ADDITIONAL ITEMS RELATED TO THE MAJOR

The following guidelines are important. Failure to follow these guidelines may delay graduation.

- 1 Plan schedules carefully. Plan to fulfill prerequisites for future courses.
- 2 Do not alter the sequence of courses without consulting with your academic advisor as not all classes are offered every semester.
- 3 Before the enrollment period, check to make sure holds will not prevent you from registration.
- 4 Register for classes early during the registration period to secure classes.
- 5 If you plan to study abroad for a semester, please consult your academic advisor at your earliest convenience to ensure there is no delay in course sequencing or graduation.

The Four-Year Degree Plan is a suggested plan of study. This plan does not replace the *Undergraduate Catalog*. The *Undergraduate Catalog* provides the official listing of program requirements.
