

SKY ROCKET

VOLUME XXXV

FREED-HARDEMAN COLLEGE, HENDERSON, TENNESSEE, MAY 15, 1957.

NUMBER 8

FHC Booster Club Is Organized

Recently some business men began the organization of some Freed-Hardeman College Booster Clubs. On April 16 thirty-four men met in Jackson for a banquet and started a West Tennessee Club. We hope that there will be other such clubs formed all over the nation.

Freed-Hardeman College is blessed in having a very fine and active Alumni Association. Many former students will also be members of the Booster Club. However, these Booster Clubs are made up of business and professional men from the Alumni and other friends. These men are interested in Christian education and are banding themselves together to further the work here at Freed-Hardeman College.

In the civic world we find such organizations as the Lions Club, Rotary Club and Chamber of Commerce. These organizations help to keep alive the business and civic affairs of the community. It is hoped that hundreds of Christian business men will become active in the Freed-Hardeman College Booster Clubs to further Christian education.

At the meeting of the Board of Directors, the Advisory Board and the originia group that met to form the club, it was decided that those who are eligible for Booster Club membership are the ones who are contributing \$100 or more per year to Freed-Hardeman College. Those who contribute \$100 or more per year to the school are automatically members of the club. A Booster Club certificate will be issued to all members.

This organization is designed to supplement and not supplant the Alumni Association. It is a club composed of business and professional men who have a desire to give their influence and money to the support of Christian education in any way possible.

JARRETTS IS GUEST CHAPEL SPEAKER AT FHC ON APRIL 23

John Jarretts of Goodlettsville, Tennessee, was guest chapel speaker at FHC Tuesday, April 23.

Jarretts, a former student of Freed-Hardeman, has preached in McKenzie, Lawrenceburg, and Humboldt, Tennessee; Louisville, Kentucky, and other places.

His speech was on one's turning from his goals and ideals. His visit to the college occurred during the week of April 22-29 in which he was holding a Gospel meeting at the East Chester Church in Jackson.

Jarretts is an uncle of FHC student, Joyce Pinkley.

Alpha Gammas Add Members

On May 6, Dean E. Claude Gardner announced the addition of three new members to the Alpha Gamma Deltas.

These new members, Arlene Hogan, Linda Forrester, and Jo Ann Hodges, were elected to membership on the basis of their scholarship and leadership.

To be eligible for this honor, one must make a 2.5 quality point average.

We sometimes win our greatest victory just by giving in.

COLEMAN ADDRESSES CHAPEL ASSEMBLY

W. D. Coleman of Ackerman, Mississippi, was guest chapel speaker on Tuesday, April 30.

Coleman is a graduate of the University of Mississippi Law School and has practiced law for ten years. He is the brother of the governor of Mississippi.

Orlan Miller, head of the Speech Department, introduced Coleman who spoke on "Some Legal First Aids."

In his speech he reminded the students that they were members of a dual system, the state and church, and should know enough practical law to protect their interests.

He stressed the two main classes of law pertaining to the relationship we have with other people. First are those laws arising out of contracts and second are the obligations of citizens to respect and the rights and duties of others.

In conclusion, he emphasized the importance of a practical knowledge of law and its correct use in daily life.

FINAL TEST SCHEDULE POSTED IN LOBBY

The Final Test schedule has recently been issued by the office of the Dean-Registrar and is posted in the lobby.

Tests begin at 7:30 Monday morning, June 3, and end at 4:00 Wednesday afternoon, June 5.

Examinations will not be given to individuals or classes different from the posted schedule. Students with any conflict should report such to the teachers or to the Registrar.

Lancaster Speaks On Student Life To Visiting Seniors On May 3

Four students were selected by the Student Council to address the visiting seniors at a meeting after chapel May 3.

These four students were Betty Lancaster, Janis Plunk, Eddie Dunn and Wayne Emmons.

The following is a copy of the speech Betty Lancaster made. Perhaps it will be of interest to other prospective students.

Student Life

The phase of college work I'm dealing with is student life. I'm sure in the future when I look back upon my college education I may not remember such things as Carlyle's theory of history or all the fundamentals of mathematics that I've learned but some things will stand out vividly in my memory. These things will be those day by day experiences that happened on the campus of FHC.

