisfy the Tennessee edTPA score requirement will have the opportunity to attempt additional edTPA submissions through Watermark–Taskstream© and Pearson at their own cost. Student teachers must pay the required fee per task each time they resubmit a task for edTPA scoring. Should student teachers need to retake any tasks that require an additional student teaching semester, they will be required to pay for the additional semester hours for student teaching. If student teachers are required to complete a full retake of the edTPA portfolio, they must pay the full fee, as well as any fees incurred for student teaching.

Diversity in Student Teaching

The Council for the Accreditation of Educator Preparation (CAEP) emphasizes that diversity must be a pervasive characteristic of any quality preparation program. The Commission expects responsible providers to ensure that candidates develop proficiencies in specific aspects of diversity that appear in the Commission's recommended standards and to embed diversity issues throughout all aspects of preparation courses and experiences. As defined by the CAEP Standards, *diversity is represented among groups of people and individuals based on ethnicity, race, socioeconomic status, gender, exceptionalities, language, religion, sexual orientation, and geographical area.* Even geographically bound providers must make use of the diversity available in clinical experiences so that candidates develop generalizable knowledge, skills, and dispositions. Moreover, no single candidate preparing for an education position can reflect, from his/her own location and personal experience, all facets of diversity.

Liberal Arts Education and Licensure Requirements

In most teacher education curricula, a common core of liberal arts education provides the foundation for specialization. A sequence of professional education courses meets licensure requirements. All students who plan to teach must meet the requirements of the state licensure

and certification agency with respect to the concentration of courses in a discipline area to be taught. Each student should work closely with his/her advisor to make sure that requirements for licensure are met; however, this responsibility ultimately lies with the individual student. (Contact the licensure officer, Mrs. Jill Jackson, at (731) 989-6082, to apply for Tennessee Licensure.)

Students must have a minimum 2.75 GPA and pass the required Praxis examination(s) and edTPA before a recommendation will be made for a practitioner teaching license. It is recommended that Praxis tests related to the specific licensure sought be taken prior to program completion. Since the 2002–2003 academic year, a 100 percent pass rate was achieved by program completers as defined by Title II of the Higher Education Act.

No more than thirty-two (32) cumulative hours of proficiency, extension, correspondence, and College–Level Examination Program (CLEP) credit shall be accepted in any Teacher Preparation program.

Exit Requirements (Undergraduate):

- 1. Complete all courses within the program with an EDU, FAM, PSY, RDG, or SPE prefix with a grade of "C" or better.
- 2. Complete one of the approved licensure programs.
- 3. Complete all coursework with a minimum GPA of 2.75.
- 4. Complete at least seven (7) hours of Bible courses (BIB 121 The Life of Christ, BIB 122 Acts of Apostles, and BIB 346 Foundations of Faith or BIB 446 Christian Evidences) and HUM 495 Values in Human Thought and Action.
- 5. Complete student teaching successfully.
- 6. Complete appropriate Dispositions Self–Assessments and other required surveys.
- 7. Complete the exit interview with the director of field experiences.
- 8. Complete at least two (2) semesters and earn at least thirty-three (33) semester hours from FHU, including at least 24 of the last 33 applicable to the degree.

Freed–Hardeman University is obligated to maintain compliance with all licensure requirements as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed–Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

Requirements for B.S. Major in Interdisciplinary Studies with a Concentration in Elementary Education (K-5)/M.A.T. in Special Education (Initial Teaching Licensure)

Admissions Criteria: B.S. Major in Interdisciplinary Studies, Concentration: Elementary Education (K-5)/M.A.T. in Special Education

Students seeking a B.S. degree in Interdisciplinary Studies with a concentration in Elementary Education (K–5) program/Master of Arts in Teaching in Special Education degree must meet the following criteria:

• Completion of ninety (90) plus earned credit hours with a cumulative GPA of 3.00.

NOTE: Students must have completed ninety (90) plus credit hours before enrolling in graduate courses.

Licensure Requirements. Before a recommendation will be made for a traditional teaching license, students must have completed their program of study, have a minimum 3.00 graduate GPA, and have passed all state-required assessments for their licensure area. Praxis registration materials may be obtained online at www.ets.org. Students should plan to take the required assessments prior to student teaching must register well in advance of the test date. Classes required for licensure must be completed within six (6) years of applying for a traditional teaching license.

Freed–Hardeman University is obligated to maintain compliance with all licensure requirements, as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed–Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

Requirements for Second Majors in Education

B.S./B.A. major in education (secondary) is only for those desiring **Teacher Licensure**: It may be taken only as a second major. Liberal arts core requirements must be completed under the student's content major. These students will, therefore, have two majors: 1) the content major, and 2) the education major. The second major cannot be chosen as the only major.

- 2. Earn at least twenty-eight (28) semester hours with an overall GPA of 2.75 (or better).
- 3. Take the Core Academic Skills for Educators: reading, writing, and math (or be exempt by scoring a minimum of 22 on the Enhanced ACT)*. A minimum passing score in each of the areas of mathematics, reading, and writing is necessary. Remediation for the test is available upon request by the student.
- 4. Have an up-to-date electronic portfolio approved by the director of field experience.
- 5. Submit a formal application for admission to Teacher Education.
- 6. Complete a criminal background check through the Tennessee Bureau of Investigation.
- 7. Have Recommendation Forms by three FHU faculty members.
- 8. Have the Dispositions Assessment by a Department of Education faculty member.
- 9. Have a Dispositions Self-Assessment.
- 10. Have an interview with the Teacher Education Committee.

*Students wishing to be admitted to the Teacher Education program at FHU must take and pass the Enhanced ACT with a minimum score of 22. If a student cannot pass the Enhanced ACT (accounting for superscores across all attempts), he/she must attempt the Core Academic Skills for Educators: reading, writing, and mathematics at least once. If he/she cannot pass the Core Academic Skills for Educators, then he/she may appeal to the Teacher Education Committee for the opportunity to move forward in being considered a viable applicant in the Teacher Education program. "Conditional admission" may be applicable to a student's full acceptance into the Teacher Education program at FHU and may include remediation, tutoring, and/or mentoring.

In determining admission, all facets of the applicant will be considered. Students may **not** enroll in professional core courses unless they have been admitted to the Teacher Education program or have the approval of the Dean of the College of Education and Behavioral Science.

Admissions Criteria: B.S. in Biology/Masters of Art in Teaching

• Completion of ninety (90) plus earned credit hours with a cumulative GPA of 3.00.

NOTE: Students must have completed ninety (90) plus credit hours before enrolling in graduate courses.

Licensure Requirements. Before a recommendation will be made for a traditional teaching license, students must have completed their program of study, have a minimum 3.00 graduate GPA, and have passed all state-required assessments for their licensure area. Praxis registration materials may be obtained online at www.ets.org. Students should plan to take the required assessments prior to student teaching and must register well in advance of the test date. Classes required for licensure must be completed within six (6) years of applying for a traditional teaching license.

Freed–Hardeman University is obligated to maintain compliance with all licensure requirements, as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed–Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

GRADUATE STUDIES IN EDUCATION

Curriculum and Instruction (M.Ed.) Dr. Alesha Northcutt Director and Assistant Professor

Program Purpose and Description

The Master of Education (M.Ed.) in Curriculum and Instruction (Non–Licensure program) is designed for students who have a teacher license but seek advanced study in education or wish to work in education-related fields without a license. A M.Ed. in Curriculum and Instruction includes thirty-seven (37) hours of coursework. Nineteen (19) of these hours follow a list of required courses, twelve (12) are selected from among approved electives, and there is a culminating capstone action research project for six (6) hours. Students may choose electives in curriculum and instruction, special education, English as a second language (ESL), school counseling, or a combination of electives from all of the graduate education programs.

Courses for the M.Ed. in Curriculum and Instruction program are scheduled to enable a student to complete the degree in approximately two (2) years. All courses—core curriculum, elective courses, and capstone courses—are available online.

As a requirement to graduate, students **must participate** in program-assessment activities scheduled at the beginning, middle, and near completion of their coursework. Currently, these assessment activities consist of securing a Taskstream© (Assessment Management System for Department of Education) account, uploading documents in Taskstream©, and completing surveys and assessments in Taskstream©. The details of this process are initiated when the student enrolls in the program. In order to complete this program, **students must have his/her own computer and a high-speed internet service**. (See the "minimum computing requirements" section of this catalog.)

A two-part thesis or action-research project for which the student will receive six (6) graduate hours credit is required.

Transition Points

Candidates must complete various transition points throughout the program.

Transition Point One (TP1): EDU 500 (Introduction to Graduate Studies). Students may not take more than seven (7) hours until they have earned a grade of "B" or higher in EDU 500. Students must retake EDU 500 if minimum "B" grade was not earned in the course.

Transition Point Two (TP2). At the end of twelve (12) graduate semester hours, those seeking Teaching Licensure must complete the following:

- 1. Submit an application for candidacy status.
- 2. Submit a plan outlining the completion of the program.

- 3. Have a GPA of 3.00 or above on twelve (12) or more graduate hours.
- 4. Submit an updated portfolio for review.
- 5. Participate in an interview with an appropriate advisor. At this time, the advisor will review the application, portfolio, student disposition forms, and other materials. After taking twelve (12) hours, students will have a candidacy 'stop' placed on their account. Students will not be allowed to take more than eighteen (18) hours until they have met candidacy.

Exit Requirements for M.Ed. in Curriculum and Instruction:

- 1. Candidacy status.
- 2. Minimum of thirty-seven (37) graduate hours applicable to the M.Ed. program.

- 3. Cumulative graduate grade point average of 3.00 or above, with no more than two (2) $^{\circ}C''$ grades in their program of study.
- 4. Successful completion and defense of their research project.
- 5. All coursework applicable of the program of study must be completed within six (6) years prior to graduation.

GRADUATE STUDIES IN EDUCATION

Instructional Leadership (M.Ed.; Ed.S.) Dr. Amy C. Downey Interim Director and Assistant Professor

The Master of Education (M.Ed.) degree program with a major in Instructional Leadership includes one concentration:

1. Administration and Supervision (Licensure)

Mission Statement

The mission of the Freed–Hardeman University Instructional Leadership Licensure (ILL) Preparation program is to develop instructional leaders who are "Reflective Educators Seeking to Serve." The FHU ILL program's mission is to actively seek opportunities to collaborate, prepare, and develop the next generation of instructional leaders for the P–12 schools of tomorrow.

M.Ed. in Instructional Leadership: Administration and Supervision (Licensure) Concentration

The M.Ed. degree in Instructional Leadership program, with a concentration in Instructional Leadership Licensure (ILL–B), is a forty (40) hour program consisting of a nineteen (19) hour core in Curriculum and Instruction and twenty-one (21) hours of upper–level Instructional Leadership courses. The Administration and Supervision (Licensure) concentration provides a means for practicing educators to earn a Master of Education (M.Ed.) degree with a major in Instructional Leadership and Licensure as an administrator based on the Tennessee Instructional Leadership Standards (TILS). Standard knowledge, skills, and dispositions are categorized into the required courses, including reflection, research, theories of leadership, applications and processes, professionalism, changes and improvements, and instructional leadership. The ILL program requires three (3) years of successful teaching experience before acceptance. Those who currently hold a master's degree in education have the option of pursuing a licensure–only track. These will be evaluated on an individualized basis.

Admissions Criteria: M.Ed. in Instructional Leadership: Administration and Supervision (Licensure)

The following criteria are required for admission to the M.Ed. degree in Instructional Leadership program with a concentration in Administration and Supervision (Licensure):

- 1. Submit an application for candidacy in the Office of Graduate Studies.
- 2. Cumulative graduate GPA of 3.00 or above.
- 3. Applicants not meeting the 3.00 GPA can apply for "conditional admission" status.
- 4. Three (3) years of verified teaching experience in either P–12 or higher education.
- 5. Interview with the director of the program.

Upon acceptance, students must enroll in EDU 601 Foundations of School Administration and Supervision during their first semester.

M.Ed. in Instructional Leadership: Administration and Supervision (Licensure)

Students who aspire to become a candidate for the Tennessee Instructional Leadership Licensure (ILL–B) and enroll in EDU 601 Foundations of School Administration and Supervision will complete the following process:

- While enrolled in EDU 601 Foundations of School Administration and Supervision, students will be interviewed by one full-time P-12 instructional leader and an FHU ILL faculty member. Interview questions will be aligned to the following areas:
 - a. Implementation of innovative learning strategies in their classrooms.
 - b. Evidence of good communications, human relations, and organizational skills.
 - c. Use of student data and work samples to make instructional decisions.
 - d. Demonstration of high ethical standards.
- 2. Each student will present a portfolio demonstrating his/her potential as an instructional leader. In accordance with the 2015 Tennessee Learning Centered Leadership Policy, aspiring instructional leaders will present a portfolio that includes the following artifacts:
 - a. Latest composite teacher evaluations which include Tennessee Department of Education TVAAS scores. Candidates from out-of-state or teaching at an independent school will submit their latest composite professional evaluation for assessment by the program director.
 - b. Current Professional Development Plan.
 - c. Evidence of ability to improve student achievement and also demonstration of leadership in coaching other teachers to raise student achievement.
 - d. A personal statement of career goals and how the program would assist the candidate in reaching stated goals.
 - e. Evidence of knowledge about curriculum, instruction, and assessment.
 - f. Evidence that describes qualities of collaboration, cooperation, and relationship building.
 - g. Evidence of challenging students through rigorous, standards-based teaching.
 - h. Evidence of integrating technology into daily teaching.
 - i. Evidence of working collaboratively on teaching/learning issues with teaching teams.
 - j. Evidence of analyzed research applied to practice.
 - k. Aspiring instructional leaders will be required to complete an "on-demand" writing sample. This writing sample will be assessed by the Instructional Leadership Candidate Selection Committee.
 - I. Demonstration of leadership in the larger community, which includes civic and faithbased organizations.
 - m. Demonstration of the ability to articulate and implement a vision.
 - n. Evidence of shown commitment to continuous improvement.

*Freed-Hardeman University is obligated to maintain compliance with the Instructional Leadership Licensure (ILL) requirements as established by the Tennessee Department of Education (TDOE). The TDOE may change ILL requirements as directed by the appropriate oversight commissions at any time. Freed-Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE.

Exit Requirements for M.Ed. in Instructional Leadership; Administration and Supervision (Licensure):

- 1. Successful completion of the above coursework with a 3.00 GPA and any other requirements for the M.Ed. degree.
- Completion of all courses within a six-(6) year period. Upon enrolling in EDU 601
 Foundations of School Administration and Supervision, ILL candidates will complete an
 internship proposal. The minimum time for ILL candidates to complete the internship is
 three (3) semesters. The maximum time to complete the internship is three (3) years.
- 3. Passage of the Instructional Leadership Praxis 6990.
- 4. Exit interview with the Program Director of Instructional Leadership will include insuring that candidate's internship artifacts demonstrate the required competencies outlined in the Tennessee Instructional Leadership Standards (TILS). Students will electronically record internship artifacts in Taskstream©. Completed disposition assessments by the candidate's mentor in all ILL core courses, EDU 610 Leadership Theories and Applications, EDU 611 School Business Management, EDU 612 School and Community Relations, EDU 613 The Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement, must be completed and submitted to Taskstream© at the end of each course. The candidate's internship is completed when the ILL candidate has demonstrated the skills of an aspiring school leader by submitting artifacts to the TILS Appraisal Instrument and the documentation associated with the TILS Supplement to Taskstream©. A detailed explanation addressing all aspects of the internship process can be found in the FHU Instructional Leadership Licensure Internship Handbook.

Exception: No more than six (6) hours of the core Instructional Leadership Licensure courses (EDU 601 Foundations of School Administration and Supervision, EDU 610 Leadership Theories and

Applications, EDU 611 School Business Management, EDU 612 School and Community Relations, EDU 613 The Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement) may be transferred from a prior institution.

Tennessee Instructional Leadership Licensure (ILL)

Freed–Hardeman University will utilize the identified procedures for students applying for the Tennessee Instructional Leadership Licensure (ILL) as follows:

- Freed-Hardeman University has an approved Education Preparation program, which will recommend program completers for the Tennessee Instructional Leadership Licensure-Beginner (ILL-B). Freed-Hardeman University will support school administration candidates for the Instructional Leadership Licensure-Aspiring (ILL-A) upon recommendation of our partnering Local Education Agencies (LEA).
- 2. Students with a prior M.Ed. degree who desire to follow a "licensure only" path to receive the ILL–B must meet the same entrance and exit requirements listed for the M.Ed. degree.

Ed.S. in Instructional Leadership

The Education Specialist (Ed.S.) degree program with a major in Instructional Leadership includes two concentrations:

- 1. Administration and Supervision (Licensure)
- 2. Teacher Leadership (Non-Licensure)

Ed.S. in Instructional Leadership: Administration and Supervision (Licensure)

The purpose of the Ed.S. degree with a concentration in Instructional Leadership Licensure (ILL) is to prepare school leaders of integrity to meet the instructional and administrative demands of child-centered schooling in a pluralistic society.

The Ed.S. degree with a concentration in Instructional Leadership Licensure is a thirty-nine (39) hour program designed for educators with an earned master's degree in an education-related area. Prospective Ed.S. students must have three (3) years of P-12 teaching experience and seek Tennessee Instructional Leadership Licensure.

Students desiring to pursue the Ed.S. degree will meet with the ILL program director to determine a program of study that reflects the student's professional goals, previous graduate work, and the FHU ILL program requirements.

The Tennessee Department of Education (TDOE) requires all aspiring instructional leaders to complete the requisite coursework and an approved ILL internship. Finally, aspiring instructional leaders must take and pass the Praxis 6990. The FHU licensure officer, Mrs. Jill Jackson, at (731) 989-6082, will assist the aspiring instructional leader in obtaining the ILL-B Licensure.

A maximum of six (6) hours aligned to the Tennessee Instructional Leadership Standards (TILS) can be transferred into the program from other accredited institutions. All transferred ILL core courses (EDU 601 Foundations of School Administration and Supervision, EDU 610 Leadership Theories and Applications, EDU 612 School and Community Relations, EDU 613 The Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement) must demonstrate evidence of a field-based practicum while enrolled in the ILL core courses previously identified.

Ed.S. In Instructional Leadership: Teacher Leadership (Non-Licensure)

The purpose of the Ed.S. degree in Instructional Leadership with a Teacher Leadership (Non-Licensure) concentration is to prepare teachers of integrity to assume leadership roles in their schools, districts, and the profession. The form of leadership can be distinguished from, but in tandem with, formal administrative leadership (school leadership).

This Teacher Leadership program is designed to strengthen the leadership skills of professional educators who work in tandem with school administrators to maximize instructional effectiveness. The aim of this program is to prepare teacher leaders of integrity who serve as instructional role models with the capacity to support and influence professional educators in all aspects of P-12 education.

Admissions Criteria: Ed.S. in Instructional Leadership

The following criteria are required for admission to the Ed.S. degree in Instructional Leadership program with a concentration in Administration and Supervision (Licensure) or Teacher Leadership (Non–Licensure).

To be officially admitted to the program, students must successfully meet the following requirements for candidacy and serve as the official declaration of the major:

- 1. Submit an application to the Office of Graduate Studies.
- 2. Cumulative graduate GPA of 3.50 or above.
- 3. Applicants not meeting the 3.50 GPA can apply for "conditional admission" status.
- 4. Three (3) years of verified teaching experience in either P–12 or higher education.
- 5. Interview with the director of the program.

Upon acceptance, students must enroll in EDU 601 Foundations of School Administration and Supervision during their first semester.

Ed.S. in Instructional Leadership: Administration and Supervision (Licensure)

Students who aspire to become a candidate for the Tennessee Instructional Leadership Licensure (ILL–B) and enroll in EDU 601 Foundations of School Administration and Supervision will complete the following process:

- While enrolled in EDU 601 Foundations of School Administration and Supervision, students will be interviewed by one full-time P-12 instructional leader and an FHU ILL faculty member. Interview questions will be aligned to the following areas:
 - a. Implementation of innovative learning strategies in their classrooms.
 - b. Evidence of good communications, human relations, and organizational skills.
 - c. Use of student data and work samples to make instructional decisions.
 - d. Demonstration of high ethical standards.
- 2. Each student will present a portfolio demonstrating his/her potential as an instructional leader. In accordance with the 2015 Tennessee Learning Centered Leadership Policy, aspiring instructional leaders will present a portfolio that includes artifacts as follows:
 - a. Latest composite teacher evaluations which include Tennessee Department of Education TVAAS scores. Candidates from out-of-state or teaching at an independent school will submit their latest composite professional evaluation for assessment by the program director.
 - b. Current Professional Development Plan.
 - c. Evidence of ability to improve student achievement and also demonstration of leadership in coaching other teachers to raise student achievement.
 - d. A personal statement of career goals and how the preparation program would assist the candidate in reaching stated goals.
 - e. Evidence of knowledge about curriculum, instruction, and assessment.
 - f. Evidence that describes qualities of collaboration, cooperation, and relationship building.
 - g. Evidence of challenging students through rigorous, standards-based teaching.
 - h. Evidence of integrating technology into daily teaching.

- i. Evidence of working collaboratively on teaching/learning issues with teaching teams.
- j. Evidence of analyzed research applied to practice.
- k. Aspiring instructional leaders will be required to complete an "on-demand" writing sample. This writing sample will be assessed by the Instructional Leadership Candidate Selection Committee.
- I. Demonstration of leadership in the larger community, will include civic and faith-based organizations.
- m. Demonstration of the ability to articulate and implement a vision.
- n. Evidence of shown commitment to continuous improvement.

Ed.S. In Instructional Leadership: Teacher Leadership (Non-Licensure)

Students who elect to pursue the Teacher Leadership (Non–Licensure) concentration will enroll in EDU 601 Foundations of School Administration and Supervision during their first semester.

Freed-Hardeman University is obligated to maintain compliance with the Instructional Leadership Licensure (ILL) requirements as established by the Tennessee Department of Education (TDOE). The TDOE may change ILL requirements as directed by the appropriate oversight commissions **at any time**. Freed-Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE.

Exit Requirements for Ed.S. in Instructional Leadership; Administration and Supervision (Licensure):

- 1. Successful completion of the above coursework with a 3.50 GPA and any other requirements for the Ed.S. degree.
- Completion of all courses within a six-(6) year period. Upon completion of EDU 601
 Foundations of School Administration and Supervision, ILL candidates will complete an
 internship proposal. The minimum time for all ILL candidates to complete the internship is
 three (3) semesters. The maximum time to complete the internship is three (3) years.

3. Exit interview with the Program Director of Instructional Leadership will include insuring that candidate's internship artifacts demonstrate the required competencies outlined in the Tennessee Instructional Leadership Standards (TILS). Students will electronically record internship artifacts in Taskstream[®]. Completed disposition assessments by the candidate's mentor in all ILL core courses, EDU 610 Leadership Theories and Applications, EDU 611 School Business Management, EDU 612 School and Community Relations, EDU 613 The Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement, must be completed and submitted to Taskstream[®] at the end of each course. The candidate's internship is completed when the ILL candidate has demonstrated the skills of an aspiring school leader by submitting artifacts to the TILS Appraisal Instrument and the documentation associated with the TILS Supplement to Taskstream[®]. A detailed explanation addressing all aspects of the internship process can be found in the FHU Instructional Leadership Licensure Internship Handbook.

Exit Requirements for Teacher Leadership (Non-Licensure):

- 1. Successful completion of identified coursework with a 3.50 GPA and other requirements of the Ed.S. degree in Instructional Leadership with a concentration in Instructional Leadership.
- 2. No more than six (6) semester hours of grades with "C" (or lower) may be applied towards graduation requirements.
- 3. Completion of all courses within six (6) calendar years.

GRADUATE STUDIES IN EDUCATION

Instructional Leadership (Ed.D.) Dr. Aarek Farmer Director and Associate Professor

The Doctor of Education (Ed.D.) degree program with a major in Instructional Leadership includes two concentrations:

- 1. Administration and Supervision (Licensure)
- 2. Teacher Leadership (Non-Licensure)

Program Purpose and Description

The Doctor of Education (Ed.D.) in Instructional Leadership is supported by two tenets linked to 1) a call by state leaders for increased leadership capacity to better prepare effective school leaders and 2) prior successes of FHU's education programs.

Freed–Hardeman University's Ed.D. program in Instructional Leadership will prepare instructional leaders who will not only lead in management and teaching, but most importantly, will prepare individuals who will become visionary instructional leaders capable of effecting profound change that produces improved student achievement in a supportive environment.

This program is created specifically for practicing teachers, educational leaders, and district and site administrators in public and nonpublic schools and school systems. The degree program fosters the development of leadership skills associated with visionary leadership and change management coupled with traditional instructional tasks such as goal setting, resource allocation, curriculum management, and analysis of instructional content and design. Through self-reflection, analysis, and practical application of best practices, doctoral students will utilize these skills to solve real problems in the workplace. In addition, the program focuses on developing school and teacher leaders with the knowledge, skills, and dispositions to transform educational organizations by creating professional development programs that emphasize data-driven decision making for improved instruction in schools.

Freed–Hardeman University's Ed.D. program is designed to serve non-traditional students. The program is an innovative, flexible program that utilizes the latest technology in its delivery system. The program allows the non-traditional student to complete the degree while continuing his/her full-time employment. Most specifically, it is designed to develop advanced instructional leaders who will meet the academic and accountability needs of schools, school districts, and educational agencies throughout Tennessee. Freed–Hardeman University's program is unique in that it is currently the only Doctorate of Education degree in Instructional Leadership in the state of Tennessee.

Admissions Criteria: Ed.D. in Instructional Leadership

The following criteria are required for admission to the Ed.D. degree in Instructional Leadership program with a concentration in Administration and Supervision (Licensure) or Teacher Leadership (Non–Licensure).

To be officially admitted to the program, students must successfully meet the following requirements for candidacy, the official declaration of the major:

- 1. Submit an application to the Office of Graduate Studies.
- 2. Cumulative graduate GPA of 3.50 or above.
- 3. Applicants not meeting the 3.50 GPA can apply for "conditional admission" status.
- 4. Three (3) years of verified teaching experience in either P-12 or higher education.
- 5. Interview with the director of the program.

Upon acceptance, students must enroll in EDU 601 Foundations of School Administration and Supervision during their first semester.

All students accepted into the Ed.D. in Instructional Leadership (including students transferring work from FHU or other universities) must complete all Ed.D. candidacy requirements (even if portions of FHU's candidacy requirements were completed at other universities).

