### PROGRAM REQUIREMENTS & PREREQUISITES AT LOGAN COLLEGE OF CHIROPRACTIC ST. LOUIS MO

Logan Requirements and Prerequisites	Corresponding FHU Courses	Total Hours
24 Hours of life/physical sciences with at least half having a lab component	BIO, CHE, or PHS	24

Logan shall consider for admission students who present an overall cumulative GPA of 3.0 on a 4.0 scale through at least 90 semester hours. Applicants whose GPA for at least 90 semester hours is between a 2.75 and a 3.0 on a 4.0 scale may be considered for acceptance under the Alternative Admissions Track Program (AATP)

**IS A DEGREE REQUIRED?** \_\_\_\_\_YES \_\_\_\_\_X\_\_\_\_\_NO

Students must provide evidence that they have received 90 credits from an accredited institution.

**IS CLINICAL EXPERIENCE REQUIRED OR HELPFUL?** Yes. One of the two letters of recommendation must come from a licensed chiropractor. Shadowing experience is expected, but the number of hours is not specified.

**APPLICATION DEADLINE:** Logan accepts students at the start of each trimester. Application due dates are:

January Trimester - December 15

May Trimester - April 15

Fall Trimester- August 15

**GPA:** For each of these subject areas, no grades below a 2.0 on a 4.0 scale may be accepted. In each of the course areas above, if more than one course is taken to fulfill the requirement, the course contents must be unduplicated. In the event an institution's transcript does not combine laboratory and lecture grades for a single course grade, Logan may calculate a weighted average of those grades to establish the grade in that science course.

**NOTE:** Application is online rather than through ChiroCAS.