One of the very first deep impressions that was made upon my mind was the first night I spent on the campus. My roommate and I were tired and weary at the end of the day but more so than that we were homesick. I suppose we were the most homesick we had ever been. We knew very few people and were less interested in learning about others. So we decided the ideal place for us was our beds. We crawled into bed early and went to sleep but we were soon awakened. We sat up in bed and marveled. We heard a group of people singing hymns and spiritual songs. We soon learned that this wasn't unusual on the campus of FHC. It happens here every day. Yes, every day is closed by a period of worship and devotion unto God. Can you think of

Pictured above is the newly appointed Freed-Hardeman College Advisory Board at its first meeting Monday, April 15. Meeting with the Advisory Board members were representatives from the Board of Directors and the College Administration. Officers elected at the meeting were L. B. Nabors of Columbus, Mississippi, president and Kenneth Woods, Henderson, Tennessee, secretary.

DEBATE TEAM PLANS EXHIBITION DEBATES

The Freed-Hardeman College debate team, under the direction of Orlan Miller, will visit the campus of Arkansas State Teachers College in Conway, Arkansas for an exhibition debate May 16.

On May 17, the debate team will have an exhibition debate at Harding College in Searcy, Arkansas. The six debaters to participate in these debates are: Hugh Fulford, Wayne Emmons, Don Harriman, Jim Swinney, Bennie Harris and Phil Sumrall.

Student Reviews Thespian's Play

By Dot Thames

"The best play ever presented at F.H.C. was the opinion of many after they had witnessed a magnificent performance of 'Cheaper by the Dozen'."

In view of the fact that such a short time was had in preparing for this production, the actors and actresses did a masterful job in bringing forth that well known Gilbreth Family to a very responsive audience. It may also be stated that these students sacrificed a great deal of their time and possibly their grades to bring entertainment to the student body and, of course, our visiting high school graduates.

To bring out some of the members of the cast to whom special mention should be made, we pay tribute to Arlene Hogan, Hugh Fulford and Wayne Emmons. Each of these has been in previous Thespian productions either this year or last year. Arlene is new at Freed-Hardeman this year but promises amazing results for future Thespian productions. She has that special way of playing parts that makes an audience feel a part of the story. Wayne, who plans to leave us this year, had one of the leading roles in "Burner of the Bugle".

It took each member of the cast to bring out the atmosphere that goes with the Gilbreth family life and the life of the twenties.

It would be in order to mention one of the supporting actors who although he played a minor part, was nevertheless very "cute" and typical of a boy of that age. Who else could it be but Lynn Anderson and his role as Jackie?

After director John Brinn brought the cast out for a curtain call he was surprised by the presentation of a gift for his office desk by the cast. A well-deserving person, all of Freed-Hardeman agrees. Thanks to John Brinn and the Thespians for such fine entertainment.

Ross Speaks To Chapel Assembly

Billy Ross of Tupelo, Mississippi, spoke to the chapel audience, Tuesday, May 7.

Ross, a former student of Alabama Christian College

DEAN OF GRADUATES ADDRESSES STUDENTS

Fred Barton, Dean of the Graduate School at Abilene Christian College in Abilene, Texas, was guest chapel speaker Thursday, April 25.

Barton is a former graduate of Freed-Hardeman and of the State University of Iowa. He received his BA Degree at ACC and later received his MA and Ph.D. at the University of Iowa.

He was introduced by C. P. Roland, vice-president of FHC.

Barton mentioned that it was interesting to note that nine members of the Abilene Christian faculty were graduates of Freed-Hardeman and that five members of the FHC faculty are graduates of Abilene Christian. These FHC faculty members are H. C. Roland, Orlan Miller, Olan L. Hicks, Ben Zickefoose and Frank Van Dyke.

FHC SUMMER SCHOOL SCHEDULE RELEASED

Freed-Hardeman College summer school will be conducted June 12 through July 19. Classes will meet daily Monday through Friday. The schedule of classes is as follows:

7:00-7:55 a.m. — Matthew, English Composition, Fundamental Concepts of Mathematics and Physical Geography.
8:00 — 8:55 a.m. — Hebrews, Shorthand, General Psychology and Survey of Civilization.
9:00 — 9:25 a.m. — Chapel.
9:30-10:25 a.m. — Acts, Typewriting, Personal Hygiene and Principles of Speech.
10:30-11:25 a.m. — Paul's Epistles, Survey of American Literature, Physical Education and American History.
11:30 — 12:25 p.m. — Bible Geography, English Composition and Survey of Natural Science. The Natural Science class will continue until 12:40.

HUDSON SPEAKS TO CHAPEL ASSEMBLY

Willie Hudson of Linden, Tennessee, was guest speaker for chapel exercises Wednesday, May 8.

Hudson attended Freed-Hardeman from 1933 to 1935 and received his degree from Abilene Christian College in 1937. He received his masters from Peabody in 1951 and has done summer work there in 1952, 1953 and 1954.