Ed.D. in Administration and Supervision (Licensure)

Students who aspire to become a candidate for the Tennessee Instructional Leadership Licensure (ILL–B) and enroll in EDU 601 Foundations of School Administration and Supervision will complete the following process:

- While enrolled in EDU 601 Foundations of School Administration and Supervision, students will be interviewed by one full-time P-12 instructional leader and an FHU ILL faculty member. Interview questions will be aligned to the following areas:
 - a. Implementation of innovative learning strategies in their classrooms.
 - b. Evidence of good communications, human relations, and organizational skills.
 - c. Use of student data and work samples to make instructional decisions.
 - d. Demonstration of high ethical standards.
- 2. Each student will present a portfolio demonstrating his/her potential as an instructional leader. In accordance with the 2015 Tennessee Learning Centered Leadership Policy, aspiring instructional leaders will present a portfolio that includes artifacts as follows:
 - a. Latest composite teacher evaluations to include Tennessee Department of Education TVAAS scores. Candidates from out-of-state or teaching at an independent school will submit their latest composite professional evaluation for assessment by the program director.
 - b. Current Professional Development Plan.
 - c. Evidence of ability to improve student achievement and also demonstration of leadership in coaching other teachers to raise student achievement.
 - d. A personal statement of career goals and how the preparation program would assist the candidate in reaching stated goals.
 - e. Evidence of knowledge about curriculum, instruction, and assessment.
 - f. Evidence that describes qualities of collaboration, cooperation, and relationship building.
 - g. Evidence of challenging students through rigorous, standards-based teaching.
 - h. Evidence of integrating technology into daily teaching.
 - i. Evidence of working collaboratively on teaching/learning issues with teaching teams.
 - j. Evidence of analyzed research applied to practice.

- k. Aspiring instructional leaders will be required to complete an "on-demand" writing sample. This writing sample will be assessed by the Instructional Leadership Candidate Selection Committee.
- I. Demonstration of leadership in the larger community, which includes civic and faithbased organizations.
- m. Demonstration of the ability to articulate and implement a vision.
- n. Evidence of shown commitment to continuous improvement.

Ed.D. in Teacher Leadership (Non-Licensure)

Students who elect to pursue the Teacher Leadership (Non–Licensure) concentration will enroll in EDU 601 Foundations of School Administration and Supervision during their first semester.

Dissertation Committees

A student's committee will guide him/her through the dissertation process. A committee includes at least three members who have earned doctoral degrees. One individual will serve as the dissertation chair; this person must be a full-time faculty member. Other members of the dissertation committee may come from other disciplines.

Comprehensive Examination

Comprehensive examinations will consist of two examinations:

- 1. A Leadership Comprehensive Exam
- 2. A Statistics Comprehensive Exam

The purpose of the examinations is to demonstrate substantial progress in meeting the Student Learning Outcomes (SLOs) of the program.

By passing the comprehensive exam, a candidate demonstrates the readiness and competence needed to complete remaining courses successfully and undertake dissertation level research and writing. Students must achieve candidacy; see "admission to candidacy (graduate)" before enrolling in: EDU 773, EDU 774, and EDU 775 (Dissertation Seminar I, II, and III).

The Comprehensive Examination Committee, which consists of those appointed by the program director, will review and score the comprehensive exam.

Doctoral students following the Ed.D. in Instructional Leadership: Administration Supervision concentration must at least complete EDU 601 Foundations of School Administration and Supervision, EDU 610 Leadership Theories and Applications, EDU 611 School Business Management, EDU 612 School and Community Relations, EDU 613 The Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement before scheduling their leadership comprehensive exams.

Students following the Ed.D. in Instructional Leadership: Teacher Leadership concentration must at least complete EDU 601 Foundations of School Administration and Supervision, EDU 620 Administrative Issues in Special Education, EDU 634 Seminar in Multicultural and Diversity Issues in Education, EDU 637 Data Analysis for School Improvement, EDU 638 Instructional Design and Improvement, EDU 639 Development of Professional Learning Communities, and EDU 685 Seminar in Professional Development before scheduling their statistics comprehensive exam.

All doctoral students must be enrolled or have completed EDU 671A Quantitative Statistics Applied to Social Science Research I before scheduling their statistics comprehensive exam.

NOTE: The Praxis 6990 Exam will serve as the Leadership Comprehensive Exam for doctoral students following the Administration and Supervision concentration. For students in the teacher leadership concentration, an FHU-designed leadership exam will be utilized. (The Praxis ILL-B 6990 or 6011 can also serve as the teacher leadership examination for students in the Teacher Leadership program, but is not required.)

Research Proposal

The dissertation proposal consists of the first three chapters of the dissertation and will be conducted after the completion of EDU 670B Advanced Educational Research Design II. Students will be encouraged early in the program to begin thinking about an area of research and will be introduced to the elements of the dissertation process through previous coursework and activities.

Work on the dissertation begins in meetings with the student's dissertation chair. The proposal examination may be scheduled during or after the completion of EDU 670B Advanced Educational Research Design II. The focus on the proposal examination will be on the research questions and the research methodology proposed. The Research Proposal Defense Rubric will be used to determine if a student passes the proposal examination. This rubric will be made available to the student.

Dissertation

All students in the Ed.D. program will complete a rigorous, research-based dissertation that integrates theory and research in the study of instructional leadership. The primary goal of the dissertation is to generate knowledge that contributes to the understanding of instructional educational practices, policies, or reforms. The dissertation is a significant scholarly work that uses rigorous, research methods in the study of educational problems and practices and the application of problem-solving strategies. The dissertation is expected to be based on one or more theoretical frameworks and to include a comprehensive review of relevant literature in which the research question or questions are situated. The dissertation typically involves collection of empirical data, qualitative and/or quantitative analysis of these data, interpretation of the findings, a discussion of their significance and implications, and an indication of important areas for action or further study. Outcomes of the doctoral program will address significant topics related to systemic reform efforts in P-12 schools.

Final Examination: Oral Defense of Dissertation

The student must defend the dissertation in a final, oral examination before the Dissertation Committee. No defense shall be scheduled until the dissertation committee chair and members have signified that in their judgment the dissertation is acceptable and thus warrants a defense and final examination.

The defense examination is an important event in that sustained student and faculty effort and critical thinking have gone into the research project. Generally, the defense exam consists of two major parts:

- A brief presentation of the purpose(s), method(s) of study, analysis of observations, and synthesis of findings by the candidate, and
- a question-and-answer period involving all members of the examining committee.

All necessary forms for the Ed.D. program can be obtained by contacting the program director.

Freed-Hardeman University is obligated to maintain compliance with the Instructional Leadership Licensure (ILL) requirements as established by the Tennessee Department of Education (TDOE). The TDOE may change ILL requirements as directed by the appropriate oversight commissions **at any time**. Freed-Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE.

Exit Requirements for Ed.D. in Administration and Supervision (Licensure):

- 1. Successful completion of the above coursework with a 3.50 GPA and any other requirements for the Ed.D. degree.
- Completion of all courses within a six-(6) year period. Upon completion of EDU 601
 Foundations of School Administration and Supervision, ILL candidates will complete an
 internship proposal. The minimum time for ILL candidates to complete the internship is
 three (3) semesters. The maximum time to complete the internship is three (3) years.
- 3. Exit interview with the Program Director of Instructional Leadership will include insuring that candidate's internship artifacts demonstrate the required competencies outlined in the Tennessee Instructional Leadership Standards (TILS). Students will electronically record internship artifacts in Taskstream©. Completed disposition assessments by the candidate's mentor in all ILL core courses, EDU 610 Leadership Theories and Applications, EDU 611 School Business Management, EDU 612 School and Community Relations, EDU 613 The

Principalship, EDU 614 Instructional Leadership Licensure Internship, and EDU 637 Data Analysis for School Improvement, must be completed and submitted to Taskstream© at the end of each course. The internship is completed when the ILL candidate has demonstrated the skills of an aspiring school leader by submitting artifacts to the TILS Appraisal Instrument and the documentation associated with the TILS Supplement to Taskstream©. A detailed explanation addressing all aspects of the internship process can be found in the FHU Instructional Leadership Licensure Internship Handbook.

- 4. Completion of the Leadership Comprehensive Examination in Administration and Supervision (Praxis 6990).
- 5. Completion of the Statistics Comprehensive Examination.
- 6. Successful written and oral defense of the dissertation.
- 7. Submission of scholarly article to a peer-reviewed journal.

 - If students desiring to obtain an Ed.D. in Teacher Leadership (Non-Licensure) do not meet the necessary requirements, they may crossover to the Ed.S. program. Students will then be required to meet all exit requirements within their new program of study.

Required Courses for All Students

Students who have completed an Education Specialist degree at FHU may transfer up to thirty-nine (39) hours of coursework, which they have completed at FHU beyond their master's degree. Students who transfer in the maximum, thirty-nine (39) hours, from their previous coursework at FHU, must complete at least eighteen (18) more hours, totaling at least fifty-seven (57) hours. Students must still complete all coursework embedded within the current Ed.D. curriculum for which they have been accepted. Students obtaining an Ed.S. degree from FHU prior to 2013 may require more than eighteen (18) hours beyond their Ed.S. degree to complete their degree due to curriculum changes.

Continuous Enrollment for All But Dissertation (ABD) Students

If students have not graduated after completing all coursework, which includes EDU 773, EDU 774, and EDU 775 (Dissertation Seminar I, II, and III), students will be considered "all but dissertation" (ABD) status. "All but dissertation" students must maintain continuous enrollment until graduation and must enroll in EDU 776 or EDU 777 (Dissertation Seminar IV and V) to maintain continuous enrollment each **fall, spring, and summer** until graduation. Students must enroll in EDU 776 Dissertation Seminar IV first, as it is a prerequisite to EDU 777 Dissertation Seminar V. Students are still required to complete all **program requirements** within six (6) calendar years.

GRADUATE STUDIES IN EDUCATION

Literacy with an Emphasis in English as a Second Language (M.Ed.) Dr. Suzi Miley Director and Assistant Professor

Program Purpose and Description

Freed-Hardeman University's College of Education is providing a Master of Education (M.Ed.) degree in literacy with an emphasis in English as a second language to licensed educators. This degree was specifically designed to align with both the International Literacy Standards and Teachers of English to Speakers of Other Languages (TESOL) Standards.

The Master of Education in Literacy with an emphasis in English as a Second Language program provides multiple pathways for licensed educators to obtain additional endorsements in the areas of:

- English as a Second Language and/or
- Reading Specialist

Freed–Hardeman University's degree plan is unique as it provides practicing educators with multiple pathways to add these endorsements to an existing license (a) individually, (b) consecutively, or (c) complete both endorsements while leading to a graduate degree.

As literacy and language are essential to the success of all students, teachers are required to become visionary instructional facilitators in conjunction with providing traditional instruction. The concentration areas provide practicing teachers with the necessary skill set needed to gain knowledge and understanding of language acquisition and literacy development. Through self-reflection, analysis, and practical application of best practices, the program focuses on providing school leaders and teachers with the knowledge, skills, and expertise needed to develop appropriate strategies and effective instruction associated with overall language and literacy learning. Additionally, the online program is designed to meet the needs of educators seeking to serve growing English learner populations and effectively provide literacy instruction in the state and across the nation.

Exit Requirements for M.Ed. in Literacy with an Emphasis in English as a Second Language:

- 1. Completion of thirty (30) graduate hours applicable to the M.Ed. program.
- 2. Cumulative graduate grade point average of 3.00 or above, with no more than two (2) "C" grades in their program of study.
- 3. Appropriate score on the state-mandated licensure examinations in the two (2) endorsement areas.
- 4. Reading Specialist candidates may only receive endorsement after the candidate has had at least two (2) years of experience as a licensed teacher.

Licensure Requirements. Before a recommendation will be made for a traditional teaching license, students must have completed their program of study, have a minimum 3.00 graduate GPA, and have passed all state-required assessments for their licensure area. Praxis registration materials may be obtained online at www.ets.org. Students should plan to take the

required assessments prior to student teaching and must register well in advance of the test date.

Freed-Hardeman University is obligated to maintain compliance with all licensure requirements, as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed-Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

GRADUATE STUDIES IN EDUCATION

Special Education (M.A.T.) Dr. Karen L. Cypress Director and Associate Professor

Program Purpose and Description

The Master of Arts in Teaching in Special Education (Teaching Licensure) degree consists of fortyfour (44) hours of coursework and a student teaching semester of twelve (12) hours if the student is not on a practitioner license (i.e., job–embedded). If a student is on a practitioner license, he/she will take one (1) hour of mentoring (i.e., EDU 597) in lieu of student teaching.

This program provides a comprehensive program of teacher preparation and licensure for persons who already hold a baccalaureate degree. Licensure may be attained for special education grades K-8 (Interventionist), 6-12 (Interventionist), or K-12 (Comprehensive).

An evaluation of undergraduate transcripts is necessary to assure state competencies are met. Tuition for any required undergraduate courses will be the same as for graduate courses.

Program Outcome. The successful student will exit the program with the Master of Arts in Teaching degree with an emphasis in special education and a license to teach special education.

Schedule Overview. Courses are typically offered in an online and/or web format. Students completing edTPA may be required to come to one of the campus locations for submission support.

For students completing the online program who reside outside of Tennessee (e.g., Alabama), please note that particular state's authorization to provide a program related to the preparation of teachers or other P–12 school system personnel and their reciprocity requirements. Such requirements may include the documentation of a minimum number of years of full-time employment in a school system.

Job-Embedded Practitioner License

The job–embedded practitioner license is a teacher license, valid for three (3) years, that is issued to applicants who hold a bachelor's degree, are enrolled in or have completed a preparation program approved by the State Board of Education, and have verified content knowledge by passing the content area Praxis examination. The practitioner license may be renewed once.

Students with a bachelor's degree who have not completed a teacher preparation program may be recommended for a job–embedded practitioner license if they have been employed by a Tennessee public school system and meet the requirements below.

In order to be issued a job–embedded practitioner license, the following requirements must be met:

- The applicant must be at least 18-years old.
- At a minimum, the applicant must hold a bachelor's degree from a regionally-accredited college or university.
- The applicant must be enrolled in or have completed an approved educator preparation program and be recommended for licensure by that provider upon completion of the program of study required for the endorsement.
- The applicant must meet all requirements regarding assessments and qualifying scores as specified by State Board of Education rules or policy.
- The applicant must meet requirements in at least one area of endorsement.
- The applicant must ensure that the department has on file official transcripts of all credits earned through an institution of higher education. The transcript must have the school seal and/or a signature of the registrar.
- Applicants to be recommended for the job–embedded practitioner license while completing their program requirements must provide a letter of intent to hire from their school district.
- Once the job–embedded practitioner license has been issued, the applicant will have three

 (3) years to complete the program of study required for the licensure endorsement and any
 other Praxis scores required for his/her endorsement.

NOTE: The Freed–Hardeman University College of Education is subject to State Department of Education policy changes. Due to this, applicants may be required to meet licensure requirements that are additional or revised from when they started the program.

Transition Points

Candidates must complete various transition points throughout the program.

Transition Point One (TP1): EDU 500 (Introduction to Graduate Studies). Students may not take more than seven (7) hours until they have earned a grade of "B" or higher in EDU 500.

Transition Point Two (TP2): Admission to Teacher Education Program (aka Candidacy). At the end of twelve (12) graduate semester hours, those seeking Teaching Licensure must complete the following:

- 1. Submit an application for candidacy status.
- 2. Submit a plan outlining the completion of the program.
- 3. Have a GPA of 3.00 or above on twelve (12) or more graduate hours.
- 4. Submit an updated portfolio for review.
- 5. Participate in an interview with an appropriate advisor. At this time, the advisor will review the application, portfolio, student disposition forms, and other materials. After taking twelve (12) hours, students will have a candidacy 'stop' placed on their account. Students will not be allowed to take more than eighteen (18) hours until they have met candidacy.

NOTE: Admission to the graduate program does not assure a student that he/she will be admitted to the Teacher Education program, Administration program, Special Education program, or the School Counseling program, all leading to Licensure. In addition to academic ability, such factors as disposition, reliability, honesty, and suitability for the professional position being sought will be considered. Even if not admitted to the licensure program, the student may be provided an opportunity to complete requirements for the graduate degree.

Students must have a minimum 3.00 GPA, and the required Praxis examination must be passed before a recommendation will be made for a teaching license. Praxis tests related to the specific licensure sought must be taken prior to program completion. Registration materials may be obtained online at www.ets.org. Students should plan to take the required tests and must register well in advance of the test date.

Licensure Requirements. Before a recommendation will be made for a traditional teaching license, students must have completed their program of study, have a minimum 3.00 graduate GPA, and have passed all state-required assessments for their licensure area. Praxis registration materials may be obtained online at www.ets.org. Students should plan to take the required assessments prior to student teaching and must register well in advance of the test date. Classes required for licensure must be completed within six (6) years of applying for a traditional teaching license.

Freed–Hardeman University is obligated to maintain compliance with all licensure requirements, as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed–Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

Exit Requirements for M.A.T. (Degree-Completer):

- 1. Admission to the Teacher Education program and candidacy status.
- 2. Minimum of thirty-six (36) graduate hours applicable to the M.A.T. program.
- 3. Cumulative graduate grade point average of 3.00 or above, with no more than two (2) "C" grades in their program of study.
- 4. All coursework applicable to the M.A.T. program of study must be completed within six (6) years of graduation.
- 5. Successful completion of the comprehensive examination.
- 6. Earn a Taskstream© portfolio score of at least 90 by mid-term of the semester in which the student intends to graduate.

Requirements for Licensure-Completer :

- Successful completion of all licensure coursework listed in their program of study within six (6) years of applying for a traditional teaching license.
- 2. Minimum of twenty-four (24) graduate hours applicable to the Teaching Licensure program.
- 3. Cumulative graduate grade point average of 2.75 or above on the last sixty (60) hours of coursework.
- 4. Successful completion of state required assessments for their endorsement area.
- 5. Successful completion of: EDU 524 Enhanced Student Teaching or EDU 597 Mentoring in the Classroom (job–embedded students only).

NOTE: If a student has taught in the licensure area they are seeking, they may be exempt from EDU 524 or EDU 597 if they can provide the following documentation: four (4) successful evaluations from that teaching experience, confirmation that the student taught at the grade level and endorsement area being sought, a completed experience verification form, and an official letter from the school or district confirming the previously listed requirements. Once documentation has

been submitted, eligibility for this substitution must be evaluated and approved by the Freed-Hardeman University College of Education licensure officer, Mrs. Jill Jackson, at (731) 989-6082.

NOTE: Once licensure requirements are fulfilled, students must contact the Freed-Hardeman University College of Education licensure officer in order to begin the licensure application process.

Student Teaching. Students must submit an online application for "admission to student teaching" and have an up-to-date electronic portfolio approved by the director of field experience. Applications are available online on the Department of Education website and should be submitted online no later than **February 1** for the fall semester and **September 1** for the spring semester. The application must be approved by the director of field experiences and the candidate must be cleared by their advisor before the student may engage in student teaching. Student teachers must have evidence of professional liability insurance coverage and an approved background check administered through the Tennessee Bureau of Investigation (TBI) on file. Procedures for obtaining the background check are outlined on the Department of Education website.

During student teaching, students are placed in the best environments that are conducive to their professional growth. Therefore, the student teacher will not be placed in a school setting where there is a conflict of interest or dual relationship (i.e. parent is an administrator, cooperating teacher is a relative, etc.).

edTPA Policies and Procedures for Student Teachers and Job-Embedded Students

"edTPA is a performance-based, subject-specific assessment and support system used by teacher preparation programs throughout the United States to emphasize, measure and support the skills and knowledge that all teachers need. The assessment features a common architecture focused on three tasks: Planning, Instruction, and Assessment. Aspiring teachers must prepare a portfolio of materials during their student teaching clinical experience." (Retrieved from http://www.edtpa.com/PageView.aspx?f=GEN_AboutEdTPA.html on 9/1/2017.)

Completing edTPA Portfolios. All teacher licensure candidates must (1) use the state-approved edTPA handbooks for their specific content areas to complete their edTPA portfolios and submit them through Watermark–Taskstream© and Pearson, (2) pay the current fee to complete the initial edTPA submission, and (3) meet or exceed the Tennessee edTPA score requirement in order to qualify for an initial teaching certificate issued by the state of Tennessee. **Student teachers** will complete their edTPA submission during their student teaching semester. **Job–Embedded** candidates will complete their edTPA submission after they have completed all other licensure courses.

Non-Passing edTPA Portfolio Scores. If a teacher licensure candidate does not pass one or more of the three edTPA tasks within their portfolio, their portfolio will undergo review by the edTPA Advisory Committee at Freed-Hardeman University. Teacher licensure candidates whose edTPA submissions do not satisfy the Tennessee edTPA score requirement will have the opportunity to attempt additional edTPA submissions through Watermark-Taskstream© and Pearson at their own cost. Candidates who are resubmitting must pay the required fee each time they re-submit a task for edTPA scoring. Should student teachers need to retake any tasks that require an additional student teaching semester, they will be required to pay for the additional semester hours for student teaching. If student teachers are required to complete a full retake of the edTPA portfolio, they must pay the full required fee and pay for the additional semester hours for student teaching.

GRADUATE STUDIES IN EDUCATION

Teaching Licensure (M.A.T.) Dr. Alesha Northcutt Director and Assistant Professor

Program Purpose and Description

The Master of Arts in Teaching (Teaching Licensure) program consists of thirty-eight (38) hours of coursework and a student teaching semester of twelve (12) hours.

This program provides a comprehensive program of teacher preparation and licensure for persons who already hold a baccalaureate degree. Licensure may be attained for elementary grades K–5, PreK–3, and in the following secondary endorsement areas: art K–12, biology 6–12, business education 6–12, chemistry 6–12, English 6–12, government 6–12, history 6–12, mathematics 6–12, music K–12, physical education (kinesiology) K–12, psychology 9–12, Spanish PreK–12, speech communication 6–12, and theatre K–12.

An evaluation of undergraduate transcripts is necessary to assure state competencies are met. Tuition for any required undergraduate courses will be the same as for graduate courses.

Program Outcome. The successful student will exit the program with the Master of Arts in Teaching degree and licensure to teach.

Schedule Overview. Each program participant will be able to earn the M.A.T. degree and meet licensure requirements. Classes are offered online as well as through distance learning. Students completing edTPA may be required to come to one of the campus locations for submission support.

For students completing the online program who reside in the state of **Alabama**, please note that state authorization to provide a program related to the preparation of teachers or other P-12 school system personnel does not indicate eligibility for an Alabama certificate. Applicants for an Alabama certificate based on reciprocity must meet Alabama's test requirements and submit a valid, renewable, professional educator certificate/license issued by another state at the degree level, grade level, and in the teaching field or area of instructional support for which an Alabama certificate is sought and for which Alabama issues a certificate. Applicants for Alabama certification in an area of administration must also document at least three (3) years of full-time employment as an administrator in a P-12 school system (www.alsde.edu).

Job-Embedded Practitioner License

The job–embedded practitioner license is a teacher license, valid for three (3) years, that is issued to applicants who hold a bachelor's degree, are enrolled in or have completed a preparation program approved by the State Board of Education, and have verified content knowledge by passing the content area Praxis examination. The practitioner license may be renewed once.

Students with a bachelor's degree who have not completed a teacher preparation program may be recommended for a job–embedded practitioner license if they have been employed by a Tennessee public school system and meet the requirements below.

In order to be issued a job–embedded practitioner license, the following requirements must be met:

- The applicant must be at least 18-years old.
- At a minimum, the applicant must hold a bachelor's degree from a regionally-accredited college or university.
- The applicant must be enrolled in or have completed an approved educator preparation program and be recommended for licensure by that provider upon completion of the program of study required for the endorsement.
- The applicant must meet all assessment and qualifying score requirements as specified by State Board of Education rules or policy.
- The applicant must meet requirements in at least one area of endorsement.
- The applicant must ensure that the department has on file official transcripts of all credits earned through an institution of higher education. The transcript must have the school seal and/or a signature of the registrar.
- Applicants to be recommended for the job–embedded practitioner license while completing their program requirements must provide a letter of intent to hire from their school district.
- Once the job-embedded practitioner license has been issued, the applicant will have three (3) years to complete the program of study required for the licensure endorsement and any other Praxis scores required for his/her endorsement.

NOTE: The Freed–Hardeman University College of Education is subject to Tennessee State Department of Education policy changes. Due to this, applicants may be required to meet licensure requirements that are additional or revised from when they started the program.

Transition Points

Candidates must complete various transition points throughout the program.

Transition Point One (TP1): EDU 500 (Introduction to Graduate Studies). Students may not take more than seven (7) hours until they have earned a grade of "B" or higher in EDU 500. Students must retake EDU 500 if minimum grade of "B" was not earned in the course.

Transition Point Two (TP2): Admission to Teacher Education Program (aka Candidacy). At the end of twelve (12) graduate semester hours, those seeking Teaching Licensure must

At the end of twelve (12) graduate semester hours, those seeking Teaching Licensure must complete the following:

- 1. Submit an application for candidacy status.
- 2. Submit a plan outlining the completion of the program.
- 3. Have a GPA of 3.00 or above on twelve (12) or more graduate hours.
- 4. Submit an updated portfolio for review.
- 5. Participate in an interview with an appropriate advisor. At this time, the advisor will review the application, portfolio, student disposition forms, and other materials.

After taking twelve (12) hours, student will have a candidacy 'stop' placed on their account. Students will not be allowed to take more than eighteen (18) hours until they have met candidacy.

NOTE: Admission to the graduate program does not assure a student that he/she will be admitted to the Teacher Education program, Administration program, Special Education program, or the School Counseling program, all leading to Licensure. In addition to academic ability, such factors as disposition, reliability, honesty, and suitability for the professional position being sought will be considered. Even if not admitted to the licensure program, the student may be provided an opportunity to complete requirements for the graduate degree.

Licensure Requirements. Before a recommendation will be made for a traditional teaching license, students must have completed their program of study, have a minimum 3.00 graduate GPA, and have passed all state-required assessments for their licensure area. Praxis registration materials may be obtained online at www.ets.org. Students should plan to take the required assessments prior to student teaching and must register well in advance of the test date. Classes required for licensure must be completed within six (6) years of applying for a traditional teaching license.

Freed–Hardeman University is obligated to maintain compliance with all licensure requirements, as established by the Tennessee Department of Education (TDOE). The TDOE may change licensure requirements as directed by the appropriate oversight commission at any given time. Freed–Hardeman University will make appropriate modifications to the curriculum based on the directives received by the TDOE. Thus, the course of study is subject to change at any time during the academic year.

NOTE: Once licensure requirements are fulfilled, students must contact the Freed–Hardeman University College of Education licensure officer in order to begin the licensure application process.

Student Teaching. Students must submit an online application for "admission to student teaching" and have an up-to-date electronic portfolio approved by the director of field experience. Applications are available online on the Department of Education website and should be submitted online no later than **February 1** for the fall semester and **September 1** for the spring semester. During student teaching, students are placed in the best environments that are conducive to their professional growth. Therefore, the student teacher will not be placed in a school setting where there is a conflict of interest or dual relationship (i.e. parent is an administrator, cooperating teacher is a relative, etc.).

