3Course has prerequisite. See corresponding *Undergraduate Catalog*

The following guidelines are important. Failure to follow these guidelines may delay

1. Plan schedules carefully. Plan to fulfill prerequisites for future courses.

2. Do not alter the sequence of courses without consulting with your academic adviser as not all classes are offered every semester.
3. Before the enrollment period, check to make sure holds will not prevent you from registering.
4. Register for classes early during the registration period to secure classes.

The Four-Year Degree Plan is a suggested plan of study. This plan does not replace the *Undergraduate Catalog*. The *Undergraduate Catalog* provides the official listing of program requirements.