He has been at Linden since 1938 and serves as coach of their basketball teams. He made the outstanding record of 2 consecutive wins of the State Basketball Championship and then broke that record with the winning of the championship again this year, 3 consecutive wins!

Hudson is rated as one of the best coaches in the South and last year he was chosen to coach the Southern ball team chosen to play the Northern team at Murray State.

The topic for his speech was "A Christian and Sports". In his address he stressed several points all should observe when participating in sports. These were to play to win, follow the Golden Rule, play as if the Lord was on the other side, play as if your mother or father was on the other side, and win but win fair and square.

spoke on problems that daily confront a Christian and try his faith.

He was introduced by President H. A. Dixon.

Everyday we live on this campus, enjoy all the comforts that are provided for us and yet do not stop to think about those who contribute these things. Perhaps we take for granted the food we eat, the clean classrooms, the heated rooms and the major and minor repairs to buildings and furniture. Why don't we take the time occasionally to thank those responsible? It takes little effort but it would make their work easier and more pleasant if we would let them know that we appreciate it. Miss Spenser and Mrs. Smith should be commended for the fine meals and efficiency they maintain in the lunchroom. Mr. Smith and Mr. Weaver should also receive our thanks for the jobs they do in maintenance. Perhaps one of the most responsible and least thanked men on this campus is Bro. Harry Campbell. Just think how things would run if he wasn't around to keep them in line. From now on, let's be a little more considerate and thank these people who contribute to our well-fare.

CHRISTIANS ONLY

By Alan Highers

For many years, gospel preachers have been pleading with people to be Christians only without belonging to any extra organization or denomination. The point has been made that we can be Christians, serve God throughout our lives, die and go to heaven without ever joining any denomination! It has further been noted that we are added to the Lord's church at the same time we become Christians or obey the gospel, and, having done that, we need do no more to serve God and be well pleasing to Him. This is all correct, in perfect order, and probably needed more today than ever.

BUT, in recent years, in an attempt to emphasize this plea, some have evidently fallen into the same error this teaching was intended to correct. For example, several prominent and capable brethren have declared, "WE are NOT the only Christians; WE are Christians only!" Of course, they meant to stress the point that people can be Christians and nothing else, but that. However, in making a plea for UNDENOMINATIONAL Christianity, one must be cautious not to adopt a denominational attitude. The church of Christ contains every saved person on the earth—of a necessity since he is added to the church at the same time he becomes a Christian! Therefore, to claim membership in a body smaller than that which contains ALL Christians is to profess membership in a DENOMINATION or a SECT, and that is the very thing purportedly opposed! Just who is meant by the "WE" in the statement now being made by some brethren? If "WE" are not the ONLY Christians, then that "WE" represents a body distinct from the church of Christ, for it contains every Christian there is. Any "WE" or body that does not claim ALL Christians is a sect, no better in that respect than any other sect that claims only a PART of all Christians. I do not know what "WE" these brethren have in mind, because the only "WE" with which I have ever had anything to do is the "WE" that contains every saved individual.

When a man obeys the gospel, he becomes a Christian and the Lord adds him to the church. If he was not added to the church, it is because he was not saved in the first place. Therefore, "WE" (the church of Christ) does in-

21 STUDENTS VIEW M.S.C.'s HAMLET

The F.H.C. Speech and English Departments were invited to see Memphis State's production of "Hamlet", April 23. The 21 Speech and English students who represented F.H.C. spoke very favorably of the play.

Orlan Miller and Mr. and Mrs. Thomas Scott represented those of the faculty from the college. The students attending were Gail Short, Sue Lane Loftin, Lee Smith, Landon Saunders, Deloris Davis, Patsy McKay, Jack Esslinger, Jo Ann Hodges, Darrell Hupp, Dara Collum, Jan James, Marva Wells, Sue Fritz, Jane Ezzell, Edith Flowers, Georgia Utley, Doris Brooks, Dot Thames, Betty Walker, Bill Freeman and Bobby Stewart.

Hollywood Marriage — Much "I do" about nothing.

clude every Christian there is anywhere on the face of God's green earth, and if the "WE" does not do that very thing, it constitutes a sect. But are there any Christians in denominations? If so, it is because they have done something religiously in addition to obeying the gospel and being added to Christ's church.