Student Teaching Activities Policy

Student teaching is such a demanding responsibility that students may not take additional coursework or participate in extracurricular activities during the student-teaching semester. Coupled with student teaching, students are required to submit and pass their edTPA portfolios during the same semester in order to obtain their teaching licenses. Due to the preparation, planning time, edTPA requirements, and demanding responsibilities during the student teaching semester, students may not (a) take additional coursework, (b) participate in extracurricular activities, including (but not limited to) musical groups, intramural sports, Makin'Music, overseas and other University-related trips, and any other University activities that interfere with the students' focus, or (c) have a job requiring them to work excessive hours. Any student teacher desiring to hold a job during the student teaching semester must present a petition requesting to do so to the director of field experiences.

Students wishing to participate in any of the other aforementioned activities along with student teaching may seek special permission to participate in such by submitting a petition to the director of field experience. If denied, students may appeal the director of field experience's decision to the Teacher Education Committee. Permission must be obtained before students begin to participate in extracurricular activities.

A student seeking special permission should also provide the following or evidence of the following:

- 1. a letter specifically stating the requested exception(s) to the policy, which must include the student's signature and must specify an:
 - a. understanding of the time requirements for student teaching, and
 - b. agreement **not** to hold the University responsible as it relates to the student's success in student teaching while participating in the excepted extracurricular activities.
- 2. A cumulative GPA of 3.50 or higher,
- 3. three or more recommendations from previous professors, and
- 4. proof of three "mentor" sessions with former FHU student teacher(s). These sessions must focus on preparing the student teacher and allow them to reflect on the expectations of being a student teacher. The former FHU student teacher(s) selected for the "mentor" sessions must be pre-approved by the director of field experiences.

By providing this evidence, students are not guaranteed permission to participate in both student teaching and extracurricular activities.

edTPA Policies and Procedures for Student Teachers and Job-Embedded Students

"edTPA is a performance-based, subject-specific assessment and support system used by teacher preparation programs throughout the United States to emphasize, measure and support the skills and knowledge that all teachers need. The assessment features a common architecture focused on three tasks: Planning, Instruction, and Assessment. Aspiring teachers must prepare a portfolio of materials during their student teaching clinical experience." (Retrieved from http://www.edtpa.com/PageView.aspx?f=GEN_AboutEdTPA.html on 9/1/2017.)

Completing edTPA Portfolios. All teacher licensure candidates must (1) use the state-approved edTPA handbooks for their specific content areas to complete their edTPA portfolios and submit them through Watermark–Taskstream© and Pearson, (2) pay the current fee to complete the initial edTPA submission, and (3) meet or exceed the Tennessee edTPA score requirement in order to qualify for an initial teaching certificate issued by the state of Tennessee. **Student teachers** will complete their edTPA submission during their student teaching semester. **Job–Embedded** candidates will complete their edTPA submission after they have completed all other licensure courses.

Non-Passing edTPA Portfolio Scores. If a teacher licensure candidate does not pass one or more of the three edTPA tasks within their portfolio, their portfolio will undergo review by the edTPA Advisory Committee at Freed-Hardeman University. Teacher licensure candidates whose edTPA submissions do not satisfy the Tennessee edTPA score requirement will have the opportunity to attempt additional edTPA submissions through Watermark-Taskstream© and Pearson at their own cost. Candidates who are resubmitting must pay the required fee each time they re-submit a task for edTPA scoring. Should student teachers need to retake any tasks that require an additional student teaching semester, they will be required to pay for the additional semester hours for student teaching. If student teachers are required to complete a full retake of the edTPA portfolio, they must pay the full required fee and pay for the additional semester hours for student teaching.

HONORS COLLEGE

Dr. Jennifer Johnson Dean; Director of International Education; and Assistant Professor

Assisting: Dr. Jim Gardner Dr. Margaret Payne Dr. Nathan Warf

Mission

Activities of the Honors College are planned to transcend the boundaries separating the disciplines of academic programs in the other colleges of the University. The Honors College offers talented, motivated students educational opportunities designed to enrich the University experience and to advance progress toward personal, academic, and career goals. Honors courses are designed to prepare students to do independent research, to speak and write effectively, and to reason accurately. These activities, opportunities, and courses together comprise an effective Honors Program that allows its participants to be more successful in educational and professional arenas and to become lifelong learners.

The Focus of Honors at Freed-Hardeman University

Five original purposes were enumerated in documents establishing the Honors Program in 1974:

- Recognize and foster academic excellence and leadership,
- Encourage and assist able students to progress beyond normal course activities,
- Provide opportunities to integrate learning and individual interests,
- Enable students to work more closely with teachers, and
- Promote academic responsibility, independent thinking, and the development of students' initiative to learn and work on their own.

Admission to Honors Program

Students may become participants in the FHU Honors Program in one of three ways:

- As first semester Honors freshmen selected by application during the prior year. Freshmen are admitted to Honors coursework through an application process completed in the academic year before they enter the University. Interested high school seniors should contact the Honors office for an application in the year before they plan to enter college. Freshman admission to Honors is competitive, based on standardized-test scores, high school grades, extracurricular activities, letters of reference, and writing samples.
- As University students who have completed at least one (1) full-time semester of coursework at FHU and who have at least a 3.50 cumulative GPA. These students will receive letters of invitation at the beginning of each semester in which they are eligible.

3. As transfer students from other college honors programs that have at least a 3.50 cumulative GPA. Prior honors coursework completed through another college honors program may count toward the requirements for graduation as an FHU Honors College Scholar or graduation with University Honors.

Students, who are in one of these three categories, may join the FHU Honors Program upon successful completion of the HON 200 Introduction to Honors course. These students will remain members of the Honors Program and will remain eligible for honors coursework as long as they maintain at least a 3.50 cumulative GPA.

Honors Credit

Honors credit hours are earned when a student receives an "H" as a final grade in a course. These credit hours are applied to student transcripts with the grade of "H" –that is "A" with honors. With the exception of HON 200 Introduction to Honors, only students who are members of the Honors Program are eligible to receive an "H" grade and thereby earn honors credit hours. Students can earn honors credit hours by receiving an "H" grade in three academic contexts:

- 1. Course sections reserved for honors students only,
- 2. Courses offered by other colleges of the University that are contracted for honors credit, and
- 3. Honors colloquia, practicums, or seminars.

Honors sections include traditional university courses offered as limited access, limited enrollment sections. Such classes are kept small – no more than 20 students – to allow for active discussion and student-centered learning. Honors contracts allow for students to earn "H" grades by negotiating modified requirements in other courses that are a normal part of their schedule. Colloquia, practicum courses, internships, independent studies, and seminars are provided to enhance the academic program of honors students. In general, these courses provide convenient forums for small-group discussion and presentations that will introduce students to the community of scholars beyond normal classroom experiences.

Students who do not meet standard honors eligibility criteria may be nominated for limited access to honors coursework for traditional grades by deans or department chairs. Also, to accommodate majors in departments offering honors-course sections, non-honors students may be allowed to enroll in honors courses and earn traditional grades.

Admission to the Honors College

Students are eligible to apply for membership to the Honors College if they:

- 1. Have received at least three (3) honors credit hours at FHU,
- 2. Have at least a 3.50 cumulative GPA,
- 3. Have completed less than six (6) semesters as a full-time college student, and
- 4. Must have at least two (2) additional semesters to complete as a full-time college student before graduation.

To apply for membership in the Honors College, eligible students must complete an application packet through the Honors office. All students in the Honors College are required to earn at least eighteen (18) honors credit hours.

Continuation in the Honors College with good academic standing requires registration for and completion of honors coursework during each semester that the student is enrolled full-time, maintenance of at least a 3.50 cumulative GPA, satisfactory involvement in community service, and adherence to school regulations.

Students who fail to earn an "H" grade during a full-time semester or who fail to maintain at least a 3.50 cumulative GPA will be on probation during the next semester of the academic year. Removal

of probation requires successful completion of honors coursework and/or return to the appropriate GPA during the semester of probation. Probation for other reasons such as those associated with school regulations can only be removed with the approval of the Dean of the Honors College.

Failure to remove probation results in suspension from the Honors College and loss of associated privileges. Students suspended from the Honors College may apply for reinstatement after one (1) semester of absence if an "H" grade has been earned and if other changes have been made to satisfactorily address the circumstances of the suspension. Reinstatement requires the approval of the Dean of the Honors College.

Graduation through the Honors College

Students complete their liberal arts core and departmental requirements for graduation in a degree program in one of the other colleges of the University. The additional requirements of the Honors College allow them to graduate as Honors College Scholars or Honors College Scholars with University Honors.

To graduate as an Honors College Scholar requires eighteen (18) semester hours of earned "H" grades (that must include one colloquium and one practicum), good standing in the Honors College, and a 3.50 GPA.

To graduate as an Honors College Scholar with University Honors requires twenty-seven (27) semester hours of earned "H" grades (that must include one colloquium, two practicums, an honors seminar, and an honors thesis), good standing in the Honors College, and a 3.50 GPA.

FHU/DICKSON

Dr. Robert Spencer Academic Director

Location and Facilities

Freed–Hardeman University operates an off-campus instructional site at the Renaissance Center located at 855 Highway 46 South in Dickson, Tennessee. Today, the Renaissance Center continues its original purpose of inspiring excitement about education among youth and adults by delivering undergraduate and graduate degree programs on-site as well as providing community-outreach programs in music and art that appeal to both youth and adults.

Program Offerings

FHU/Dickson at the Renaissance Center offers programs in conjunction with Nashville State Community College and Columbia State Community College. Students may complete their associates degree at any accredited institution (regionally), then seamlessly transfer to FHU/Dickson to complete their baccalaureate degree.

The following programs are offered at FHU/Dickson:

Undergraduate Programs:

• Bachelor of Science in Nursing

Graduate Programs:

Education (Online /Web-Conference)

- Master of Arts in Teaching (Teaching Licensure)
- Master of Arts in Teaching in Special Education (Teaching Licensure)
- Master of Education in Curriculum and Instruction (Non-Licensure, Online Only)
- Master of Education in School Counseling (Licensure)
- Master of Education in Instructional Leadership with a concentration in Administration and Supervision (Licensure)
- Education Specialist in Instructional Leadership with a concentration in Administration and Supervision (Licensure)
- Education Specialist in Instructional Leadership with a concentration in Teacher Leadership
- Doctor of Education in Instructional Leadership with a concentration in Administration and Supervision (Licensure)
- Doctor of Education in Instructional Leadership with a concentration in Teacher Leadership

Theology (Online)

- Master of Arts in Ministry
- Master of Arts in New Testament
- Master of Arts in Old Testament
- Master of Arts in Pastoral Care and Counseling
- Master of Divinity

Business (Online)

- Master of Business Administration
- Master of Business Administration in Healthcare

NOTE: Some classes are available through web-conferencing, and others require attendance on the Henderson campus.

Admissions

Admissions criteria for programs offered at FHU/Dickson are contained in the relevant "undergraduate" and "graduate" sections of the catalog. Admissions counselors are located at FHU/Dickson and provide one-on-one assistance to answer admission or program questions. Demetria Walker, an admissions counselor, can be contacted by phone at (615) 740-5399 or by email at dwalker@fhu.edu.

Dual Admission

FHU/Dickson students have the ability to be dual admitted to both Freed–Hardeman University and Nashville State Community College. "Dual admission" offers these students a structured, guaranteed pathway to assist in a seamless progression from an associate program directly to a bachelor's program. "Dual admission" offers enhanced advisement and transition support services to help students as they pursue their degree(s).

Concurrent Enrollment

Freed–Hardeman University, along with Nashville State Community College, have established an agreement allowing for concurrent enrollment between the universities. Students who are concurrently enrolled have access to the following facilities and programs offered jointly by the two institutions.

- Advising for proper program and course selection
- Class registration at each institution
- Access to computer laboratories and internet accounts
- Library access
- Student identification cards
- Access to sporting events
- Access to online transcripts with degree plan analysis

Eligibility for Concurrent Enrollment

Students at FHU, Nashville State, or Columbia State may concurrently enroll at both institutions in any given semester. Students may participate in concurrent enrollment, so long as they have been admitted and are in good academic standing with at least one institution.

Ineligibility for Concurrent Enrollment

Students who lose their eligibility to continue in classes at either institution lose their eligibility to participate in concurrent enrollment. Each institution reserves the right to allow students to continue at their respective institution.

Process to Begin Concurrent Enrollment

Any student interested in pursuing concurrent enrollment between FHU, Nashville State, and Columbia State should contact the admissions counselor at FHU/Dickson (Renaissance Center). The counselor will assist in completing all necessary paperwork and registering for courses once accepted.

Reverse Transfer

Students who are concurrently enrolled in FHU and Nashville State Community College will be encouraged to complete their associate degree. Reverse transfer allows students to transfer coursework from FHU back to NSCC to meet requirements for completing their associate degree. To participate in reverse transfer, students must have completed a total of fifteen (15) earned credit hours toward an associate degree at NSCC. Additionally, students may need to complete any required exit exams at NSCC in order to receive their degree.

Process for Pursuing a Reverse Transfer

Freed-Hardeman University does participate in the statewide Tennessee Reverse Transfer Program. Students who are eligible for this program will automatically be contacted to indicate their interest in pursuing reverse transfer. For those students who wish to independently pursue a reverse transfer, written authorization and signatures must be obtained to exchange student academic information between the schools. This is for compliance with the Family Educational Rights and Privacy Act (FERPA). Interested students should contact their counselor at FHU/Dickson (Renaissance Center). The admissions counselor will assist students in completing all necessary paperwork.

Library and Learning Resources

Students taking courses at FHU/Dickson may visit FHU's Loden–Daniel Library online at www.fhu.edu/library. Through this site, students may access the library's electronic catalog, e-books, electronic reference materials, and online journals. Support documents such as online tutorials, online research guides, and library blogs are also available through the library's website.

Students attending FHU/Dickson may request library resources that are only available in print. Scanned copies of articles or book chapters (within copyright limits) may be requested by completing a Request a Scan of Library Material Form located in the Forms and Feedback section on the Library's website (www.fhu.edu/library). Students may also check-out print materials and make arrangements for those materials to be delivered to the Renaissance Center by completing an Online Request Form at www.fhu.edu/library/remoteCampusDelivery.

Academic and Student Support Services

Students taking courses at FHU/Dickson will have access to the academic support services noted in this section. Those services available to students have been identified as being directly available on-site or available indirectly via web-conferencing, telephone, or email. For questions regarding these services, students may contact FHU/Dickson at (615) 440-7597 or (615) 440-2134.

Advising (Availability: On-Site, Web-Conferencing, Telephone, and Email)

On-site advising is available at the point of first-time enrollment, which includes an evaluation of credits transferred, guidance for scheduling of classes, and support for consideration of major declaration, and career guidance. To schedule an initial advising appointment or for general advising questions, students may contact the Office of Admissions for FHU/Dickson at (615) 740-5399 or by email at dwalker@fhu.edu.

After initial enrollment, students will be assigned to a program advisor, who maintains office hours in Henderson. During the semester, advisors will also be available by appointment via telephone,

email, and web-conference. Program advisors schedule advising times on-site in Dickson prior to each semester's enrollment period.

Cooperative Advising (Availability: On-Site)

FHU/Dickson students participating in "concurrent enrollment," "dual admission," and/or "reverse transfer" have the chance to be advised jointly by both FHU and Nashville State Community College (NSCC). Freed–Hardeman University will allow participating NSCC transfer students to register for FHU courses during the normal enrollment period provided for currently enrolled FHU students based on earned hours. NSCC students will be required to speak with an academic advisor from FHU before registering. Students participating in the program will be encouraged to complete an associate degree at NSCC. Freed–Hardeman University and NSCC will assist students in recognizing courses appropriate for transfer credit.

Computing Services (Availability: On-Site)

Access to computers is available by contacting FHU/Dickson Admissions offices at (615) 740-5399 or by email at dwalker@fhu.edu. FHU/Dickson also has a wireless network that is accessible by students.

Disability Services (Availability: On-Site, Web-Conferencing, Telephone, and Email)

FHU/Dickson is committed to providing equal opportunity in education to qualified students. The University looks to the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 for standards. Students otherwise qualified for admission with a documented disability may contact the Office of Disability Services Coordinator by phone at (800) FHU–FHU1, ext. 6029 or by email at mellis@fhu.edu. Students are required to provide documentation from an acceptable evaluator in order to receive reasonable accommodations.

The University will review documentation and any requested accommodations. The Office of Disability Services will provide reasonable accommodations for the enrolled classes. No accommodation will be provided if it will compromise or alter essential elements of the class curriculum or evaluation standards of a course. This does not, however, guarantee successful completion of a course or a program. Students must cooperate with the University and take responsibility for learning as well as any procedures required for accommodations (i.e., testing procedures). If a student does not follow the proper procedures of the accommodation plan, the plan may be modified. Those with an approved accommodation plan should notify the instructor of any affected class.

Information Technology Support (Availability: Telephone and Email)

The FHU HelpDesk provides information technology support to FHU/Dickson. Students may contact the FHU HelpDesk at http://helpdesk.fhu.edu or by sending an email to helpdesk@fhu.edu or by calling (800) FHU-FHU1, ext. 6111 or (731) 989-6111.

Retention and Academic Success (Availability: Web-Conferencing, Telephone, and Email)

The University, through its Academic Success Center, utilizes a proactive undergraduate retention model. Through predictive modeling, real time data triggers, and referrals, a full-time academic retention coordinator uses a case management approach to leverage University resources necessary to provide active interventions that improve student success and overall retention. The University's retention efforts include undergraduate students who take courses at Dickson. For additional information about the University's retention efforts, students may contact the Academic Success Center at (800) FHU–FHU1, ext. 6060 or (731) 989-6060.

Student Financial Services (Availability: Telephone and Email)

The Office of Student Financial Services is available to provide assistance to students at FHU/Dickson. The student financial services staff is available to help students make arrangements to cover the cost of their education. One-on-one counseling aids students in finding the best financial paths to their educational goals. Financial aid counselors are located at Henderson and are

available 8:00 a.m. – 4:30 p.m. each weekday. Students at FHU/Dickson may contact financial aid counselors by calling (800) FHU–FHU1, ext. 6662 or (731) 989-6662 or by sending an email to finaid@fhu.edu. Scholarships available to undergraduate students who transfer to FHU/Dickson are noted in the following table.

| Cumulative GPA | Scholarship per Hour | Net Tuition per Hour |
|----------------|----------------------|----------------------|
| 3.50-4.00 | \$150 | \$315 |
| 3.00-3.49 | \$100 | \$365 |
| 2.50-2.99 | \$50 | \$415 |
| 2.00-2.49 | \$25 | \$440 |
| <2.00 | None | \$465 |

Tutoring (Availability: Web-Conferencing and Email)

Through Freed–Hardeman University's Academic Success Center, tutoring is available, at no cost, to students in the following areas: mathematics, science, and writing. Tutoring for other areas may be set up upon a student's request based on tutor availability for a nominal fee to be paid by the student. To schedule a tutoring appointment or for additional information about the Tutoring Program, students may contact the Academic Success Center at (800) FHU–FHU1, ext. 6060 or (731) 989-6060.

ACA 070. Academic Recovery. (Institutional Credit Only.) 1 hour. F., Sp.

Designed for freshmen who have been placed on academic probation. This course is intended to assist these students in returning to good academic standing. It stresses study skills and time management through intensive advising.

ACC Accounting

ACC 231. Principles of Accounting I. 3 hours. F., Sp.

Introduction to financial accounting including fundamental accounting relationships, completion of the accounting cycle, internal control, cash, receivables, inventories, fixed assets, payables and payroll accounting.

ACC 233. Principles of Accounting II. 3 hours. F., Sp.

Formation, organization, and operation of partnerships and corporations, financial statement analysis, bonds, statement of cash flows, cost systems, cost-volume-profit analysis and budgeting. Prerequisite: ACC 231 Principles of Accounting I with a grade of "C" or better.

ACC 330. Intermediate Accounting I. 3 hours. F.

In-depth study of accounting theory, practice, and procedures. The course emphasizes the application of theoretical concepts to problem analysis and accounting practice, including preparation and interpretation of financial reports. There is a focus on accounting and disclosure requirements of major asset accounts. Prerequisite: ACC 233 Principles of Accounting II with a grade of "C" or better.

ACC 331. Intermediate Accounting II. 3 hours. Sp.

Continuation of study of accounting theory, practice, and procedures. The course focuses on accounting and disclosure requirements for current and noncurrent liabilities and capital accounts. Prerequisite: ACC 330 Intermediate Accounting I with a grade of "C" or better.

ACC 332. Management Accounting. 3 hours. Offered on sufficient demand.

For non-accounting majors only. The course includes the practical application of accounting principles to management problems concerning cost behavior and cost flows, profit planning, budgeting, and controls. Prerequisite: ACC 233 Principles of Accounting II with a grade of "C" or better.

ACC 333. Accounting Software Applications. 3 hours. Offered on sufficient demand.

Practical application of the fundamentals of the accounting cycle using QuickBooks accounting software. Continuing realistic cases allow students to understand how accounting information is identified, analyzed, recorded, and utilized. Prerequisite: ACC 231 Principles of Accounting I.

ACC 335. Cost Accounting. 3 hours. Sp.

Study of cost accumulation and allocation for product costing, planning, control, performance evaluation, and decision making. The accounting for a variety of organizations in both traditional and contemporary operational environments is emphasized. The topics covered in the course include cost of quality; actual, normal, and standard costing; activity-based management and costing; job-order, process, and operation cost systems; absorption and variable costing; cost-volume-profit analysis; relevant costing; and budgeting. Prerequisite: ACC 233 Principles of Accounting II with a grade of "C" or better.

ACC 430. Principles of Taxation I. 3 hours. F.

Concepts and methods of determining federal income tax liability for individuals. Topics emphasized include tax formula, income and deductions, passive activity losses, alternative minimum tax, and tax credits. Emphasis is also placed on tax research and tax planning. Prerequisite: ACC 231 Principles of Accounting I.

ACC 431. Principles of Taxation II. 3 hours. Sp.

A study of taxation relating to property transactions. Concepts and methods of determining federal tax liability of corporations, including S Corporations. An introduction to partnership taxation and federal transfer taxes. Prerequisite: ACC 430 Principles of Taxation I or approved equivalent.

ACC 435. Advanced Accounting. 3 hours. Sp.

A study of the specialized areas of business combinations and consolidated financial statements. The course includes accounting for partnerships and an extensive examination of accounting for governmental and not-for-profit entities. Prerequisite: ACC 331 Intermediate Accounting II.

ACC 436. Principles of Auditing I. 3 hours. F.

An introduction to internal and external auditing and audit-related services. The nature and purposes of audit, attestation, assurance, and compilation services are studied. Other topics include reporting, professional ethics, legal liability, engagement planning, materiality and risk assessment, internal control, and operational audits. Prerequisite: ACC 331 Intermediate Accounting II.

ACC 438. Fraud Examination. Offered on sufficient demand.

An introductory study of how and why fraud is committed, how fraudulent conduct can be deterred, and how allegations of fraud should be investigated and resolved. Prerequisites: ACC 231 Principles of Accounting I and ACC 233 Principles of Accounting II, or ACC 231 Principles of Accounting I and FIN/FAM 388 Personal and Family Financial Planning, or approved equivalent.

ACC 439. Seminar in Accounting Theory. 3 hours. Offered on sufficient demand.

An intensive investigation of the history and theory of accounting as discussed in the literature. Authoritative pronouncements will be examined with the emphasis being placed upon theoretical reasoning instead of purely practical application. Prerequisite: ACC 331 Intermediate Accounting II.

ACC 497. Accounting Internship. 1–3 hours. Su., F., Sp.

A practical experience in an accounting environment that enhances academic training received in the classroom. Students are encouraged to seek positions with prospective future employers. Prerequisites: Either ACC 330 Intermediate Accounting I, ACC 335 Cost Accounting, or ACC 430 Principles of Taxation I, and junior standing.

ACC 530. Managerial Accounting. 3 hours. F.

An intensive review of financial and managerial accounting concepts with emphasis on the managerial viewpoint. This course uses various quantitative techniques to analyze financial and managerial information for planning, controlling, and decision making purposes. Prerequisites: ACC 231 Principles of Accounting I and ACC 233 Principles of Accounting II or approved equivalents.

ACC 537. Principles of Auditing II. 3 hours. Offered on sufficient demand.

A study of processes designed to minimize risk exposures from such occurrences as accounting errors, non-compliance, theft, and fraud—as well as the investigation of suspected fraud. The course examines a sample from such topics as establishing and monitoring internal controls, risk exposures, business processes, transaction cycles, reasonable assurance, segregation of duties, collusion, documentation and audit trail, transaction approval and authorization, accountability, security of assets and laundering, red flags of fraud, and interviewing/interrogation techniques.

ACC 538. Fraud Examination. F.

An introductory study of how and why fraud is committed, how fraudulent conduct can be deterred, and how allegations of fraud should be investigated and resolved. Prerequisites: ACC 231 Principles of Accounting I and ACC 233 Principles of Accounting II, or ACC 231 Principles of Accounting I and FIN/FAM 388 Personal and Family Financial Planning, or approved equivalents.

BIB 520. Life of Paul. 3 hours. Su. 2020.

The course will examine the life, thought, work, and influence of Paul of Tarsus through a study of primary literature (his own letters) and secondary literature (letters about him; i.e., Acts of the Apostles). It will especially be concerned with placing Paul, the communities he addressed, and the literature by or related to him within their religious and social-historical contexts in the Greco-Roman world. (Text course.)

BIB 521. Romans. 3 hours. Sp. 2021. Short course.

Introductory matters, including questions of chronology, destination, audience, and occasion will be treated. The student will be led through an exegesis of selected passages, consideration of difficult texts, and attention to the teaching of the Gospel, salvation, and man's responsibility to God as presented in this epistle. (Text course.)

BIB 522. Seminar in Acts. 3 hrs. Su. 2020.

An exegetical seminar in Acts of the Apostles. Students will be introduced to the major historical, literary, and theological issues related to the contemporary study of Acts. Students will research, write, and discuss exegetical projects applying contemporary scholarship in the interpretation of the text. (Text course.)

BIB 523. Hebrews. 3 hours. Odd years.

A verse-by-verse exegesis of the letter to the Hebrews. Attention is given to the superiority of Christ, the superiority of the New Covenant over the Old Covenant, and the need to serve God faithfully. (Text course.)

BIB 524. Revelation. 3 hours. Short course.

A thorough study of the closing book of the New Testament. Special attention is given to the first century background, to modern interpretive approaches, and to a careful reading of the book's contents. (Text course.)

BIB 525. Communication in Ministry. 3 hours. F. Odd years.

An examination of communication as it is employed in ministry. Attention will be given to interpersonal and group dynamics, written correspondence and publications, use of media, and use of technology in church settings.

BIB 526. Introduction to Homiletics. 3 hours. Sp. 2020.

