

FREED-HARDEMAN UNIVERSITY *Enrollment Deposit Form*

Once you have been admitted and made the decision to attend Freed-Hardeman University, you must reserve your place in our incoming class by paying your Enrollment Deposit. The deposit confirms you will be here for the fall term and guarantees you a space in our incoming class.

ENROLLMENT DEPOSITS are due May 1. Deposits received after the deadline are accepted only if space is available in the incoming class which means you may not be able to enroll in the fall if you do not pay your deposit by May 1. Additionally, students whose deposits are received before April 1 will be given first priority when housing assignments are made. Priority is determined by the date the Enrollment Deposit and Housing Preference form are received by the Office of Admissions.

YOUR ENROLLMENT DEPOSIT confirms enrollment as an FHU Complete down payment which is applied to your first semester bill. The Enrollment Deposit is refundable if a cancellation and request is made by April 1 for Summer and/or Fall semester and November 1 for Winter term and/or Spring semester. No refund will be given on any cancellation made after these dates. If the student is not accepted for admission, all deposits will be refunded. Requests for refund of enrollment deposits must be submitted to the director of admissions at admissions@fhu.edu.