Today, more than ever before, there is a need in the church for a clear understanding of what is meant by "undenominational Christianity." Young preachers especially should avail themselves of the writings of men like F. D. Srygley, G. C. Brewer, and others who wrote extensively on these themes. When writing once on the question of Christians in the denominations, Srygley said: "If there are no Christians in any denomination, it is the only place except hell they have all kept out of. When there are Christians—not the best variety of Christians, to be sure, but the same sort that lengthen the lists of members on all 'our church books'—in saloons, on the race track, at the theater, in the ballroom, around the gambling tables, in the calaboose, behind the jail doors, in the penitentiary, and on the gallows, it should not create surprise or start a scandal if a few of the meanest specimens of them should occasionally be found temporarily in the most respectable and pious religious denominations of this degenerate age and God-forsaken country." And I suspect that Srygley might have had a point.

Science Displays Attract Attention Of May 6 Visitors

One of the main points of interest in connection with the May Day-High School Day celebration, May 3, was the exhibition of science projects by the Biology, Chemistry and Physics classes.

Included in the Biology displays were insect collections, nature printings made from live flowers, wild flower collections, shell collections, and molds of animal tracks. One theme was animal architecture in which different kinds of birds' nest, insect houses, nests of small mammals and others.

One display showed the development of a chick each day of formation in the egg throughout the entire incubation period. Experiments to show how animals regrow missing parts featured earthworms and planaria (flatworms). Principles of heredity were illustrated by fruit-flies. Other living exhibits included snakes, turtles, growing bacteria, and a terrarium showing local mosses and liverworts.

Various objects such as bacteria and one-cell animals were viewed under the microscope.

A large map of the city of Henderson showing the result of a tree survey made by several biology students was on display. Plants being grown in a solution instead of soil introduced many visitors to the growing field of hydroponics.

Snakes were displayed which featured every type of poisonous snake found in this area and a number of snakes which in times past have given rise to many superstitions.

Many of the objects in the collection housed in the Biology room not intended for this display were of a greater interest to some than those displayed.

A blood typing station was found in the physiology laboratory for those both interested and brave. The use of the kymograph, used in the study of the human body, was demonstrated. These were displayed in the newly equipped bacteriology and physiology lab.

In the chemistry a number of displays were also found. Included were molecular models of some compounds (both organic and inorganic); exhibit of materials used in steel making; a typical qualitative analysis set-up with apparatus and reagents displayed; a distillation apparatus; graphs, charts, and apparatus used in prospecting for uranium and a display of pamphlets and other material available for outside reading in chemistry.

Displayed in the physics lab were a three inch and five inch oscilloscope (the three inch oscilloscope being a recent gift of former teacher Billy G. Dunavant); a Wimhurst static-electricity generator; 60,000 volt induction coil; 85 megacycle multi-vibrator demonstration transmitter; mock-up of Fitzau's wheel apparatus to determine the speed of light and two student projects, a co-efficient of heat conductivity apparatus and a heat reflectance by various colors demonstration apparatus.

One of the most interested groups was the students from the local elementary school who came on Monday, May 6.

The displays were under the supervision of Bob Atnip, biology; John Brinn, chemistry and H. C. Roland, physics.

DOYLE BABY BORN

A son, Daniel Farris (Dannie) was born to Mr. and Mrs. Kelly Doyle, April 10, at the Henderson Clinic.

Dannie, weighing 11 pounds and 12 ounces at birth, is the fourth child of the Doyles. He has two sisters, Karen and Celia and a brother, K. B.

Hamlet — A little pig.

Campus Searchlights

With mid-term exams finished, and I do mean finished, everyone can breathe a sigh of relief. No more cramming until finals.

May Day brought many prospective students to our campus. Some of the boys were very helpful in showing the girls around the campus. That's what is known as true courtesy. I wonder if they had an ulterior motive.

The post office seems to have made a mistake in placing some of the mail. The other day, DAVID WILLIAMS received some very personal mail that was intended for a girl. Did you have a hard time explaining to Betty, David?

Brother Miller gives such easy tests, so LEROY MARTIN thinks, that he decided to go to sleep. Was he ever surprised to find out the test was over when he woke up!

The biology students have really had a time working on their projects. They have been wandering around the campus with nets, magnifying glasses and everything imaginable. Two girls got a nest by mistake with some eggs in it. Much to their dismay, they are responsible for the eggs!

BILL BERKLEY was overheard saying the other day, "It's kinda hard to be nice to a Northern girl. Before Ah can open a door for her, she has opened it, gone through it and sla-ammed the door in mah face!"

Spring has sprung and so have the engagements. Congratulations to MARGARET ROSE and BOB LANGSTON, BARBARA ANDERSON and JOE GALLAWAY. With such beautiful weather, everyone wants to stay out of doors. JERRY BARBER and BILLY FORRESTER really enjoy the sunshine. EDDIE DUNN watches the tennis class, but JANE CLARY seems to claim most of his attention.