The preparation and presentation of topical, textual, and expository sermons in the context of local preaching. Training will include preparation for weddings, funerals, and speaking for special occasions.

BIB 527. New Testament Theology. 3 hours. Sp. Even years.

The origin, background, authorship, theology, and design of New Testament books with some special attention to Biblical criticism.

BIB 528. New Testament World. 3 hours. Su. 2020.

Politics, society, culture, philosophies, and religions of the Greco–Roman world of the time of Christ. Attention is given to backgrounds of early Christianity, history, and archeology from the second century B.C. to the second century A.D.

BIB 529. Expository Preaching. 3 hours. Sp. Even years.

Study is made of the expository method; emphasis is placed on preaching from the Bible text; opportunity is given for practice, evaluation, and correction. Same as BIB 435.

BIB 530. Inductive Preaching. 3 hours. Su. 2020.

A study of the structure and flow of inductive preaching. Attention will be given to developing and presenting lessons which lead audiences to discovery, including narrative, and other plot-oriented structures.

BIB 531. Elementary Greek I. 3 hours. F.

This course includes a study of forms, vocabulary, elementary syntax and it also includes reading/translation of some of the less difficult books of the New Testament.

BIB 532. Elementary Greek II. 3 hours. Sp.

A continuation of BIB 531. Prerequisite: BIB 531 Elementary Greek I.

BIB 533 A, B. Greek Readings. 3 hours. F.

Readings in selected books of the New Testament (A=John; B=principally from Paul). Different New Testament books will be rotated each semester so that the student may take the course a second time as an elective. Emphasis is on vocabulary and grammar and development of facility of reading. Prerequisites: BIB 531 Elementary Greek I and BIB 532 Elementary Greek II.

BIB 534. Greek Exegesis. 3 hours. Sp.

Work on exegeting even more difficult passages of the New Testament by emphasis on history, methods, and tools of New Testament exegesis. Prerequisites: BIB 531 Elementary Greek I, BIB 532 Elementary Greek II, and BIB 533 Greek Readings.

BIB 535. Family Ministry. 3 hours. F.

The development of family enrichment programs with a view to ministering to the needs of each family. It will also teach the student how to get each family involved in the life and activity of the congregation.

BIB 536. Pastoral Counseling. 3 hours. F. 2021.

Current theories and practices in pastoral counseling are needed by ministers and clergypersons, church leaders, and Christian counselors. Topics that have special application to a church or faithbased clinical setting will be pursued, e.g., pastoral diagnosis and assessment, basic pastoral counseling skills, marital and family counseling (including abuse, infidelity, and divorce), counseling in the hospital, anger and conflict management, crisis counseling, spiritual disorders, pastoral therapy ethics, and referral procedures. Pastoral counseling role-plays will be facilitated to practice and develop stronger pastoral therapy skills.

BIB 537. Old Testament Theology. 3 hours. F. Odd years.

The origin, background, authorship, theology, and design of Old Testament books with special attention to problems of Biblical criticism.

BIB 540. Introduction to Christianity. 3 hours. F., Sp.

Exploration of the roots of New Testament Christianity in Judaism, its planning, prophecy, beginning, development, and crystallization in various cultures is the focus. The course is designed to give an overview of God's plan for the church in the world. Students in Biblical programs will present and defend the results of their assigned research projects on major themes central to living in the modern/post-modern world.

BIB 541, 542. Elementary Hebrew I and II. 3 hours each. F. Odd years; Sp. Even years.

An introduction to the fundamentals of Biblical Hebrew. These courses focus on basic vocabulary, elementary grammar, and rudimentary translation. After completing both courses students should be prepared to read the narrative portions of the Hebrew Bible. Same as BIB 263, 264.

BIB 543. Hebrew Readings. 3 hours. Offered on sufficient demand.

A study in the translation and exegesis of select narrative and poetic passages from the Hebrew Bible. Special attention is given to advanced Hebrew syntax and its application to Old Testament interpretation. Prerequisites: BIB 541 Elementary Hebrew I and BIB 542 Elementary Hebrew II.

BIB 544. Hebrew Exegesis. 3 hours. Offered on sufficient demand.

Work on exegeting even more difficult passages of the Old Testament by emphasis on history, methods, and tools of Old Testament exegesis. Prerequisites: BIB 541 Elementary Hebrew I, BIB 542 Elementary Hebrew II, and BIB 543 Hebrew Readings.

BIB 545. Spiritual Leadership. 3 hours. Su.

Leadership principles from the business world and from Scripture applied to the church, qualifications of effective spiritual leaders and methods of developing them, and consideration of the urgency of developing leaders.

BIB 546. Education Program of the Church. 3 hours. Sp. Odd years.

Attention to the principles used to develop and strengthen the education program of the church. Goals, organization, curriculum, facilities, and teachers are major units of study that are included.

BIB 547. Missions and Church Growth. 3 hours. F. 2020.

The biblical basis of missions, its practice in history, in Catholicism, in Protestantism, and in churches of Christ. The practical principles which need to be mastered to be effective in missions, and anthropological/cultural aspects of mission work.

BIB 548. Contextualization. 3 hours. Sp. 2020.

An examination of the critical issues involved in presenting and applying the Gospel in other cultural contexts. Particular emphasis will be given to balancing faithfulness to the biblical text with meaningfulness within culture.

BIB 549. Encountering Islam. 3 hours. Offered on sufficient demand.

The history of Islam, the Koran, basic Muslim doctrines compared and contrasted with Bible doctrine, and a study of evangelism among Muslims. Same as BIB 436.

BIB 550. Missionary Anthropology. 3 hours. Sp. 2021.

An examination of basic anthropological insights with application to the missionary enterprise. Culture change and cross-cultural adaptation will be addressed, as well as world view, urbanization, modernization, and westernization of less-developed cultures. Same as BIB 351.

BIB 551. Religious Diversity in America. 3 hours. Sp.

A survey of the history and beliefs of the major world religions, with a special emphasis on their practice in an increasingly diverse American landscape. Special attention will also be given to missiological principles for more effective Christian evangelism.

BIB 555. Contemporary Ethics. 3 hours. F. Even years.

A study of contemporary theories in philosophical ethics with an emphasis on biblical applications to current problems in values.

BIB 565 A, B, C. Internship. 3 or 6 hours. Su., F., Sp.

This course requires extensive time spent in practical "hands-on" work in a supervised program of some local church. The student may choose any internship for which the corresponding classroom course has already been completed. The particular church, program, and supervisor must be approved by the course instructor and the Director of the Graduate School of Theology. Approximately 40 hours of preparation, work, and evaluation, exclusive of travel, will be required for each hour of credit. Check with director for availability.

BIB 570. Philosophy of Religion. 3 hours. Su. Even years.

Study and evaluation of classical and contemporary arguments regarding such issues as the existence of God, the essence and attributes of God, the nature of religious faith and its relationship to reason, the use of religious language, and the relationship between divine sovereignty and free will. Focus will be on Western rational conceptions, but alternative approaches will also be studied.

BIB 571. History of Apologetics. 3 hours. Offered on sufficient demand.

This course includes a study of apologetics in the New Testament, and a survey of apologists and apologetic systems which will help the student to develop a foundation for contemporary Christian apologetics. Emphasis will be placed on reading key New Testament texts through the lens of an apologist with evangelistic concerns. Students will be exposed to the history of apologetics, not simply through an account of names and dates, but through a practical introduction to historic challenges to the Christian faith and a review of exemplary responses.

BIB 572. Deity of Christ. 3 hours. Offered on sufficient demand.

This course begins by considering both biblical and non-biblical information supporting the historicity of Christ. It then explores the various claims made by Christ Himself concerning His deity and examines the biblical testimony which supports these claims. Further evidence indicating that Jesus is the divine Son of God is also considered.

BIB 573. Critical Thinking. 3 hours. Sp. Even years.

To enable ministerial students to think critically. The focus is on equipping students with the logical tools to help them to identify and evaluate evidence that leads to conclusions that are proposed as being true, to use these same tools to identify logical fallacies, to aid them in communicating their beliefs clearly and accurately through critical thinking, and to aid in decision making that will glorify God and promote His kingdom.

BIB 575. Suffering and the Human Condition. 3 hours. F.

Human suffering is one of the most difficult experiences to understand and endure. Those in counseling and ministry are frequently faced with the psychological and physical problems of human suffering. This course explores how we deal with concerns in our own lives and the lives of others. It combines both theory and practice in an examination of the various elements of suffering. This course is an attempt to find value in suffering from a Christian perspective and help formulate a "theology of suffering" from Scripture that will result in successful interventions of the sufferer.

BIB 576. Advanced Apologetics. 3 hours. Sp. Odd years.

Advanced apologetics: the study of evidences which prove the Christian faith is from God. Attention is given to systems of thought which oppose the Christian world view, and possible responses are considered. Classical and contemporary arguments for the existence of God, the inspiration of the Bible, and the deity of Christ are considered in detail.

BIB 577. Biblical Text, Canon, and Inspiration. 3 hours. Sp. Short course.

A study of the nature and origin of the biblical text (including a brief consideration of textual criticism), the definition and extent of the canon, and the definition and nature of inspiration.

BIB 578. Seminar in Epistemology. 3 hours. Offered on sufficient demand.

This course will focus on such important biblical concepts as truth, faith, revelation, and knowledge which provide a context for evaluating theories of knowledge.

BIB 579. Values in Human Thought & Action. 3 hours. Offered on sufficient demand.

An exploration of value issues and opportunities for further learning in the liberal arts and sciences. This course will focus on Christian perspectives in value questions which the student will confront in art, music, literature, economics, science, politics, and other related areas. Graduate students present and defend the results of their research on various assigned topics.

BIB 585 A, B, C. Thesis. 3 or 6 hours. Su., F., Sp.

The thesis for the Master of Arts in New Testament/Master of Divinity is written under the guidance of a faculty mentor and allows the student to do deeper research on a topic in his/her area of interest.

BIB 590. Early Church Fathers. 3 hours. F.

A study of Christian theology from the period of the Apostolic Fathers (ca. 100 C.E.) to the Council of Chalcedon (451 C.E.). The course will focus upon the theological development of four primary Christian themes: ecclesiology, Christology and the Trinity, orthodoxy/heresy, and Tradition and Scripture. Attention also will be given to the intersection of these developments with social, political, and geographical elements.

BIB 591. History of Reformation Movement. 3 hours. Sp.

The events, teachings, and leading figures of the Reformation Movement from its beginning to 1800. Particular attention is given to separation from Catholicism, the development of various denominations, and the rise of the restoration plea.

BIB 592. History of Restoration Movement. 3 hours. Sp. 2021.

The events, teachings, and leading figures of the Restoration Movement from its beginning until the present. Focus is made on the origins, geographical spread of the movement, and various departures.

BIB 593. History of the English Bible. 3 hours. Sp. 2020. Short course.

A study of the history of the Bible's development with emphasis on its translation into the English language. Modern English translations will be surveyed and evaluated within the context of their stated goals and methodologies.

BIB 594. Systematic Theology I. 3 hours. F.

An introduction to systematic theology, including its necessity, method, and nature. The nature of God, revelation, and humanity are studied with an emphasis on the biblical foundation of each.

BIB 595. Systematic Theology II. 3 hours. F. Even years.

The nature of Christ, the church, salvation, and last things are studied with an emphasis on the biblical foundations of each.

BIB 596. Hermeneutics. 3 hours. Su. Even years. Sp. Odd years.

This course studies the general principles requisite for proper biblical interpretation. It also examines special principles necessary for properly interpreting different types of literary genre. Attention is given to examples of legitimate interpretation and opportunity is given for application of principles by students.

BIB 598. Independent Study. 1-4 hours. Su., F., Sp.

The graduate student undertakes a research project of a practical nature under the direct supervision of a member of the graduate faculty. The number of hours credit will be determined by the length of the study and the extent of the student's involvement in the study.

BIB 599A,B,C, etc. Topical Seminars.

A study of a significant topic of current interest to several students and an instructor. Topical seminars are offered on sufficient demand and may not be scheduled each year.

BIO Biology

BIO 100. Human Biology. 4 hours. Su., F.

A non-biology major's introduction to the basic structure and function of the human body and human genetics. Areas to which the students are introduced include tissues, organs, and organ systems of the human body and their functions. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course will not count as credit toward a biology major or minor.

BIO 105. Principles of Conservation Biology. 3 hours. Sp.

A study of conservation biology for both majors and non-majors. Emphasis will be on basic biological concepts that will enable students to appreciate and understand their role within the living world. Topics will include, but are not limited to, scientific method, ecosystems, genetic diversity, extinction, maintaining biodiversity, and human influences on biodiversity. This course meets for three (3) hours of lecture each week. A laboratory component will be included in this course.

BIO 110. Principles of Biology. 3 hours. Su., F., Sp.

A study of biology for non-majors. Emphasis will be on basic biological concepts that will enable students to appreciate the living world and their relationship to it. Topics will include, but are not limited to, scientific method, the cell and genetic basis of life, mitosis and meiosis reproduction, biodiversity, and ecology. This course meets for three (3) hours of lecture each week. A laboratory component will be included in this course. This course will not count as credit toward a biology major or minor.

BIO 111. General Biology I. 4 hours. F.

A general survey of the major kingdoms (except Animalia) and the phyla of plants throughout the world. This course introduces students to basic cell structure, energy transfer, metabolic processes, reproduction, taxonomic, and ecological aspects of plants. This course meets for three (3) hours of lecture and three (3) hours of lab each week.

BIO 112. General Biology II. 4 hours. Sp.

A general survey of the major animal-like protists and animal phyla throughout the world. This course also introduces students to basic cell structure, cell division, reproduction, and genetics. This course meets for three (3) hours of lecture and three (3) hours of lab each week.

BIO 115. Medical Terminology. 1 hour. Sp.

A study of the basic knowledge and understanding of medical language and terminology used by healthcare professionals. Students will learn and recognize word roots, prefixes, and suffixes used in medical language today. Medical terms related to all major body systems will be covered. This course meets for one (1) hour of lecture each week.

BIO 205. Cell Biology. 3 hours. F., Sp.

An introduction to the biology of cells. This course will emphasize the study of eukaryotic cell structure and function, including bioenergetics, membrane transport, cellular communication, flow of genetic information, immune responses, and cell division. Experimental techniques used in understanding cell biology will be discussed along with the cellular basis of human diseases.

BIO 211. Human Anatomy and Physiology I. 4 hours. Su., F., Sp.

Part one of a two-semester study of the structure and function of the human body. This course orients the student with the major chemistry, cell biology, and tissue structure of the human body then continues with examination of the gross and microscopic anatomy and physiology of the integumentary, skeletal, muscular, and nervous body systems. This course meets for three (3) hours of lecture and three (3) hours of lab each week. Prerequisite: BIO 115 Medical Terminology.

BIO 212. Human Anatomy and Physiology II. 4 hours. F., Sp.

Part two of a two-semester study of the structure and function of the human body. This course examines the gross and microscopic anatomy and physiology of the circulatory, immune, respiratory, digestive, excretory, reproductive, and endocrine body systems then orients students to concepts in human pregnancy, development, and genetics. This course meets for three (3) hours of lecture and three (3) hours of lab each week. Prerequisite: BIO 211 Human Anatomy and Physiology I or permission from the instructor.

BIO 215. Microbiology. 4 hours. F., Sp.

A survey of the microbial world. Emphasis will be on bacteria and viruses. Students will be introduced to the history of microbiology, cellular structures, metabolisms, microbial genetics, techniques of studying microbes, microbes and diseases, and environmental microbiology. Strong importance is placed on the laboratory portion of this course. This course meets for three (3) hours of lecture and three (3) hours of lab each week. Prerequisite: BIO 111 General Biology I or CHE 121 General Chemistry I.

BIO 299B/399B. Biology of Freshwater Game Fishes. 3 hours. Su.

A study of the morphology, systematics, behavior, ecology, and zoogeography of freshwater game fishes. Emphasis will be on taxa from the southeastern United States. This course includes field trips.

BIO 299D/399D. Substance Abuse. 3 hours. Offered on sufficient demand.

A study of narcotics and other dangerous drugs, including alcohol. Historical background, physical, psychological, and other aspects of addiction, dependency, and legal aspects will be considered.

BIO 299F/399F. Nature Study. 3 hours. Offered on sufficient demand.

An introduction to the local plants and animals, biological communities, and other phases of our natural surroundings. Other current topics that pertain to the environment may also be introduced.

BIO 299G/399G. Field Research. 3 hours. Offered on sufficient demand.

An extended field trip designed to acquaint students with field-oriented research. Emphasis will be on the collection and analysis of scientific data.

BIO 2991/3991. Environmental Pollution. 3 hours. January two-week course.

An introduction to the major causes of environmental pollution. Environmental policies and the economic implications of pollution will be emphasized. Same as PHS 299B/399B.

BIO 311. Entomology. 4 hours. F. Offered on sufficient demand.

A study of the structure, classification, control, life cycle, and economic importance of insects. A collection of principle orders of insects is required. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course is an upper-division zoology course. Prerequisite: BIO 112 General Biology II.

BIO 312. Histology. 3 hours. Sp. Even years.

The anatomical and physiological studies of human tissues at the level of the light microscope. A strong emphasis will be placed on gaining a thorough understanding of the structure and function of the four basic tissue types before proceeding to study the major organ systems of the body. This course meets for three (3) hours of lecture each week. This course will involve a significant lab component. This course is an upper-division zoology course. Prerequisites: BIO 211 Human Anatomy and Physiology I and BIO 212 Human Anatomy and Physiology II.

BIO 318. Pathophysiology. 3 hours. F.

A study of the pathological effects of altered physiology of each major organ system. Particular attention will be given to major diseases that affect the U.S. population. Critical thinking, research findings, and scientific knowledge are applied to analyze clinical implications and potential treatments. This course meets for three (3) hours of lecture each week. Prerequisites: CHE 121 and 121L General Chemistry I and Lab and BIO 211 Human Anatomy and Physiology I and BIO 212 Human Anatomy and Physiology II.

BIO 321. Ecology. (W) 4 hours. F., Sp.

An introduction to the study of the interrelationships between organisms and their environments. Global cycles and implications will be included. Field trips are required. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course includes a significant writing component. Prerequisites: BIO 111 General Biology I and BIO 112 General Biology II.

BIO 323. Plant Taxonomy. 4 hours. Sp.

A study of the principles of naming, identifying, and classifying of plants. Laboratory work stresses the structural characteristics of vascular plant families and the use of field manuals in identifying components and provides opportunities to prepare herbarium specimens of the local flora. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course is an upper-division botany course. Prerequisite: BIO 111 General Biology I.

BIO 331. Vertebrate Zoology. 4 hours. F. Even years.

Comparisons of the systems of the vertebrates. Emphasis will be on systematics, morphology, and natural history of the vertebrates. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course is an upper-division zoology course. Prerequisite: BIO 112 General Biology II. Recommended: BIO 211 Human Anatomy and Physiology I and BIO 212 Human Anatomy and Physiology II.

BIO 333. Cell Biology and Molecular Genetics. 4 hours. F.

A study of the structure and physiology of the eukaryotic cell and gene expression. Topics include cell boundary, the secretory and endocytic pathways, gene expression, gene regulation, cell signaling, cell division, cellular respiration, the cytoskeleton, and techniques in cellular and molecular research. This course meets for three (3) hours of lecture each week. Prerequisite: BIO 205 Cell Biology.

BIO 335. Genetics. 4 hours. Sp.

An introduction to the basic concepts and principles of heredity. This course includes a study of classical genetics, modern molecular genetics, probability, and population genetics. Focus will be placed on problem-solving skills in addition to understanding core concepts. This course meets for three (3) hours of lecture each week. Prerequisites: BIO 111 General Biology I and BIO 112 General Biology II.

BIO 345. Wildlife Ecology. (W) 4 hours. Offered on sufficient demand.

A study of the ecology of wildlife species of the southeastern United States. All major wildlife taxa will be included (birds, mammals, reptiles, and amphibians) with special emphasis on natural history and management. This course will involve a significant lab (field) component and may require some extended field trips. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course includes a significant writing component. This course is an upper-division zoology course. Prerequisite: BIO 112 General Biology II; Recommended: BIO 321 Ecology.

BIO 355. Natural Resource Conservation. (W) 4 hours. Offered on sufficient demand.

An integrated study of environmental problems, connections, and solutions that center on renewable and nonrenewable resources. Field trips will be required. This course includes a significant writing component.

BIO 415. Field Biology. (W) 4 hours. Offered on sufficient demand.

Sampling methods and field techniques applicable to the biota of the southern United States. Students will gain field experience in the study of plant and animal life in selected habitats and the impacts of climate and soils on geographic distributions. Students will design and carry out a field study and will interpret the results, culminating in a written report. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course includes a significant writing component. Prerequisite: BIO 321 Ecology.

BIO 416. Herpetology. (W) 4 hours. Sp. Even years.

The morphology, systematics, behavior, ecology, and zoogeography of amphibians and reptiles. Emphasis will be on taxa from the southeastern U.S. This course will meet for three (3) hours of lecture and three (3) hours of lab or field work each week. This course includes a significant writing component. This course is an upper-division zoology course. Prerequisite: BIO 112 General Biology II; Recommended: BIO 321 Ecology.

BIO 417. Animal Behavior. (W) 4 hours. F. Odd years.

The function, ecology, and development of animal behavior. This course introduces students to the major fields of study within the discipline of animal behavior. This course meets for three (3) hours of lecture and three (3) hours of lab or field work each week. This course includes a significant writing component. This course is an upper-division zoology course. Prerequisite: BIO 112 General Biology II; Recommended: BIO 321 Ecology.

BIO 422. Embryology. 3 hours. Sp. Odd years.

A study of fertilization, patterning, cell differentiation, organogenesis, and regeneration in vertebrates. This course meets for three (3) hours of lecture each week. This course will involve a significant lab component. This course is an upper-division zoology course. Prerequisites: BIO 111 General Biology I and BIO 112 General Biology II.

BIO 431. Cellular and Molecular Immunology. 3 hours. Offered on sufficient demand.

A comprehensive study of the immune system with emphasis on medical immunology. This course includes the study of innate and specific acquired immunity; the chemistry of complement, antibodies, antigens, membrane receptors for antigens; lymphocyte activation; ontogeny; infection; immunodeficiency; transplantation; tumor immunology and autoimmune diseases. This course will meet for three (3) hours of lecture each week. Prerequisite: BIO 212 Human Anatomy and Physiology II.

BIO 444. Biological Concepts of Origins. (W) 3 hours. Sp.

A discussion-based class on the concepts of biological origins. This course includes assigned readings, student discussions, and mini-lectures on modern theories of origins, evolution, and creationism. Class participation is required. This course includes a significant writing component. Prerequisite: Fifteen (15) hours of science courses or permission from the instructor.

BIO 498. Research. (W) 1–3 hours. F., Sp., Offered by Individual Instruction.

A research participation course for advanced science students. Students will work closely with the instructor on a research topic of mutual interest. Students should enroll for at least two (2) successive semesters. A research paper is required. This course includes a significant writing component. Prerequisite: Permission from the instructor. Offered by individual instruction.

BPH Biological, Physical, and Human Sciences

BPH 100/200/300. Special Topics in Science. 0.5-1 hour. F., Sp.

An every other week (100/200) [for 0.5 hour credit] or weekly (300) [for 1 hour credit] study of current topics in biology, chemistry, and biochemistry from peer-reviewed scientific literature. The course will familiarize students with technically written materials, laboratory techniques and instrumentation, and current trends in research.

BPH 310. Community Health. 3 hours. Offered on sufficient demand.

Survey of health problems requiring community action. An introduction to the official and unofficial health agencies whose programs are designed for prevention of disease and preservation of health. Activities in the areas of environmental health, sanitation, epidemiology, and related areas are included.

BPH 400. Science Seminar. (W) 1 hour. F., Sp.

A weekly study of current topics in science from peer-reviewed literature that will familiarize students with technically written materials as well as laboratory techniques and instrumentation used in current research. This course should be taken during the final semester at which time the student will take the major field examination. This course meets for one (1) hour of lecture each week. This course includes a significant writing component. Prerequisites: BPH 100/200/300 Special Topics in Science.

BUS Business Administration

BUS 211. Career Readiness I. 1 hour. F., Sp.

This course is intended to help the student develop an appreciation for the value and honor of wellperformed work; to develop a strong personal work ethic; and to begin planning a chosen career path. Securing an internship position for the following summer is encouraged. Completion of this course is required to be considered for the Next Level Scholarship I.

BUS 212. Career Readiness II. 1 hour. F., Sp.

This course is intended to help the student develop the abilities and attitude to recognize what needs to be done; to be able to work toward accomplishment of goals without close supervision; and to develop a resume and cover letter appropriate for his/her chosen career path. Securing an internship position for the following summer is encouraged. Completion of this course is required to be considered for the Next Level Scholarship II.

BUS 213. Career Readiness III. 1 hour. F., Sp.

This course is intended to help the student systematically plan a successful job search. Completion of this course is required to be considered for the Next Level Scholarship III.

BUS 253. Business Computer Applications. 3 hours. Offered on sufficient demand.

Covers theory and application of productivity applications. Students will learn to be proficient in the use of word processing, spreadsheet, database, and presentation software used in business. Students cannot receive credit in their major for both this course and CIS 161 Computer Applications.

BUS 254 Business Technology. 3 hours. F., Sp.

A study of business information technology solutions. This course will emphasize emerging trends as they relate to system hardware, system software, and telecommunications. The course will also include exercises in spreadsheet and database applications to reinforce the information system concepts and to increase their working knowledge of the application software.

BUS 351. Business Communication. (W) 3 hours. Su., F., Sp.

Synthesis of ethics, logic, psychology, and the art of written communication. Topics include writing letters, emails, reports, and employment documents. This course includes a significant writing component. Prerequisite: ENG 102 English Composition II or the equivalent.

BUS 352 A, B, C. Free Enterprise Education. 3, 2, 1 hours. Offered on sufficient demand.

Course for the student who wishes to help design, organize, and implement programs that educate the campus, local community, and surrounding counties about various aspects of the free enterprise system. Prerequisite: Permission from the instructor.

BUS 353. Special Events Management. 3 hours. Offered on sufficient demand.

A study of the special event planning process. Topics include formulations of goals, needs assessment, selection and design of one-time or on-going events, coordinating, generating revenue, marketing, obtaining sponsorships, managing risks, providing security, implementing plans, and evaluating events.

BUS 354. Legal Environment of Business. 3 hours. Su., F., Sp.

A survey of the legal environment of business. Topics include the legal and constitutional environment of business, dispute resolution, torts, contracts, agency and employment law, and business organizations. Emphasis is placed on legal and ethical analysis in decision making.

BUS 357. Commercial Law. 3 hours. Sp.

A continuation of BUS 354. Topics include sales negotiable instruments, debtor/creditor relationships, property, professional liability, and international law. Prerequisite: BUS 354 Legal Environment of Business.