AUGUST RUFF really enjoys his meals lately, especially the Lemon with his tea. This Lemon isn't the sour kind, but instead one with a beautiful smile named SHIRLEY.

The play "Cheaper by the Dozen" was a huge success. Some unknown talent was discovered although that varies on the person's opinion. Someone was overheard to say that LYNN ANDERSON was in his natural state!

Some girls should go out for more strenuous exercise than phys. ed. When one can pitch a person over their shoulder, that is getting pretty good.

SANDRA BRUCE was so anxious to get to class the other day that she wore one shoe of a kind. Here is a real student. Take note teachers.

PERRY LUCAS gets all shook up at times. The other night when he was studying, he looked up to see fire all over his room. Perry, you're just having hallucinations.

BRUCE ROBERSON really likes to spend week-ends on the farm, but when a sheep starts chasing him, well, that's another story.

Some of the girls around here seem to be going through their second childhood. I've seen them reading "Peter Rabbit" and "Uncle Remus". After digging into the matter, I found out that it was only required outside reading for Children's Lit.

DAVID FARR has been trying to keep the skeletons in the closet, but the other night, he got locked in himself. Luckily, someone came to his rescue.

NANCY PRICE and CARL ADKINS have been seen together frequently especially out at Chickasaw on picnics. Everybody on campus agrees that they make a perfect couple.

Some other couples who seem to spend all their spare time together are DIXIE AKINS and JAMES MAXWELL and ANOULA GOULD and JOHN HARRIS.

Jhin, Bradfield Plan Trip To The North During June

W. A. Bradfield, Promotional Director of Freed-Hardeman College, and Kyo Ryoan Jhin, student at Freed-Hardeman from South Korea, plan a trip in the north during June.

Sunday, June 9, Brother Bradfield will preach at Akron, Michigan at 11:00 a.m. and Brother Jhin at Bay City at the same hour. In the afternoon at 1:30 there will be a pot-luck dinner at the YWCA, 314 Fourth Street, in Bay City. A program in the interest of Christian education will follow the dinner. Everybody is invited to attend this meeting. At 6:00 p.m. there will be a city-wide meeting of the young people of Flint, Michigan, and the surrounding area at the Zimmerman Church of Christ, 2014 Bimmerman Street, in Flint. At 7:30 p.m. Brother Jhin will preach for the Zimmerman Street Church and Brother Bradfield will preach at Court Street in Flint.

Monday, June 10, a Freed-Hardeman College Alumni banquet will be held at the Normandy 2431 Woodward Avenue at Ten Mile Road in Royal Oak, Michigan.

Bradfield and Jhin will attend the FHC Alumni meeting at Happy Days Camp midway between Akron and Cleveland, Ohio, at 7:30 p.m. Tuesday, June 11.

Wednesday night, June 12, Brother Bradfield will speak at the North End Church in Parkersburg, West Virginia, and Brother Jhin will preach at the South Side Church of Christ in Parkersburg.

They will attend the Freed-Hardeman College alumni meeting at the Wilmar Cafeteria in Parkersburg Thursday night, June 13, at 6:30 p.m. (Eastern Standard Time).

Lancaster Speaks To Seniors On High School Day

(Continued from Page One)

fully. These are only a few of the many rich experiences that happen day by day on our campus.

I hope you have a goal in mind. I hope your goal isn't reached with a high school education. I hope you aspire to obtain a college education. Can you think of a better way to spend the next two or four years than in a Christian environment at the feet of able instructors. These are important years in your life. These fears are the years spent in laying a foundation whereon to build your future life. I believe it will have a great weight on your success or failure in future years. I dare say it will have a great influence upon where you will spend eternity. We're hoping you will be a part of our FHC next year.

Taxpayer — One who doesn't have to pass a civil service exam to work for the Government.

Patronize our advertisers.

PAT McDANIEL has really been anxious to get home the past few weekends. What's Robert's last name, Pat?

Wonder why PEGGY EUBANK has been making so many trips to the post office. Oh, yes, Dorsey Tynes is gone.

We hear that BARBARA WILSON is writing a "Dear Johnny" letter. How about it, Barb?

Word has gotten around that the Moffitt House girls have organized a very good (?) chorus. This new group called the Moffiteers is under the direction of DOT THAMES. The theme song is, "Do Your Ears Hang Low?"

Well, so long until next time.