BUS 358. Global Business Environment. 3 hours. Offered on sufficient demand.

This course will assist in enabling students to compete more effectively in today's competitive global environment. This study will assist students in developing an overview of international business by examining and developing a global perspective on international trade, global investing, multi-national financial markets, international marketing, and operations of a transnational business. Additional emphasis will be placed on various organizational models used by foreign firms and a variety of cultural issues. Prerequisite: ECO 271 Macroeconomics or permission from the instructor.

BUS 399C. Music Business Survey. 3 hours. Su.

An overview of the practice and procedures of the music industry including artist development, marketing and intellectual property. Same as MUS 399B.

BUS 455. Business Ethics. (W) 3 hours. F., Sp.

A study of ethics as applied to the field of business. The course will include an examination of various ethical theories, the application of individual values in the workplace, social responsibility of businesses, and the impact on stakeholders of making decisions of ethical significance. This course includes a significant writing component.

BUS 459. Business Capstone. (W) 3 hours. F., Sp.

A capstone experience to synthesize and apply knowledge and skills learned throughout the business curriculum. Emphasis will be placed on business strategy, career preparation, and integrating experiences. This course includes a significant writing component. Prerequisite: Senior business major and completion of all 200-level courses in the Common Professional Component (CPC) for B.B.A. majors.

BUS 501. Business Foundations I. 1 hour. Su., F., Sp.

Provides students the necessary undergraduate Common Professional Component (CPC) prerequisite(s) needed for the M.B.A. program and its courses. Students will take up to four (4) online CPC modules at their own pace each eight-week term.

BUS 502. Business Foundations II. 1 hour. Su., F., Sp.

Provides students the necessary undergraduate Common Professional Component (CPC) prerequisite(s) needed for the M.B.A. program and its courses. Students will take up to four (4) online CPC modules at their own pace each eight-week term. Prerequisite: BUS 501 Business Foundations I.

BUS 503. Business Foundations III. 1 hour. Su., F., Sp.

Provides students the necessary undergraduate Common Professional Component (CPC) prerequisite(s) needed for the M.B.A. program and its courses. Students will take up to four (4) online CPC modules at their own pace each eight-week term. This course may be repeated with the approval of the Director of the M.B.A. program. Prerequisite: BUS 502 Business Foundations II.

BUS 510 Business Communication. 3 hours. Sp.

A practical study in techniques and practices designed to enhance one's ability to communicate in the modern business environment. Focus is on communicating via oral presentations, electronic media, and written word. Effective use of current business technologies is a major component of this course.

BUS 520. Business Law and Ethics. 3 hours. F.

A study of legal and ethical issues relevant to business professionals. Students examine contemporary laws and regulations that affect business leaders and their organizations. The course considers the impact of various legal and ethical frameworks in decision making in the business environment. Prerequisites: BUS 354 Legal Environment of Business and BUS 455 Business Ethics or approved equivalents.

BUS 550. Analytical Decision Tools. 3 hours. Sp.

The study of various quantitative methods used in business decision making. Topics include a study of statistical theory and procedure, including descriptive statistics and statistical inference, and linear programming. The course focuses on the application of knowledge to real-world problem-solving and utilizes Microsoft Excel for assignments and examinations. Prerequisites: BAN 225 Quantitative Business Analysis or approved equivalent.

BUS 559. Strategic Decision Making. 3 hours. F., Sp.

A capstone study of the strategic management process that is based on the premise that successful strategy incorporates biblical principles. The course integrates the major business subjects in the development and demonstration of ethical decision making, leadership and teamwork, and communication skills – all from a Christian perspective. The course relies heavily on cases that deal with a wide range of policy, strategic, and implementation issues faced by both employer entities and individual employees in both domestic and global markets. This course must be taken during the student's final fall semester (for December program completion) or final spring semester (for May or July program completion). Prerequisites: Completion of all undergraduate CPC prerequisites.

CHE Chemistry

CHE 121. General Chemistry I. 3 hours. F.

A study of the basic concepts of general chemistry. This study will include the atomic theory, atomic structure, chemical bonding, the periodic law, and calculations relating to stoichiometry and the gas laws. Corequisite: CHE 121L General Chemistry I Lab.

CHE 121L. General Chemistry I Lab. 1 hour. F.

Special emphasis given to quantitative methods. This course meets for two (2) hours each week. Corequisite: CHE 121 General Chemistry I.

CHE 122. General Chemistry II. 3 hours. Sp.

A continuation of CHE 121. This course includes the study of oxidation-reduction reactions, electrochemistry, chemical equilibria, and a survey of the most common elements. Prerequisite: CHE 121 General Chemistry I. Corequisite: CHE 122L General Chemistry II Lab.

CHE 122L. General Chemistry II Lab. 1 hour. Sp.

Special emphasis given to quantitative methods. This course meets for two (2) hours each week. Prerequisite: CHE 121L General Chemistry I Lab. Corequisite: CHE 122 General Chemistry II.

CHE 221. Analytical Chemistry. 4 hours. Sp. Odd years.

A study of the theory involved in qualitative and quantitative analyses. Laboratory stresses gravimetric and volumetric analyses. This course meets for two (2) hours of lecture and six (6) hours of lab each week. Prerequisites: CHE 122 and 122L General Chemistry II and Lab.

CHE 222. Instrumental Analysis. 4 hours. Offered on sufficient demand.

A study of the theory and application of spectroscopic and chromatographic instrumental techniques. Lecture topics will include the theory, instrument design, operation, and maintenance for: x-ray fluorescence, infrared, atomic, molecular, ion selective electrodes and electrochemistry, gas and high performance liquid chromatography, mass spectrometry, and nuclear magnetic resonance spectrometry. This course meets for two (2) hours of lecture and six (6) hours of lab each week. Prerequisites: CHE 122 and 122L General Chemistry II and Lab.

CHE 321. Organic Chemistry I. (W) 4 hours. F.

A study of the preparation, properties, reaction mechanisms, reactions, nomenclature, structure, and analyses of organic molecules. This course includes the basics of molecular orbital theory as applied to organic molecules, intermolecular forces, infrared spectroscopy, acid/base mechanisms, nomenclature, stereochemistry, and the properties of alkenes and alkynes. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisites: CHE 122 and 122L General Chemistry II and Lab.

CHE 322. Organic Chemistry II. (W) 4 hours. Sp.

A study of the preparation, properties, reaction mechanisms, reactions, nomenclature, structure, and analyses of organic molecules. This course includes structure determination using nuclear magnetic resonance and mass spectroscopy and reactions/mechanisms of free radicals, alcohols, ethers, aldehydes, ketones, carboxylic acids, and aromatic compounds. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: CHE 321 Organic Chemistry I.

CHE 331. Biochemistry I. (W) 4 hours. F.

A study of the physical chemistry of biomolecules. This course includes the study of cells, water, amino acids, proteins, enzyme kinetics, and nucleic acids. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: CHE 322 Organic Chemistry II.

CHE 332. Biochemistry II. (W) 4 hours. Sp.

A study of the chemistry and metabolism of biomolecules. This course includes the study of the chemistry and metabolism of carbohydrates, lipids, proteins including glycolysis, the citric acid cycle, and oxidative phosphorylation. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: CHE 331 Biochemistry I.

CHE 356. Aquatic Chemistry. (W) 4 hours. F. Even years.

An introduction to the chemical, biological, and physical scientific principles and methods for the examination of aqueous environments. Emphasis is placed on the laboratory portion of this course. This course meets for one and one half (1 1/2) hours of lecture and four and one half (4 1/2) hours of lab or field work each week. Field trips will be required. This course includes a significant writing component. Prerequisites: BIO 111 General Biology I and BIO 112 General Biology II and CHE 122 General Chemistry II and CHE 122L General Chemistry II Lab. (CHE 321 Organic Chemistry I is suggested.)

CHE 410. Inorganic Chemistry. 3 hours. F. Even years.

A study of modern concepts of inorganic chemistry, including electronic structures, molecular structures, and periodic classification of the elements. Additional topics will be selected from the following areas: bonding theories, quantum theory, solid state theory, transition metal complexes, methods of structural determination, group theory, bioinorganic chemistry, and instrumental techniques currently used in inorganic chemistry. Prerequisites: MAT 122 Analytics and Calculus I and CHE 322 Organic Chemistry II.

CHE 421. Quantum Chemistry. 4 hours. F. Odd years.

A study of quantum mechanics and its description of chemical systems. Fundamental atomic properties will be explained such that application can be made to atomic and molecular systems that lead to a deep understanding of wave functions and their use in describing chemical bonds, motion, rotational, vibrational and electronic spectra, and the electric and magnetic properties of molecules utilizing approximation methods, group theory, and computer assistance. This course meets for three (3) hours of lecture and three (3) hours of lab each week. Prerequisite: PHS 212 Physics for Science and Engineering II.

CHE 422. Chemical Kinetics and Thermodynamics. 4 hours. Sp. Even years.

A study of thermodynamics and chemical kinetics in gas, liquid, and solid phases. This course meets for three (3) hours of lecture and three (3) hours of lab each week. Prerequisite: MAT 122 Analytics and Calculus I. (PHS 212 Physics for Science and Engineering II is suggested.)

CHE 498. Research. (W) 1–3 hours. Offered by Individual Instruction. F., Sp.

A research participation course for advanced science students. Students will work closely with the instructor on a research topic of mutual interest. This course includes a significant writing component. Prerequisite: Junior or senior standing and permission from the instructor. Offered only by individual instruction.

CIS Computer and Information Science

CIS 161. Computer Applications. 3 hours. Offered on sufficient demand.

An introduction to essential computer applications. Topics include basic operating system use and effective design and formatting of word processing documents, spreadsheets, and presentations. Students cannot receive credit in their major for both this course and BUS 253 Business Computer Applications.

CIS 171. Computer Programming I. 3 hours. F.

A study of the design of algorithms, pseudocode, data types, control structures, arrays, program testing, and text file processing using a high level programming language. Corequisite: MAT 101 College Algebra.

CIS 172. Computer Programming II. 3 hours. Sp.

A continuation of CIS 171. Emphasis is on object-oriented constructs and techniques, generics, and use of common data structures supported by the language. Prerequisite: CIS 171 Computer Programming I.

CIS 211. Introduction to Web Design. 3 hours. Sp.

An interdisciplinary introduction to web design covering both technical and artistic aspects. The course will cover the current tools and technologies used for web design and development. Emphasis will also be given to the artistic principles relevant to good web design. Students will design, develop, and critique websites.

CIS 267. Application Development I. (W) 3 hours. F.

Windows-based program development using visual languages, editors, and programming tools. This course includes a significant writing component. Prerequisite: CIS 211 Introduction to Web Design.

CIS 273. Data Structures. 3 hours. F.

A continuation of CIS 172. A study of the use of data structures in the design and implementation of software. Topics may include linked lists, stacks, queues, and trees, and their proper application. Prerequisite: CIS 172 Computer Programming II.

CIS 311. Advanced Web Design. 3 hours. F. Even years.

A continuation of CIS 211. The course will cover the advanced techniques and technologies used for modern web design. Emphasis will be given to current topics in the field of web design. Prerequisite: CIS 211 Introduction to Web Design.

CIS 317. Java Programming. 3 hours. Offered on sufficient demand.

An introduction to the fundamental features of the Java language. Topics include object-oriented programming, GUI fundamentals, generics, collections, and I/O. Prerequisite: CIS 172 Computer Programming II.

CIS 322. Human-Computer Interaction. (W) 3 hours. Sp. Odd years.

A study of how people interact with computers in a variety of hardware and software environments including desktop, mobile, web, and native applications. This interdisciplinary approach will focus both on the principles of user-centered design and the application of those principles. This course includes a significant writing component.

CIS 324. Database Systems. 3 hours. F.

A study of the major data models with emphasis on relational systems. Topics include database design, database implementation, database processing, and security. Project work will include creating and modifying databases using Structured Query Language (SQL) and Query By Example (QBE). Current commercial databases will also be studied. Prerequisite: CIS 172 Computer Programming II.

CIS 345. Computer Networks. 3 hours. Sp.

An overview of computer networking principles and practices. Topics include networking theory, layered protocols, Internet addressing, network topologies, network architectures, and network implementation. Prerequisite: MAT 101 College Algebra or higher.

CIS 367. Application Development II. 3 hours. Sp.

Internet-based program development using web technologies, web development programming tools, and database interfaces. Prerequisites: CIS 267 Application Development I and CIS 172 Computer Programming II.

CIS 368. Software Engineering. (W) 3 hours. F. Odd years.

A study of software engineering from initial concept through design, development, testing, and maintenance of the product. Discussion covers software development life cycle models. Topics include quality, validation and verification, and human factors. This course includes a significant writing component. Prerequisite: CIS 267 Application Development I.

CIS 369. Advanced Software Engineering. 3 hours. Offered on sufficient demand.

Advanced study of development techniques for large-scale systems. Emphasis on strategies and methods for system design and implementation that facilitate management of complexity in the development of information systems. Prerequisite: CIS 368 Software Engineering.

CIS 374 Algorithms. 3 hours. Sp.

A continuation of topics introduced in CIS 273. Topics may include sorting and searching techniques, graphs, relative and hashed files, use of data structures as abstractions of problems, and algorithmic complexity (O-notation). Prerequisite: CIS 273 Data Structures.

CIS 386. Architecture and Assembly Language. 3 hours. F. Even years.

An introduction to the low level architecture of modern computer systems. Architecture topics include registers, pipelining, data representation, input, and output. Information covered will be illustrated using assembly language. Prerequisite: CIS 273 Data Structures.

CIS 388. Mobile Application Development. 3 hours. F. Odd years.

An introduction to mobile application design and development on current platforms. This course will emphasize the implementation of mobile applications using principles from visual and usability design. Prerequisite: CIS 172 Computer Programming II.

CIS 417. Advanced Computer Programming. 3 hours. Sp. Even years.

An advanced study of modern programming principles and practice. Topics may include advanced language features, standard library features, unit testing, and secure coding. Prerequisite: CIS 374 Algorithms.

CIS 424. Advanced Database Systems. 3 hours. Offered on sufficient demand.

A continuation of CIS 324. Topics include multi-user databases and database tools for distributed systems. The focus will be on hands-on projects. Prerequisite: CIS 324 Database Systems.

CIS 441. System Administration and Security. 3 hours. F. Even years.

A study of the configuration, administration, maintenance, and tuning of network servers using current operating systems and hardware. Securing the system from internal and external threats is emphasized throughout the course.

CIS 444. Parallel Programming. 3 hours. F. Odd years.

An introduction to the fundamentals of parallel and distributed computation. Topics include parallel architectures, parallel algorithm design, and parallel programming techniques. Modern parallel architectures such as computer clusters and GPUs will be emphasized. Prerequisite: CIS 374 Algorithms.

CIS 460. Operating Systems. 3 hours. Sp. Odd years.

Principles of design and operation of computer operating systems. Topics include processes, threads, memory management, scheduling, file systems, input and output, concurrency, and performance. Prerequisite: CIS 172 Computer Programming II.

CIS 470. Programming Languages: Theory and Practice. 3 hours. F. Odd years.

The principles of programming language design and implementation. Topics include formal language theory, language paradigms, and language evaluation. Students will write programs in several modern languages including non-imperative languages. Prerequisite: CIS 273 Data Structures.

CIS 474. Artificial Intelligence. 3 hours. F. Even years.

A survey of and an introduction to various topics in artificial intelligence. Topics include expert systems, automatic problem-solving, natural language processing, uncertainty management, knowledge representation, and machine learning. Prerequisite: CIS 273 Data Structures.

CIS 491. Advanced Topics in Computer Science. (W) 3 hours. Sp.

A capstone course for exploring advanced theoretical concepts and current issues in computer science. A major independent research project will be required. This course includes a significant writing component. Prerequisite: Senior standing (90+ hours).

CIS 495. Capstone Senior Design Project. (W) 3 hours. Sp.

A capstone course to prepare students for work in the field of interactive digital design. Students will complete portfolios and develop a significant digital project. This course includes a significant writing component. Prerequisite: 90 earned hours. Same as ART 495.

CJU Criminal Justice

CJU 210. Introduction to Criminal Justice System. 3 hours. F.

An intensive examination of the philosophical and historical backgrounds, agencies and processes, purposes and functions, administration, and career orientations of our criminal justice system.

CJU 310. Police and Law Enforcement. 3 hours. Sp.

An examination of the role and function of police and law enforcement systems in the U.S. society: range and limitations imposed on law enforcement, police discretion, law enforcement policies and procedures, accountability, criminal justice ethics, and police-community relations. Prerequisite: CJU 210 Introduction to Criminal Justice System.

CJU 320. Criminal Investigation. 3 hours. F.

A survey of the fundamental techniques of criminal investigation. Students will be exposed to the history of criminal investigation and criminalistics, interviewing and interrogation, physical evidence, crime scene procedures, crime analysis, investigation techniques, report writing, case preparation, and courtroom testimony. Prerequisite: CJU 210 Introduction to Criminal Justice System.

CJU 328. Computer Forensics. 3 hours. Offered on sufficient demand.

An introductory study of the field of computer forensics with emphasis on the necessary skills needed to collect, preserve, and analyze digital data. This class will explore the forensic process and the most common forensic tools used along with their capabilities. Experience will be gained by incorporating case studies and real-world experience into this process. Discussion will focus on the recovery process while understanding the evidentiary value of such. Prerequisite: BUS 253 Business Computer Applications or CIS 161 Computer Applications.

CJU 330. Correctional Systems (Management). 3 hours. F.

A comprehensive overview of management issues in both individual and community corrections. Topics included are: organizational theory, planning, programming and budgeting, policy analysis, program evaluation, and information systems and technology, along with facilities management, offender classification systems, treatment programs, management of special offender populations, and personnel issues. Prerequisite: CJU 210 Introduction to Criminal Justice System.

CJU 350. Juvenile Justice. 3 hours. Sp.

An overview of the topic of juvenile justice, with a specific emphasis on the United States juvenile justice system and the Tennessee juvenile justice system. Topics will include the history of the juvenile justice system, how the system evaluates juvenile wrongdoing, how the system deals with delinquent youth, juvenile courts, residential and non-residential interventions, and alternative means of dealing with problem youth, including restorative justice and diversion programs.

CJU 380. Criminal Behavior and Profiling. 3 hours. Offered on sufficient demand.

A study into the reconstructing of an offender's actions in relation to a crime by examining the behavioral and psychological evidence left by the offender. Emphasis will be given to victimology, profiling methods, the history of profiling, whether profiling is an art or science, and the crime data from the national crime and victimization data. Prerequisite: PSY 218 Abnormal Psychology.

CJU 410. Criminal Justice Theories. (W) 3 hours. F.

An examination and explanation of the major theories of criminal deviance. Emphasis is placed on past and current theories of crime including sociological, economic, psychological, and biological theories of crime causation. The theories will be examined in light of criminal justice data. This course includes a significant writing component. Prerequisite: CJU 320 Criminal Investigation.

CJU 480. Capstone in Criminal Justice. (W) 3 hours. Sp.

A capstone course to prepare students for entry to the criminal justice field through a review of major coursework and current trends in criminal justice. This course includes a significant writing component. Prerequisites: CJU 410 Criminal Justice Theories and at least 90 earned hours.

CJU 497. Internship. 3 hours. F., Sp.

A professional field experience under the supervision of an experienced professional, carefully selected and approved by the student's advisor. Prerequisite: CJU 410 Criminal Justice Theories.

CJU 499A. Special Topics in Criminal Justice. 3 hours. Offered on sufficient demand.

An in-depth study of an area of special interest relating to the criminal justice system. Prerequisite: CJU 410 Criminal Justice Theories.

COM Communication

COM 140. Speech Communication. 3 hours. Su., F., Sp.

An introduction to the basic concepts of human communication theory with instruction and practice in interpersonal communication, small group communication, and public speaking.

COM 151. Radio Station Operations. 1 hour. F.

A history of the development of various mass media from infancy to the rapid convergence of contemporary media. Areas of study will include early pioneers and inventors, performers, producers, and programs from various media. The course will provide a foundation for understanding current practices in mass media as well as future developments.

COM 231. Preparation and Delivery of Sermons. 3 hours. F., Sp.

Introduction to principles and techniques of preparing and delivering sermons. Logical outlining and effective presentation of various types of sermons are emphasized. Prerequisite: COM 140 Speech Communication. Same as BIB 231.

COM 236. Intercultural Communication. 3 hours. Sp. Odd years.

A study of the dynamics of communication across cultural boundaries. Special emphasis will be given to missiological applications. Topics to be considered will include understanding culture, contextualization, preparing culturally appropriate lessons, effective use of translators, and principles for language learning. Prerequisite: COM 140 Speech Communication. Same as BIB 236.

COM 240. Public Speaking. 3 hours. Sp.

An introduction to the psychological and rhetorical bases of speech with practice in audience analysis, research, and the preparation and delivery of various types of speeches.

COM 241. Small Group Communication. 3 hours. F.

A theoretical and experiential introduction to the principles of effective group communication. Topics stressed include types of decision making procedures, approaches to group leadership, specific group-related communication skills, and creativity in group problem-solving.

COM 243. Interpersonal Communication. 3 hours. Sp.

An experiential workshop designed to develop specific interpersonal skills essential to effectiveness in social interaction, teaching, counseling, business transactions, and family life. Students will work together in small groups as they respond to films and idea papers and participate in structured experiences.

COM 253. Digital Storytelling. 3 hours. F.

Examination of the procedures and techniques of producing television programs. Special emphasis will be given to field-based video production including camera work, audio recording, and non-linear video editing concepts and techniques. Laboratory work is required.

COM 296, 396. Field Laboratory. 1-3 hours. Su., F., Sp.

Under supervision of an appropriate faculty member and with approval of the department chair, the student will develop and implement a proposal for a field lab working with one of the campus student media (radio station, television studio, or student newspaper) or an off-campus media. The project should involve at least 40 hours of practical application of communication concepts.

COM 356. Communication Law. (W) 3 hours. F.

A seminar course dealing with various landmark legal decisions that affect professionals working with communications media. Cases in freedom of speech, libel, privacy, copyright, Internet regulations, obscenity, and other pertinent areas will be studied. This course includes a significant writing component.

COM 358 Social Media. 3 hours. Sp.

An introduction to the use of varying types of social media with emphasis placed on how social media is changing the world and how that media can be used to enhance the quality of life.

COM 383. Public Relations. (W) 3 hours. F.

A study of the principles, history, and practice of public relations in business, educational institutions, social welfare organizations, and government. Topics included are the processes of influencing public opinion, analysis of public relations programs, and the responsibilities of public relations practitioners to their clients, to the media, and to the public. This course includes a significant writing component.

COM 385. Public Relations Methods. (W) 3 hours. Sp.

A study of the design and production of specialized forms of communication. Attention is given to audience analysis, message content and design, and basic design principles for various media channels. This course includes a significant writing component. Prerequisite: COM 383 Public Relations.

COM 3991. Special Topics in Communication. (W) 3 hours. Sp.

A study of selected topics impacting the field of communications today. Topics may include media literacy, media effects, entertainment education strategy, critical and cultural studies, and history of communication. This course includes a significant writing component. May be repeated for up to 9 hours of credit.

COM 442. Communication Theories. (W) 3 hours. Sp.

A study of research-based theories of human communication. Students are assisted in making practical application of the concepts presented. This course includes a significant writing component.

COM 483. Public Relations Case Studies. (W) 3 hours. Sp.

A study of typical public relations problems in industry, labor, education, government, social welfare agencies, and trade associations. A case studies approach is used to foster insight into alternative approaches to strategic public relations planning. This course includes a significant writing component. Prerequisites: COM 383 Public Relations and COM 385 Public Relations Methods.

COM 489. Senior Seminar. 1 hour. F.

A capstone course to prepare students for entry into the communication field. Students will complete portfolios, develop a resume, and compose application letters. Guest speakers from the campus and community will be used. Prerequisite: Senior standing.

COU Counseling

COU 000. Orientation to Graduate Studies in Counseling. 1 hours. Su., F., Sp.

Orientation is taken in the semester in which a student enrolls in a counseling program degree or certificate program. This course provides an overview of the responsibilities, requirements, and expectations of the counseling program, the University, and the counseling profession. Resources available to students to help them succeed will also be introduced.

COU 500. Counseling Foundations. 3 hours. F., Sp.

An intensive look at the profession of counseling and the professional roles, tasks-responsibilities, and identity of the counselor. This course also includes an opportunity for an in-depth understanding of the many aspects of professional counseling including similarities and differences of other mental health professions, educational preparation, professional counseling organizations, ethical standards, legal aspects of counseling, and state and national credentialing. The course emphasizes self-awareness and growth as it relates to becoming an effective facilitator of individual, couple, group, and family change.

COU 500B. School Counseling Foundations. 3 hours. Sp.

An intensive look at the profession of counseling and the professional roles, tasks-responsibilities, and identity of the counselor. This course also includes an opportunity for an in-depth understanding of the many aspects of professional counseling including similarities and differences between educational roles and mental health professions. The course emphasizes self-awareness and growth as it relates to becoming an effective facilitator of change through the counseling process.

COU 501. Clinical Intervention I. 3 hours. F.

The development of basic counseling techniques with an introduction to counseling theory, philosophy, and principles as applied to skill development.

COU 502. Clinical Intervention II. 3 hours. Sp.

A study of advanced counseling techniques. Skills for diagnosis, case conceptualization, treatment planning, intervention, and evaluation of treatment will be targeted. A number of counseling approaches-techniques will be examined for student development, demonstration, and possible integration. Prerequisite: COU 501 Clinical Intervention I.

COU 503. Professional/Scientific Writing (C.M.H.C.). (W) 3 hours. ____.

An advanced research and writing course, focusing on the purpose, practice, and meaning in academic writing. The course highlights sentence and paragraph structure, outlining and organization, advanced grammar rules, and proper citation according to the American Psychological Association's standards. This course involves a significant writing component with the goal of assisting the student in improving their professional/scientific presentation skills. This course cannot be utilized to meet degree or certificate requirements.

COU 505. Life-Cycle Development. 3 hours. F.

A thorough survey of the specified divisions of the life-cycle from early childhood to death. Topics include life-cycle theories of development, developmental tasks, normal-abnormal behavior, models of moral, intellectual, social, and physical development, and learning theories will be explored. Counseling strategies for specific concerns in the life cycle will be emphasized.

COU 510. Theories of Counseling and Psychotherapy. 3 hours. Sp.

An intensive study of selected theories of counseling and psychotherapy with a review and critique of motivation and process dynamics of each theory in light of current research and theory. Students are encouraged to begin to identify and personalize their own theoretical approach.

COU 514. Psychopathology I. 3 hours. Su., F.

An in-depth study of abnormal behavior including the theories of psychopathology, etiology, and epidemiology of mental disorders. The course, prognosis, and cultural differences of each mental disorder are given special attention. Students will be introduced to the DSM–5 approach to defining and diagnosing mental disorders.