JUDY PEPPER

Judy Pepper Crowned May Queen By President Dixon On First May Day

A gala event would well describe the first Freed-Hardeman College May Day-High School Day which was held May 3. Another first for the college, the May Day proved to be very successful and it is the prediction of many that this event has found its place among Freed-Hardeman College's annual affairs.

The May Day program, which was under the direction of Dale Buckley, got underway at the chapel exercise at 9:20 a.m. H. A. Dixon, president of the college, gave a short address on "Christian Education". This speech was followed by a very fine choral presentation by the Freed-Hardeman College Chorus, under the direction of Kelly B. Doyle, head of the music department.

Immediately following the chapel exercise the visiting high school seniors met with President Dixon and Dean Gardner in the college auditorium after which various conferences were held with different department heads.

At noon a barbecue dinner was served in the cafeteria after which college students, faculty and many high school seniors and other visitors blended their voices together in the singing of hymns in the quadrangle.

The mood of the day was changed from that characteristic of hymn singing when the Freed-Hardeman College tumbling team presented its very first exhibition in the college gymnasium. A personal opinion is that many were pleasantly amazed at the performance of the team. A very exciting performance of basic ground tumbling and individual and dual stunts was presented by the agile members of the team. The team, under the direction of Ben Zickefoose, is another example of the splendid work which he has initiated this year. Hats off to him on a job well done!

While the skill and teamwork of the tumbling team was being so ably demonstrated in the gymnasium the tennis court was the scene of another exciting sport—a singles tennis match

between two favorites of the campus, namely the School champion of 1956, Don Harriman and R. L. Witt, faculty member and tennis champ. Harriman took the first two sets of an exciting match with scores of 6-1 and 6-4.

With the conclusion of the tennis match, the highlights of the day came with the crowning of the 1957 May Queen by President H. A. Dixon and the presentation of her court.

The twenty-four May Pole winners were an array of color with their beautiful pastel dresses as they marched across the green lawn and formed a colorful rainbow around the Queen's Chair.

The girls of the court, beautifully arrayed in billowing white chiffon dresses and carrying hand bouquets of blue Dutch Iris and escorted by male attendants dressed in white dinner jackets, marched to appropriate organ music provided by Mrs. Mary Gardner, as they preceded the queen to the coronation setting of white lace-work lawn furniture backed by an arch of greenery and leafy palm trees. Members of the court were Sandra Bruce and Alan Highers, senior class; Nancy Price and Calvin Conn, freshmen; Betty Powers and J. P. Jordan, Alpha Tau; Reba and Albert Hill, Sigma Rho; Norma and Joe Johnson, Phi Kappa and Janis Plunk and Neal Smith representing the Philos.

Becky and Barbara Miller, lovely in crisp white organdy dresses, served the queen as flower and crown bearers. One twin bore the jeweled crown on a pink satin pillow and the other carried the queen's bouquet of lovely American Beauty roses.

The May Queen of 1957, Miss Judy Pepper, in a beautiful white dress covered with a multitude of tiny net ruffles accented by a touch of red velvet at the waist and a train of scalloped net, marched with dignity and poise to her place of honor in the midst of her court. H. A. Dixon, president, crowned Judy the first May Queen and presented her bouquet.

Miller Reports 85 Enrolled In Youth Camp For June

Orlan Miller reports that 85 boys and girls from eight different states have already enrolled for the Freed-Hardeman Youth Camp to be held for the first time at Camp La Joie (Chickasaw State Park) from June 23 through 29. Miller states that applications for the Youth Camp are coming in each day. There is only room at Camp La Joie for 120 students and all who plan to send in their applications are urged to do so now. The camp is open to those who are between the ages of 10-18.

The states represented are following: Alabama, Ga., Tenn., Ark., Mo., Ill., Ky., and Miss.

Activities such as swimming, boating, hiking, games, group singing, contest, crafts, etc., will be provided for boys and girls of all ages.

For further information write to Orlan Miller in care of the College.

Citizen — A man who wants better roads, better schools, better public officers and lower taxes.

Skier — One who jumps to conclusions.

quiet.

After the May Pole was wound the organ once again yielded appropriate sum m e r strains as the recessional began. Orlan Miller served as Master of Ceremonies for the gala occasion.

At the conclusion of the coronation ceremony a reception was held in the Home Economics Department. Fruit punch and cookies were served the guests of the day, the Queen and members of her court.

To make the day a well-rounded event in every way, a delightful and highly humorous three-act comedy, "Cheaper By The Dozen" was presented in evening in the college auditorium. The Thespian production, under the direction of John Brinn, concluded the activities of the first May Day-High School Senior Day in the history of Freed-Hardeman College.