COU 515. Psychopathology II. 3 hours. F., Sp.

An in-depth study of the DSM–5 approach to diagnosing mental disorders. Emphasis will be given to DSM criteria, case studies, and differential diagnosis of mental disorders. Prerequisite: COU 514 Psychopathology I.

COU 520. Assessment I. 3 hours. F.

A study of the administration, scoring, and interpretation of assessment-appraisal instruments used in counseling. Emphasis is on the use of test results in counseling with individuals and families. Case note fundamentals and report writing are also studied.

COU 521. Assessment II. 3 hours. Offered on sufficient demand.

An intensive study of the application of assessment-appraisal techniques in counseling. Emphasis is on the selection, administration, scoring, and interpretation of personality assessment instruments. Synthesis of various forms of data into a comprehensive assessment report will also be studied. Prerequisite: COU 520 Assessment I.

COU 525. Marriage and Family Counseling. 3 hours. Su.

A study of the dynamics of marriage and family relationships with emphasis on understanding of the structure and function of marriage, the various aspects of the marital relationship, family systems, and the way in which the counselor may approach marriage and family counseling as a creative, preventative, and healing avenue.

COU 530. Group Counseling. 3 hours. Su.

A study of the principles of group counseling dynamics, theory, and techniques. Students participate in face-to-face task groups. Emphasis is placed on developing competencies in self-intervention and growth as well as competence in processes of small group phenomena.

COU 535. Ethical Issues in Counseling. 3 hours. Su.

An in-depth study of professional ethics, legalities, and professional issues relating to the professional practice of counseling.

COU 540. Research Methods in Counseling. 3 hours. Sp.

An introduction to research methods and their application to research problems with emphasis on the conceptualization, design, completion, and evaluation of research in counseling. Prerequisite: 9 hours of counseling courses or permission from the director and/or instructor.

COU 545. Practicum I. 3 hours. Su., F., Sp.

The student works in a face-to-face relationship with a client under the supervision of a field supervisor. A minimum of 100 clock hours is required for this practicum with a minimum of 40 clock hours of direct service with actual clients. Weekly campus meetings are also required. Weekly meetings will be organized and directed by the graduate faculty. Prerequisites: COU 500 Counseling Foundations, COU 501 Clinical Intervention I, COU 502 Clinical Intervention II, COU 510 Theories of Counseling and Psychotherapy, COU 514 Psychopathology I, COU 515 Psychopathology II, and COU 535 Ethical Issues in Counseling and Liability Insurance.

COU 550. Career Counseling. 3 hours. Sp.

A course that reviews concepts, issues, and trends in the field of career education. It is designed to consider the role of the counselor in the career decision making process, as well as current issues in the facilitation of career decisions for women and men across the lifespan. Topics will include, but may not be limited to: selected theories of career-life planning and development; techniques designed to bring about greater awareness of needs, ethnicity, values, interests, and abilities related to career decision making; and a range of techniques counselors may choose to facilitate work with clients.

COU 555. Theories of Personality. 3 hours. Offered on sufficient demand.

Representative theories of personality are analyzed for their contribution to understanding human growth and development, psychopathology, and behavior change. The relationship of theory to assessment and research is examined.

COU 560. Counseling Diverse Populations. 3 hours. Su.

A course designed to address societal changes, influences and trends, human roles, societal subgroups, social mores, and diversity of life-styles. Social change and individual/societal responses, and multicultural issues are examined. Other major issues addressed include religion, racial issues, ethnicity, gender issues, sexual preference, aging issues, and subgroup/cultural communication patterns. Methods of addressing the provision of counseling services and alleviating those concerns are explored.

COU 565. Addictions Counseling. 3 hours. F.

A course which provides an intensive understanding of the etiology, progress, and counseling strategies for addictive disorders. Emphasis will be given to the DSM–5 classification of addictive disorders, the interaction of addiction within and upon the family system, and effective techniques for counseling addicted persons and their families.

COU 570. Crisis Counseling. 3 hours. Offered on sufficient demand.

An examination of the theory, practice, cultural dynamics, and legal implications of crisis intervention as applied to crisis-induced dysfunctional behavior. Recognizing crisis situations and having knowledge of crisis intervention strategies and brief therapy techniques will be the main objective of this course.

COU 575. Agency Counseling. 3 hours. Offered on sufficient demand.

An advanced study of the clinical skills and administrative knowledge unique to mental health counselors in agency settings (i.e. Community Mental Health Centers, profit/non-profit counseling service agencies, psychiatric settings and private practice) with varied clientele. Included are the topics, concepts, and skills of "community" assessment, program development, administration, delivery, and evaluation.

COU 585. Psychopharmacology for Counselors. 3 hours. Offered on sufficient demand.

A course designed to teach the prospective counselor about the history and development of psychopharmacologic agents, the biochemical nature of the central nervous system, and the relationship of the system of psychopharmacology. The legitimate use of medications, the importance of treatment for some psychological disorders, and coordinating treatment amongst professionals will also be examined.

COU 590. Counseling and the Law. 3 hours. Offered on sufficient demand.

A course which provides an overview of the American legal system, with special attention given to legal terminology, how to minimize legal problems, how to deal with members of the legal profession, preparing for court appearances, and handling a legal audit. The primary focus of the course is on avoiding malpractice. Topics include informed consent, confidentiality/privileged communication, duty to warn, duty to report, record keeping, and risk management. As time and interest permit, additional topics related to employment law will be discussed.

COU 598. Independent Study. 1-3 hours. Su., F., Sp.

A cooperatively planned reading-research course or special project guided and evaluated by a member of the graduate counseling faculty. May be repeated as needed. Prerequisites: student must have "regular admission" status, have completed twelve (12) graduate hours with 3.00 or above GPA, and complete required forms with appropriate signatures before the drop/add date of the semester for which the credit is to be earned or gain special permission from the director of the program for special circumstances, i.e., conference credit, etc. It is the student's responsibility to develop a proposal, initiate contact with a faculty member willing to serve as mentor, and see that all requirements are met.

COU 599A. Counseling Children and Adolescents. 3 hours. Offered on sufficient demand.

A topical seminar designed to develop skills in counseling children and adolescents individually and in family therapy. Coordination of services with other agencies, work with the juvenile court system, and the use of assessment instruments with this age group will be studied.

COU 599B. Diagnosis and Treatment Planning. 3 hours. Su., Sp.

The foundation of an effective treatment plan is the data gathered through biopsychosocial assessment. Data can be obtained from interviews, client history and records, testing, or collateral contacts. This course presents specific steps for developing an effective treatment plan based on assessment data and recognizing the uniqueness of each client. Plans will include a variety of interventions and approaches based on both behavioral problems and/or DSM–5 diagnosis. The case-study method will also be used to develop such plans in class for discussion and presentation. Prerequisites: COU 514 Psychopathology I, COU 515 Psychopathology II, and COU 520 Assessment I, or special permission from the instructor.

COU 599D. Premarital Counseling. 3 hours. Offered on sufficient demand.

A topical seminar designed to introduce the student to the concepts, various models, resources, and process for leading couples through premarital preparation. The student will become familiar with the theological issues as well as the practical implications of having a Christian marriage and family in today's society.

COU 599E. Grief Counseling. 3 hours. Offered on sufficient demand.

A topical seminar which provides content on the concepts of human attachment, loss, death, dying, and bereavement. Special clinical attention is given to the processes of grief therapy in resolving pathological grief and facilitating grief related to special kinds of losses. Grief is studied within the context of family systems.

COU 599F. Counseling for Church Leaders. 3 hours. Su.

Current theories and practices in counseling are needed by ministers and other church leaders. The church leader will gain a fundamental knowledge of general psychopathology, so as to know how and when to make a referral. Topics that have special application to a church setting will be pursued, e.g., basic counseling within the congregation, marital and family counseling (including abuse, infidelity, and divorce), counseling in the hospital, anger and conflict management, crisis counseling, the problem of suffering, spiritual disorders, and ethics.

COU 600. Practicum II. 3 hours. Su., F., Sp.

A continuation of COU 545. The student works in a face-to-face relationship with a client under the supervision of a field supervisor. One-hundred-fifty (150) clock hours of counseling and counseling-related activities is the minimum requirement for successful completion. Weekly campus meetings are also required. Weekly meetings will be organized and directed by the graduate faculty. Prerequisites: COU 545 Practicum I, completion of core coursework, and liability insurance.

COU 605. Internship I. 6 hours. Su., F., Sp.

A field-based clinical-counseling experience supervised by a qualified, licensed mental health professional at a site selected by special arrangement with the intern, the program director, and a mental health agency. Interns spend a minimum of 600 clock hours for six (6) credit hours. Specific emphasis is placed on direct contact with consumers of mental health counseling services. The internship includes all activities a regularly employed mental health counselor would perform. It provides interns with an opportunity to develop and apply clinical diagnostic skills and counseling skills in a practical setting. Prerequisites: Completion of core coursework (including and passing COU 545 Practicum I with a 3.00 GPA or better), completion of final coursework as specified in the student's degree plan (ex. transfer work), and permission from the program director.

COU 610. Internship II. 6 hours. Su., F., Sp.

A continuation of COU 605. A field-based clinical-counseling experience supervised by a qualified, licensed mental health professional at a site selected by special arrangement with the intern, the program director, and a mental health agency. Interns spend a minimum of 600 clock hours for six (6) credit hours. Specific emphasis is placed on direct contact with consumers of mental health counseling services. The internship includes all activities a regularly employed mental health counselor would perform. It provides interns with an opportunity to develop and apply clinical diagnostic skills and counseling skills in a practical setting.

COU 699A. Internship Continuance A. 0 hours. Su., F., Sp.

This course provides students the opportunity to continue working on hours in COU 605 or COU 610. The student will continue to gather the required hours of experience and complete additional requirements as specified by the instructor. This course does not count toward satisfying graduation requirements. COU 699A is "pass/fail" and cannot be repeated if it is passed. Prerequisites: Must have enrolled in COU 605 Internship I or COU 610 Internship II in the previous semester and must currently have received a grade of "IP".

COU 699B. Internship Continuance B. 2 hours. Su., F., Sp.

This course provides students the opportunity to continue working on hours in COU 605 or COU 610. The student will continue to gather the required hours of experience and complete additional requirements as specified by the instructor. This course does not count toward satisfying graduation requirements. COU 699B is "pass/fail" and can be repeated. Prerequisites: Must currently have received a grade of "IP" in COU 605 Internship I or COU 610 Internship II.

CYB Cybersecurity

CYB 101. Introduction to Cybersecurity. 3 hours. F.

An introductory study focused on designing and implementing best practices for protecting critical business and governmental assets and infrastructure. This course will identify the importance of cybersecurity within an organization and explain the role of cybersecurity professionals. Students will be introduced to current cybersecurity technologies and procedures with an emphasis on cyber threat and intrusion mitigation strategies.

CYB 201. Introduction to Linux. 3 hours. Sp.

An introductory study focused on several flavors of the Linux desktop operating system. Basic commands, utilities, system structures, scripting, and tools will be explored along with system administration tools and techniques. This course will include a focus on securing the Linux desktop.

CYB 220. Windows Security. 3 hours. F.

An introductory study focused on the Windows desktop operating system. The main emphasis will be on Windows 10. Basic commands, utilities, system structures, scripting, and tools will be explored along with system administration tools and techniques. This course will include a focus on securing the Windows desktop.

CYB 350. Ethical Hacking. 3 hours. Sp. Even years.

An in-depth study of the science of ethical hacking. In this class, the student will be immersed in ethical hacking techniques including hands-on exercise. This detailed study will discuss perimeter security giving students the opportunity to scan and attack a test laboratory network. While performing penetration tests, students will participate in this course offering adhering to the highest ethical and moral standards. Prerequisites: CYB 101 Introduction to Cybersecurity, CYB 201 Introduction to Linux, and CYB 220 Windows Security.

CYB 380. Cybersecurity Planning and Risk Management. 3 hours. F. Even years.

An in-depth study of enterprise cybersecurity planning and implementation including risk management, business continuity, and disaster recovery. The student will analyze and evaluate both internal and external cybersecurity threats and learn to perform risk mitigation assessments utilizing industry best practices. Prerequisite: CYB 101 Introduction to Cybersecurity.

CYB 390. Network Administration and Security. 3 hours. Sp.

A focused study introducing the student to fundamental network security concepts, architectures, and protocols as related to network security. Cybersecurity policies, technical controls, current best practice guidelines, tools, and administration will be discussed as pertaining to the enterprise network environment. Prerequisites: CYB 101 Introduction to Cybersecurity and CYB 220 Windows Security.

CYB 410. Digital Forensics and Incident Response. 3 hours. F. Odd years.

An in-depth study of the science of digital forensics. This course provides hands-on exposure to digital forensics and incident response techniques used within an enterprise environment. Topics discussed will include cybercrimes, network intrusions, insider threats, employee technology misuse, forensic artifacts, forensic imaging, and using investigative forensic tools. A hands-on laboratory is included. Prerequisites: CYB 101 Introduction to Cybersecurity, CYB 201 Introduction to Linux, and CYB 220 Windows Security.

CYB 430. Intrusion Detection and Mitigation. 3 hours. Sp. Odd years.

An in-depth study of network perimeter security focusing on threats, network intrusions, mitigation efforts, and prevention. The student will be introduced to current intrusion detection methods focusing on intrusion detection tools, network traffic/packet analysis, and interpretation of intrusion detection anomalies. Prerequisites: CYB 201 Introduction to Linux and CYB 390 Network Administration and Security.

CYB 440. Cryptography. 3 hours. Sp. Even years.

An introduction to the basic theory and practice of cryptographic techniques used in cybersecurity. Topics include encryption (symmetric and asymmetric), message integrity, digital signatures, use authentication, key management, cryptographic hashing, common cryptographic protocols, and attacks on cryptographic techniques. Prerequisites: CIS 172 Computer Programming II and MAT 101 College Algebra (or higher MAT).

CYB 495. Cybersecurity Capstone. 3 hours. Sp.

This capstone experience should be taken during the last year of study of the cybersecurity major. The student will produce an individual project dealing with an approved cybersecurity topic. This work will be an original contribution of the student demonstrating a comprehensive knowledge of cybersecurity theory and operating practice. Prerequisites: CYB 390 Network Administration and Security and senior standing.

DBH Doctor of Behavioral Health

DBH 700. Residential: Orientation to Doctoral Study. (W) 3 hours. Su., F., Sp.

A required on-campus orientation to the D.B.H. degree. This course is a major resource of information for students' knowledge and engagement throughout the program. Students will participate in structured activities, directed assignments, and guided dialogue. This course includes a significant writing component focusing on the development of an evidence-based scholarly literature review and project proposal for a translational research project. A letter grade will be awarded.

DBH 703. Professional/Scientific Writing (D.B.H.). (W) 3 hours. Su., F., Sp.

An advanced research and writing course, focusing on the purpose, practice, and meaning in academic writing. The course highlights sentence and paragraph structure, outlining and organization, advanced grammar rules, and proper citation according to the American Psychological Association's standards. This course involves a significant writing component with the goal of assisting the student in improving their professional/scientific presentation skills. This course cannot be utilized to meet degree or certificate requirements.

DBH 705. Suffering and the Human Condition. 3 hours. F.

An in-depth study of human suffering. Students will consider how to deal with personal suffering while helping others who suffer. Utilizing the Christian perspective, students will formulate a theology of suffering and create an integrative approach that will result in successful interventions with individuals and families who suffer.

DBH 710. Basis of Human Behavior. 3 hours. F.

An intense examination of human behavior. This course explores a number of specific theories relevant to the biopsychosocial approach: part/whole analysis, psychodynamic theory, ecological/systems theory, cognitive/behavioral theory, and radical/critical theory. Since human development is a product of interaction between the individual, family, community, social institutions, and culture, the student will explore human behavior throughout the human life cycle, which will enable understanding, analyzing, and intervening in problems encountered in professional practice.

DBH 715. The United States Healthcare System. 3 hours. F.

An analysis of the U.S. healthcare system. This course explores the evolutionary track of the American healthcare delivery system since 1900. Specifically, the course explores healthcare terminology, the particular settings and entities providing American healthcare (hospitals, public and private health agencies, staffing, and payers), the government's unique role, and ways in which the multi-faceted system is financed. Finally, the course will look at how delivery is managed for special populations, including behavioral health.

DBH 720. Advanced Research Methods. 3 hours. F., Sp.

An advanced study of behavioral science research methods. This course is a comprehensive review of behavioral health research methods including quantitative, qualitative, and matrix methods, ethical considerations, an introduction to the Institutional Review Board (IRB), and other challenges involved in quality research design. This course builds on DBH 700 Residential: Orientation to Doctoral Study through continued development of the scholarly literature review and project proposal.

DBH 725. Advanced Clinical, Ethical, and Legal Issues in Behavioral Healthcare. 3 hours. Sp.

A study of current clinical-legal issues surrounding ethical practice. This course focuses on the philosophical, ethical, legal, and moral elements of the professional in the behavioral healthcare system. The intent of this study is to help the professional navigate through the inevitable difficult choices that arise during the administration of behavioral healthcare. Topics to be explored include various ethical decision making models, end of life issues, policies and procedures, organizational laws and ethics, various healthcare laws, patient consent, patient rights and responsibilities, as well as employee rights and responsibilities.

DBH 730. Advanced Clinical Psychopathology. 3 hours. Sp.

An advanced study of psychopathology. This course begins with an examination of current ethical, socio-cultural, and legal issues related to the classification and diagnosis of abnormal behavior. It is further designed to provide behavioral health practitioners with a deeper knowledge of the major categories of mental-emotional illness. Finally, the course will include the etiology, prevalence and incidence, signs and symptoms, and criteria of various disorders (including advanced differential diagnosis), setting the stage for DBH 745 Evidence Based Treatment for Clinical Practice and DBH 750 Complementary and Integrative Behavioral Health Treatment Strategies.

DBH 735. Advanced Psychopharmacology. 3 hours. Su.

An advanced view of psychopharmacology. This course will better equip the behavioral healthcare provider with a current understanding of the extensive list of psychotropic medications. This course is geared toward those practitioners who routinely deal with patients needing medication and who collaborate with medical providers prescribing those psychotropic medications. Finally, the course provides readily available resources and listings of drug information, updates, side effects, drug interactions, and counter indications.

DBH 740. Behavioral Healthcare Executive Leadership. 3 hours. Su.

An analysis of executive leadership. This course examines various evidence-based concepts of leadership, as well as their theories and spheres of influence for the advanced behavioral healthcare leader. The ultimate goal of this course is to strengthen one's leadership skills in the delivery of behavioral healthcare services. Course members will create missions and visions for their area in order to deliver excellence, make evidence based decisions, and become more culturally sensitive. Students will also have the opportunity to focus on the assessment and enhancement of their executive leadership skills and future career development.

DBH 745. Evidence Based Treatment for Clinical Practice. 3 hours. Su.

Conceptual framework for evidence based treatments. This course involves addressing common mishaps in practice, analysis of scientific findings, the seven step process of evidence based treatment protocol, case conceptualization, and best practices for the highest quality of care. This course will provide the practitioner with the advanced skills for making clinical judgments as well as understanding and integrating empirical evidence, patient preferences, and inter-professional perspectives for the best patient outcomes.

DBH 750. Complementary and Integrative Behavioral Health Treatment Strategies. 3 hours. F.

An analysis of complementary and alternative treatments. This course moves clinical practitioners beyond their prior training, yet builds on their previous knowledge, theoretical orientation, and current practice(s). It provides an in-depth study of the more contemporary treatments, the lesser-known treatments, and even some of the controversial modalities used by many of today's healthcare providers. The course rounds out its study with reviews of complementary and alternative medicinal approaches.

DBH 755. Integrated Behavioral Healthcare in Medical Settings. 3 hours. F.

A thorough study of integrated behavioral healthcare. This course will provide various models demonstrating a system of collaboration between behavioral healthcare providers and medical personnel. This course will emphasize a team model in the medical setting. Understanding and skill building in inter-professional communication, collaboration, and maintaining professional credibility, will be a major component of this course. This course includes a rotation within a medical setting.

DBH 760. Behavioral Healthcare Administration I. 3 hours. F.

Content will focus on behavioral healthcare administration. This course is designed to bridge the business knowledge gap that exists in most graduate level behavioral science programs. This course will prepare the behavioral health clinician to become a more insightful, skilled, and efficient organizational business manager within various behavioral health and medical settings.

DBH 765. Behavioral Healthcare Administration II. 3 hours. Sp.

A continuation of DBH 760. This course focuses on financial analysis and decision making within modern business by providing theory, budgeting methods, risk analysis, and various other financial factors associated with business finance. Furthermore, this course focuses on understanding the various elements involved in creating a functional business plan for current practice/environment. Business plans will be submitted for evaluation using the Strengths, Weaknesses, Opportunities, and Threats (SWOT) analysis technique.

DBH 770. Advanced Treatment Strategies for Addictive Disorders. 3 hours. Sp.

In this course, a complete history of addiction will be discussed along with advanced treatments for various addictions. Topics to be discussed include the use of opium by the ancient Sumerians to the recent epidemic of methamphetamine in the western world. There will be an emphasis on the origin of the drugs of abuse and the complex interaction between these drugs and their genetic, developmental, political, and social context in different eras. While this course will focus mainly on substance use disorders, time will also be spent on process addictions such as sexual addiction, compulsive gambling, and eating disorders. Particular attention will be given to the various treatment strategies of these addictions.

DBH 775. Behavioral Health Informatics. 3 hours. Sp.

This is an in-depth study of behavioral health informatics. This course will identify the historical impact of, current trends in, and future possibilities of technology within behavioral health. Students will gain advanced knowledge in ethical principles related to the application of technology within behavioral health. Students will also enhance their ability to lead an organization in improving behavioral healthcare practice based upon healthcare data.

DBH 780. Advanced Diagnosis and Treatment Planning. 3 hours. Su.

An advanced techniques course regarding diagnosis and treatment planning. This advanced course focuses on application of knowledge and skills in the assessment/diagnosis and treatment planning process. Furthermore, this course provides an opportunity for students to make an intensive study/analysis of selected patient/client cases. Finally, this course supports students in refining their therapeutic skill set for utilizing the Diagnostic and Statistical Manual of Mental Disorders and the International Classification of Diseases for integrative case conceptualization.

DBH 785. Behavioral Health and Wellness. 3 hours. Su.

A thorough study of behavioral health and wellness. This rigorous course teaches the doctoral behavioral healthcare practitioner about developing leadership related to today's most prominent health issues. These include how lifestyle choices impact health (and lives) over time, current health and wellness information, how to develop programs, and strategies and skills for creating motivation and managing change. This course will utilize insight from the other disciplines of health, biology, psychology, sociology, counseling, and theology to frame a holistic approach to healthy living over a lifetime.

DBH 790A. Doctoral Capstone Project A. 2 hours. Su., F., Sp.

First capstone course. This is the first in a series of three mentored courses to further facilitate the scholarly doctoral capstone project. This course builds on DBH 700 Residential: Orientation to Doctoral Study and DBH 720 Advanced Research Methods. The student will initiate the process of an applied research capstone (focusing on such areas as literature review and research design). Students submit their work for review and revisions are made before moving into DBH 790B. Prerequisites: DBH 700 Residential: Orientation to Doctoral Study, DBH 720 Advanced Research Methods, and Doctoral candidacy.

DBH 790B. Doctoral Capstone Project B. 2 hours. Su., F., Sp.

Second capstone course. This course is the second in a series of three mentored courses to facilitate the scholarly capstone project. This course builds on DBH 790A. The student will continue developing their capstone (focusing on such areas as methodology, gaining IRB approval, and implementation). Students submit their work for review and revisions are made before moving into DBH 790C. Prerequisite: DBH 790A Doctoral Capstone Project I.

DBH 790C. Doctoral Capstone Project C. 2 hours. Su., F., Sp.

Third capstone course. This course is the third within the capstone sequence. Students will continue to finalize their findings and write the conclusions within their project. Upon approval by the Doctoral Capstone Project Committee, students will successfully complete an oral presentation of their project before an audience of FHU faculty, administration, and their peers within the D.B.H. program of study. After approval of the oral presentation, the student will format their capstone project into an article and submit it to at least one peer-reviewed journal. Students will also submit their capstone project for binding and submission to the FHU Library. Students who have not completed DBH 790C will enroll in DBH 790D Extension of Doctoral Capstone Project. Prerequisite: DBH 790B Doctoral Capstone Project II.

DBH 790D. Extension of Doctoral Capstone Project D. 1 hour. Su., F., Sp.

A continuation of the capstone project. This course is designed for doctoral candidates who have not successfully completed their capstone project within the three (3) semesters, as outlined in the D.B.H. program of study. The D.B.H. student must continually register for one (1) hour of credit for each needed term (summer, fall, and spring) and continue to work closely with their Doctoral Committee until the capstone project is successfully submitted and ready for defense. This course may be repeated to meet the requirement of continuous enrollment. Prerequisite: DBH 790C Doctoral Capstone Project III and approval must be obtained from the director or dean.

ECO Economics

ECO 271. Macroeconomics. 3 hours. F., Sp.

A study of foundational macroeconomic theory and application. Course topics include production possibilities, aggregate demand and supply, distribution and measurement of national income and economic growth, employment, inflation, international trade, monetary and fiscal policy, and the Federal Reserve System.

ECO 272. Microeconomics. 3 hours. F., Sp.

A study of foundational microeconomic theory and application. Course topics include supply and demand, markets and prices, price ceilings and floors, utility theory, producer cost(s), competition, and market structures.

ECO 570. Economic Thought. 3 hours. Sp.

An examination of economic concepts, forces, institutions, and policies that shape and govern the environments in which people live and business operates. Key concepts in economics are examined and related to individual decision making and to such business topics as production, comparative economic systems and market structures, fiscal and monetary policies, government control and regulation, and international trade. Emphasis is placed on current applications in the economy. Prerequisites: ECO 271 Macroeconomics and ECO 272 Microeconomics or approved equivalents.

EDU Education

EDU 130. Introduction to Education. (W) 3 hours. F., Sp.

A study of existing educational practices, the knowledge base of the program of teacher education, lesson planning using Taskstream[©], and the foundations of American public education. This course includes a seven (7) hour field experience. This course includes a significant writing component.

EDU 250. Professional Reflective Seminar I – Lesson Planning and edTPA. 1 hour. F., Sp.

This course is an in-depth study of designing, applying and evaluating instruction, lesson planning, and lesson presentations to produce effective educators. Emphasis will also be placed on the overall structure, specific terminology, and samples of the edTPA portfolio system. Prerequisite: EDU 130 Introduction to Education.

EDU 310. Literacy I: Emergent Literacy Methods Across Content Areas. 3 hours. F., Sp.

This is the first course in the sequence of literacy courses. This course will begin to build a knowledge base in regards to the literacy standards. Students will be expected to identify theoretical and research-based literacy instructional practices; a variety of literacy assessments; characteristics of a literacy rich environment; evaluate texts; and the importance of professional behavior, learning, and leadership. In a clinical setting, they will observe effective teaching strategies, intervention, and materials. Prerequisites: Admission to Teacher Education and successful completion of EDU 250 Professional Reflective Seminar I – Lesson Planning and edTPA, or instructor approval to take concurrently.

EDU 311. Literacy II: Literature and Literacy. (W) 3 hours. F., Sp.

This is the second course in the sequence of literacy courses. This course is an in-depth study of children's literature focused on the needs of elementary school students. Students will be expected to explain theoretical and research-based literacy instructional practices; review a variety of literacy assessments; observe characteristics of a literacy rich environment; and demonstrate positive dispositions in professional behavior, learning, and leadership. As part of this course, students will complete a clinical experience in which they will identify effective teaching strategies, intervention, and materials. This course includes a significant writing component. Prerequisites: Admission to Teacher Education and EDU 310 Literacy I: Emergent Literacy Methods Across Content Areas.

EDU 316. Children's Literature Competency. (W) 1 hours. Su.

A study of children's literature with attention to the interests and needs of kindergarten and elementary school students. This course includes a significant writing component.

EDU 320. Technology in the Classroom. 3 hours. F., Sp.

A study of methods designed to prepare pre-service teachers to effectively use technology as a learning tool in PreK–12 classrooms. The course emphasis is on technology integration, while attention is given to helping pre-service teachers obtain ISTE Standards for Teachers related skills that will benefit them in their future classrooms. Prerequisite: Admission to Teacher Education.

EDU 327. Tests and Measurement. 3 hours. Su., F., Sp.

A consideration of the various types of tests used to evaluate student progress and the analysis of test data using statistical techniques. Development of tests and interpretation of test data are included. Attention is given to the use of tests and data in the guidance processes. Prerequisite: Admission to Teacher Education.

EDU 330. Teaching Mathematics: Methods, Strategies, and Techniques. 3 hours. Sp.

A study of methods, strategies, and techniques designed to prepare pre-service teachers to develop a variety of mathematical teaching skills to support student learning. Particular attention will be given to the principles and standards of the National Council of Teachers of Mathematics (NCTM), as well as the Tennessee Academic Standards. Pre-service teachers will explore a variety of research-based strategies for teaching mathematics in alignment with those NCTM and Tennessee Academic Standards. Pre-education.

It provides individuals an opportunity to develop school counseling skills and demonstrate competence as school counselors while participating in face-to-face meetings with their university mentor, observations, formal evaluations, and attendance at professional development activities in identified areas of need. The course is "pass/fail".

EDU 698. Independent Study. 3 hours. Su., F., Sp.

A cooperatively planned reading-research course or special project guided and evaluated by the Director of the Administration and Supervision program or a designee. This course would normally be one applied to the Ed.S. Prerequisite: Admission to the Education Specialist degree program. The subject of the independent study cannot be applied by the student to their thesis.

EDU 773. Dissertation Seminar I. 3 hours. Su., F., Sp.

This dissertation seminar course is one of three that all doctoral students must take. It is an individualized course designed to help progress doctoral students through the dissertation process depending on where they are in the dissertation phase. Students may plan, conduct, and/or write about significant aspects of their particular research study. Academic writing, data collection, data analysis, and other areas of the research process will be explored in order to prepare students to meet the requirements of the Doctoral program. Prerequisite: Doctoral candidacy.

EDU 774. Dissertation Seminar II. 3 hours. Su., F., Sp.

This dissertation seminar course is one of three that all doctoral students must take. It is an individualized course designed to help progress doctoral students through the dissertation process depending on where they are in the dissertation phase. Students may plan, conduct, and/or write about significant aspects of their particular research study. Academic writing, data collection, data analysis, and other areas of the research process will be explored in order to prepare students to meet the requirements of the Doctoral program. Prerequisite: Doctoral candidacy.

EDU 775. Dissertation Seminar III. 3 hours. Su., F., Sp.

This dissertation seminar course is one of three that all doctoral students must take. It is an individualized course designed to help progress doctoral students through the dissertation process depending on where they are in the dissertation phase. Students may plan, conduct, and/or write about significant aspects of their particular research study. Academic writing, data collection, data analysis, and other areas of the research process will be explored in order to prepare students to meet the requirements of the Doctoral program. Prerequisite: Doctoral candidacy.

EDU 776. Dissertation Seminar IV. 3 hours. Su., F., Sp.

Students will complete their research and writing. This course may be taken once for continuous enrollment after completion of EDU 773, 774, and 775 (Dissertation Seminar I, II, and III). Students will work with their dissertation advisors both individually and in small groups. Candidates will also prepare future presentations and publications. Prerequisites: EDU 773 Dissertation Seminar I, EDU 774 Dissertation Seminar II, and EDU 775 Dissertation Seminar III.

EDU 777. Dissertation Seminar V. 1 hour. Su., F., Sp.

Students will complete their research and writing. This course may be taken as often as needed for continuous enrollment throughout the duration of dissertation writing and defense. Students will work with their dissertation advisors. Candidates will also prepare future presentations and publications. Prerequisite: EDU 776 Dissertation Seminar IV.

EDU 778. Dissertation Seminar VI. 5 hours. Su., F., Sp.

This course is designed to allow students who have obtained "All but dissertation" (ABD) status the opportunity to maintain continuous enrollment as required by FHUs Ed.D. program. As a part of this course, students will continue to finalize their research and writing. Students will work individually with their dissertation chair and dissertation committee members. A student may only enroll in this course three (3) times. Prerequisites: Acceptance into the Doctor of Education in Instructional Leadership program, EDU 773 Dissertation Seminar I, EDU 774 Dissertation Seminar II, and EDU 775 Dissertation Seminar III.

A study of American military history from the colonial period to the present.

HIS 314. Ancient and Classical Civilizations. (W) 3 hours. Sp. Even years.

Study of the history, literature, political structures, and religion of the civilizations of the Near East, Greece, and Rome from about 3500 B.C. to the 4th century A.D. This course includes a significant writing component.

HIS 320. Diversity in America. (W) 3 hours. F., Sp.

An examination of the social and cultural differences that are present in the American population. This course will examine cultures and subgroups in the American community in a historical, legal, and social context. This course includes a significant writing component. Same as HUM/POL 320.

HIS 323. American Colonial and Early National Period, 1500–1800. 3 hours. F. Even years.

A study of early American history from colonization through the Federalist period.

HIS 324. American Political Biography. 3 hours. Offered on sufficient demand.

A study of the lives, achievements, and contributions of outstanding Americans to the political history of the country.

HIS 325. The Civil War. 3 hours. Sp. Odd years.

A study of the causes and effects of the American Civil War. The course examines the political, military, social, and economic changes of this pivotal time in American history.

HIS 326. History of Tennessee. 3 hours. Offered on sufficient demand.

A study of the political, social, cultural, and economic development of Tennessee from 1796 to the present.

HIS 328. Modern Latin American History. 3 hours. F. Odd years.

A survey of Latin American history in the 19th and 20th centuries. Particular attention will be given to social movements, political instability, and struggles over cultural hegemony.

HIS 337. Research and Writing of History I. (W) 3 hours. F.

An introduction to the historian's craft, including a survey of historiography and of careers for majors. This course introduces students to research in primary and secondary sources and to the process of framing a historical argument, producing written work that demonstrates critical thinking, and submitting that work to peer review. This course includes a significant writing component. Prerequisites: HIS 111 Survey of Civilization I and HIS 112 Survey of Civilization II or HIS 221 American History I and HIS 222 American History II, or permission from the instructor.

HIS 338. Research and Writing of History II. (W) 3 hours. Sp.

Guides students through the process of researching and writing a major research paper. This course emphasizes the writing of clear historical prose, which includes multiple drafts and peer reviews, and presenting one's research findings in a public forum. This course includes a significant writing component. Prerequisite: HIS 337 Research and Writing of History I.

HIS 397. Internship. 1 hour. F., Sp.

A professional field experience that will provide students an opportunity for experiential learning.

HIS 410. Christianity in the West. 3 hours. Sp. Even years.

A survey of Christianity's historical development in Europe and the Americas from the close of the medieval period through modern day. Emphasis will be given to the impact of the Reformations in Europe, Christianity's role in American contact and colonialism, the social progression of Christianity in Latin America, and the interplay of Christianity and politics in United States history.

HIS 415. Twentieth Century World. 3 hours. Sp. Odd years.

A study of the world in the 20th century. This course examines international relations in an age of increasing globalization.

HIS 423. The South. 3 hours. Offered on sufficient demand.

Contributions of the southern United States to the growth of the country are studied. Special emphasis is given to the sectional nature of the American nation prior to the Civil War and the adjustments made following that war.

HIS 424. Twentieth Century America. (W) 3 hours. F. Even years.

Study of the political, intellectual, diplomatic, and social developments of the United States in the 20th century. This course includes a significant writing component.

HIS 440. History Capstone. 1 hour. F., Sp.

A synthesis of the study of history. Students will complete a research project and written analysis under the direction of the history professors.

HON Honors

HON 110. A, B, C, D. Faculty Forum I–IV: Honors Colloquium. 1 hour. F., Sp.

An introduction to the scholar's life utilizing presentations of research and publications by faculty representing various disciplines. This course may be repeated for up to four (4) hours credit. Prerequisite: HON 200 Introduction to Honors.

HON 200. Introduction to Honors. 1 hour. F., Sp.

An introduction to honors coursework, requirements, expectations, and skills. This course is required as a prerequisite for honors credit for all students. Prerequisite: Approval by the Dean of the Honors College.

HON 210. A, B, C, D, E, F. Great Books I–VI: Honors Colloquium. 1–3 hours. F., Sp.

A study of great literature. The titles of the book selections change each semester. Faculty members present critical reviews of influential books from varying disciplines. This course may be repeated for up to six (6) hours credit. Prerequisite: HON 200 Introduction to Honors.

HON 310. A, B, C, D. Classical Thought: Honors Colloquium. (W) 3 hours. Sp.

A study of the great themes of Western Civilization. Course topics and readings change each year. This course may be repeated for up to twelve (12) hours credit. This course includes a significant writing component. Prerequisite: HON 200 Introduction to Honors.

HON 350. Honors Practicum: Leadership, Service, and Philanthropy. 1 hour. F., Sp.

A reflection on the relationship between service, philanthropy, and leadership. Practical opportunities for service will be developed under the supervision of the instructor. Prerequisite: HON 200 Introduction to Honors.

HON 359. Honors Seminar. 1 hour. F., Sp.

An introduction to the requirements of thesis research projects. Students will develop a viable honors thesis proposal under the supervision of a faculty mentor. Prerequisite: Eighteen (18) hours of earned honors credit.

HON 498. Honors Thesis. (W) 3-4 hours. F., Sp.

The capstone course of the Honors College. Students work with a faculty mentor and faculty/student committee to research, write, present, and defend a thesis developed during undergraduate studies. An "I" grade is assigned if student does not complete the thesis in the semester of enrollment. This course includes a significant writing component. Prerequisite: HON 359 Honors Seminar.

HUM Humanities

HUM 120. Conversational French. 3 hours. F., Sp.

A course designed to provide survivor skills in French conversation for a variety of situations the student may face in a French–speaking area. This course is only available to students participating in the FHU Study Abroad Program in Belgium.

HUM 310. Arts and Ideas. 3 hours. F.

The ideas of man expressed through his arts. Emphasis is given to the arts of Western Man.

HUM 320. Diversity in America. (W) 3 hours. F., Sp.

An examination of the social and cultural differences that are present in the American population. This course will examine cultures and subgroups in the American community in a historical, legal, and social context. This course includes a significant writing component. Same as HIS/POL 320.

HUM 399A. Our Western Heritage. 3 hours. F., Sp.

Taught in Verviers, Belgium only. A course that integrates art, music, history, philosophy, religion, and literature. (May substitute for HUM 310 Arts and Ideas, for ART 110 Art Appreciation, or for HIS 111 Survey of Civilization I.)

HUM 495. Values in Human Thought and Action. 3 hours. Su., F., Sp.

An exploration of value issues and opportunities for further learning in the liberal arts and sciences. This course will focus on Christian perspectives in value questions that the graduate will confront in art, music, literature, economics, science, politics, and other related areas. Prerequisite: Senior standing. Same as BIB 495.

JOU Journalism

JOU 274. Basic Media Writing. (W) 3 hours. F.

A theoretical and practical introduction to gathering, interpreting, and reporting news in both the print and electronic media. Laboratory work is required. This course includes a significant writing component. Prerequisites: ENG 101 English Composition I and ENG 102 English Composition II.

JOU 374. Advanced Media Writing. (W) 3 hours. Sp.

An analysis of contemporary issues in journalism with special emphasis given to in-depth reporting. Laboratory work is required. This course includes a significant writing component. Prerequisite: JOU 274 Basic Media Writing.

JOU 475. Editing for Publication. 3 hours. Sp. Odd years.

A practical application of accepted editing procedures and use of AP Style. Application to various print media is addressed. Laboratory work is required.

KIN Kinesiology

KIN 100. Fundamentals of Movement. 1 hour. F., Sp.

Introduction to basic childhood movement activities. Topics addressed include perceptual/motor programs, movement education, aerobic exercise, and rhythmic activities. The primary emphasis will be focused toward activities for elementary school children.

KIN 120. Foundations of Kinesiology. (W) 3 hours. F.

Disciplines and professions associated with kinesiology and related areas. The course will present an introduction to the constituent sub-disciplines (exercise physiology, biomechanics, motor learning, sport psychology, health, recreation, etc.) within and related to kinesiology. The skills and competencies related to kinesiology as well as various educational, professional, and career opportunities available to students will be examined during the course. This course includes a significant writing component.

KIN 205. Camp Leadership. 2 hours. Offered on sufficient demand.

Introduction to camp leadership. This course is designed to help those interested in camp work learn to administer and organize different activities in connection with the religious, recreational, and educational aspects of the camping program.

KIN 221. Protective Techniques for Athletic Injuries. 3 hours. Sp.

Basic taping and wrapping techniques. This course is designed to present students with specific aspects concerning the application of any taping and/or wrapping for the prevention and management of sports injuries. By examining major joints and muscle groups, students will master step-by-step taping and bracing techniques.

KIN 225. Physical Activities for Children. 3 hours. F., Sp.

Theory and activities for physical education in the elementary grades. Students plan and participate in movement and learning activities for elementary school children. Students will design and demonstrate various rhythms and recreational games that involve a variety of educational activities.

KIN 235. Fundamentals of Sport Skills. 3 hours. F.

Introduction to rules, fundamental skills, and teaching techniques of individual, dual and team sports. Open **only** to majors and minors in physical education or by special permission.

KIN 299A/399A. Coaching Basketball. 3 hours. Offered on sufficient demand.

Introduction to coaching basketball. The philosophy, techniques, and coaching strategies for basketball are covered in this course. Students are introduced to safety, budgeting, scheduling, and conditioning.

KIN 299C/399C. Coaching Baseball. 3 hours. Offered on sufficient demand.

Introduction to coaching baseball. This course is designed to introduce the student to the profession of coaching baseball. Attempts will be made to cover all aspects involved in the development of a program. Emphasis is placed on a high school program; however, techniques can be utilized from summer leagues through the professional ranks.

KIN 299E/399E. Philosophy and Techniques of Coaching. 3 hours. Offered on sufficient demand.

Introduction to theories and philosophies of coaching. This course deals with coaching principles and philosophy that apply to all sports. Human relations, motivation, scheduling, budgeting, and public relations are discussed.

KIN 299I/399I. Sociology of Sport. 3 hours. Offered on sufficient demand.

A study of the place of sport in American culture. Sport will be studied from the perspective of sociology. Same as SOC 299B/399B.

KIN 320. Measurement and Evaluation in Physical Education. (W) 3 hours. F.

Study of measurement and evaluation procedures. This class will incorporate application of statistical procedures: use of tests in school programs and selection of tests for evaluating motor ability, sports skills, physical fitness, knowledge, and the affective domain. Measurement and evaluation of fitness programs in non-school settings is included. This course includes a significant writing component.

KIN 327. Care and Prevention of Athletic Injuries. (W) 3 hours. F.

Introduction to basic athletic training. The student will develop an awareness and understanding of the basic injury prevention, treatment, management, and rehabilitation techniques employed in sports medicine. Sport medicine terms, basic anatomy as it relates to various types of injuries, and the application of the various taping, bandaging, and strapping techniques employed in sports medicine will be examined. This course includes a significant writing component.

KIN 328. Anatomical Kinesiology. 3 hours. Sp.

Survey of anatomical aspects of human movement. This course is a study of the anatomical aspects of the human body with an emphasis on the relationship of anatomy to the study of physical activity, physical fitness, sport, and exercise. The course will help the student understand how the structure of the human body determines its functions and the movements produced. Prerequisite: BIO 100 Human Biology or BIO 211 Human Anatomy and Physiology I.

KIN 329. Biomechanics of Human Movement. 3 hrs. F.

Presents the mechanical basis of human movement. Fundamental mechanical principles affecting human movement will be examined. Various techniques and methods of analyzing human motion will be discussed. Prerequisite: KIN 328 Anatomical Kinesiology.

KIN 330. Advanced Athletic Training I. 3 hours. Sp. Even years.

Presents specific signs, symptoms, and mechanical causes of a variety of athletic injuries dealing specifically with the upper body. The focus of this course will be in the recognition and assessment of injuries to the upper body and the recommended treatment procedures. This course will also examine the fundamental principles of sports injury management. Prerequisites: KIN 327 Care and Prevention of Athletic Injuries and either BIO 100 Human Biology or BIO 211 Human Anatomy and Physiology I.

KIN 331 Advanced Athletic Training II. 3 hours. Sp. Odd years.

Presents specific signs, symptoms, and mechanical causes of a variety of athletic injuries dealing specifically with the lower body. The focus of this course will be in the recognition and assessment of injuries to the lower body, specific tests used to evaluate those injuries, recommended treatment procedures, and potential rehabilitation protocols. Prerequisites: KIN 327 Care and Prevention of Athletic Injuries and either BIO 100 Human Biology or BIO 211 Human Anatomy and Physiology I.

KIN 338. Physiology of Exercise. (W) 3 hours. F.

Physiological aspects of human movement. This course examines physiological responses and adjustments that occur in selected organ systems when subjected to acute and chronic exercise. The course will center primarily on the physiological mechanisms pertaining to metabolic, cardiovascular, and respiratory alterations. This course includes a significant writing component. Prerequisite: BIO 100 Human Biology or BIO 211 Human Anatomy and Physiology I.

KIN 397. Practicum in Kinesiology. 1–6 hours. Offered on sufficient demand.

Practicum experience for exercise science majors. This is a professional field experience conducted under the supervision of an experienced professional in the student's chosen area of exercise science, who must be approved by the University. Students must have completed 45 hours and be a kinesiology or exercise science major. First Aid and CPR is expected. Close contact is maintained between the field supervisor and the faculty supervisor. A minimum of 40 clock hours of field activity is required for one (1) credit hour. Grading is conventional.

KIN 420. Motor Learning. 2 hours. Sp.

Methods and techniques in the acquisition of motor skills. Emphasis will be placed on research relating to variables that affect skill acquisition, such as motivation, length and methods of practice, feedback mechanisms, and retention and transfer of motor skills.

KIN 425. Organization and Administration of Physical Education. (W) 3 hours. F.

A study of the principles of organization and administration of school physical education programs. Consideration is given to personnel, tournaments, equipment and facilities, records, finance, legal aspects, publicity, public relations, and safety. This course includes a significant writing component.

KIN 426. Adaptive Physical Education. (W) 3 hours. Sp.

Physical aspects of teaching exceptional children. This course is designed to aid in the understanding of the exceptional child and his/her relationship to the physical education activities. This course includes a significant writing component.

KIN 437. Exercise Testing and Prescription. 3 hours. Sp.

Physiological testing and exercise training programs. This course is designed to introduce students to various physiological testing protocols, fitness and nutritional evaluations, exercise designs, and the underlying theoretical principles involved in each procedure. Students will have hands-on experience utilizing these tests. Prerequisites: HEA 121 Principles of Nutrition and KIN 338 Physiology of Exercise.

KIN 497. Senior Practicum in Kinesiology. 1–6 hours. Offered on sufficient demand.

Capstone experience for exercise science majors. This is a professional field experience conducted under the supervision of an experienced professional in the student's chosen area of exercise science, who must be approved by the University. Senior standing (90 hours) is preferred. Pre-and/or corequisites include the following courses: HEA 121 Principles of Nutrition, KIN 327 Care and Prevention of Athletic Injuries, KIN 328 Anatomical Kinesiology, and KIN 338 Physiology of Exercise. Current certification in First Aid and CPR is <u>expected</u>. Depending on the student's future field of endeavor, other courses are either highly recommended or required. Cooperation between the student and his/her advisor in selecting additional courses cannot be overstated. Failure to do so may have a negative impact on the student's academic preparation. Close contact is maintained between the field supervisor and the faculty supervisor. A minimum of 40 clock hours of field activity is required for one (1) credit hour. Grading is conventional.

LDR Leadership

LDR 543. Leading Teams and Organizations. 3 hours. Su.

The study of leadership in organizations, focusing on leading and developing others in organizational settings. Specific topics include developing employees as individuals, leading teams, servant leadership, service to one's community, leading organizations, and building careers of substance. Prerequisites: MGT 241 Principles of Management or approved equivalent.

MAT Mathematics

MAT 100. Fundamental Concepts of Mathematics. 3 hours. F., Sp.

A study of fundamental concepts in mathematical topics that may include sets, logic, systems of numeration, systems of weight and measure, algebra, geometry, consumer mathematics, probability, and statistics. This course does not prepare students for MAT 101 College Algebra. Prerequisite: Required proficiency score of 17 or better on the math portion of the ACT. Enhanced sections: Students not meeting the stated prerequisite must register for an enhanced section, MAT 100E Fundamental Concepts of Mathematics, that includes a mandatory math workshop.

MAT 101. College Algebra. 3 hours. F., Sp.

A study of functions and graphs, polynomial functions, rational and root functions, and exponential and logarithmic functions. This course may also include systems of equations and inequalities, sequences, series, and probability. Prerequisites: Two (2) years of high school algebra and required proficiency score of 21 or better on the math portion of the ACT. Enhanced sections: Students not meeting the stated prerequisite must register for an enhanced section, MAT 101E College Algebra, that includes a mandatory math workshop.

MAT 120. Pre-Calculus. 4 hours. F.

A study of polynomial and rational functions, exponential and logarithmic functions, trigonometric functions, and trigonometric identities. This course is designed to strengthen a student's technical skills and conceptual understanding in mathematics in order to be prepared for calculus. Prerequisites: Two (2) years of high school algebra and a score of 24 or better on the math portion of the ACT or MAT 101 College Algebra with a minimum grade of "C."

MAT 122. Analytics and Calculus I. 4 hours. Sp.

A study of limits, derivatives, applications of derivatives, integrals, and applications of integrals. These topics are studied for a variety of functions of a single variable including polynomial, rational, root, trigonometric, inverse trigonometric, exponential, logarithmic, and hyperbolic functions. Prerequisites: A high school trigonometry or pre-calculus course and a score of 27 or better on the math portion of the ACT or MAT 120 Pre-Calculus with a minimum grade of "C."

MAT 206. The Real Number System. 3 hours. F.

A study of number systems, rational numbers, percent, elementary topics of algebra, matrices, trigonometry, geometry, approximation and measurement, and the metric system.

MAT 223. Analytics and Calculus II. 4 hours. F.

A continuation of MAT 122. Applications of the definite integral, techniques of integration, parametric equations, polar coordinates, and infinite sequences and series are the main topics of this course. Prerequisite: MAT 122 Analytics and Calculus I.

MAT 224. Analytics and Calculus III. 4 hours. Sp.

A continuation of MAT 223. Vectors, vector functions, partial derivatives, multiple integrals, and vector calculus are the main topics of this course. Prerequisite: MAT 223 Analytics and Calculus II.

MAT 235. Introductory Statistics. 3 hours. F., Sp.

An introduction to basic statistical techniques, including frequency distributions, averages, data analysis, samplings, tests of hypothesis, linear regression, chi-square tests, and related areas in probability theory. Prerequisites: Two (2) years of high school algebra and required proficiency score of 21 or better on the math portion of the ACT. Enhanced sections: Students not meeting the stated prerequisite must register for an enhanced section, MAT 235E Introductory Statistics, that includes a mandatory math workshop.

MAT 240. Discrete Mathematics. 3 hours. Sp.

A study in the mathematics that deals with "separated" or discrete sets of objects rather than with continuous sets such as the real line. Topics include set theory, combinatorics, logic, introductory proof techniques, introduction to matrix algebra, relations and graphs, functions, recursion and recurrence relations, graphs, and data trees. Prerequisite: MAT 101 College Algebra.

MAT 306. Foundations of Geometry. (W) 3 hours. F. Odd years.

An axiomatic study of geometry. Topics include Euclidean geometry, finite geometry motions in the plane, and an introduction to non–Euclidean geometry. This course includes a significant writing component. Prerequisite: MAT 101 College Algebra.

MAT 330. Linear Algebra. 3 hours. Sp. Odd years.

A study in elementary matrix algebra including topics in systems of equations, vector spaces, and linear transformations. Prerequisite: MAT 122 Analytics and Calculus I.

MAT 345. Differential Equations. 3 hours. Sp.

The study of solutions of ordinary differential equations with applications in physics, engineering, and chemistry. Prerequisite: MAT 223 Analytics and Calculus II.

MAT 351. Probability. 3 hours. Sp. Even years.

A study of probability theory including rules of probability, discrete and continuous distributions of random variables, moment generating functions, and joint distributions for multiple random variables. Prerequisite: MAT 223 Analytics and Calculus II.

MAT 353. Statistical Inference. 3 hours. F. Even years.

A study of the theory of statistical inference. Topics include confidence interval estimates, hypothesis testing, analysis of variance, and regression analysis. Prerequisite: MAT 351 Probability.

MAT 424. Complex Analysis. 3 hours. Sp. Even years.

A critical study of complex numbers. Topics include complex functions, analytic and harmonic functions, complex integration, residues, and conformal mapping. Prerequisite: MAT 223 Analytics and Calculus II.

MAT 426. Advanced Calculus. (W) 3 hours. Sp. Odd years.

A critical study of calculus. Topics include fundamental properties of the real number system, functions and countability, elementary topology of the real line, sequences, limits, differentiation, and series. This course includes a significant writing component. Prerequisite: MAT 224 Analytics and Calculus III.

MAT 430. Abstract Algebra. (W) 3 hours. F. Odd years.

A study of concepts of abstract algebra including an in-depth study of groups with an introduction to rings, ideals, fields, and vector spaces. This course includes a significant writing component. Prerequisite: MAT 223 Analytics and Calculus II.