Preacher Students Receive Volumes

Forty-three preacher students were recently presented with 3-volume sets of The New Testament Christianity Book.

These volumes written by Z. T. Sweeney are given by the New Testament Christianity Book Fund of Columbus, Indiana.

Students receiving the p r e s e n t s are: Darrell Beard, Seth Daniel, James Dean, Eddie Dunn, Wayne Emmons, Albert Englund, Huel Evans, Walter Fennel, Hugh Fulford, Joe Gallo-way, Don Harriman, Alan Highers, Albert Hill, Ronnie Hill, Kenneth Hoover, George Huffer, Kyo Ryoon Jhin, Joe Johnson, Bob Langston, David Liddbury, Kerry McClain, R. T. Miller, David Pharr, Max Ray, Ken Samuel, Landon Saunders, Dwayne Shappley, Don Starks, Bobby Stewart, Joe Taylor, Rhinard Troup, Roy Verner, Dale Wicherts, David Williams, Francis Williams, Clyde Woods, Jack Esslinger, Lynn Darnell, Robert McGuire, Gerald Romine, August Ruff, Jerry Smelser and Billy Thomas.

Thespians Present Three-Act Comedy

"Cheaper By The Dozen", a three-act comedy, was presented by the Thespians Friday night, May 3, in the FHC auditorium.

Included in the cast were Wayne Emmons, Martha Edmond, Arlene Hogan, Hugh Fulford, Lynn Anderson, Gerald Romine, Kent Hall, Ken Samuel, Sue Fritz, Jane Ezell, Barbara Turner, Joyce Pinkley, David Liddbury, Dick Hackett, Jean Terry and Mark Hicks.

Ushers were Marvadeen Wells, Edith Flowers and Jean Sims.

Music before the play and between the acts was provided by Mary Alice Plants and Ann Ward.

John Brinn, play director, was presented with a gift of appreciation during curtain call by the play cast.

LION'S ROAR

Blasting their way through, Itawamba Jr. College defeated the FHC Lions in our first baseball game of the 1957 season by the score of 10-4. The Lions, under the direction of J. Walker Whittle, have been plagued by a multitude of errors throughout the season, but they have pulled through a few times to win 2, tie 2, while losing 3. With only a few games left, the Lions can still manage to come out with a .500 average, which is not bad at all.

The games have not been all bad, for in some the hitting and the fielding have been pretty good. At the time of this writing the score book is not available, so the batting averages are unknown to this writer; however the "champeen" will probably be one of the following: Jim Clary, Delbert Flack or Jerry Moore.

Complementary with "America's favorite pastime", is the game of softball. In the intramural program, as far as the men are concerned, we find the Phi Kappas are leading the pack with a 3-0 record.

This year, the Phi-Kappas can boast of having the best pitcher that has hit the campus of FHC in years, Bob Langston, who in three years has not lost a game. Most of the games in which he has appeared (all this year), have been shut-outs, so boys here is a nice record for someone to ruin.

As for the fielding, the Alpha Taus have kept that crown for three years this writer has seen them play. There is no doubt that they will take second place unless they completely blow up. Third and fourth places are occupied by the Sigma Rhos and Philos respectively.

In the girls' contest, we find the Alpha Taus with 1-0, while the other teams have 1-1 records. One game between the Alpha Taus and Sigma Rhos, ended with a "football" score of 21-20, won by the Sigma Rhos. Bonnie Beavers hit two home-runs in this game.

We have been "experimenting" with a track team, the first in the history of the school since the first week in April. The boys work out on their own time, pay their own expenses, and massage their own "charlie horses". The team took second place in its first meet, of course it was a DUAL meet, but on the whole they made a fair showing. The next meet was held in Memphis, but we won't mention the results of this except to say that Jeff Griffith was the only one who placed.

The boys' tennis team has shown its real true colors this year with a smashing victory of five wins and no losses. Harri-man, who has been stated as being our No. 1 man has really been showing his stuff in most of the matches. The team is well pleased with their two victories over Lambuth, not to mention a victory over UTMB, Bethel and Martin each.

The girls' tennis team has shown three losses and two victories. The losses came from Lambuth, Bethel and UTMB. Their victories were over Martin and Bethel. Great outcomes are expected from these teams that represent FHC throughout the seasons. More power to you! Robert Witt has done a re-

TRACK TEAM ENTERS SOUTHWESTERN MEET

The FHC track team accepted an invitation from Southwestern College in Memphis to enter their track meet which was held Saturday April 26.