MAT 441. Number Theory. (W) 3 hours. F. Even years.

An analytical study of the integers. Topics include divisibility properties of integers, studies in prime numbers, congruencies, and number theoretic functions. This course includes a significant writing component. Prerequisite: MAT 122 Analytics and Calculus I.

MAT 495. Mathematics Seminar. 1 hour. F.

An overview of problem-solving techniques and a review of the literature of mathematics. Each student will prepare and present a research paper on a mathematical topic. Students should take this course in the fall semester prior to graduation. The Major Field Test in Mathematics will be taken as a part of this course. Prerequisite: MAT 430 Abstract Algebra or MAT 441 Number Theory.

MGT Management

MGT 241. Principles of Management. 3 hours. F., Sp.

An introduction into the process of working with and through others to achieve organizational objectives. This course covers the history and purpose of organizational management, the four core functions of planning, organizing, leading, and controlling, and the development of basic management skills.

MGT 341. Human Resource Management. 3 hours. F.

An overview of the human resource management process. This course covers the entire human resource management process, including planning, recruitment, selection, training development, employee engagement, compensation, and legal and ethical issues. Prerequisite: MGT 241 Principles of Management.

MGT 345. Operations and Supply Chain Management. 3 hours. F.

A study of how a firm manages the manufacturing or service operations in support of the firm's strategy. The theme of this course is the efficient and effective planning, organizing, and control of a firm's supply-chain and physical distribution in a manner that maximizes profitability and benefits all stakeholders. Prerequisite: MGT 241 Principles of Management.

MGT 346. Leadership. 3 hours. Sp.

A study of leadership theories, processes, and practices. This course includes an examination of leadership traits that the student has or could develop in order to be an effective leader.

MGT 441. Services Management and Marketing. 3 hours. Sp.

A study of the marketing and management of service operations. Services from the customer's perspective and the drivers of sustainable business success are studied. In addition, services from the manager's perspective are studied to determine how to efficiently and effectively deliver services that customers value and that fit within the firm's strategy. Prerequisite: MGT 343 Operations Management.

MGT 443. Entrepreneurship. 3 hours. Sp.

A study of entrepreneurial challenges and solutions. This course emphasizes new venture creation and growth through the recognition, evaluation, and exploitation of entrepreneurial opportunities. Topics to be covered include the role of entrepreneurship in economy, creativity and innovation, financing the venture, managing growth, business valuation, exit strategies, and business plans.

MGT 444. Organizational Behavior. 3 hours. F.

A study of the impact of individuals, groups, and organizational structure on performance and effectiveness. This course deals with the complex interrelationships between people, groups, and their environment in the organizational context. Specific topics to be covered include personality, attitudes, motivation, performance management, stress, communication, groups and teams, decision making, power, conflict, negotiation, and organizational structure and culture.

MGT 497. Management Internship. 1–3 hours. Su., F., Sp.

A professional field experience. This internship is conducted under the supervision of an experienced professional, carefully selected and approved by the University.

MGT 540. Operations Management. 3 hours. F., Sp.

An integration of traditional, total quality, just-in-time, and constraint management philosophies with current practices in services and manufacturing. This course takes a systems perspective on long- and short-term planning, scheduling, implementing, controlling, and measuring operations that produce goods or services, provide customer satisfaction, and support the organization's competitive edge. There is an emphasis on supply-chain and continuous-improvement processes. Prerequisites: MGT 241 Principles of Management or approved equivalent.

MIS Management Information Systems

MIS 323. Business Systems Design and Analysis. 3 hours. Offered on sufficient demand.

Analysis and logical design of business processes and management information systems with a focus on specifying system requirements, the system development life cycle, the feasibility study, analysis of user requirements, cost-benefit analysis, and effectively communicating system specifications. Prerequisites: CIS 267 Application Development I and MIS 221 Management Information Systems.

MIS 426. Systems Implementation. 3 hours. Offered on sufficient demand.

A capstone experience that builds on system analysis and design methodologies for the design and implementation of a computer-based information system. Special emphasis is placed on project management, system/database design, software testing, systems implementation/support/ maintenance, user training, integrating Web and business environments. Prerequisite: MIS 323 Business Systems Design and Analysis.

MKT Marketing

MKT 261. Principles of Marketing. 3 hours. F., Sp.

An introductory study of the efforts of the firm to manage its product, price, distribution, and promotion, compete in a dynamic environment, and understand and influence its current and potential customers.

MKT 362. Consumer Behavior. 3 hours. F.

A study of people's relationship to marketing and the market's relationship to the consumers; the behavioral aspects of marketing: attitudes, habits, incomes, and products. Prerequisites: MKT 261 Principles of Marketing with a grade of "C" or better or permission from the instructor.

MKT 364. Personal Selling. 3 hours. F.

An in-depth study of the fundamentals of selling, sales theory, sales techniques, and sales role playing. The personal qualifications required for effective selling are reviewed. Prerequisite: MKT 362 Consumer Behavior or permission from the instructor.

MKT 366. Marketing Promotions. 3 hours. Sp.

This course deals with the non-personal aspects of marketing communication: advertising; direct marketing; sales promotion; and publicity/public relations. Special attention is given to strategies for developing an integrated marketing communications program. Prerequisite: MKT 261 Principles of Marketing or permission from the instructor.

MKT 462. Marketing Strategy. 3 hours. Sp.

A study of the concept of marketing strategy and its relation to strategic planning. Case studies are used to develop strategic decision making skills. Prerequisites: MKT 362 Consumer Behavior or permission from the instructor and senior standing.

MKT 463. Marketing Research and Analysis. 3 hours. F.

Consideration of market research in business, studying the methods of collecting, assimilating, and interpreting market information. Prerequisite: MKT 362 Consumer Behavior or permission from the instructor.

MKT 464. Business-to-Business Marketing. 3 hours. Offered on sufficient demand.

A study of marketing focused on behaviors and practices of organizations as they seek to achieve their goals in a competitive and dynamic environment. The class examines marketing between organizations in industrial, governmental, and institutional settings. Topics covered include business-to-business market environments, organizational buying behaviors and motivations, and development and execution of marketing strategies and tactics appropriate to them. Prerequisite: MKT 362 Consumer Behavior or permission from the instructor.

MKT 465. Digital Marketing. 3 hours. Sp.

A study of current digital marketing tools and technologies and their impact on an organization, including search engine optimization, website, search and display ads, email marketing, and social media. Participants will experience how to develop an integrated digital marketing strategy, from formulation to implementation. Through a combination of lecture, case studies, hands-on exercises, and course projects, students develop capabilities in designing, implementing, and evaluating digital marketing strategies. Prerequisite: MKT 261 Principles of Marketing.

MKT 466. Small Business Marketing. 3 hours. Sp. Even years.

An introduction to small business marketing practices common among today's challenging landscape. Created specifically for those looking to create a profitable small business, this class will inform students about solid strategies to develop and deliver products, establish pricing, segment and analyze target markets, create winning promotions, and stay ahead of the competition.

MKT 497. Marketing Internship. 1–3 hours. Su., F., Sp.

A professional field experience under the supervision of an experienced marketing professional, carefully selected and approved by the University.

MKT 560. Marketing Management. 3 hours. Su.

An examination of the role of marketing in an organization and how effective marketing creates value for customers. There is an emphasis on making strategic marketing decisions in the context of general management. Major topics include market segmentation and targeting, management of the Four Ps, marketing research, sustainable competitive advantage, strategic planning in competitive and dynamic markets, and social and ethical issues in marketing. Prerequisites: MKT 261 Principles of Marketing or approved equivalent.

MSL Military Science and Leadership

MSL 101. Foundations of Officership. 3 hours. F.

Examines the unique duties and responsibilities of officers, discusses organizations and role of the Army, reviews basic life skills pertaining to fitness and communication, and analyzes Army values and expected ethical behavior. This course meets three (3) hours for lecture and lab.

MSL 102. Basic Leadership. 3 hours. Sp.

Presents fundamental leadership concepts and doctrine, practices effective skills that underlie problem-solving, applies active listening and feedback skills, examines factors that influence leader and group effectiveness, and examines the officer experience. This course meets three (3) hours for lecture and lab.

MSL 201. Individual Leadership Studies. 3 hours. F.

Develops knowledge of self, self-confidence, and individual leadership skills. Develops problemsolving and critical thinking skills and applies communication, feedback, and conflict resolution skills. This course meets three (3) hours for lecture and lab.

MSL 202. Leadership and Teamwork. 3 hours. Sp.

Focuses on self-development guided by knowledge of self-and-group processes. Challenges current beliefs, knowledge, and skills. Provides equivalent preparation for the ROTC Advanced Course and the Leader's Training Course. This course meets three (3) hours for lecture and lab.

MSL 291. Leader's Training Course. 6 hours. Su.

Training normally is taken during the summer between the second and third years by those students who have not completed basic military training or the required basic science courses for advanced course enrollment. The history of philosophy from the perspectives of representative philosophers in the modern and contemporary periods. Emphasis is given to analysis and to criticism. This course includes a significant writing component.

PHI 299A/399A. The Problem of Suffering. 3 hours. Offered on sufficient demand.

A study of the question, "Why?" specifically, "Why does God allow evil, pain, and suffering to occur?" Special attention is directed to (1) the atheist's attempt to disprove the existence of God on the basis of evil and pain, (2) Bible insights for believers, and (3) suggestions for coping with suffering. Same as BIB 299E/399E.

PHI 299B/399B. Special Topics in Philosophy. 3 hours. Offered on sufficient demand.

A study of a specialized area in philosophy. Topics may include selected philosophers, writings, movements, and/or connections between philosophy and popular culture. May be repeated for up to six (6) hours credit.

PHI 340. Logic. 3 hours. Offered on sufficient demand.

Introductory principles of correct thinking. Inductive and deductive methods of reasoning are studied and application is made to religious problems. Same as BIB 340.

PHI 344. Ethics. 3 hours. Offered on sufficient demand.

A survey of biblical teaching concerning ethical conduct. Various systems of conduct that oppose biblical teaching are evaluated in light of the teachings of the Bible. Same as BIB 344.

PHI 345. Philosophy of Evolution and Creation. 3 hours. Su.

A study of arguments from the philosophy of science and the philosophy of religion. The origin of the universe and the presence of persons on earth. Both biblical and extra-biblical material will be emphasized.

PHS Physical Science

PHS 111. Physical Science I. 3 hours. F., Sp.

An introduction to the physical sciences including topics from geology, introductory chemistry, and astronomy. Designed for the non-science major. This course has a laboratory component and will meet for three (3) hours each week.

PHS 112. Physical Science II. 3 hours. Sp.

An introduction to the physical sciences including topics from general physics and meteorology. Designed for the non-science major. This course has a laboratory component and will meet for three (3) hours each week.

PHS 201. General Physics I. (W) 4 hours. F.

An algebra-based study of physics. This course introduces students to kinematics in one and two dimensions, kinetics, friction, work, energy, momentum, rotational dynamics, gravitation, static equilibrium, fluid mechanics, thermodynamics, waves, and sound. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: MAT 120 Pre-Calculus.

PHS 202. General Physics II. (W) 4 hours. Sp.

A continuation of PHS 201. This course introduces students to electric forces and fields, capacitance, AC and DC circuits, magnetic fields, inductance, electromagnetic waves, light, optics, interference, diffraction, and selected topics from modern physics. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: PHS 201 General Physics I.

PHS 211. Physics for Science and Engineering I. (W) 4 hours. F.

A calculus-based study of physics designed primarily for students majoring in chemistry, mathematics, computer science, and pre-engineering. This course is required of all pre-engineering, chemistry, and biochemistry students and is recommended for students certifying to teach physics in the secondary schools. This course introduces students to kinematics in one and two dimensions, kinetics, friction, work, energy, momentum, rotational dynamics, gravitation, static equilibrium, fluid mechanics, thermodynamics, waves, and sound. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: MAT 122 Analytics and Calculus I.

PHS 212. Physics for Science and Engineering II. (W) 4 hours. Sp.

A continuation of PHS 211 and a requirement of all pre-engineering, chemistry, and biochemistry students. This course introduces students to thermodynamics, the kinetic theory of gases, electric fields and potential, capacitance, resistance, AC and DC circuits, magnetic fields, inductance, electromagnetic waves, light, optics, interference, diffraction, and selected topics dealing with relativity, quantum mechanics, and nuclear physics. This course meets for three (3) hours of lecture and three (3) hours of lab each week. This course includes a significant writing component. Prerequisite: PHS 211 Physics for Science and Engineering I.

PHS 299B/399B. Environmental Pollution. 3 hours. January two-week course.

An introduction to the major causes of environmental pollution. Environmental policies and the economic implications of pollution will be emphasized. Same as BIO 299I/399I.

Prerequisites: Student must have permission from the Spanish program coordinator to participate and meet other requirements specified in this catalog for FHU Abroad.

SPA 431. Survey of Latin American Literature I. 3 hours. F. Even years.

A survey of Latin American literature beginning with the pre–Conquest period and continuing into the early 20th century (1910). Prerequisites: SPA 232 Intermediate Spanish II and SPA 271 Introduction to Latin American and Peninsular Literature or the equivalents, or permission from the instructor.

SPA 432. Survey of Latin American Literature II. 3 hours. F. Odd years.

A survey of Latin American literature from the beginning of the 19th century to the present. Prerequisites: SPA 232 Intermediate Spanish II and SPA 271 Introduction to Latin American and Peninsular Literature or the equivalents, or permission from the instructor.

SPA 466. Women in Latin American Literature and Culture. 3 hours. Offered on sufficient demand.

An overview of the literary and cultural contributions of Latin American women from the colonial era to the present. Prerequisite: SPA 232 Intermediate Spanish II or the equivalent, or permission from the instructor.

SPA 490. Capstone in Peninsular and Latin American Studies. 1 hour. F., Sp.

Advanced Spanish study required of all Spanish majors during their final semester of coursework for the degree. Students will be required to give a presentation and write a research paper based on work done in a 300– or 400–level class. Prerequisite: Completion of one 400–level course.

SPA 499B. Advanced Spanish Grammar and Spanish Conversation. 6 hours. Su. Even years.

A course that will be taken in conjunction with SPA 367 Spanish Immersion Program/Study Abroad in Madrid, Spain, which is a requirement for all Spanish majors. The grammar component is a comprehensive study of grammatical concepts and structures not covered in lower level courses. The conversation component provides opportunities to practice what has been learned. All instruction will be given by university professors who are native Spanish speakers.

SPE Special Education

SPE 240. Special Education Foundations. (W) 3 hours. F., Sp.

An introductory course concerning the education of gifted children and children with disabilities. Requires clinical observations. May be taken prior to admission to Teacher Education. This course includes a significant writing component. Prerequisite/Corequisite: EDU 130 Introduction to Education.

SPE 347. Practical Applications in Special Education. 3 hours. Sp.

This course focuses on learners with mild disabilities. Special topics of focus will include issues in assessment and identification, instruction and placement (IEP), learners with intellectual and developmental disabilities, learning disabilities, etc. This course will have a practicum component. Same as SPE 546.

SPE 348. Technology and the Special Education Teacher. 3 hours. F.

An introduction of assistive technology services and devices to special education teachers in order to help students with disabilities use technology to assist them in learning, making the environment more accessible, enabling them to compete in the workplace, and enhancing their independence. Same as SPE 578.

SPE 425. Student Teaching, Special Education. 12 hours. F., Sp.

Classroom teaching experience with exceptional children, including mental, physical, behavioral, and learning disabilities. The student teaching experience will consist of placement in at least two different levels (i.e., elementary, middle, high school) and in a variety of formats (i.e., resource room, self-contained classroom, regular classroom, teacher collaboration, consultation). Students will do their student teaching in the modified area (mild disabilities) or in the comprehensive area (moderate and severe disabilities) or in a combination of the two. Prerequisite: Approval for student teaching. *Initial start date for the student teaching semester follows school district calendars.*

SPE 441. Differentiated Instruction and Intervention. 3 hours. Sp.

This course is designed to help equip special education and general education teachers with the skills, strategies, and dispositions to teach all children. An emphasis on children with disabilities, children from diverse cultural backgrounds, and English Language Learners within the context of the regular classroom will be the focus. The course includes a practicum component.

SPE 444. Managing Special-Needs Children. 3 hours. F.

SPE 549. Transitional and Vocational Education. 3 hours, F.

This course is designed to provide students with knowledge, strategies, and resources necessary to prepare adolescents and young adults with disabilities for the transition from school to future careers, continuing education, and independent living. Students will develop knowledge and skills about the context within which adolescence occurs, transition assessment/planning strategies, transition-related content/instruction strategies (including student-focused skill development strategies), and strategies for interacting and collaborating with families and community-based agencies in the transition process. Students enrolled in SPE 549 will complete a research project and write a paper on the project. Same as SPE 449.

SPE 561. Characteristics and Needs of Exceptional Children I. 3 hours. Sp.

This course deals with etiology, characteristics, and educational needs of individuals with mild disabilities such as learning disabilities, general mental retardation, behavior disorders, attention deficit disorders, traumatic brain injury, and other health impairments. Discussions and practical applications of educational methods, strategies, and techniques will also be incorporated. Same as SPE 461.

SPE 565. Techniques and Strategies I. 3 hours. F.

This course focuses on effective instructional techniques and strategies to use in teaching students with mild disabilities. This course includes strategies for academic studies as well as social and behavioral skills. Requires clinical observations and practicum experiences for those graduate students who do not yet have their own classroom (i.e., not job–embedded or not currently places in a classroom). Prerequisite: EDU 505 Instructional Theory and Design.

SPE 571. Characteristics and Needs of Exceptional Children II. 3 hours, Sp.

This course addresses the characteristics and educational needs of students with moderate and severe disabilities. Requires clinical observation and practicum experience. Same as SPE 471.

SPE 575. Techniques and Strategies II. 3 hours. F.

This course focuses on effective instructional techniques and strategies to use in teaching students with moderate to severe disabilities. This course includes strategies for teaching academic, social, and behavior skills in dependent living environments. This course also includes communication and self-help skills. Requires clinical observation, practicum experience, and the use of technology. Prerequisite: EDU 505 Instructional Theory and Design.

SPE 578. Technology and the Special Education Teacher. 3 hours. Su.

This course focuses on the introduction of assistive technology services and devices to special education teachers in order to help students with disabilities use technology to assist them in learning, making the environment more accessible, enabling them to compete in the workplace, and enhancing their independence. Same as SPE 348.

SPE 583. Teaching Students with Moderate and Severe Disabilities. 3 hours. Sp.

This course will focus on educating students with severe and multiple disabilities. Students will gain a working knowledge of designing collaborative educational services, partnering with parents and families, designing and adapting the curriculum, educating students with physical disabilities and multiple disabilities, sensory disabilities, and other special health care needs. This course requires clinical observation and practicum experience of a classroom that serves students with severe and multiple disabilities. This course also requires the student to obtain First Aid/CPR Certification. Same as SPE 483.

SPE 595. Practicum in a Comprehensive Setting. 3 hours. Offered on sufficient demand.

A faculty supervised field experience in a setting with students who have moderate and severe disabilities which will require the student to submit lesson plans, tests, logs, and other work samples.

SPE 597. Practicum in Special Education. 3 hours. Offered on sufficient demand.

A faculty supervised field experience in special education which will require the student to submit lesson plans, tests, and other work samples as well. An evaluation of performance based on observations by designated faculty will also be involved. This practicum will meet the needs of licensed teachers working in a special education setting who are seeking special education endorsement and the benefit of student teaching in special education.

SPE 598. Independent Study. 3 hours. Su., F., Sp.

A cooperatively planned reading-research course or special project guided and evaluated by a member of the graduate faculty. May be repeated. Prerequisites: student must have "regular admission" status, have completed twelve (12) graduate hours with 3.00 or above, and completed required forms with appropriate signatures before the drop/add date of the semester for which the credit is to be earned. It is the student's responsibility to develop a proposal, initiate contact with a faculty member willing to serve as mentor, and see that all requirements are met. A maximum of six (6) semester hours may be counted toward a master's degree at Freed–Hardeman University. Same as EDU 598.

SPT Sport Administration (*Pending SACSCOC approval.*)

SPT 273. Introduction to Sport Administration. 3 hours. F.

An introductory study into the business of sports. Students will get an overview of the leadership, governance, history, and management of the sporting industry at the high school, collegiate, and professional level.

A study of generalist social work practice as a creative blending of professional values, knowledge, and skills. This course introduces the generalist intervention model for practice with individuals, families, groups, organizations, and communities. This course emphasizes a theoretical and conceptual understanding of generalist social work practice. This course recognizes the diversity of individuals, families, groups, organizations, and communities, due in part, to the differences in values, cultural backgrounds, and socio-cultural risks and opportunities. It also recognizes that individuals and the systems of which they are a part relate in ways that provide the context for growth and problem-solving. Prerequisite: SWK 150 Introduction to Social Work. Corequisite: SWK 265 Professional Communication in Social Work Practice.

SWK 251. Human Behavior in the Social Environment I: Childhood and Adolescence. 3 hours. Su., F.

A study of a people-in-systems theoretical orientation for knowledge and understanding of human behavior in the social environment. The student will be introduced to a range of concepts that relate to human development and diversity within social systems from childhood to adolescence and that will be useful to the assessment of and intervention with people/system problems as they are encountered in social work practice.

SWK 252. Human Behavior in the Social Environment II: Adulthood and Aging. 3 hours. Sp.

An exploration of the processes of human development and changes from adulthood through aging. The student will analyze these developmental periods in terms of major intrapersonal, interpersonal, cultural, and societal systems. An emphasis is placed on policies, programs, and services for the aging. Prerequisite: SWK 251 Human Behavior in the Social Environment I: Childhood and Adolescence.

SWK 260. Careers in Social Work. 1 hour. Sp.

An overview of the multiple fields in social work practice. This course gives the beginning social work student an opportunity to be exposed to social work practice within a community agency. Professionals from diverse areas of practice will address students about their work, clientele served, and the values, knowledge, and skills required.

SWK 265. Professional Communication in Social Work Practice. (W) 3 hours. Sp.

A study of oral and written communication in professional social work practice. This course emphasizes interviewing skills and the organization of written information. This course includes a significant writing component. Prerequisite: SWK 150 Introduction to Social Work. Corequisite: SWK 250 Foundations of Social Work Practice.

SWK 299A/399A. Stress–Uses and Abuses. 3 hours. Offered on sufficient demand.

An examination of the causes and effects of stress on the body. Different physical and mental methods to cope with unhealthy stress will be demonstrated. Diet and its effect on stress will be discussed.

SWK 320. Expressive Therapies. 3 hours. Sp.

A study of the integration of the creative arts with traditional therapeutic approaches. The course emphasizes art, music, play, movement, and bibliotherapeutic techniques.

SWK 330. Crisis Intervention. 3 hours. Sp.

An overview of crisis theory and appropriate interventions for responding to clients in crisis. Crisis interventions addressed include Posttraumatic Stress Disorder (PSD), suicide, sexual assault, domestic violence, violent behavior in the workplace, terrorist attacks, and hostage crises.

SWK 341. Child Welfare I. 3 hours. F.

An in-depth exposure to child welfare services in America. The historical development of this specialized area of social work will be explored, as well as the scope of services included under child-welfare. Specific techniques used in working with children will be studied.

SWK 342. Child Welfare II. 3 hours. Sp.

An exploration of generalist practice skills in child welfare. The course will introduce students to topics and strategies needed to organize, conduct, and maintain their social work practice in the public child-welfare setting. Major topics in the course include personal, professional, and societal response to children at risk; assessment of families with child welfare issues; and treatment strategies utilized with traumatized children.

SWK 351. Social Work Practice with Individuals and Families. 3 hours. Su., F.

A study of social work processes and problem-solving skills as they create a generalist model for practice with individuals, families, groups, organizations, and communities. This course emphasizes the needs and conditions of individuals and families within the environment and ways to remediate and/or prevent people-in-system problems using the processes of generalist practice: assessment, planning, intervention, evaluation, and termination. Prerequisite: SWK 250 Foundations of Social Work Practice.

SWK 352. Social Work Practice with Groups, Organizations, and Communities. 3 hours. Su., Sp.

A continued study of social work processes and problem-solving skills as they create a generalist model for practice with individuals, families, groups, organizations, and communities. This course emphasizes the values, knowledge, and generalist skills necessary to work with groups, organizations, and communities to facilitate problem-solving and planned change. Prerequisite: SWK 351 Social Work Practice with Individuals and Families.

SWK 361. Social Welfare Policies and Services I. (W) 3 hours. F.

A study of social welfare policies and services both from historical and current perspectives. Attention is given to the relationship between societal values and philosophical approaches to social welfare policies and planning. This course includes a significant writing component.

SWK 362. Social Welfare Policies and Services II. 3 hours. Sp.

A presentation of frameworks for analyzing social welfare policies and a study of administration and management of social welfare programs from theoretical and practical perspectives. Attention is given to organizational structures and processes. Prerequisite: SWK 361 Social Welfare Policies and Services I.

SWK 405. Methods of Social and Behavioral Research I. 3 hours. F.

An introduction to research methodology as applied to social problems and human behavior. Emphasis is on problem formulation, development of research design, instrument construction, and basic sampling techniques.

SWK 406. Methods of Social and Behavioral Research II. (W) 3 hours. Sp.

A continuation of SWK 405. Emphasis on data collection, analysis, inferential statistics, and report writing. Prerequisite: SWK 405 Methods of Social and Behavioral Research I. This course includes a significant writing component. Lab required.

SWK 450. Intervention With Populations at Risk. 3 hours. F.

An examination of social work assessment and intervention strategies that promote awareness and skill for working with variations among human beings, such as those suffering from physical, mental, economic, religious, or social problems. The course emphasizes a need for sensitivity to human diversity and strategies to promote social and economic justice for populations-at-risk of discrimination, oppression, or abuse. Prerequisites: SWK 250 Foundations of Social Work Practice, SWK 351 Social Work Practice II, and SWK 352 Social Work Practice with Groups, Organizations, and Communities.

SWK 454. Seminar in Social Work Practice. 3 hours. Su., F., Sp.

A review of major coursework and the current social work practice scene. Emphasis is placed on the student pursuing major career interests and on preparation for the senior social work practicum. This course should be taken the semester before the senior social work practicum. Prerequisites: SWK 352 Social Work Practice with Groups, Organizations, and Communities, SWK 362 Social Welfare Policies and Services II, and SWK 406 Methods of Social and Behavioral Research II.

SWK 497. Senior Social Work Practicum. 9 hours. Su., F., Sp.

A professional field experience under the supervision of an experienced professional, carefully selected and approved by the University. Placement possibilities include public welfare, mental health, recreational, and community services. A minimum of 400 clock hours of field activity are required. Prerequisites: SWK 454 Seminar in Social Work Practice and admission to the program.