Seven schools accepted the invitation but only three participated. The meet, held for small colleges, was entered by Lambuth, Freed-Hardeman and Southwestern.

Four individual events were held: the 100-yard dash, high jump, broad jump and discus throw, plus six NCWA relays.

FHC entered all the individual events and three relays. Jeff Griffith won a third place medal in the discus division.

Trophies were given to the first place winner in each individual event and to the first place winners in the relays. Southwestern won all trophies presented.

Members of the FHC track team who attended the meet were Jeff Griffith, Roland Wise, Gerald Lusk, J. P. Jordan, Mark Hicks, James Maxwell and Jimmy Webb.

Zickefoose, head of the P. E. Department, stated that the track team this year is not yet on a varsity level as far as Freed-Hardeman College is concerned but the meets are mainly to stimulate interest for the P.E. classes.

Plans are in the making for a meet with Union in Jackson between their varsity team members who have never won a first in a track meet, and the FHC team. However, plans are still indefinite.

NEWS ITEMS

Dean E. Claude Gardner spoke in the David Lipscomb College Lectures in Nashville, recently.

President H. A. Dixon delivered the class address at Linden High School in Linden, Tennessee.

W. A. Bradfield delivered the baccalaureate address at Clarksburg High School.

Kyo Ryoan Jhin spoke at the Nashville Christian Institute in Nashville recently.

The campus is sorry that the Dale Buckleys were called out of town due to the death of Mrs. Buckley's father.

The mother of Mrs. Charles Brown was recently killed in an automobile accident.

Mrs. Ruth Campbell has been absent from the campus for several weeks suffering from a displaced disc in her neck.

markably well job of coaching the tennis teams and we give him credit for much of the victory.

So long until next time when we will give a review of the entire baseball, softball and tennis seasons with records, averages, etc.

Support YOUR teams!

The FHC tumbling team which has been organized recently gave its first performance Friday, May 3, as a part of the May Day-High School Day program.

Members of the team who performed were Ed Fite, Thomas Stovall, George Hanson, Gerald Lusk, Sammy Griner, Dick Hackett, Harold Sublett, Gerald Romine, Neal Smith, Bill Bowen and Jerry Taylor.

They presented basic ground tumbling, individual and dual stunts, pyramids, spring boards, vaulting and diving.

On April 23, Ben Zickefoose, head of the Physical Education Department presented Red Cross standard and advanced first aid certificates to the thirty FHC students who successfully completed the first aid course offered the winter quarter.

Pictured above are Ben Zickefoose, instructor of the course, and some of the students who received certificates. Those pictured are: Joan Swift, Rhonella Fox, Hazel Melton, Virginia Dover, Linda Hunter, J. P. Jordan, Ronald Glass, Ronald McIndoo, Huel Evans, Perry Buster, Robert Watson, Fay Todd, Herbert Dean, Billy Thomas, R. T. Miller, Larry Harris, Jerry Moore, William Adams, Bill Helm, Jimmy Webb, Charles Creasy and Lynn Anderson. Those not pictured who received certificates were Darrell Beard, Doris Brooks, Jerry Lee Davidson, Delores Davis, Jack Esslinger, Ted Evans, Josh Lewis and Jim Swinney.

TRACK TEAM PLACES IN LAMBUTH MEET

The Freed-Hardeman College track team had a practice meet with Lambuth College in Jackson, Monday, April 15.

In the 220-dash, Perry Buster took third; in the 880-yard dash James Maxwell won first and Kerry McClain won second.

Winners in the hurdles were Perry Buster, taking second in the 220-low hurdles and Mark Hicks who won second in the 120-high hurdles.

Gerald Lusk won second place in the pole vault. Other winners were Bill Berkley and J. P. Jordan. Berkley won third in the high jump and Jordan took second in the broad jump.

Second place in the shot put division was won by Roland Wise and in the discus division Jeff Griffith took first place and Roland Wise won third.

Places were given to the top three in each division.

PREACHERS CLUB GUESTS OF TRAINING CLASS MON. NIGHT

A very interesting and enlightening panel discussion comprised the program of the Girl's Religious Training Class when it met Monday night, May 6, at 7:00 p.m. in the college auditorium. Special guests of the Training Class were members of the Preachers' Club.

The panel, composed of Jean Terry, Bettie Burgin, Ann Tatum, Annette Almond, Eddie Dunn, Jay Lockhart, Don Richardson, Hugh Fulford and Wayne Emmons, chairman, discussed "Courtship and Marriage." A variety of views and ideas were expressed.
